Post Prom 2011

"A Night In Vegas" was a night to remember. April 23rd the junior class hosted the Senior Prom at the Elwood Opera House. Walk-in began at 7:30 pm and prom ended at 11 pm. Brandi Sizelove was Queen, and was escorted to the dance floor for their dance by King, Alex Compton. The song for the King and Queen dance was "If I Die Young" by The Band Perry. Prom court was Bobby King, Aaron DeLong and Ian Imel also, Allison Parr, Emily Rose, and Karli Clark. After prom ended, attendees went home to change, then most went to the elementary for Post Prom.

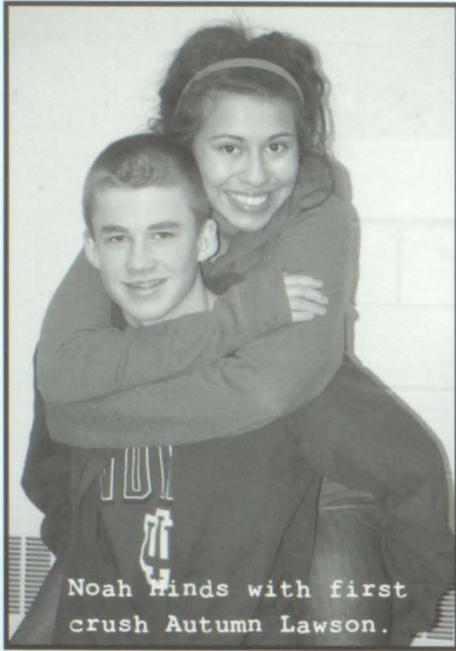

Post Prom was sponsored by the junior parents and their theme was "Las Vegas." There were blow up obstacle courses and jousting games, corn hole, jumbo Jenga sets, and a deck of cards on each table. Refreshments included Papa John's pizza, chips, pop, and a variety of desserts including chocolate cake. Post Prom began at midnight and ended at 3 am. There were door prizes given throughout the night including cash prizes and gift cards.

Two flatscreen TVs that were won by KenLee Maupin and Jordan Williams. The night was eventful and enjoyable for all.

The Rave

A group of students party at The Rave

Dances

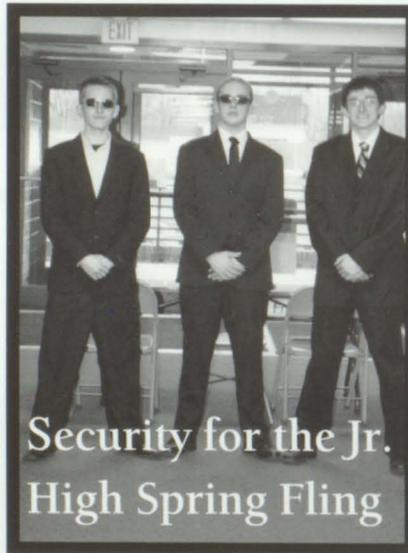

Frankton has finally revived dances! They have been missing for a few years, except for the few Jr. High ones. Key Club has sponsored three dances this year. Two High School dances: the Slam Jam and The Rave. Jr. High also had a dance, The Spring Fling. The proceeds from the dances each went to a different foundation. The Slam Jam raised \$1,578 for Riley's Children Hospital. The Rave and Jr. High dances raised almost \$3,000 for the Leukemia and Lymphoma Society. The local Kphl's store provided chaperones and major donations.

Class of 2011...

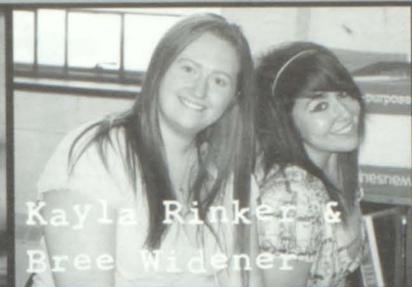

Friends. Tears. Laughter. Death. Love. Heartbreak. Drama. Failure. Success. These are what we have experienced as a class and have made us who we are today. We have spent four years trying to fit in, perform well academically, or be the star athlete, and on some days, just try and accept the fact that life as we knew it was about to change drastically. Everyone will go their separate ways, but will never forget the memories made in high school. Whether it was everyone getting together after games and going to Buffalo Wild Wings, parties, spending nights in Time Square on our senior trip to New York, our Senior Prom, or simply the days of goofing around in class, we have made memories that will last a lifetime.

Every year, normally following Spring Break, students tend to realize that cliques don't matter anymore and it is time to be friends with everyone. Unfortunately, this issue came sooner to the Class of 2011 when our beloved friend AJ Kistler passed away in January of our junior year. It was an experience that none of us were prepared for and the only way we could try and get through it was to come together as a class. Good times or bad times, we have stuck together and made high school one of the most memorable times of our life so far. It goes without saying that we have had a crazy time doing it! So as time goes on remember, "Understand that friends come and go, but with a precious few you should hold on. Work hard to bridge the gaps in geography and lifestyle, because the older you get, the more you need the people who knew you when you were young."

One of AJ's baby
pictures.

Andrew Joseph Kistler

Whether it was via text or phone call, the news of the tragic death of AJ Kistler spread quickly through the little town of Frankton. January 16th, 2010, AJ was taken from us.

This year would have been AJ's senior year. As a class, AJ bridged the gaps and brought us all together. There is no doubt in our minds that we miss him. He should be with us walking down the hallways for the senior walk. He should be with us for our graduation. But, in all honesty, he will be with us; he will be in our hearts.

AJ, we love you.

Memories

Felicia Isenhower & Aaron DeLong- Bobby and Aaron were on a team against AJ and Felicia during a game of ping-pong. Aaron and Bobby had the lead when miraculously AJ and Felicia came back and won the whole game. AJ even hit the ball from behind his back!

Ben Powell- During a game of truth or dare at Rylee Engle's house, AJ was dared to be "Ketchup Mustard Man". AJ walked outside, arms, legs, chest, and even face, striped with ketchup and mustard!

Ryan Spangler- AJ and Bobby were at Ryan's house where Bobby was getting his car painted. AJ was on top of the car and accidentally put a dent in the roof of the car with his knee. Bobby still has the dent in the roof of his car.

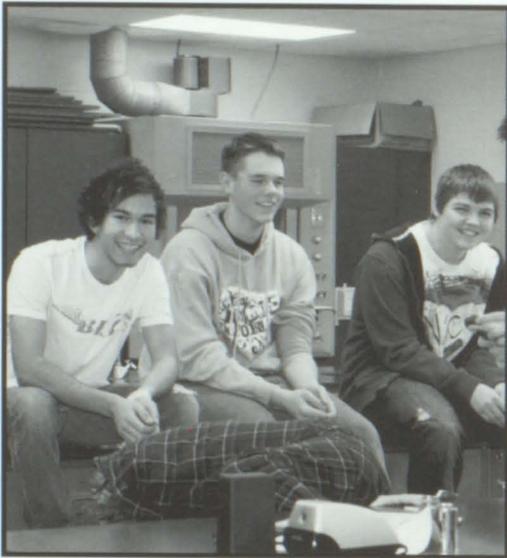

Underclass

Freshmen through junior year is considered underclass. These years are about learning the ropes of being in high school. Getting the grades to move up in the ranks or even getting the boy or girl's number whose locker is right next to you are important issues. High school is about establishing your identity, so when you reach your senior year you are ready for all the decisions you have to make.

You start off being a freshman. In these years, you get your class ring and most go on their first dates. Also, in this year you have to learn all the things that have to do with high school. Some say you have more responsibilities, when others might say there's no difference.

Sophomore year, is the year it gets a little bit easier. You have caught on to all the different things that you have to know about. Normally in your sophomore year you have your 16th birthday, getting your license, and even maybe getting your first car.

Then the last step of underclass, your junior year. This year you have to start thinking about being seniors next year. Between preparing for the SAT's and deciding what college you want to get in, your junior year is one of the most important years. High school is tough, but it shapes who you will be in your future.

Sophomores, Ryan Beamer, Joey Rogers and Ian Pierce in Mrs Fields class smile for the picture.

"High school is about getting the education and getting into college and succeeding in life, but high school is also about making memories and having good times with your friends"

Mrs. Crosby retires after 25 years.

"My favorite memory is the year Mr. Scholl and I won a national contest for designing prom scenery. It

included an actual stream with a bridge, and live goldfish. I'm going to miss my painting classes. I love teaching kids to paint; that's my favorite

thing to do. Now that I'm retired, I plan on taking up painting for myself again, working with my rug-hooking club and spending time with my granddaughter Sydney. I've really enjoyed teaching here. I think Frankton has some very talented students."

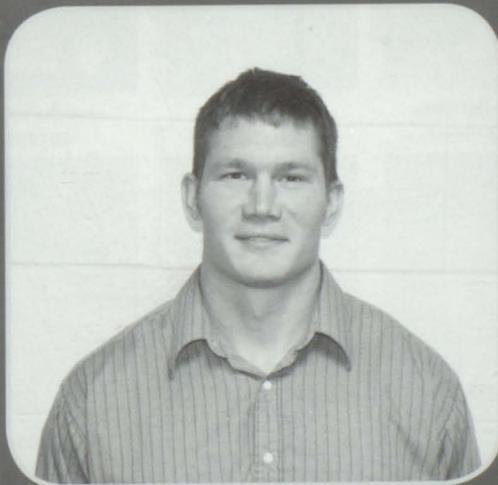

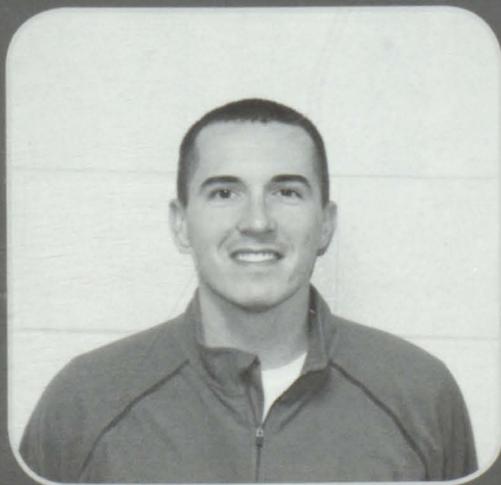

Some of the male teachers try to build a human pyramid at the winter homecoming games.

Mrs. Moorer taught Algebra 2 and Discrete Math and Probability and Statistics. She left Frankton in January and moved to Michigan. She taught here for 3 years.

The rifle line catches strong as they begin the rifle feature.

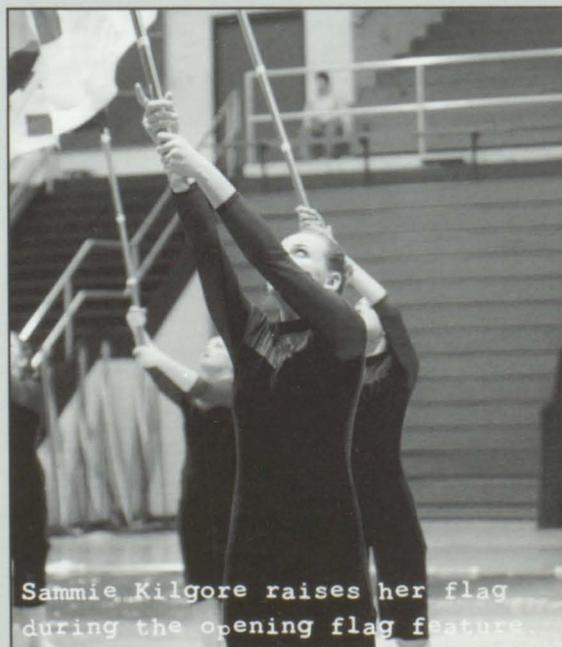

The 2010-2011 Winter Guard had a tough season this year. With a total of 13 members, this is the most members Frankton Winter Guard has had in over 6 years. Due to scheduling conflicts, practices could only be held from 10am-5pm on Saturdays and an occasional Wednesday from 5pm-6:30pm. Their show "Lux Aterena: In a Dream," finished with a Silver rating at Divisional Finals.

Needless to say, all 43 members were filled with joy when they received their 2 1/2 foot trophy.

High School Academics

The academic school year has been a whirlwind roller coaster. Missing 7 days due to the so called "Snow Apocalypse" resulted in postponing graduation an entire week, which, especially for seniors, can feel like a lifetime.

There are also plenty of new faces in the hallways and in the classroom. Many changes have been made this year with recently changed policies, new teachers, and a great deal of new transfer students. Frankton-Lapel Schools received the largest number of transfer students in the state this year with Frankton getting over 70 students from schools like Anderson, Highland and Pendleton.

The amount of students has grown so substantially, that class sizes are the biggest that they have been in years past! So far, these changes definitely seem promising in transforming FHS into a better learning environment.

Jr. High

Jr. High years are some of the most fun years of the school career. Going from the elementary to the big school and being with people that are much older and taller than you. It's not that fun when you are the youngest in the school. To some 7th graders starting in a different school can be intimidating. Also, you're trying to fit in with all of the older kids. The 8th graders got to go to Washington D.C. and had a blast. 8th graders have one year left until they start high school. This is when you learn who you are and try to figure out who your friends are going to be for the rest of your high school career. Between getting the grades and those little crushes, Jr. high kids have a lot on their hands.

HOW LONG DO YOU SLEEP EACH NIGHT?

"I get about 6 hours of sleep and it's not comfortable at all. If school did start later, I bet I wouldn't sleep."

Aaron Wright (12)

"I get 6 hours of sleep. Mostly because school is boring. But if school started later, I wouldn't sleep in class."

John Gentry (7)

"I get 6 hours of sleep at night. I don't think it's uncomfortable. If school started later, I wouldn't sleep in school."

Austin Crouch (10)

Sleeping students

Most teens need about 8½ to more than 9 hours of sleep each night. The right amount of sleep is essential for anyone who wants to do well on a test or play sports without tripping over their feet. Unfortunately, though, many teens don't get enough sleep. Early start times in some schools may also play a role in this sleep deficit. Teens who fall asleep after midnight may still have to get up early for school, meaning that they may only squeeze in 6 or 7 hours of sleep a night. A couple hours of missed sleep a night may not seem like a big deal, but can create a noticeable sleep deficit over time.

Frankton Christian Church is a nondenominational church patterned after the church of the New Testament whose purpose is to serve Christ in this community. We believe Jesus called His church into being as a unified body. In order to promote this unity, we have determined to preach, teach, and live the gospel contained in the Bible.

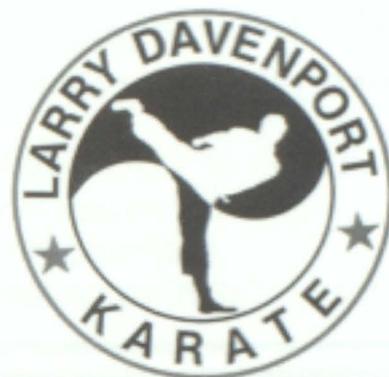

Frankton Christian Church is known for its **warm**, friendly spirit and Biblical preaching. We invite you to be part of our fellowship, but more importantly, Jesus invites you to become a Christian. Let us introduce you to Him and to the joy of being a part of the family of God.

The hallways became a construction zone in June as repairs upgrades were conducted in preparation for the 2011-2012 school year!

Letter From The Editor...

First and foremost, congratulations Class of 2011.

This yearbook started out rocky and hectic. Mainly because no one had ever used the computer program, and we all had to teach ourselves. Every other day we had computer issues (Which later worked out.) and all of us were restarting our computers trying to retrieve our drives. With everyone in the class trying to juggle both yearbook and newspaper, we were all butting heads. In the end, we came together as a whole to finish this book and make it the best it could be.

Being the Editor-in-Chief may look easy and may sound like a piece of cake, but it was a difficult task, and it taught me so much. As the editor, I got the pleasure of being called every name in the book when something went wrong, or when someone didn't get their way, and, I learned to be perfectly alright with that. As long as our book got done and was finished to the best of our abilities, I was going to be proud.

First, I would like to thank Felicia Isenhower, my Underclass Editor. Not only did she take her section by storm, but she helped with every other section that needed it. She took on the index as well. So, thank you Felicia, you helped me save this book. I would also like to thank Allie Browning and Allison Parr, my Sports Editors. These girls taught themselves to work the site and work with deadlines. Allie and Allison, you have no idea how much you two helped me through the year by being so independent and doing what you needed to get done. I want to thank Kayla Rinker, my Ads Editor, who was with me through it all. Kayla and I worked on the yearbook during our SPT's and she was my extra hand when I needed it. A huge thank you to Mr. Sipe for putting up with everyone's drama episodes and helping me do a lot of extra work.

Finally, thank you to everyone who worked to finish this yearbook.

I am ecstatic to have this book finally finished. I'm thrilled and sad all together now that it's over. So, to my fellow seniors, I bid you adieu and good luck wherever life takes you.

Bree Widener

2011 Eaglite Editor-In-Chief
