THE OAK LEAVES 1953

THIS IS OUR TITLE PAGE, BUT--

When the yearbook staff elected to dedicate our book to Miss Dolly Fulton, little did we realize what was in the near future. Only a few short weeks after our dedication page had been completed, Miss Dolly became suddenly ill and passed away. It was too late to rearrange the setting up of the pages of our yearbook. That is, therefore, the reason we have no title page in this book. We preferred to use this page in further tribute to Miss Dolly.

Below is an editorial taken from an Anderson newspaper which tells the story so much better than any which we, ourselves, might write. We quote verbatim:

The Summitville area is understandably grief-stricken at the death of one of its finest citizens--a woman in her 47th year as a teacher in the primary grades of the Summitville School.

The death of Miss Dolly Fulton came early Monday morning following an illness of 10 days. It marked the close of a long career of devoted service in one of our civilization's most honored and valuable professions.

Miss Fulton was a native of the Summitville community, where she chose to devote all her talents and energies. Over the years, some three generations of Summitville students had studied under her expert direction. And every student who came within the orbit of her teaching skill came to hold her in the highest sort of affectionate esteem.

A woman of Miss Fulton's talents undoubtedly could have succeeded in almost any vocation she might have undertaken. Other fields might have brought her greater monetary rewards. But she chose instead to remain in the teaching family--a pursuit for which she was eminently equipped by temperament and endowment.

Every community has its Miss Fultons--men and women who place their responsibilities as teacher far above their own ambitions and aspirations. All of them deserve the love and respect that comes to them as the result of their service.

The people of Summitville will not soon forget Miss Dolly Fulton and her unique contribution to the welfare of their community.

The Oak Leaves Staff, 1953

DEDICATION

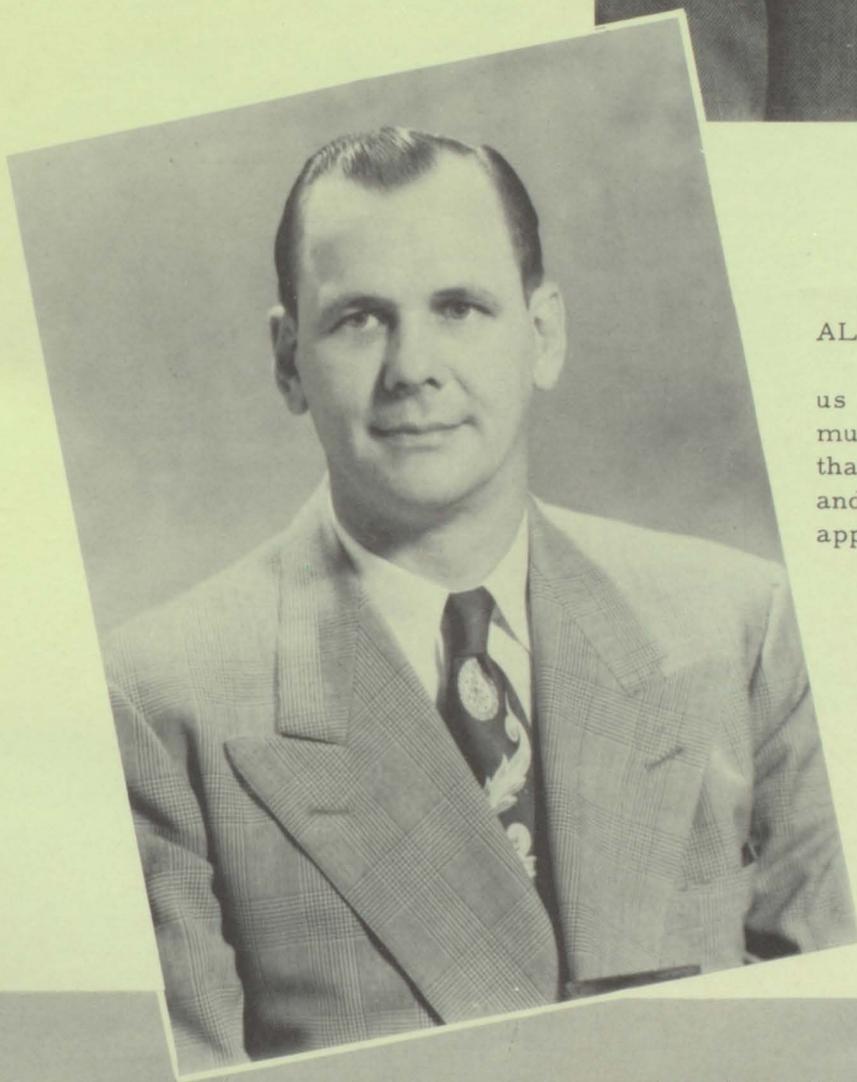

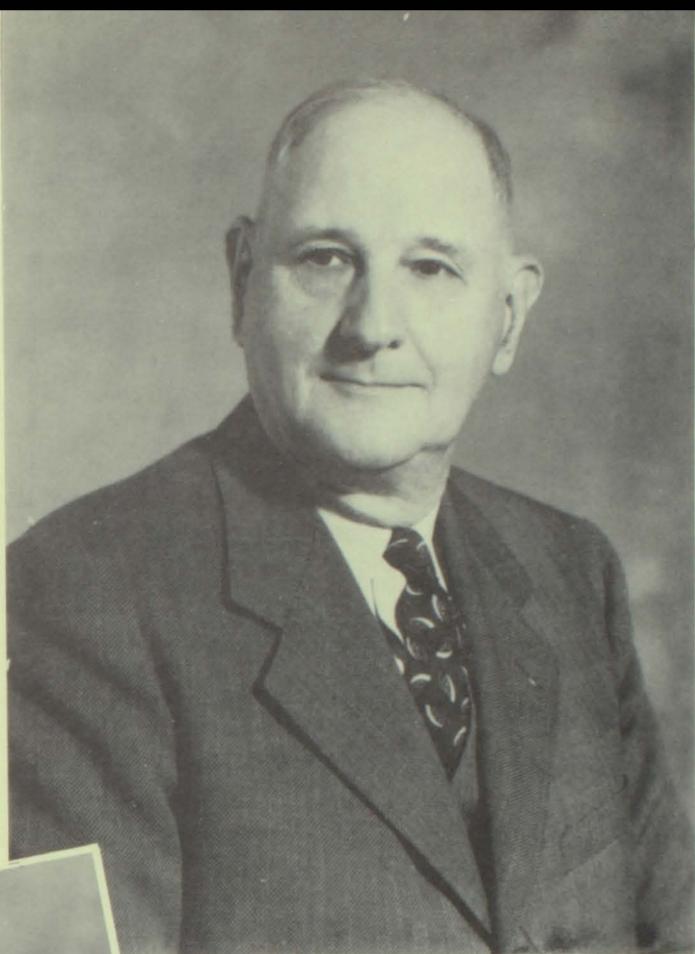

The Oakleaves staff of Summitville School in this year of nineteen hundred and fifty-three, do proudly dedicate this book to Miss Dolly P. Fulton.

Miss Dolly, as she is fondly called by all students of the Summitville School and the residents of this community, has given faithful service for the past forty seven years. No one has been more fortunate than we have been in having her with us. Miss Dolly has been a symbol of undying devotion to this, Her School.

GATES LONG, Trustee

This is Mr. Long's sixth year as trustee, and the good work he has done speaks for itself. Many improvements have been made under this tenure. Mr. Long has two more years to serve and we are happy to have him with us.

ALVY L. HAVENS, Principal

Mr. Havens has been with us three years and has done much to improve our school in that time. His kind manner and progressive methods are appreciated by all of us.

SENIOR CLASS HISTORY

In September, the year of nineteen hundred and forty-one, thirty-five children passed through the doors of Summitville Public School for the first time. Miss Dolly greeted us with her friendly smile and all our fear vanished. Among the thirty-five students were Rosemary Coty, Shirley Elsworth, Ansel Hendrick, Rosella Hollingsworth, Carolyn Hoppes, Tommy Kilgore, Jack Owens Bill Small, Shirley Waller, and Donna Webster.

The following year Miss Wolf took us under her wing. In the second grade Robert McCord joined us.

Our third year we were greeted by Miss Achsah. That year Bob Evans came.

We entered into our fourth year of hard work under the care of Mrs. Tansel. Added to our class were Jerry Pierce and Francis Reiley.

Miss Tappan, accepted the job of guiding us through our fifth year at good old S. H. S. We gained one new pupil that year, Rita Castor.

The Sixth year, Mrs. Mann had the job of leading us through the school year. Entering our class that year were Donald Golden and Henley Humphrey.

Mr. Gossett took over the seventh grade and taught us the meaning of studying. That year we lose one and gained Danny Velasquez.

That year we chose our first class officers with Rith Castor as president and Mr. Johnson as sponsor. Some of the boys played on the "Spooks" team which started their interest in athletics with a record of ten won and seven lost.

We once again entered S. H. S. with great-assurance of graduating from junior high. Miss Stutz, our sponsor, and Shirley Waller, our president, helped to lead us through our successful and enjoyable eighth year. We had a great "Spooks" team this year losing only two out of eighteen. From our twenty-eight beginners we lost seven but gained one, Lowell Stevens. Twenty-two students proudly received their diplomas.

Once again on a sunny September day in 1949, we entered the doors of Summitville High School, this time as "Green Freshmen." This year Marvin Jackson, Alan Retherford, Avery Schwinn, and Mildred Thurston joined ranks with us from Boone Township, and also Charlotte Hall. We had a good Freshman basketball team.

We elected Danny Velasquez president with Mrs. Michael sponsor. We started our money project by charging dues this year.

Our Sophomore year we chose Mrs. Waymire sponsor and Danny Velasquez president. This year we again charged class dues and had scrap drives and sold "Goblin" emblems. Jim Bogue entered our class. Two of our boys played varsity basketball.

Twenty-seven students started the Junior year by again electing Danny Velasquez president and Mrs. Waymire sponsor. During the year the class was increased by Marilyn Zehrung and George Crull but we lost Danny Velasquez. Donald Golden, our Vice President, became president of the class.

On October 21, 1951 we gave our Junior play "Rest Assured." The play was a success and so was our magazine sales. The last of the year we gave a dance in honor of the Seniors. We had a good basketball team this year. We won ten out of twenty and the Invitational Tourney.

Finding ourselves confronted with our last year at S H S, we have struggled hard to end our twelve years with success. We have been selling at the concession stand every day at noon and at all home basketball games. We also sold Christmas Cards and gave our Senior Play October 21, 1952, "Kicked Out of College." With us still are nine students who have attended all twelve years were at S. H. S. We lost one student this year and one entered our class. Shirley Webster. We are proud of our boys who have participated in all the athletics through high school. Now we are looking forward to that which will climax our many happy years together as one group, the Junior and Senior Dance, our trip to Washington and New York, and our Diplomas.

They played very good ball against strong teams They climaxed the season by playing one of the best games of the year and forcing a good Anderson "Indian" team into an overtime before being edged out 43-46. MANAGERS

YELL-LEADERS

The student managers were Jim Merritt, Ronnie DeLong, and Jack Owens. Their responsibilities were many and great this past year with the basketball team. Their work ranges from keeping suits distributed and put away to calling in ball games to the newspapers. An all round group of handy men and fine lads.

The leaders of the Jr. High cheering fans were Joyce Baldwin, Patty Barnhart, Patricia Clock, and Ann Melling. They were faithful and did a splendid job cheering their team to victory several times. Joyce and Patty have finished their second year of Jr. High yell leading.

The Pettigrew twins have led the cheering section for two years. Whether or not the school is winning or losing we still need loyalty and school spirit. They have been loyal and have kept up the school spirit by doing a fine job of leading yells.

GOBLINS

ROY DANFORTH
Roy was one of our forwards. He has played two years of varsity ball and has one year to go. Roy should be a strong nucleus for next year's team.

RADFORD GARRETT
Radford teamed up with Roy at forward. He has also played two years of varsity ball and has one year to go. We expect great things from him.

BOB McCORD
Bob was our center. Big and tough when the going was hardest. We hate to lose him this year.

BILLY SMALL
The name fits Billy. Small and tough as well as very clever. This is Billy's third year on the varsity. He graduates in May.

FRANCIS REILEY
"Lum" was a much improved boy this year and came through many times when we needed him. "Lum" made the first 5 in his senior year.

GOBLINS

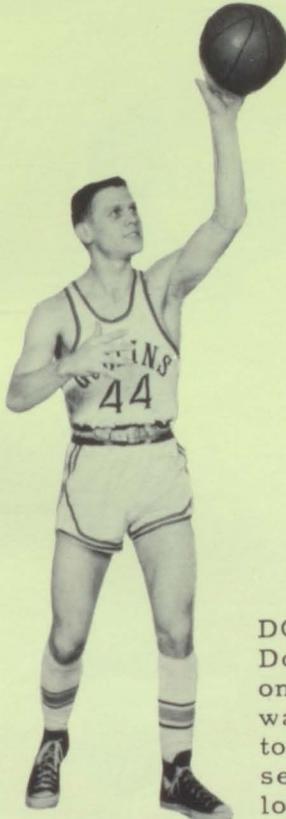

LARRY FORREST
Larry is a Junior and this is his first year with the varsity. We expect a lot from him next year.

HOWARD CORN
"Corny" is a sophomore but has prospects of becoming a tough competitor next year.

O. M. GOODMAN
O. M. is a tower of strength under that basket. His size and determination should make him a tough man next year.

DON GOLDEN
Don was our number one trouble shooter and was extremely valuable to us as such. Don is a senior and we hate to lose him.

DON PATTISON
Don saw much valuable service this year and has one more year to go. We are glad we have him back.

One of the four major high school sports is track. It is the one sport which most of our students know least about. Track is the spring sport at S. H. S. When track season starts, it is hard work for the boys who enter the various track and field events which include dashes, long runs, relays, pole vaulting, high jump, broad jump, and the shot put. Track is one sport which really will test the individual ability of each boy. At S. H. S. about every boy who goes out for track usually enters more than one event since we do not have a large number of boys

Returning lettermen include Don Golden, Bill Small, Bob McCord, Roy Danforth, Radford Garrett. Several freshmen will also be trying out for track along with several others. The track schedule is incomplete at the time of this writing due to an early deadline on our year-book copy with no results recorded yet.

EWELL WHITE

U. B. was one of the regular guards on our basketball team last year. Although he is still in school with us he was unable to play on the team this year due to his age, and we sure could have used him in there. Good Luck to you Whitey!

THANKS

The Oak Leaves staff greatly appreciates the cooperation given us by the merchants. Without their advertising it would have been impossible to complete this yearbook. It is, therefore, our duty to co-operate with the merchants who advertise in our year book. Remember, we like to patronize those who patronize us.

REMEMBER?

Just for the sake of memory, folks, we thought you might be interested in seeing a few old pictures, going back as far as 3 years, of people who have either been teachers or students, and have dropped out or moved away. These are the people who so often are forgotten too soon.

We wish to express gratitude and thanks to Mr. Whybrew of Hockett studio at Fairmount, Indiana. He has been the official photographer for this yearbook, excepting, of course, for the snapshots.
