## Even Though We Are

**A SMALL TOWN** — Elwood was founded in 1889, and this rural community has 10,000 residents. Elwood is also known as the Heart of Hoosierland.

**A CLASS 3A SCHOOL** — The school enrollment which includes grades 9-12 has 361 male and 286 female students.

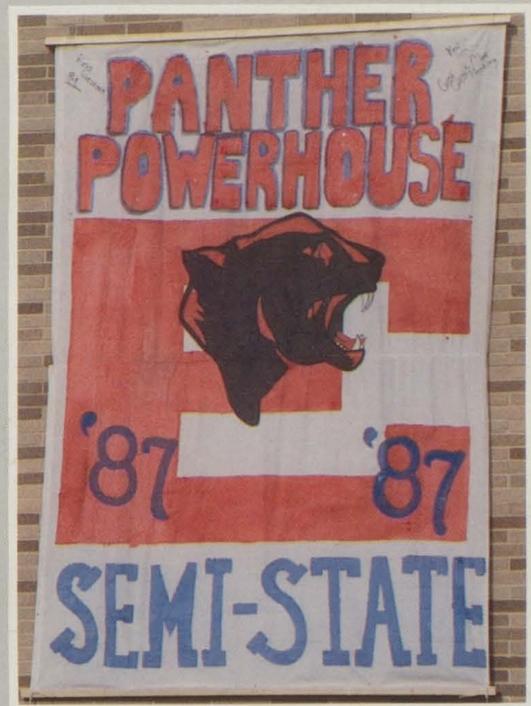

**A SCHOOL WITH A TYPICAL CURRICULUM** — The high school offers 6 curricula. There are also 20 clubs and organizations, 23 competitive athletic teams, and a faculty of 50 professionals.

**A \$13 Million Dollar Building Project —**  
This addition gives our campus a new look! The new middle school will house over 500 sixth, seventh, and eighth graders. Two new science rooms and two art rooms have been added for high school students. An auditorium with a seating capacity of 802, a natatorium with two, one meter diving boards, and music facilities are areas which will be shared by the two schools. The facility will be ready for use in the 1988-89 school year.

**Winning Athletics —** It's been a time of cheering and celebrating as our athletic teams have been successful. C.I.C. championships in golf and girls cross country, a state football runner-up title, a wrestling sectional championship, and winning seasons in several sports are feats which make us proud Panthers.

# Dress up days and the pep session create A Visible Sign Of Spirit

The 1987 Homecoming week was filled with many memories. Dress up days were a success. College day brought out dedicated I.U. and P.U. fans who wore sweatshirts and buttons. On Hawaiian day many students wore shorts, Hawaiian shirts, and leis, and on scum day students wore Blackford colors and tore their clothes. On backward day students looked like they were going instead of coming. Friday students dressed in red and blue with their favorite hats and shades.

a row. About 450 students attended the game. Brad Griffith was crowned 1987 Homecoming king.

A special event of the week was the giant bonfire on Wednesday. During the pep session on Friday Coach Hughes and the players were introduced, the cheer-

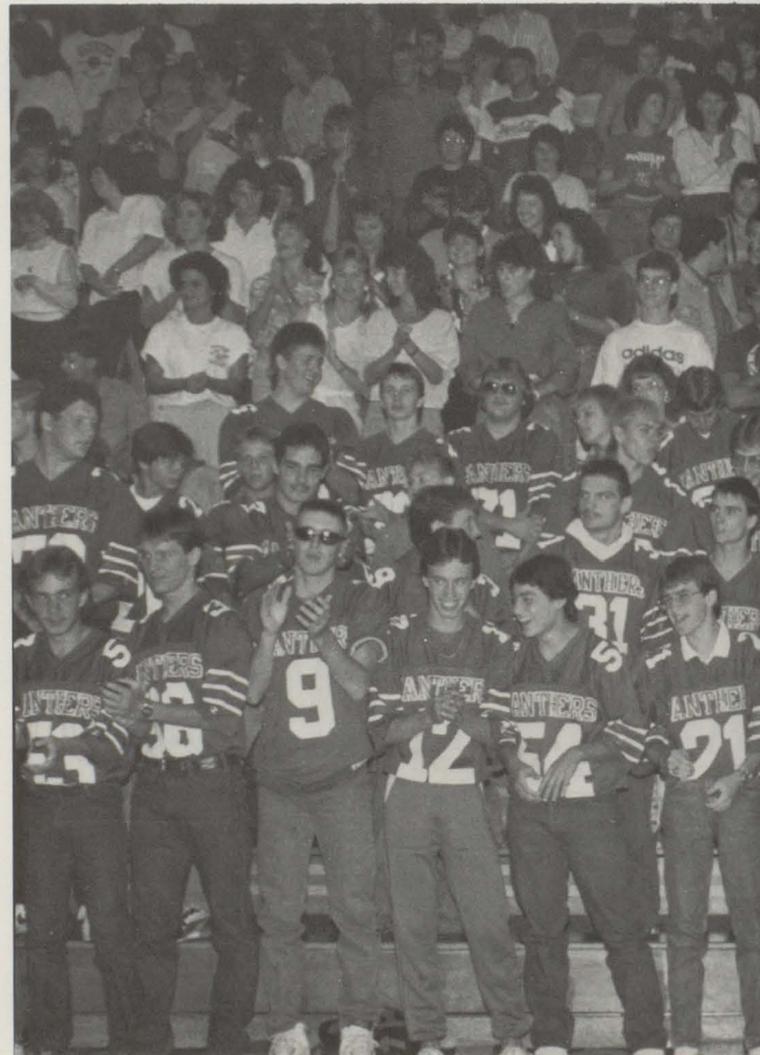

leaders cheered, students responded, and enthusiastic music was played by the band. The week ended with the Homecoming game against Blackford. The Panthers came out with a Homecoming victory, 29-0. The spirited crowd created a visible difference.

Scott Stanley (54) and Mike Davis (42) give each other a sign of congratulations after the victory over the Bruins.

It was nice winning because  
we owed Blackford from last

Panther spirit could be felt everywhere on the evening of September 25, 1987, the Homecoming game. Red and blue balloons floated into the air as all of the Elwood fans packed the Panther stadium and watched the kickoff. Coach Hughes led the Panther attack on the Bruins as they scored four touchdowns to shut out Blackford, 29-0. Coach Hughes stated, "It has become a tradition, win-

ning Homecoming football games at Elwood, and this team did a great job of carrying on that tradition."

Everyone anxiously awaited and tension hovered everywhere as the announcement of the 1987 queen was about to be made. Michelle McQuitty, escorted by her father, Darrell McQuitty was crowned the 1987 Homecoming queen.

## Featuring the actual delegates, EHS's own Constitutional Convention

September 17, 1987, was the date of the anniversary of the adoption of the Constitution. The teaching of the Constitution is always an integral part of the history courses. This year Mrs. Merritt, Mr. Bomholt, Mr. Hoffman and Mr. Brown devised a unit to reenact the Constitutional Convention of 1787, featuring the actual delegates and issues of the original assembly. Students were divided into the 13 original states and were assigned the role of the delegates who were at the actual convention in Philadelphia.

Putting ourselves back  
in 1787 was a great  
way to study this unit.

The teachers required that each student keep a daily journal. The presiding officer opened the floor for debate on all topics, and he received very responsive feedback. The students actually rewrote the U.S. Constitution. Many of the issues led to intensely heated discussions between the north-

ern states and the southern states.

This unit created high interest among the students and gave them a thorough understanding of the people and the issues surrounding the Philadelphia Convention of 1787.

President Andy Hussong reviews his notes and decides which topic to present for discussion.

# Panthers Love A Parade

## A homecoming tradition for 38 years

Led by the Panther band and parade marshals Dino Balser and Lisa Knotts, the 1987 Homecoming parade began. This parade has been a tradition for 38 years. The parade was a great success as there were many entries and participants. The freshmen this year made a great first impression by using the theme "Riding to a Victory." They all rode dirt-bikes, mopeds, and three wheelers which were all decorated with red and blue streamers and signs. The sophomores and juniors had decorated trucks, and the

I felt honored that my classmates wanted me to be parade marshal.

students aboard had a lot of spirit. The seniors rode in a truck, and they were all dressed in red and blue. They wanted to make sure that no one would forget the class of 1988.

Additional entries included the seventh and eighth grade Panther football

team, cheerleaders, the junior high band, alumni units, clowns, school clubs, elementary cheerleaders, and the little league football teams.

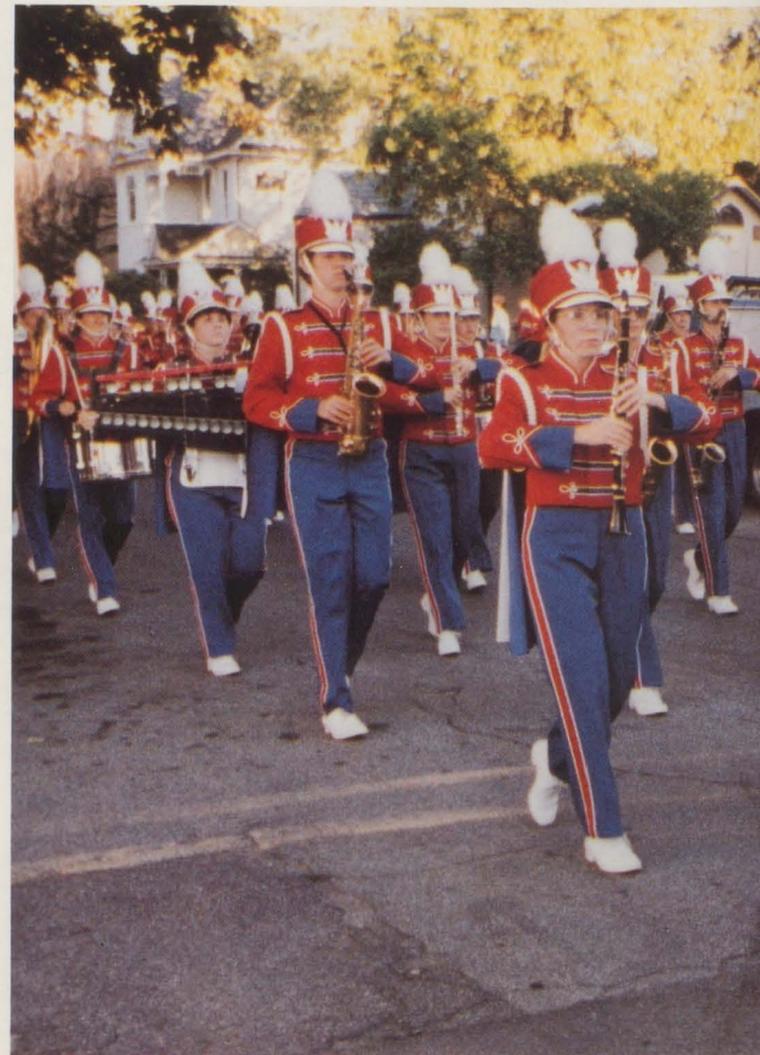

Panthers love a parade, and this one was one of the best.

Jenny Blanton decorates the truck for the Information Processing Center. Jenny is a senior and has been in IPC for two years.

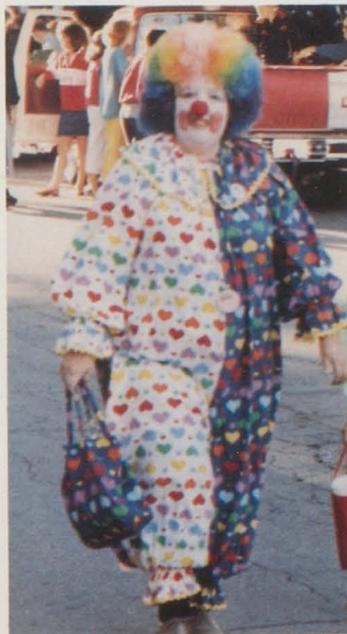

Jennifer Etchison, Julie Banister, Bill Shallenberger, Sossidy Hook, Kris Slayton, Jimmy Peters, and Greg Hoffer show their class spirit by "riding to a victory."

Members of the Panther band proudly lead the Homecoming parade. This is a tradition that has been followed for many years.

Candi Morrisett, our Polly Panther, waits to get on board the varsity cheerleading truck to cheer the Panthers to another Homecoming game victory.

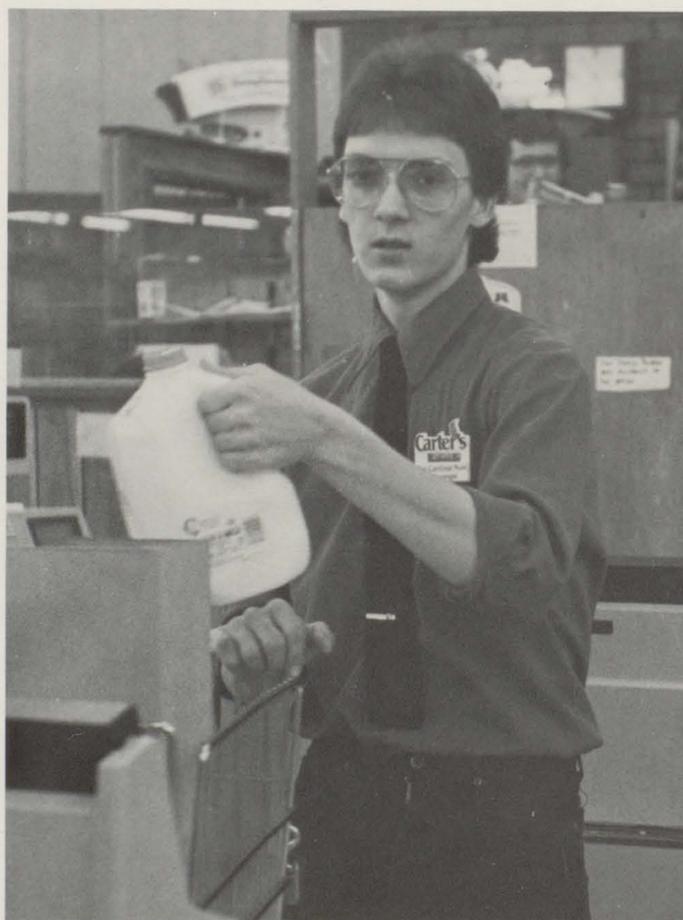

Mrs. Beth Cole adds a special touch to the parade. She has participated in the Youth for Understanding program for four consecutive years by hosting foreign exchange students.

Several after-game dances were held in celebration of football and basketball victories. The sophomore class, S.A.D.D., student council, and publications were among some of the sponsors.

The Sadie Hawkins Dance, sponsored by the sophomore

class, was held on November 17, featuring shotgun weddings and a race for the men. The second annual Fall Fantasy Dance, sponsored by the Latin club, was held on November 21. On February 20 the Spanish club sponsored the annual Valentine’s Dance, featuring a light show with bubbles and fog. All dances were well attended and provided a lot of fun.

# Long awaited spring vacation finally arrives

## Students Vacate Elwood

At 3:15 on March 18 students set out for different destinations to vacation for spring break. A survey revealed that 33% of the students went out of state; some of these states included Florida, California, Kentucky, Wisconsin, Michigan, Illinois, and Ohio. Ten percent traveled to cities in Indiana, and 57% stayed in Elwood. Two percent of the students traveled to different countries, Canada and Cancun, Mexico.

# An Evening of Elegance at "Midnight Masquerade"

"Midnight Masquerade," held on April 30, 1988, was one of the most romantic proms ever.

Mrs. Rhonda Luurtsema, class officers, co-chairpersons Chris Arbuckle and Melanie Tolle, and other juniors made the prom an elegant evening to remember. The cafeteria was transformed into an old fashioned masquerade ball with red and black masks, streamers with silver diamonds, balloons, and freshman ushers and servers catering to couples throughout the evening. with red carpet, trees with shimmering lights, and benches produced a festive atmosphere for the occasion. Two hundred and sixty people attended the event.

At 11:30 the grand march of the king and queen candidates began. Students attending the prom elected

Mark Richwine and Angela Higgins as the royal couple to reign over the evening. The queen's court consisted of Jodi Abner, Amy Dinken, Candi Morrisett, and Paula VanBuskirk. The king's court consisted of Brad Gibson, Tony Hoover, Andy Hussong, and J.C. Wright.

The music department presented the annual variety show May 6 and 7. "Magical Memories" was the theme, celebrating 30 years of music. The band, with a guard routine, opened the program with "Star Wars." The band performed ten numbers with four of them being with the guard. Two of the band's ISSMA concert contest pieces were also performed.

Many soloists and groups were featured. Soloists included, Kathy Romig, "Where Do Broken Hearts Go?;" Julie Romig, "Memories;" Candi Morrisett, "On the Street Where You Live" and "I Could Have Danced All Night." Ashes to Dust, featuring Shawn Arbuckle, Kiley Como, Jason Fortner, and Matt Fox, a new rock band, sang "Nowhere to Run."

# Graduating seniors share The Beginning of Tommorrow

As junior marshalls led the seniors into the gymnasium, eyes began to fill with tears. The seniors realized that they were about to take a big step into their future. The class of 1988, for the very last time, was a unit.

Reverend Robert Hendrix opened the ceremonies by delivering the invocation. Choral company members and additional seniors sang "Candle on The Water," and Crimson Suite sang "I Believe." Graduation speakers included Angela Higgins, who spoke on success, Jodi Abner, who spoke about relationships, and Teresa Salinas who spoke about futurity. Jodi Abner was the class valedictorian and John Etchison and Derek Paquin were co-saludictorians. Senior class president Derek Paquin announced the transition, "Seniors,

Although getting my  
diploma took a while, it  
was worth it. — C. Israel

Graduates!" Reverend Hendrix ended the ceremony with a benediction.

Principal Gordon Paquin shared his thoughts and commented, "The class of 1988 has left its mark at Elwood Community High School. We have Academic Honor Diploma recipients, many scholarship winners, academic competition participants, National Honor Society members, and many academic club

members. We have outstanding athletes, actors, singers, band members, and VICA members. We have fine leaders and faithful followers. The students in the class of 1988 have accomplished much and are ready for life after high school. We all wish them well as they seek their individual destinies."

# Leading the way with Achievements

Corey May and Lisa Chriss attended the "Just Say No To Drugs" seminar sponsored by the Moose at the Indiana State House in Indianapolis.

A student accomplishment could be completing a goal, being selected for a special event, winning an award, or benefitting from a personal talent. This year students were presented special recognition, scholarships, and awards. Honors received were Hoosier Scholars, John Etchison and Derek Paquin; Dan Burton Leadership Seminar, Derek Paquin, John Etchison, Rachann Ennis, Terry Pausenbaugh, and Kevin Cassidy; "I Dare You Award," Jeanne Armstrong and Joby Gibbons; Daughters of American Revolution essay and test, Todd Hinds. In the Indiana-Kentucky Welding Classic Joe Swinford placed 1st in Shielded Metal Arc Welding, 5th place in theory was William Haas, and Tracy Denton, 5th place in Gas

Tungsten Arc Welding. Donald Stephens and Julie Romig were chosen for All-State Choir with their talent in singing.

The student council guided the student body to a visibly different year. The student council sponsored after-game dances, held a Christmas cookie delivery, chose the convocation, "Gotta Wear Shades," and held their annual lip sync contest. They concluded the year with a free pizza party and dance, the purchase of highway directional signs for motorists, the presentation of scholarships, and a trip to King's Island. Student council is under the guidance of Mrs. Yates.

Nathan Hood, Michelle McQuitty, and John Etchison attended Girls State and Boys State at Indiana State University in the summer of 1987 for a week. While there, they performed a mock council to discuss matters of government.

Derek Paquin, 1st place, 3rd place district winner; Herschell Stunard, 2nd place; and Kurt Slayton, 3rd place; were winners in the Optimist club essay contest, "Freedom, Our Most Precious Heritage."

## LET'S ALL TAKE A BOW

Under the new sponsorship of Mrs. Tresa Patz, Thespian Troupe #58 took the stage to present the melodrama *Black Deeds at White Horse* or *Trapped in The Yukon*, written by Alice MacDonald.

In the melodrama, Nan searched for her long, lost father. On her journey she encountered Malcom R. Murkey, a fur smuggler, fell in love with the hero Sergeant Montie Stoutheart, and stumbled upon her father, Pete. Maude was the very loving lodge owner who took in travelers coming in from the winter storm. It was when Sergeant Montie rescued Nan from the storm that she met her father, a lumberjack who had stopped into the lodge for the night.

After one last attempt to take everyone's life, Malcom was foiled by his own plan and was killed. As is true of a typical melodrama, everyone lived happily everafter.

The cast consisted of Brent Slater, Sergeant Montie Stoutheart; Scott Barnes, Malcom R. Murkey; Angie Brumett, Nan; Anna Ball, Lil; Mary Waltermire, Amelia; David Bowyer, Pete; Olof Bernmark, Coot, and Amy Dinken as Maude.

When the curtain opened, the cast hoped to perform their practiced play well, and perform they did. With near-capacity crowds for both shows, the actors and actresses gave the audience their money's worth.

Helping to record the school's history is only a part of being on the yearbook staff. The skills used in interviewing, copy writing, photography, and designing lay-outs give students a sense of responsibility. The staff was led by editors Angie Martin, Tina Lovell, and Lisa Chriss. The staff consisted of 17 hard working students advised by Mrs. Paquin. With the installation of a new computer program, the yearbook staff has updated its system of writing copy and picture captions.

"Rather than recording the obvious, we tried to notice the differences and

the unexpected," stated Tina Lovell.

Mrs. Sullivan sponsored the Megaphone, and the editors were Herschell Stunkard and Rob McCord. The staff worked hard to put out papers containing articles of interest to students and faculty. The staff set out this year with a goal to become a better paper. They not only met this goal but surpassed it.

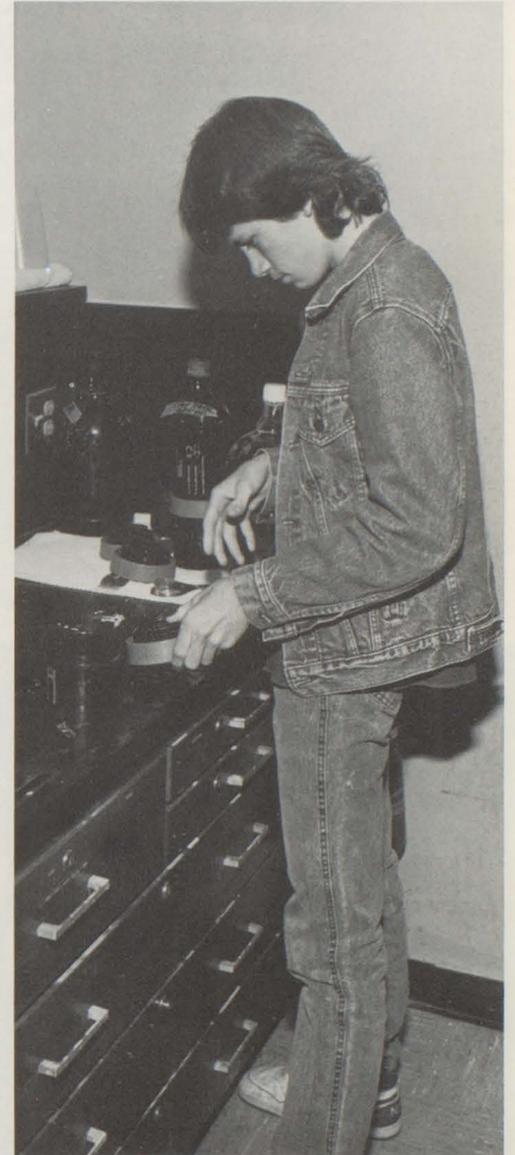

Herschell Stunkard remarked, "We wanted to cover issues that weren't directly related to school, more than just when the next dance is and who went on a field trip."

This more mature approach to the operation of the school paper has had an obvious effect in the quality of its contents.

# Band

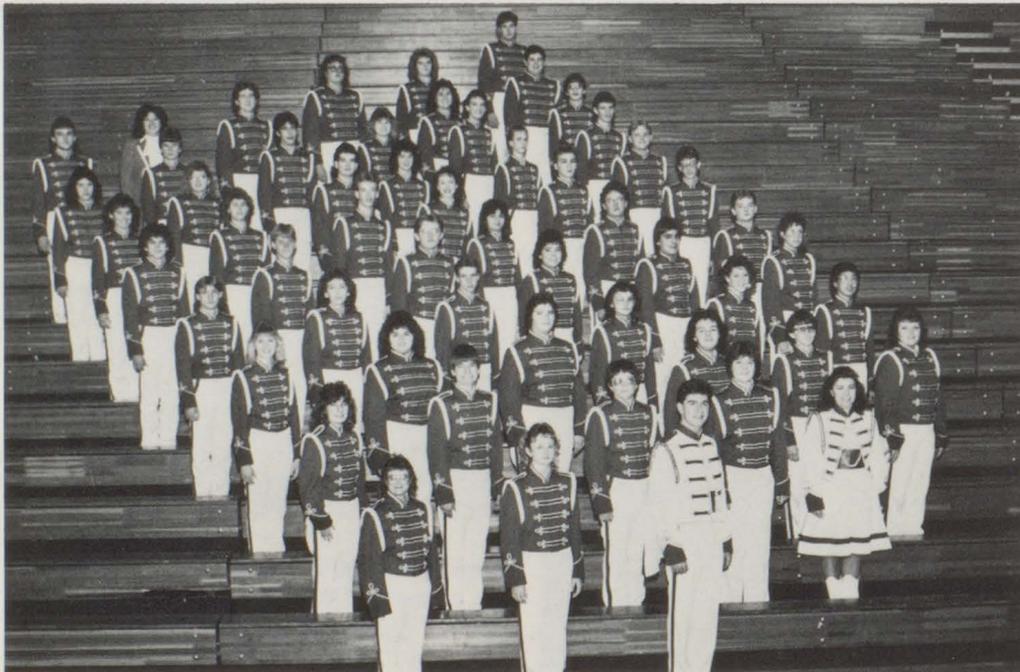

has most  
successful  
season

During the 1987-88 marching season the band members performed well and had many experiences of which to be proud. The four parades the band marched in were "The Rose Festival" in late June in Richmond, Indiana, the July 4th parade, the Glass Festival parade and the Homecoming parade, all in Elwood.

Selections performed in the field show competitions were "In Like A Lion," "Can't Help Falling In Love," and "Emerald Eyes." The first field show was the "On the Banks of the Wabash Invitational" where the band received two honors, the Marching and Maneuvering Award, and the title of Class AA champions. Another contest

was the "Roger Bacon Invitational" in Cincinnati, Ohio, where the band received the fifth highest marching score out of fifteen bands and fourth place in Class B competition. At the district marching contest the band received a Division I rating, placing second in Class C competition. At the "Lebanon Invitational" the band placed sixth. The regional contest was held in Elkhart, Indiana, and it decided who would compete at the state competition. Although the band did not make it, they still had the ninth highest score ever received by the Panther band in regional competition. The 1987 season was the most successful ever.

The band also supported the football and basketball teams by performing at all home games. A highlight of the year was the invitation to perform at the Hoosier Dome at half-time of the Class 3A football finals.

# MUSICAL GROUPS

make a visible  
difference

Choral company consists of choir members as well as any additional students. Choral company, which has approximately 50 members, allows students the means to enjoy vocal music. The participants perform in the all-system Christmas concert, the Madison County Choral Festival, and the annual variety show. Students who are members of this group also participate in the ISSMA vocal solo and ensemble contest.

Choir is a class which consists of about 30 people with Miss Simmons as the director. They also compete in the ISSMA vocal solo and ensemble contest.

The Panther Guard is a section of the Panther Band. These young ladies perform dance, flag, and novelty routines for marching competition and football and basketball pre-game and half-time

shows. They also perform in the annual variety show. The purpose of the guard is to enhance the appearance of the band routine. They add color, movement, and tie together band formations.

The girls' performing ensemble consists of 14 girls who perform by invitation at community banquets and dinners. A typical program consists of seven or eight songs. They also perform as a group at the variety show, the Christmas concert, and the ISSMA contests. New formal dresses were purchased this year. The red, tea-length dresses are made of a cotton, cracked-ice material and were custom fitted for each one of the girls. The music department, under the direction of Miss Simmons, offers many opportunities for our students as well.

This year the groups sold Allegro products, Kathryn Beich candies, and football and basketball pins for the use of new outfits, transportation, and many other activities.

# Spanish-Latin

The foreign language department offered many activities throughout the year

Latin club and Spanish club were very active in many areas this year. In the fall the two clubs held a Halloween party which included a hay ride and a hot dog roast. Also they traveled to Indianapolis to see examples of different cultures at the annual International Festival. In February the Latin and Spanish club members went to see the Indiana Pacers play in Market Square Arena.

Latin students participated in the chariot races in Crawfordsville and brought home first place ribbons in two heats and fourth and seventh overall. They also went to Beef-and Boards to see the play "Annie," and the third and fourth year students went to the Olive Garden for dinner. Latin club sponsored a very successful Fall Fantasy Dance for the second consecutive year. On April 21 Latin students celebrated Rome's 2741st birthday with cake, singing, and a Roman meal.

The year for both clubs ended with a foreign language awards program in May when students with an "A" aver-

age for the year or years of study received certificates and medals. An outstanding senior was also chosen to receive the Florence Sharp Memorial Award.

The Latin club officers for the 1987-1988 year were co-consuls, Kathy Burke and Rich Champion; quaestor, Kristi Bobel; scriptor, Amy Groover; senators, Carrie Dauenhauer, Kent John, Jody Frazier, Margy Burke, Danielle Peters and Toby Rickabaugh. Kris Glotzbach and Bobby Rickabaugh served as Ianitors.

The Spanish club was very busy this year. Spanish club sold sweets to raise money for their trip over spring break to Cancun, Mexico. Six students experienced this trip and brought back many memories. They also held the 3rd annual lip-sync contest, and a dance was held afterward. Spanish club visited many Mexican restaurants this year including One-Accord, El Toritos, and Chi-Chis. The Spanish club sponsored the Valentines Dance, and it was a great success. The Spanish Festival held at the end of the year gave guests an opportunity to taste Mexican food.

The Spanish club officers for 1987-1988 were Andy Hussong, president; Angie Martin, vice-president; Michelle McQuitty, secretary; and Joe Duncan, treasurer.

# Medieval Banquet

---

## highlights honor class activities

---

Honors and honors classes gave gifted students a challenge. There were four honor classes offered this year: world history, freshman and sophomore English, and U.S. history. These classes received a positive response from parents, students, and teachers.

On February 18, 1988, the Medieval banquet was held. Thirty-five students and seven adults were in attendance. During the banquet students were treated to an authentic pilgrimage based on

Chaucer's Canterbury Tales. The pilgrimage included stopping at five locations. All who were in attendance portrayed a character by wearing authentic costumes.

Andy Crowder stated, "For my second year being involved in the Medieval banquet, I thought it was a lot of hard work, but the work paid off."

The Medieval banquet played an important role in the Honors' activities.

To be enrolled in an honors class, the student must take a pre-test and qualify by past grades and achievement scores before the students can be accepted.

Brandi Watters and Mark Thornberry look very authentic in their Medieval dancing costumes.

Mr. Compton, King Henry VIII, appeared at the banquet in his Medieval costume ready for the feast.

## Honor Society

### Guest speaker and Tap Day make top events

---

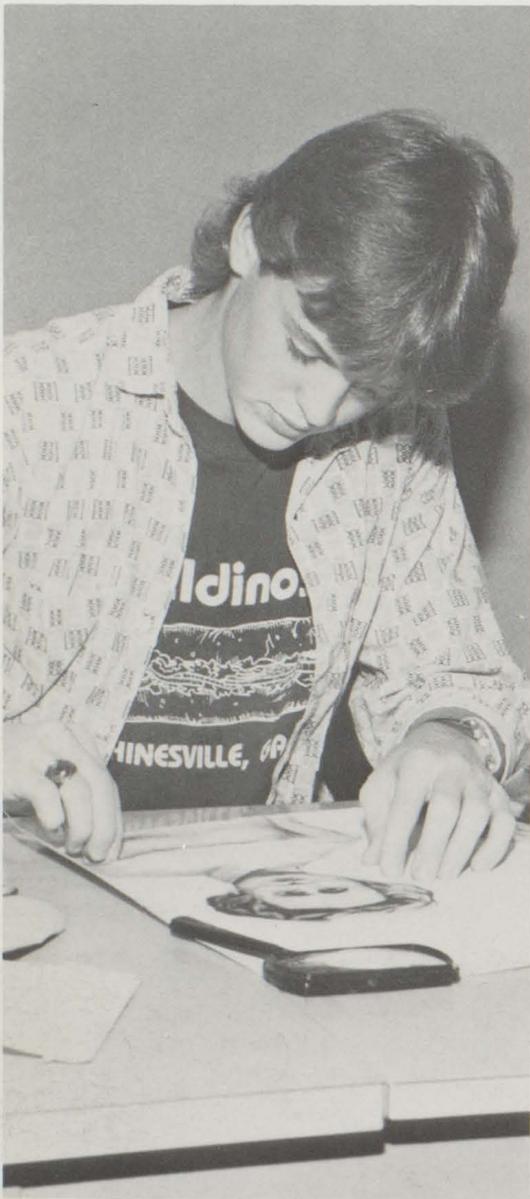

The junior and senior National Honor Society members were honored Tuesday, April 5, 1988, by the Elwood Lions Club at the annual Honor Night at the high school.

Elwood High School 1974 graduate, Kevin Courtney, son of Mr. and Mrs. Lloyd Courtney, was the guest speaker. Mr. Courtney, a past National Honor Society member, outstanding athlete, and Madison County Red Haven Memorial Award recipient, graduated from the University of Southern Alabama with a degree in business administration. He is presently a district manager for Gypson Corporation in

Nashville, Tennessee. Mr. Courtney urged students to "prepare for the future, take yourselves as far as you can go. Success follows commitment."

The requirements for membership include application, completion of five semesters, and a minimum of a 3.5 G.P.A. The categories of scholarship, character, service, and leadership are the criteria used for voting students as perspective members by a nine member committee. Friday, February 12, 1988, was the official day for senior members to notify the junior members that they had been chosen. Tappers sent balloons, flowers, and gifts and convinced students to carry signs, wear costumes, trashbags, and kiss classmates. It was a fun day, and the juniors didn't seem to mind the antics because they knew at the end of the day they would hear, "You are a National Honor Society member."

# CREATIVE ART!

Art activities and ideas get better each year.

The officers of the art club and Mrs. McQuitty helped plan a great year for the members of the art club. The club sold hard candy in tins at the beginning of the school year, and on every Tuesday and Thursday the club sold doughnuts as an on-going project. The proceeds were used to purchase a large sculpture for the courtyard by the new art rooms and to pay for transportation to the places the club members visited.

The art club held a Halloween party on October 29, and on February 13 the club went to see the Scholastic Art Award Exhibit at L.S. Aryes. They also went to the I.U. Art Museum to view the exhibit of English Romanticism on February 27 and to the Chicago Art Institute to see the exhibit on Georgia O'Keefe on April 9. The purpose of the art club is to enjoy, learn about, and promote art for the individual.

# SCIENCE-FBLA

## Clubs plan active year for members

The purpose of the science club is to have fun and to learn about science related items at the same time. Mr. Huffman and Mrs. Yates were the sponsors again this year.

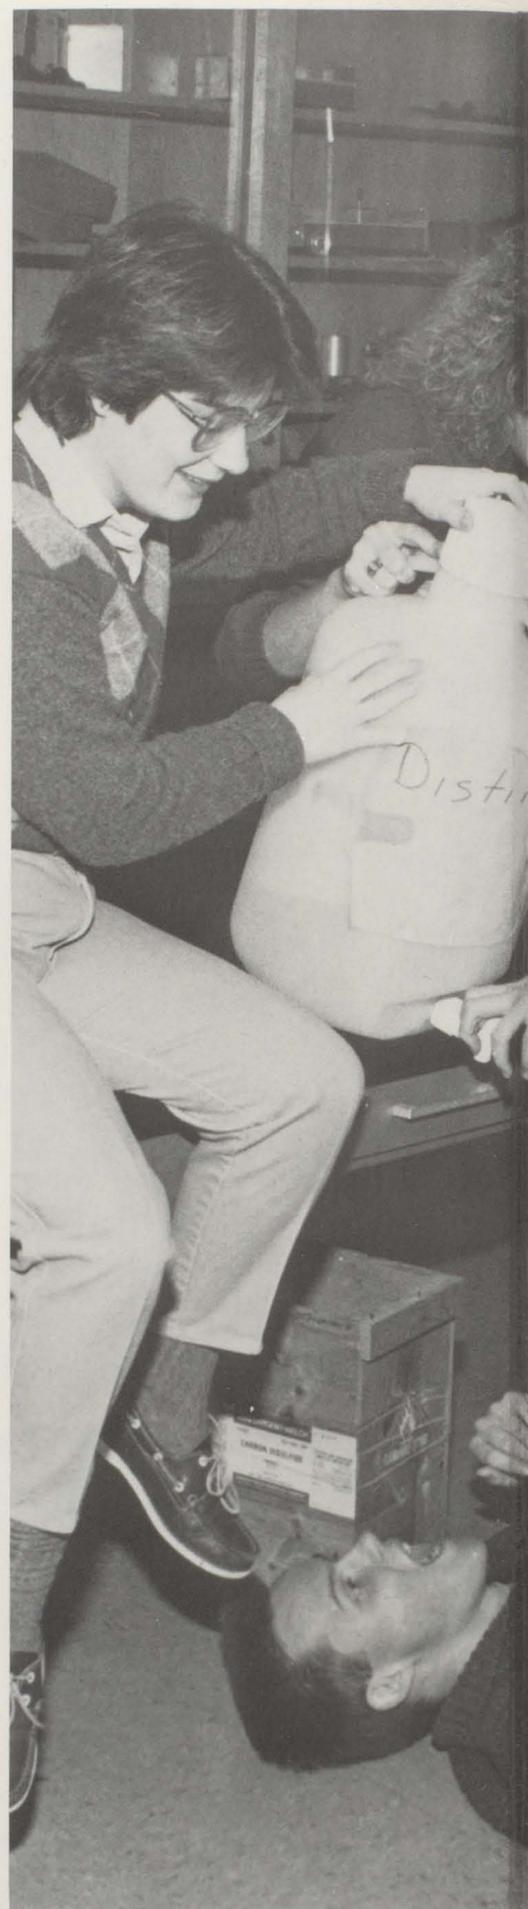

The officers of the science club planned a fun-filled year for the science club members. The first event for the 1987-88 school year was a trip to the Eli Lilly Company on January 27 where scientists study the effects of new drugs. The club also went skiing in Brown County on February 7 and took a trip to the I.U. Medical Center in April. The money collected from dues and the trips was enough to get the club through the year due to the fact that many people participated in all the activities.

Future Business Leaders of America (FBLA) is a club for students interested in the business area. The club sponsors are Mrs. Barnett and Mr. Hoppel. The purpose of the club is to promote educational, social, political, community, and family life. The club also promotes the free enterprise system in that every person should take responsibilities for carrying out assigned tasks in a manner that brings credit to self, associates, school, and community.

The club sold hurricane lamps and candy this year. The proceeds from sales projects helped finance transportation and fees for the State Leadership Conference in Indianapolis which was attended in April. Participating in state were Katrina Childress, Shelia Nance, Laura Sexton, Lisa Sexton, and Tracy Wheeler. They participated in the events of economics, business, English, advanced accounting, office procedures, and machine transcription.

# S.A.D.D.

Students make great point, don't drink and drive

Students Against Drunk Driving is one of the largest clubs in our school. It helps bring students' attention to the problems of driving drunk and death to anyone who chooses to drive drunk.

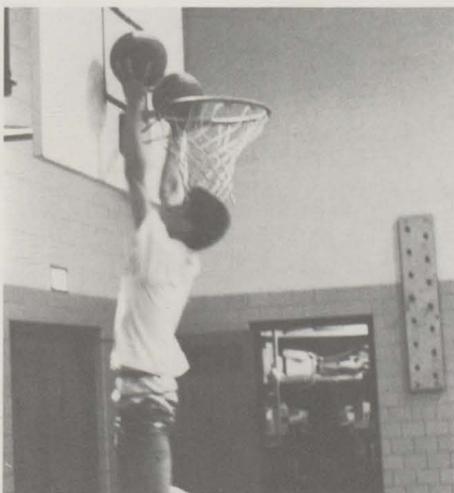

S.A.D.D. held many activities throughout the year to help achieve their goals. The activities consisted of the Band-it Party on October 26 which was to remind people the importance of buckling up and not driving drunk in the process. The first Dunk Contest on March 18 was very successful. There were twenty entries and 3 winners in each category. A pizza party and the viewing of the movie "Dirty Dancing" was the last social function of the year. S.A.D.D. sponsored many dances throughout the school year to celebrate the many athletic victories. All these events were well attended and enjoyed by many students.

S.A.D.D. officers Amy Groover, secretary; Rich Champion, vice president; Derek Paquin, president; help organize the yearly activities.

Junior Lorenda Logan chose a computer programming class as an elective. She is inputting information into her computer.

Mrs. Van Wagner uses a computer in the guidance office for student scheduling. A more efficient computer has been purchased and will be in use next year.

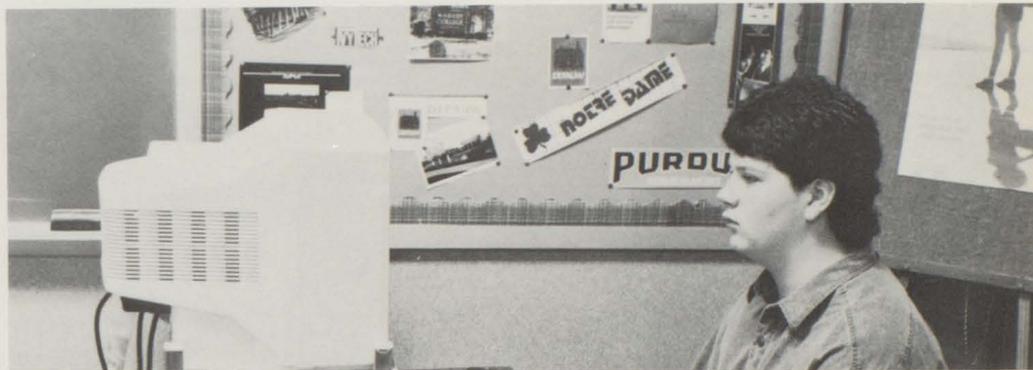

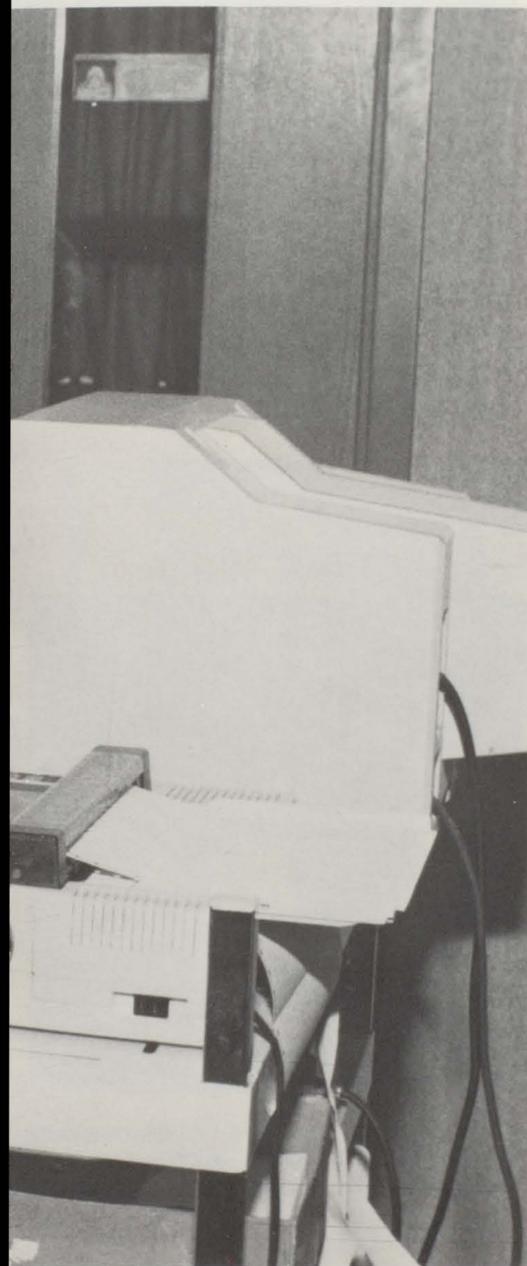

Mrs. Dudley, a secretary in the main office, feels that the computer is a great asset for the attendance records.

Jason Kleinbub is designing a computer program. Designing and executing several programs is a requirement for this class.

Mike Stone is inputting yearbook copy into the computer. Mike did the entire index on the computer in the past. He is currently the computer advisor for the yearbook.

## Mega Bits

---

Computers have  
created a visible  
difference

---

Computers, computers, computers! They are everywhere! As a student walks through the halls of E.C.H.S., he is able to hear the keys clicking, the machines beeping, and the paper printing. Not only are they being used in the computer programming room, but computers have spread to the main office, guidance office, science rooms, art room, and journalism room.

Computers are currently being used in the office for daily attendance records. "The use of the computer makes things go a lot faster which gives me more time to complete other jobs," stated Mrs. Dudley. Mrs. Van Wagner uses a computer in the guidance office for student scheduling. She also uses it

as a word processor when writing student handbooks for the high school and for the new middle school. The computer is a great asset to Mrs. Van Wagner's busy schedule.

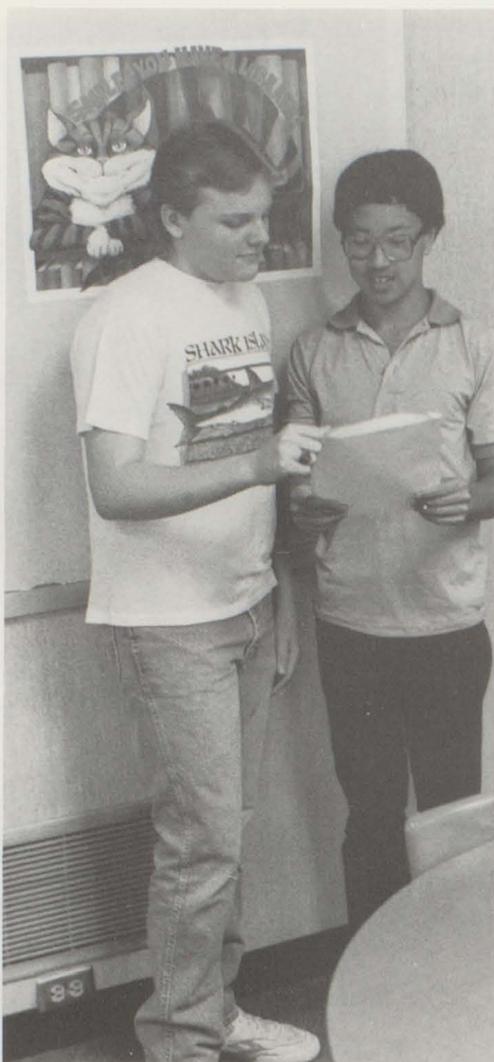

The computer is used in Mr. Huffman's class by his physics and chemistry students. They use the computer to do calculations and to store and print data.

Mrs. McQuitty has acquainted her art students with the computer. "We use the computer in art to broaden our possibilities of creativity," commented senior art student Tim Faulstich.

The yearbook staff has switched from the typewriter to computers this year. All copy is now put in the computer so that it can be submitted to the company on disks rather than typed copy sheets. Use of the computer also provides for an automatic index. Students and teachers have developed a faster and more efficient way to perform daily tasks.

## Teams Compete

---

### Academic teams work hard and succeed

---

During the year many Elwood students competed in academic competitions, the first of which was the Hoosier Spell Bowl. Ten students spelled their way to a fourth place, close behind the third place team. The Academic Decathlon was held at Wabash, and Elwood's team of six placed eighth with all of the students returning with at least one medal.

Three different problem solving situ-

ations were presented to the problem solving teams, and on their second problem, they rated fifteenth out of ninety-seven state competitors.

Elwood hosted the Superbowl Invitational where the team placed fourth. The year's final competition was the Superbowl held at Anderson. Elwood's teams finished better than any in the past with the science and social studies teams finishing second, the math, English, and fine arts all receiving thirds and fourths, and Elwood placing third all-around.

Overall, our teams did very well. The sponsors and team members worked many hours, and we hope for much of the same success from these teams next year.

# Cultural Connection

A year in a new country proved to be interesting, rewarding, challenging, and a memorable experience for Elwood High School's foreign exchange students.

Olof Bernmark, Sweden, stayed with Mr. and Mrs. Fred Tyner. Olof participated in cross country and Thespians and was the manager for the varsity basketball team. He enjoyed school, his classes, the American way of life, and the people.

Jutta Brose, Nuvenburg, Germany, lived with Mr. and Mrs. Phillip Burton. Jutta loved the junk food, hot summers, and snow days. She enjoyed riding the "L" and participated in cross country and tennis.

David Chavin, France, stayed with Mr. and Mrs. Ed Spearman. He stated that he liked the American school system because it was more active than in France. What he liked most was the driving age, cars, football games, and the organization of great events like the

Pan-Am Games.

Minna Heikkila, Finland, stayed with Mr. and Mrs. William McGuire. She misses peanut butter and tacos. Her favorite class was advanced composition because she felt she could use those skills when she returned to Finland. She liked our school and was involved in many activities.

Akiko Honda, Japan, stayed with Mr. and Mrs. Brumett. Akiko stated, "American school life allows the teenagers to be more free in their activities, dress, studying, school life, and even in their home life. Akiko liked the natural scenery of the U.S. and the uncrowdedness.

Jose Moliner, Spain, lived with Mr. and Mrs. James Cole. Jose's favorite subject was U.S. history. "School is very different in the U.S. than in Spain. I am required to take ten classes." What he liked most about America was the educational system.

Jutta Brose enjoys art which was her favorite class.

Akiko Honda is practicing a musical arrangement in her favorite class, choir.

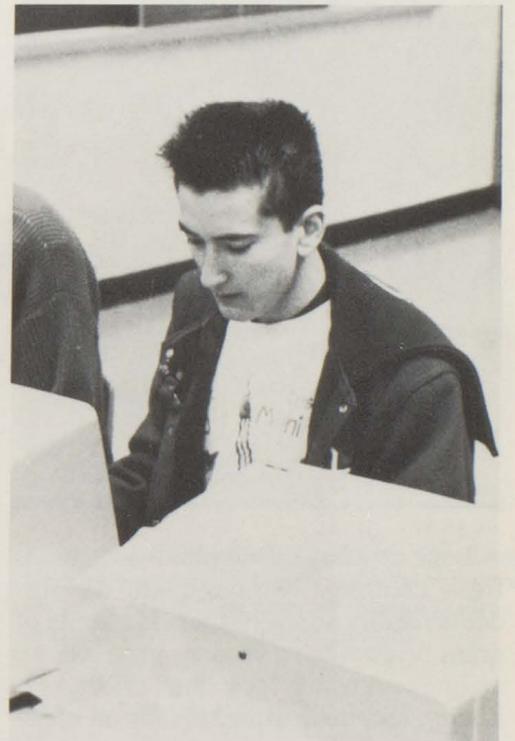

Jose Moliner felt right at home in his Spanish class. Jose proudly displays the Spanish flag along with the pinata.

Olof Bernmark, accompanied by Mr. and Mrs. Tyner, is given recognition on senior night for being a varsity basketball manager. Mr. Tyner is the area representative for the YFU program.

Minna proofreads a copy of the Megaphone in her publications class.

David Chauvin inputs information during his computer programming class.

Kathy Smith, a sophomore, is arranging cookies on a tray. The cookies were made in the home economics classes in celebration of the Constitutional Convention.

Stephanie Stewart is holding the Roman house she made in Latin I. All students are required to construct a house as a major project. The houses display Roman architecture and look very authentic.

## Look What We've Made!

### The creativity process begins with students

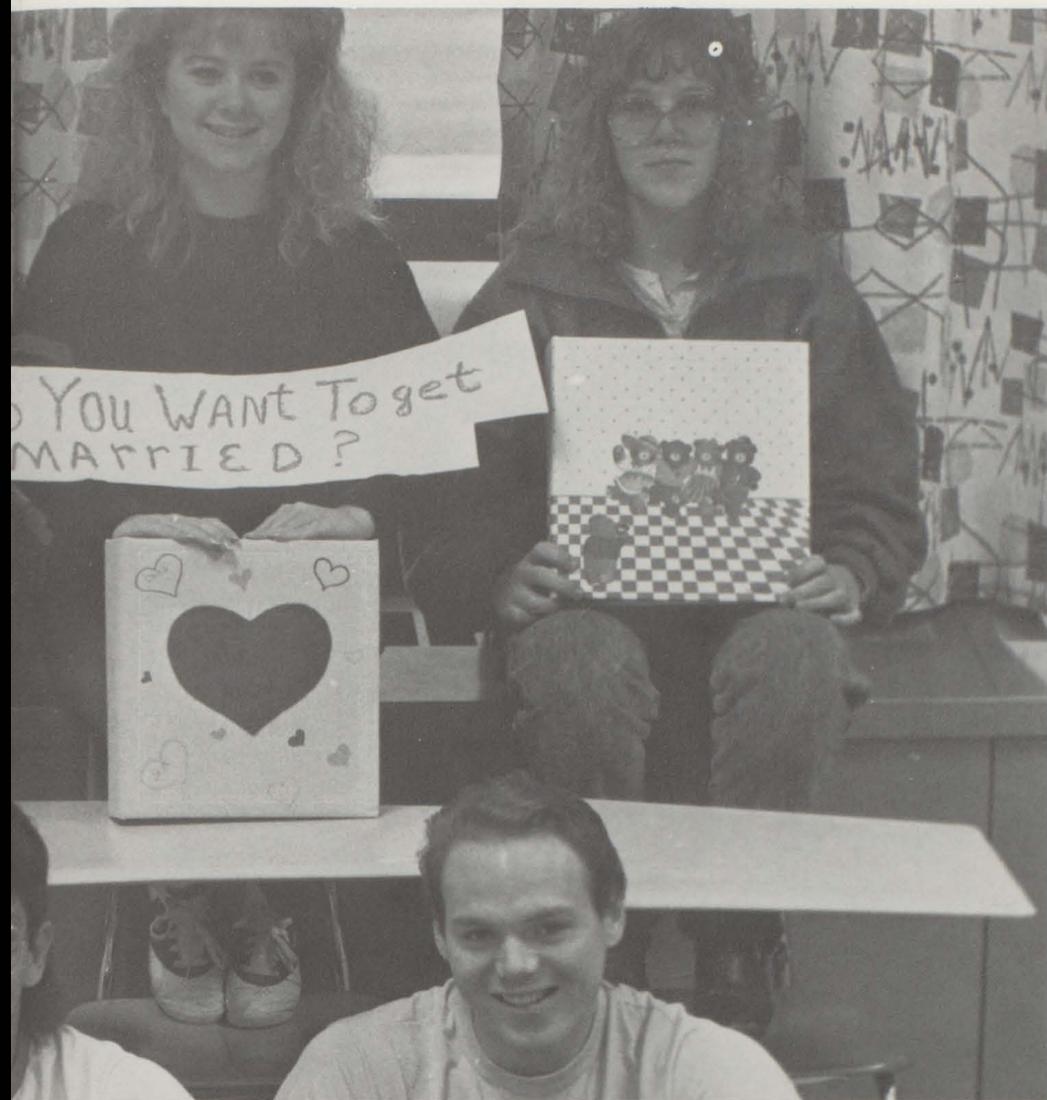

Look at what I've made! Pride comes from creating. Although not all students readily admit it, there is a smile of great pride when a student produces an assignment which took time, effort, creativity, and dedication. Hands on experience is a very important process at Elwood High School. Whether it be a walnut coffee table, an architectural design, an academic paper, a marriage notebook, or a leaf or insect collection, students complain, groan, worry, and procrastinate, yet they finally produce a product, not only for a grade but for the satisfaction and pride for the work

they've done. When a student first gets a project, often they don't realize what they have learned until they look back upon it. It isn't just doing a project, it is learning how to balance time and how to get things accomplished. Students learn that working hard will pay off.

This experience is good one for students as it teaches various skills. Working independently and meeting a deadline is difficult for some students. Discipline must be followed since an assignment is not given every night, but the student must pace his progress over an extended period of time. This is an excellent learning experience. So, when you see a plastic folder, a large black plastic bag, a shopping bag or a big box, be careful. Someone may say, "Look what I made!"

This funny little creature was made in Mrs. Yates' advanced biology class. The creature is smiling for the camera as his picture was being taken.

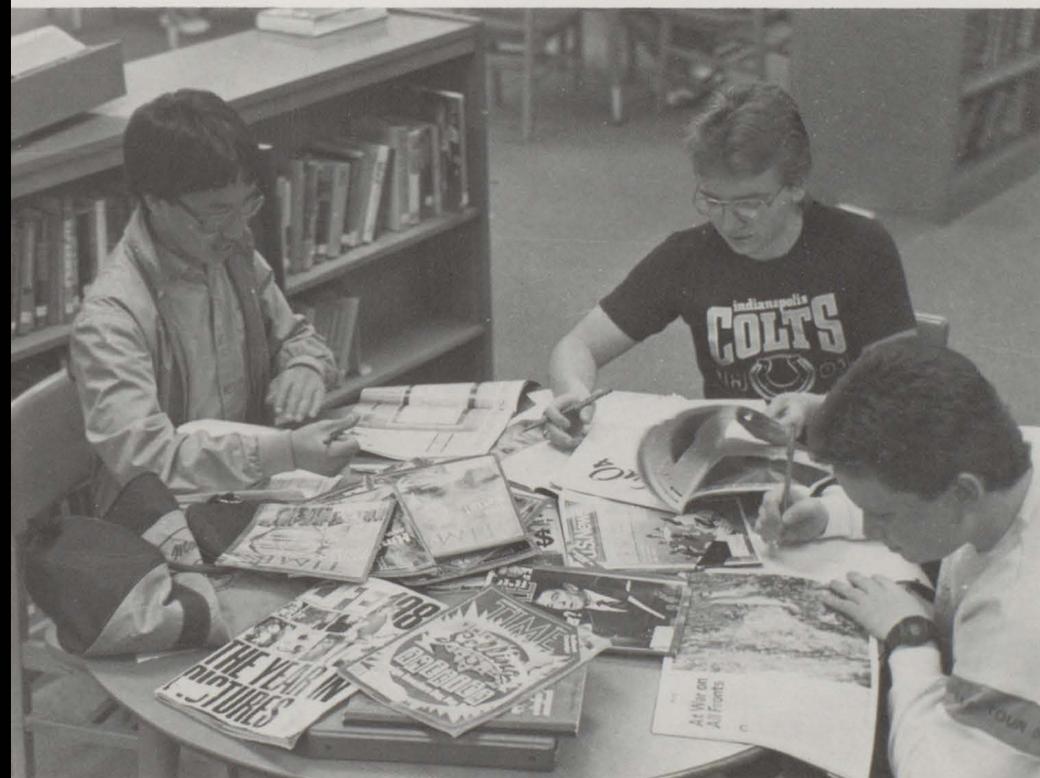

Sam Mireles, Brad Hahn, Jenny Blanton, Candi Morrisett, and Teresa Lane are all displaying the marriage books that they made in their sociology class. This project taught students about the many financial difficulties that could arise in a marriage.

Mrs. McQuitty is making a video tape of the Homecoming parade. Students are not the only ones at school who make things. Often the teachers create so that students can watch and learn.

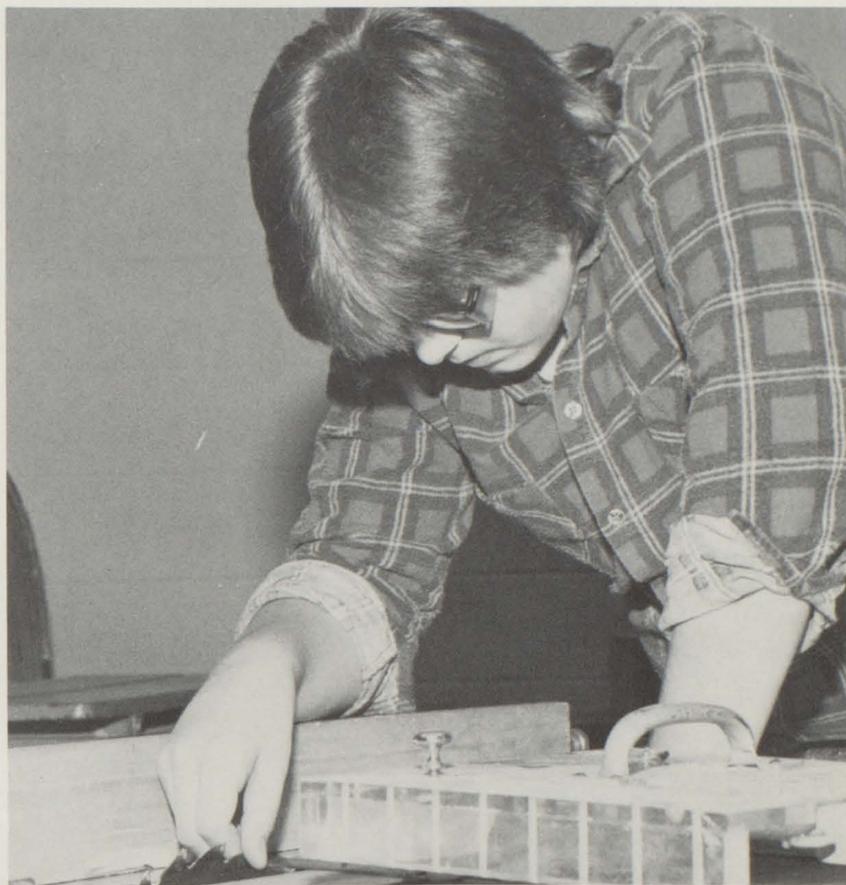

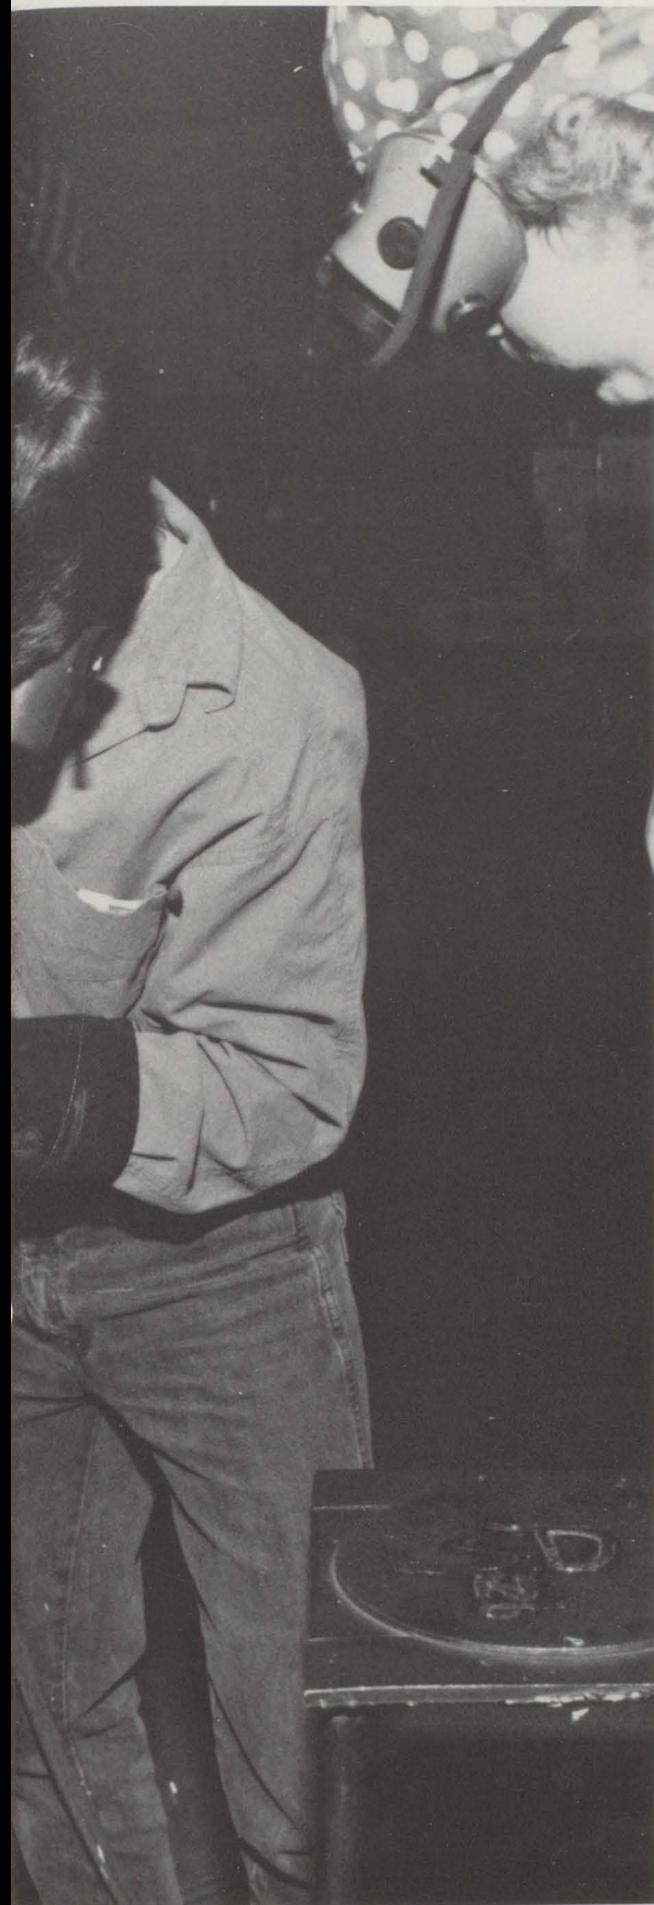

Larry Cravens, Bill Davis, and Jamie Swick are working hard on their top ten news event papers for world history. This paper provides an academic challenge for the minds of students.

# Our Special People

The people who work  
behind the scenes

Students depend on these ladies every day for a hot meal. The cafeteria workers include Front row: Martha Bennett, Molly Knotts, Carol Sanders, Denise Mosbaugh. Back row: Jean Stewart, Glenda Slater, Diana Daleure, Jill Murray, and Jean Caldwell.

Custodians — Steve Savage, Don Plake, Hilda Duncan, George Thornberry, and Rick Coleman, our custodians, work before students arrive and long after they have left.

Special people found in many different places around school include cafeteria workers, custodians, and substitute teachers.

In the cafeteria there are nine people who work hard to feed hungry students. The cafeteria is self-supporting. The manager is Mrs. Daleure.

Custodians work hard at doing maintenance in the building. This can be hard at times because they seem to be needed in many different places at the same time.

Substitute teachers work hard at helping when help is needed. Many teachers who we see regularly are Mrs. Pearson, Mrs. Crimmons, Mrs. Scircle, Mrs. Mengelt, and Mr. Morris.

A big thank you to all of these special people for the time and effort that they give to us.

Mrs. Ludwig consults with Mr. Paquin on arrangements for her job as a substitute teacher in the English department. Mrs. Ludwig said, "To reach, teach, and help prepare young people of today for tomorrow" is her goal in teaching.

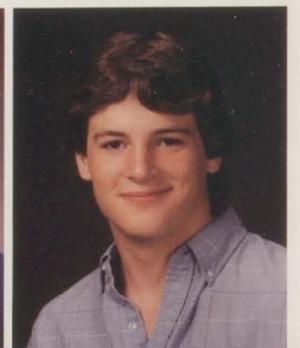

# Seniors

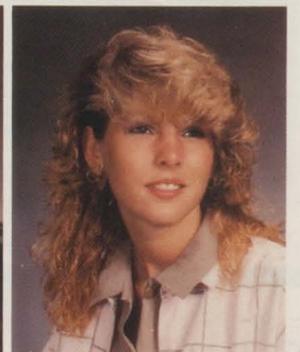

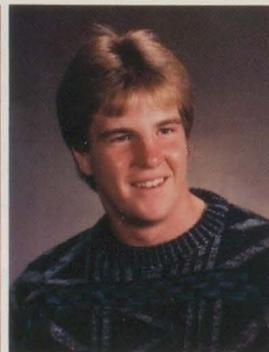

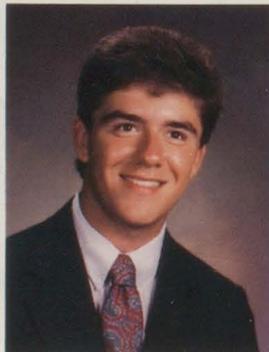

We've finally made it! After 12 years of thinking it would never get here, we hate to see it end. We began our freshman year by placing first in the float competition. As sophomores we did fund raisers for the next year's prom. Our junior year we created a very classy prom, "Puttin' On The Ritz." As seniors we chose announcements, caps and gowns and senior t-shirts. Members of the steering committee: Front row: D. Paquin, A. Martin, M. McQuitty, J. Etchison. Second row: K. Collins, T. Lovell, J. Abner J. Romig, Mrs. Parker, sponsor. Back row: P. VanBuskirk, D. Mitchell, A. Hussong, D. Balsar, D. Tunnell, J. Duncan, J. McMullen, and T. Wheeler.

## Juniors — Prom

Plans and ideas grow  
 toward 88's special night

The junior class worked hard to make the activities for this year go well. Plans for prom were made with the theme of "Midnight Masquerade." The prom co-chairpersons were Melanie Tolle and Chris Arbuckle. Excitement over prom ran through the year. Mrs. Luurtsema enjoyed working with the junior class. "I had a good group to work with. They had many good ideas."

A fundraiser was done. They sold gifts and stationary items. This earned the junior class \$1300 to work with for this year.

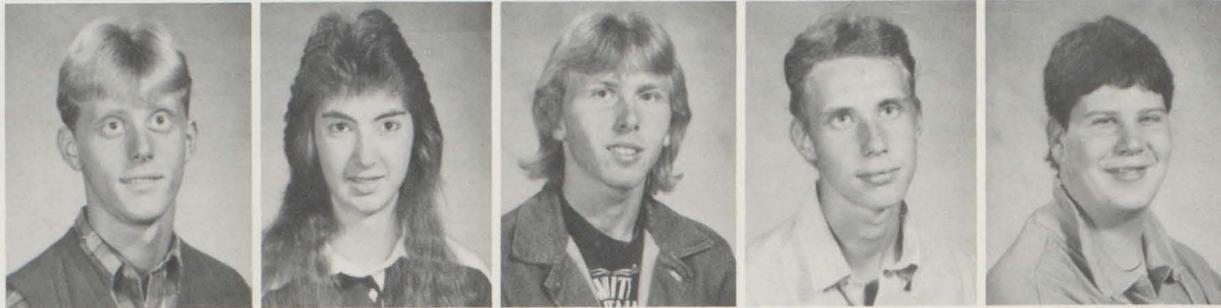

Homecoming's spirit week is a special time of friendship and fun. Matt Hobbs and David Emery are showing a few smiles and trying to relax before the big game.

## Class Leaders

Sophomore class officers make important decisions and plan fun activities.

Class officers are chosen by their classmates. They serve a term of one year. In addition to going to class officer meetings, they are required to attend all steering committee meetings. The officers are raising money for prom and graduation. They worked very hard to make this year a great success and worked very closely with their sponsor, Mrs. Weddell. This was her second year as class sponsor.

Class officers for the class of 1990 are Julie Bastian (vice president), Sherae Smith (treasurer), Kristi Bobel (secretary), and Jason Marcuson (president).

## A Busy Class

The sophomore class members experienced a busy year. For the Homecoming parade they decorated a truck with red and blue streamers, balloons, and posters. They sponsored a money making project which involved the sale of stationary. For Halloween

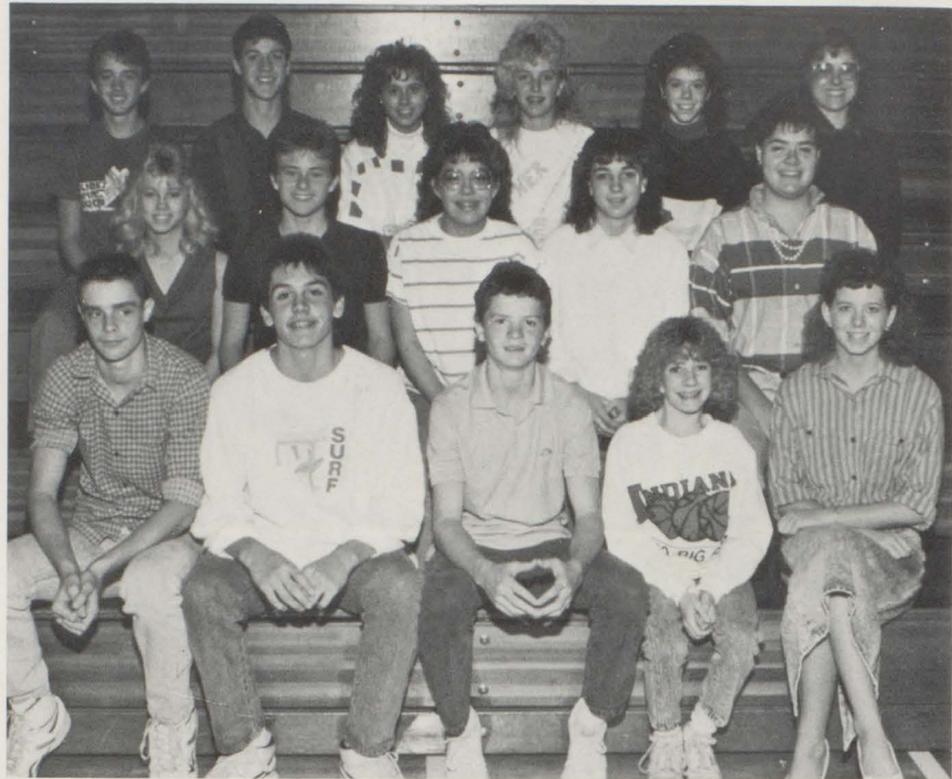

they sold over 400 trick-or-treat bags which were delivered during 7th hour to special friends and teachers. They also sponsored a Sadie Hawkins Dance in November. The proceeds from these activities will be used for prom and graduation expenses.

# Elwood Grads Return

Mr. Jared Carter presented a poetry reading at Elwood Community High School. A reception was also held for Mr. Carter at the Elwood Public Library where he autographed his book of poetry, Work, for the Night is Coming.

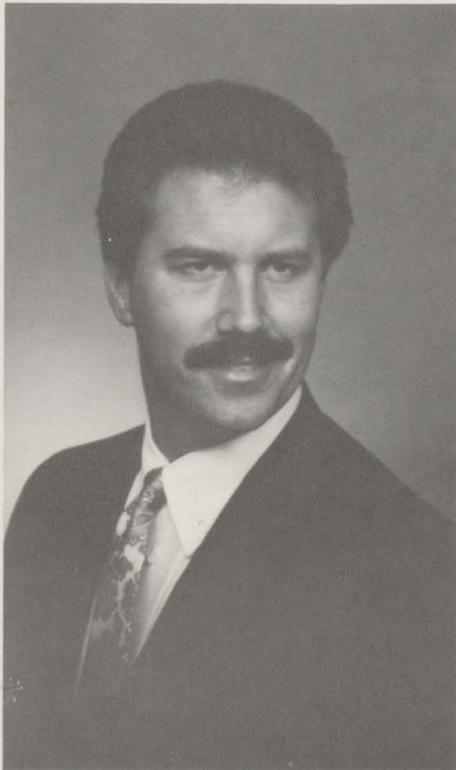

Elwood High School students, teachers, and administrators are pleased when graduates return to share their successes and experiences.

Mr. Jared Carter, a 1956 graduate of Wendell L. Wilkie High School and a former editor of the high school newspaper, is a very successful writer and lecturer. He has been honored with the Indiana Governor Arts Award, the Guggenheim Fellowship, the Great Lakes Colleges Association New Writers Award, the National Endowment for the Arts Fellowship, and the Walt Whitman Award.

Mr. Kevin Courtney, a 1974 graduate, feels that Elwood prepared him well for college. He also gave Honor Society members some words of advice, "When you go to college, take a variety of classes; you never know what type of job your future may hold." Mr. Courtney also commented that there will be no success without commitment.

Trent Hicks and Angie Morrow, freshmen at Ball State University, answered many questions for the class of 1988 college bound seniors during a seminar sponsored by the Honors faciliators.

Mr. Kevin Courtney, an Elwood High School graduate and the son of Lloyd and Carol Courtney, was the guest speaker at the annual Lions Club Honor Society banquet.

1987 Elwood High School graduates, Angie Morrow and Trent Hicks, returned to speak to the 1988 seniors about what college is really like.

Rob Morris wins C.I.C. and sectional wrestling crowns, places second in regional, and qualified for semi-state meet.

Varsity volleyball team has .500 season and places second in C.I.C.

Ruby Simpson places second in sectional cross country meet and advances to regional meet.

Boys tennis team has 11-1 season.

Panther football team captures Class 3A state runner-up title

Daphne Kelich wins girls' singles tennis sectional and regional championships and advances to the state finals.

Angela Higgins crowns the winner of the legs contest, Derek Paquin. Joby Gibbons and Troy Hicks were chosen as his court.

Senior Derek Paquin was chosen to represent Elwood as the Red Haven nominee for 1988. This award is sponsored by the Anderson Noon Exchange Club in the honor of Orville "Red" Haven.

Senior Troy Hicks was chosen to represent Elwood in the Sertoma All-Star Basketball Game. This team is chosen by all coaches in Madison County.

Chuck Everson will play for the South All-Star football team this July. Chuck was chosen to the Region 8 All-Star team which made him a candidate for this honor.

Senior Diane Mitchell was a member of the girls' Sertoma All-Star Basketball Team. The Madison County teams played two games against the Hamilton County All-Stars.

# A Season To Remember

The 1987 varsity football team completed its record breaking season with twelve wins and two losses. The season was off to a great start with two wins in a row; however, Tipton stopped the Panthers again in '87 in the third game. The team then traveled to Alexandria where a crucial interception by Dan Sallee in overtime saved the game. The team kept improving and proved that they were a great football team by winning their last four games.

Sectional time soon came around, and the Panthers had new

dreams in their hearts. The first two sectional games were great victories for the team, and they lifted them into the championship game. The Panthers came out on top and won the first football sectional ever at ECHS.

The regional game was played at home against a tough West Lafayette team, but Elwood had greater expectations than just a sectional championship. Once again the Panthers were winners and became the first Madison County team to win a 3A regional. The team now moved on to

face the top-ranked Fort Wayne Dwenger Saints. A victory there meant a spot in the state finals at the Hoosier Dome. In the fourth quarter Tony Hoover made an unforgettable interception to wrap up a semi-state victory and send them on to the Hoosier Dome.

Elwood displayed the largest crowd ever for a single team at the finals. This history making Elwood team came home as the runners-up of Class 3A. This team will always be proud of its accomplishments and so will the community of Elwood.

Pat Creamer charges across the line of scrimmage on a big offensive play against the Madison Grant Argyls.

# JV & Frosh Football

The talented play of the 1987 junior varsity football team resulted in a very successful season. The team was strong on defense and showed a powerful running attack on the offense which helped them reach their final record of six wins and one loss. The most enjoyable victory came against Tipton when they shut out the Blue Devils, 7-0.

Both Coach Wells and Coach Burdsall were proud of the accomplishments that their team made throughout the season and felt that many of their players could step into the varsity position

when needed. They also both agreed that it was their most enjoyable season as coaches.

A memorable moment for them was when Sean Murphy ran the ball for two yards in their 27-16 win over Blackford. The junior varsity team is looking forward to another great season in '88 at the varsity level.

The freshman team also finished with a winning season and a fine record consisting of five wins with only two losses.

Coach Morris stated, "The players responded well to just about everything we tried to do."

The coaches also enjoyed watching the players mature on and off the field and were happy to be a part of that experience. The team's passing wasn't outstanding, but that was due to the lack of experience on the offensive line. With time the hard work of the quarterback and receivers will pay off, and great things can be expected.

The freshman and junior varsity teams both have a lot to look forward to in the future and have great challenges ahead of them in trying to repeat the accomplishments of the 1987 varsity team.

# Boys — Girls Cross Country

Although the boys cross country team fell to a 1-11 record, there were many positive aspects about the season. They maintained their poise and dedication throughout the season and approached each meet with a positive attitude. Although the boys didn't meet their goals for this year, they never once gave up and have set positive goals for next year. Another positive aspect of this year's team was the continuous improving times of the freshmen harriers. This will play a vital part in approaching seasons.

The team was lead by senior Dino Balser who helped and encouraged the other runners when they needed it.

The girls were more fortunate as they had a very successful season ending with an 8-3 record. Sophomore Ruby Simpson led the way for the lady Panthers. She broke her own school record with a time of 15:32. She placed second in CIC, and she took 4th place in the sectional.

The girls had great leadership from Ruby Simpson, Melanei Tolle, Stacey Hoppel, Lisa

Knotts, and Tracie Wheeler. Ruby Simpson was recognized for advancing to the regionals.

The only seniors on the team were Lisa Knotts and Tracie Wheeler who improved their times and were an asset to the team.

"I always enjoy coaching cross country. It is such a demanding sport, and I have a lot of respect for cross country athletes," said Coach Hobbs.

## Tennis Teams Have Success

The 1987-88 boys' tennis team had a very successful season. The team ended with an overall record of 11-1 with its only loss coming to eventual sectional champion Alexandria. According to Coach Hoppel, the start of their successful season was winning the Western Boone Tourney.

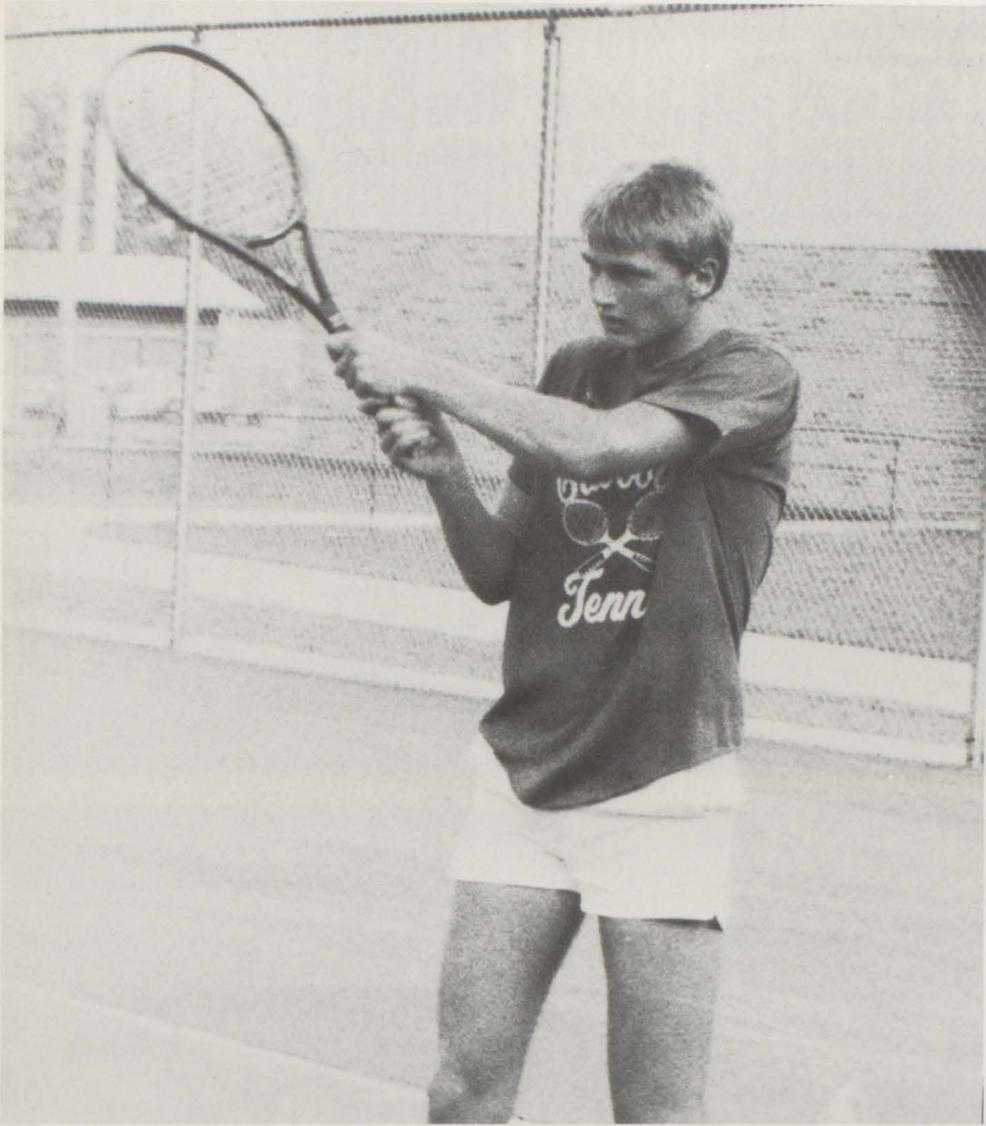

"This win proved to the boys that we could play three times a day and win. The win helped us both physically and mentally," stated Coach Hoppel.

The highlight of the season was when the seniors all won their fi-

nal home match which resulted in a 4-0 whipping of Peru. "There is nothing greater to see than a group of kids happy and proud of themselves," stated Coach Hoppel about his seniors. He also stressed the senior leadership throughout the season, and he was also very pleased with the improvement of the junior varsity players. He enjoyed the season very much.

The girls' tennis team was also very successful with individuals also achieving their goals. Jeanne Armstrong won the C.I.C. cham-

pionship at number 3 singles, and Daphne Kelich won a sectional and regional singles championship and advanced to the state finals. Coach Hoppel was pleased with the overall improvement of the varsity team through the course of the year. He stated the seniors had great attitudes and set the tone for the year. He thought the group as a whole had the best attitudes of any girls' tennis team that he has coached.

# Hard Work Pays Off For A .500 Season.

The 1987 varsity volleyball team finished the season with a record of 13-11 and a tie for second in the C.I.C. with a 5-2 record. The girls' improved play seemed to be the "story of the season." They improved their serving percentage and defensive percentage. There was an enormous increase in hits and team kills as well as constant improvement during the season with harder team practices. The girls had better than a .500 season.

The highlight of the season was playing for the C.I.C. co-championship. Even though the girls lost

6-15, 13-15, the experience of playing in a game like that will only make them stronger next year.

The most memorable event of the season was most definitely the Alex game. The team went into the match on a seven game winning streak. It was a fast paced game, and each player played their role competently to bring home their eighth straight win.

Three players received special recognition: Diane Mitchell, Madison County team and C.I.C. team; Rae Ann Curtis, C.I.C. team; and Julie Bastian, Sectional

team.

The junior varsity team finished the season with a 15-8 record. The girls scored 257 more points this year, improved their serve reception by 9%, and their defense by 13%. Stephanie Stewart set a new school record for a freshman in earning 52 kills in her first season as a high school player.

At Elwood High School there definitely was a *visible difference* in volleyball this year, and the girls should be very proud of their hard work and dedication.

The 1987 J.V. Volleyball Team — Front row: S. Smith, J. Champion. 2nd row: S. Smith, J. Bannister, H. Stansberry, S. Hook, J. Etchison, A. Barnes, A. Scott. 3rd row: S. Hook, S.

This spirit flag displayed outside of a Panther fan's home signifies the spirit that the community shows toward our athletes. These flags were sold by the basketball booster club.

Senior Derek Paquin shows his athletic ability as he powers over a Sheridan player for two points.

# Rough Start, Rough Season

The 1987-88 basketball team ended its season with a record of 8 wins and 13 losses. Even though the season began late, the mighty Panthers never once gave up and worked hard all season to try and fulfill their goals.

The team was a senior oriented team with seven seniors, one junior, and one sophomore. The seniors were led in scoring by Troy Hicks with a 16.9 scoring average. He made All-Conference and was chosen as a member of the Madison County All-Star team. Derek Paquin averaged 6.9 pts.

per game and led the team in steals and recoveries. Dino Balsler averaged 3.2 pts. per game and led the team in assists. Tony Hoover averaged 8.7 pts. per game and led the team in rebounds with 6.9 rebounds a game. Chuck Everson was the second leading scorer on the team with an 11.2 pts. per game and led the team in FG%. David Tunnell averaged 3.3 pts., and Kurt Slayton averaged 5.3 pts. per game.

There were many highlights during the season, but the one that everyone will remember the

most was when the Panthers gave Alexandria their only CIC loss of the year. The excitement of scoring 86 points against Tri-Central and losing to Pendleton Heights by only 2 points, when they had beaten their previous five opponents by an average of 34 pts., were other season highlights.

## J.V. & Frosh Experience Success

The J.V. basketball team, under the instruction of Coach Joe Williams, once again had another successful season. This was Coach Williams' second year as coach of the J.V. and his record now stands at 31-9. Coach Williams had only three goals for this year's team. One was to have a winning season. This was done with a final record of fifteen wins and five losses. The team's other two goals were to be a better team at the end of the season and to learn how to win and lose with class.

Throughout the season Coach

Williams watched his team mature and saw his players begin to understand the game more as the season progressed. Coach Williams also stated that winning 10 games in a row was one of the most memorable events of the season. The other most memorable event of the season, and definitely the highlight of the season, was defeating C.I.C. arch rival Alexandria in overtime on the Panthers' home court.

The freshman team set out in 1988 to win the Tipton tourney. They accomplished this goal by

executing strong defense and by always giving their best effort. A weakness was found in their outside shooting, but this was made up for by the team's ability to work the ball inside. Coach Morris stated that he greatly enjoyed coaching this group of students, and he feels they will be very successful in the future. He believes that the team improved and matured during the season, not only as basketball players but as students as well.

# Girls Basketball

The 1987-1988 varsity girls basketball team members improved greatly throughout the season. Two goals that were set for the team were to win six games and to finish in the upper level of the conference. The team ended with a record of 6-13 and 4-3 in the C.I.C which earned them a tie for third place.

The highlight of the year was beating Alexandria, 59-53. The girls really wanted to win, and they played hard, strong, and quick to end the regular season with the best game that the girls had played the whole year. The

seniors, Diane Mitchell, Paula Van Buskirk, and Lisa Knotts played a big part in the team's success. Their attitude and good examples of sportsmanship were very appreciated by fellow team members and coaches.

Coach Max Hoppel stated "This was one of my most enjoyable seasons in basketball."

The junior varsity team had a very successful year also. The team ended with a record of 8-7 which put the team above the .500 mark. This team was the first junior varsity team to have a winning season since 1976. Coach Kevin

Frye set the goal that every girl on the team would develop a "hard work and dedication attitude" in hopes that every girl would work to her potential. During the season the team began to understand the concept and strategy of the game, and the game basketball is now a meaningful focal point for the girls on the team. Coach Kevin Frye was very proud of the achievements that this team made, and the team is proud of him as well for coaching them to a winning season his first year coaching.

## Wrestlers Win Sectional

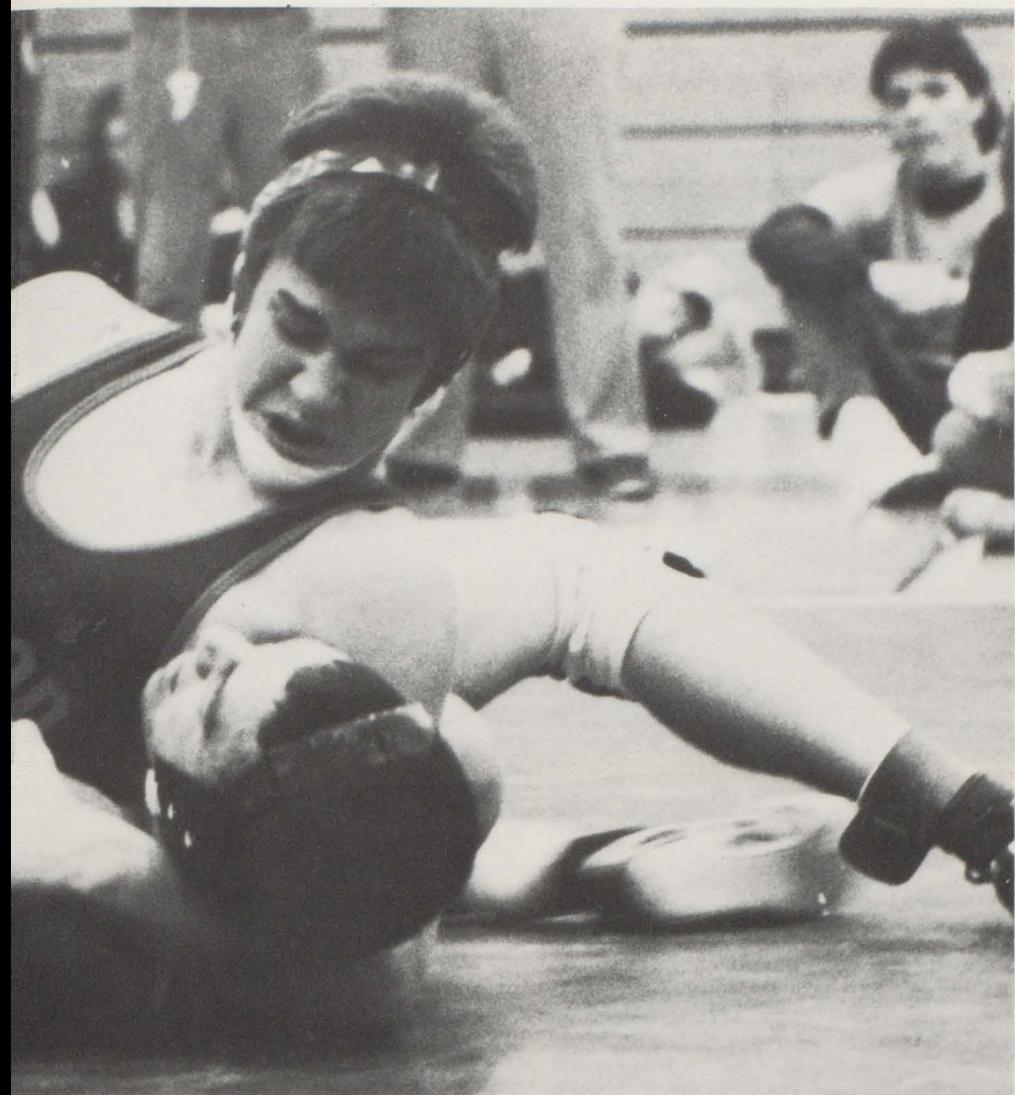

On January 30, 1988, Elwood Community High School's wrestling team won its first sectional championship due to a great amount of hard work. The team began its season with a loss and felt as if they weren't going to have the experience which is usually necessary to do well. They soon began to win and placed well in important meets which gave them the confidence they had been lacking. Although the team finished very well, Coach Boley felt that weightlifting in the off season would have improved their

overall strength. He also mentioned that participating in A.A.U. wrestling in the off season would improve their ability. The 1988 team was young, having only one senior, J.C. Wright. J.C. was very valuable and contributed much to the team.

The successful season would have not been possible without the closeness of the team and their ability to work well together. Coach Boley enjoyed coaching due to the fact that it was challenging for him. He and Coach Burdsall were very proud of their

team for wrestling to the best of their ability. Wrestlers who they felt gave outstanding individual performances were freshmen J.R. Reese and Todd Conwell, sophomore Louis Fuller, juniors Mike Cast, Rob Morris, and Rod Burdsall, and senior J.C. Wright.

A very outstanding wrestler was Rob Morris. Rob had an overall record of 24-2, becoming all conference, all county, sectional champion, regional runner-up, and a semi-state wrestler. His accomplishments helped give a lot of pride to the team.

# Boys Golf

The golf team began the 1987-88 season with high expectations as they returned all but one of the players from the 1986-87 C.I.C. championship team. Each golfer on the team had matches in which he led all others, but the boys never quite put everything together at the same time. Kent John joined the team later in the season and played fine golf at times. Derek Paquin and Shane Arnold shared the outstanding golfer award as they tied for low average for the year. Gabe Garner and Rob Frye completed the five man varsity team for most of the year. The final dual meet season record was 7-7, and the boys placed fourth in the C.I.C. tournament. They also

placed 7th out of 12 teams at the Noblesville sectional. Derek Paquin led the team with an 86 on the tough Harbor Trees Golf Course. Gabe Garner had an 89, Shane Arnold an 89, Rob Frye a 93 and Kent John a 96. The 153 at Blackford was the best round of the season.

The junior varsity started off slowly, but established a fine 7-4 record. Each player improved his individual score throughout the year. The team showed much dedication, desire, and willingness to win. These qualities will be sure to make a great team.

1988 Junior Varsity Golf Team — Brian Ritchie, T.J. Graham, Brad Arbuckle, Rob Tippey, Kiley Como, Chris Smith, Jamie Swick, Mickey Jones, and Coach Rich Goyer.

Gabe Garner follows through with his putt during a meet against Mississinewa at the Elwood Country Club. Gabe shot a fine score of 40 for the meet.

## Goals Set — Many Met

The 1988 girls' track team ended its season more successfully than any other in the past, finishing with a 3-5 record. "For the small team we had, I thought we did very well," stated Coach Barbara Yates.

Leading the way for the tracksters was Ruby Simpson. Ruby ran in the 3200M, the 1600M, and the 800M runs, and the 1600M relay. Ruby ranked in the top three in both the C.I.C. and the sectional in the mile and two mile and placed seventh and ninth in the regional. The girls placed fifth in the C.I.C. and seventh in

the sectional. Ruby broke the records in her events several times. Also breaking a record was Melanie Tolle who set a new mark in the 300 hurdles with a time of :53.62.

For the boys' track team for the '88 season the most memorable event was the 400M relay team breaking both the school and C.I.C. records with a time of :44.55. This team, consisting of Jay Courtney, Jason Kleinbub, Mike Davis, and Derek Paquin, captured first place in the C.I.C. and fifth in the sectional.

"The most valuable member

this year was Derek Paquin. Along with capturing first place in the 100M and 200M runs several times during the regular season, Derek placed 1st and 2nd in the C.I.C. in these events. Derek was the fastest runner we've had in at least 5-6 years," stated Coach Goens.

Jay Courtney received the trophy for being the outstanding full time member of the track team. In addition to running on the 400M relay team, he advanced to the Kokomo regional in the pole vault.

# Panthers Improve

The varsity baseball team finished its season with a 12-10-2 record. This put the Panthers two games over .500, one of Coach Bomholt's and the players' goals for the season. There were also many other highlights; among them being the comeback victory against Anderson Highland after trailing 9-3 and winning 10-9, beating Blackford 2-1, and sweeping all the Anderson teams. The play that stands out most in Coach Bomholt's mind was the suicide squeeze bunt by Jason Kleinbub which lifted the Panthers to a 2-1 victory over

Blackford.

Coach Mike Bomholt and Coach Kevin Frye noticed many changes throughout the season, especially the varying execution and confidence from game to game. They also felt that the weakest part of this year's team was the inconsistent play on defense.

The four seniors showed great leadership. Coach Bomholt stated, "Chuck Everson was one of our best pitchers and most consistent hitters. Chris Israel was one of our better outfielders and could play just about anywhere. Andy

Hussong had a great attitude and hustle all year, and Kurt Slayton played good defense all year." Coach Bomholt finished by saying, "When this group played hard and with the right attitude, it was a joy to watch and coach this team in action."

The junior varsity team ended their season with a 6-4 record under the instruction of Coach Chip Morris and Coach Rod Murray.

Chad Woolums and Scott Stanley showed great potential on the JV squad and were rewarded by receiving varsity playing time.

# Girls Softball

Although the girls varsity softball team ended with a record of 3-14, this doesn't depict the hard work and dedication put forth this season. The girls had a hard start by losing four in a row, but winning against Blackford brought up their spirits.

"It was a really up and down season," said Coach Bourff. "We couldn't get together. In one game we would be beaten by ten runs then beat a team by ten runs."

In the sectional the team members finally showed how they could play by playing tough de-

fense and hitting well against the Lady Greyhounds of Carmel in six innings.

The team had fun together, and Coach Bourff had a good time getting to know the girls on the team. She stated "I have tried for years to be a coach at Elwood. I was so excited when I found out that I got the spot. I was glad to be back at Elwood."

There were four seniors on the team this year: Diane Mitchell, Laurie Mort, Lisa Knotts and Amy Noone. Laurie Mort and Diane Mitchell were chosen by teammates to be co-captains for

the season. Laurie Mort also received the softball award on awards night which was decided by the team's coach. Diane Mitchell was a multi-talented athlete and played well wherever she played, infield or outfield. Amy Noone was the team's sparkplug who kept up the team's spirit, and Lisa Knotts was a very dedicated player and a good leader. The seniors supported the team.

Coach Bourff is looking forward to next year to better this year's record.

# Spirit and Pride

The 1987-88 cheerleaders were involved in several activities as well as cheering at volleyball, football, and girls' and boys' basketball games. In June all three squads attended the UCA cheerleading camp at Ball State University. The squads received a total of ten blue, eight red, and one white ribbon with each bringing home a spirit stick to present to Mr. Paquin on the first day of school.

Three fund raisers were sponsored including a sponge throwing

contest at the Glass Festival, a raffle for a \$150 gift certificate from Spurgeon's Department Store, and a legs contest with the varsity basketball players and coaches as the contestants. The contest winners were Troy Hicks, 3rd place, Joby Gibbons, 2nd place, and Derek Paquin, the winner.

Cheering at the Hoosier Dome was the highlight of the year, and this along with all the fun the girls had made this a year they will never forget.

*A  
Visible  
Difference*

Fall of 1986 — New construction begins. The middle school is being joined with the high school and many facilities will be shared.

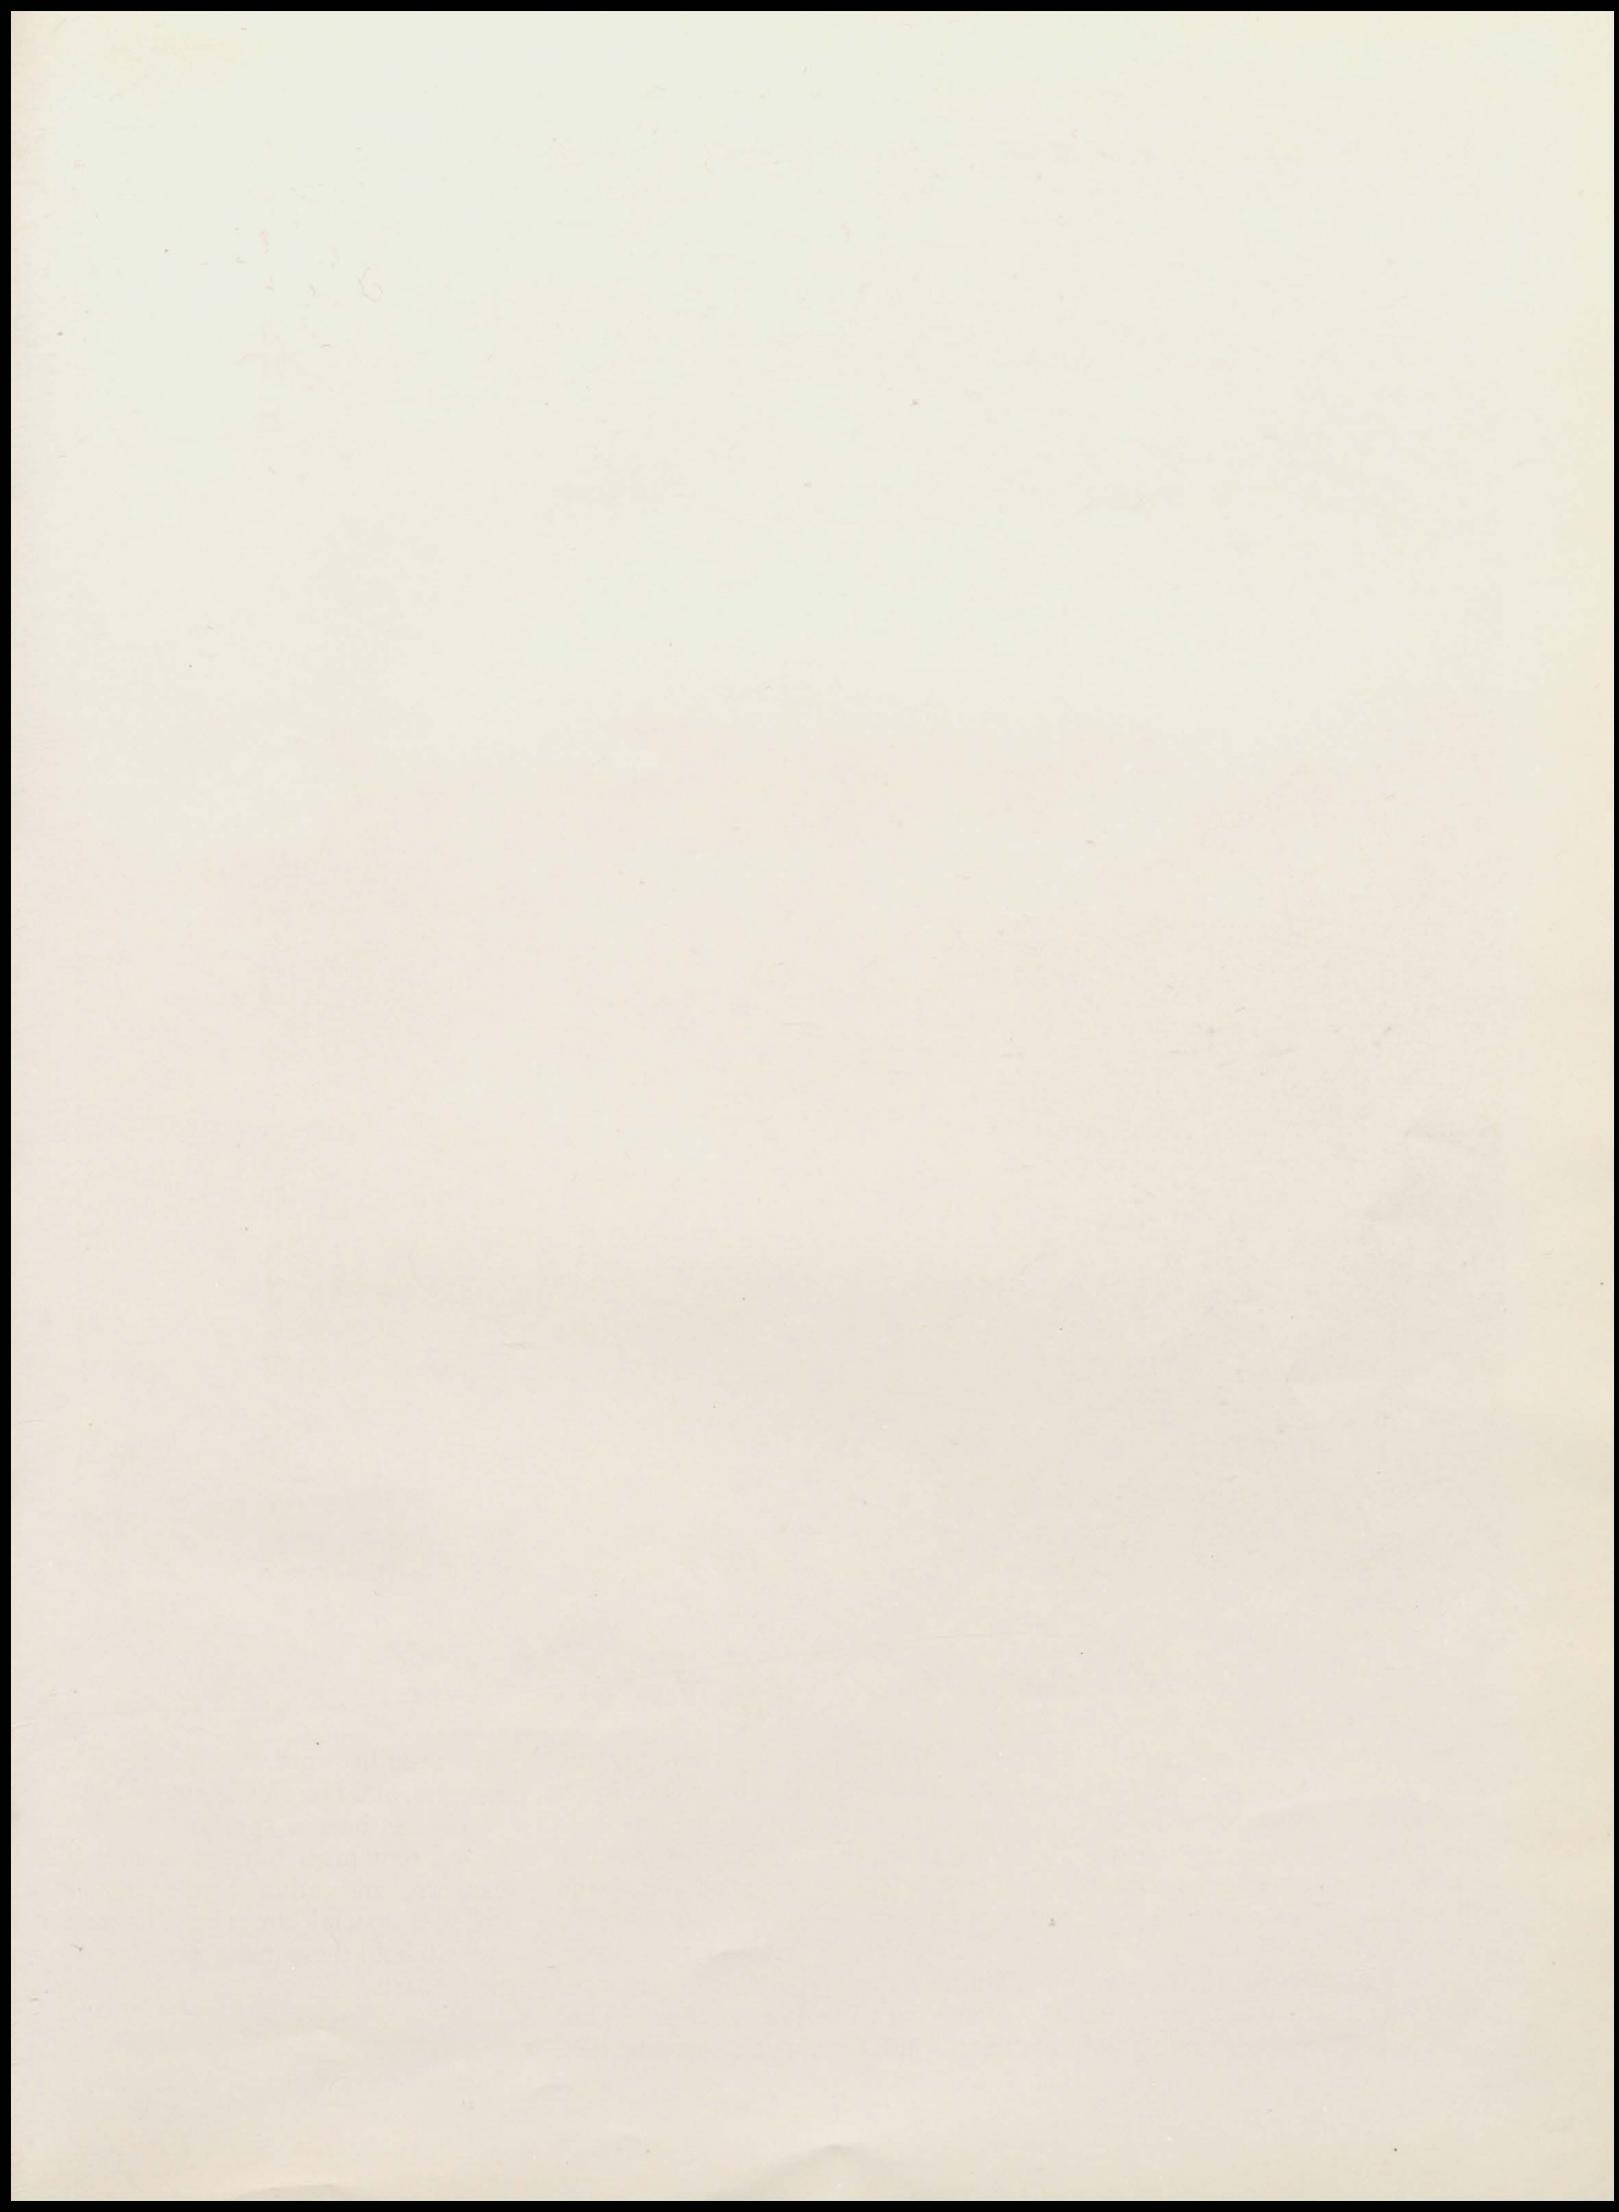

Spring of 1988 — The new facility will be in operation for the 1988-89 school year. The two process carving arch was taken from the Wendell L. Wilkie High School to add a special touch.

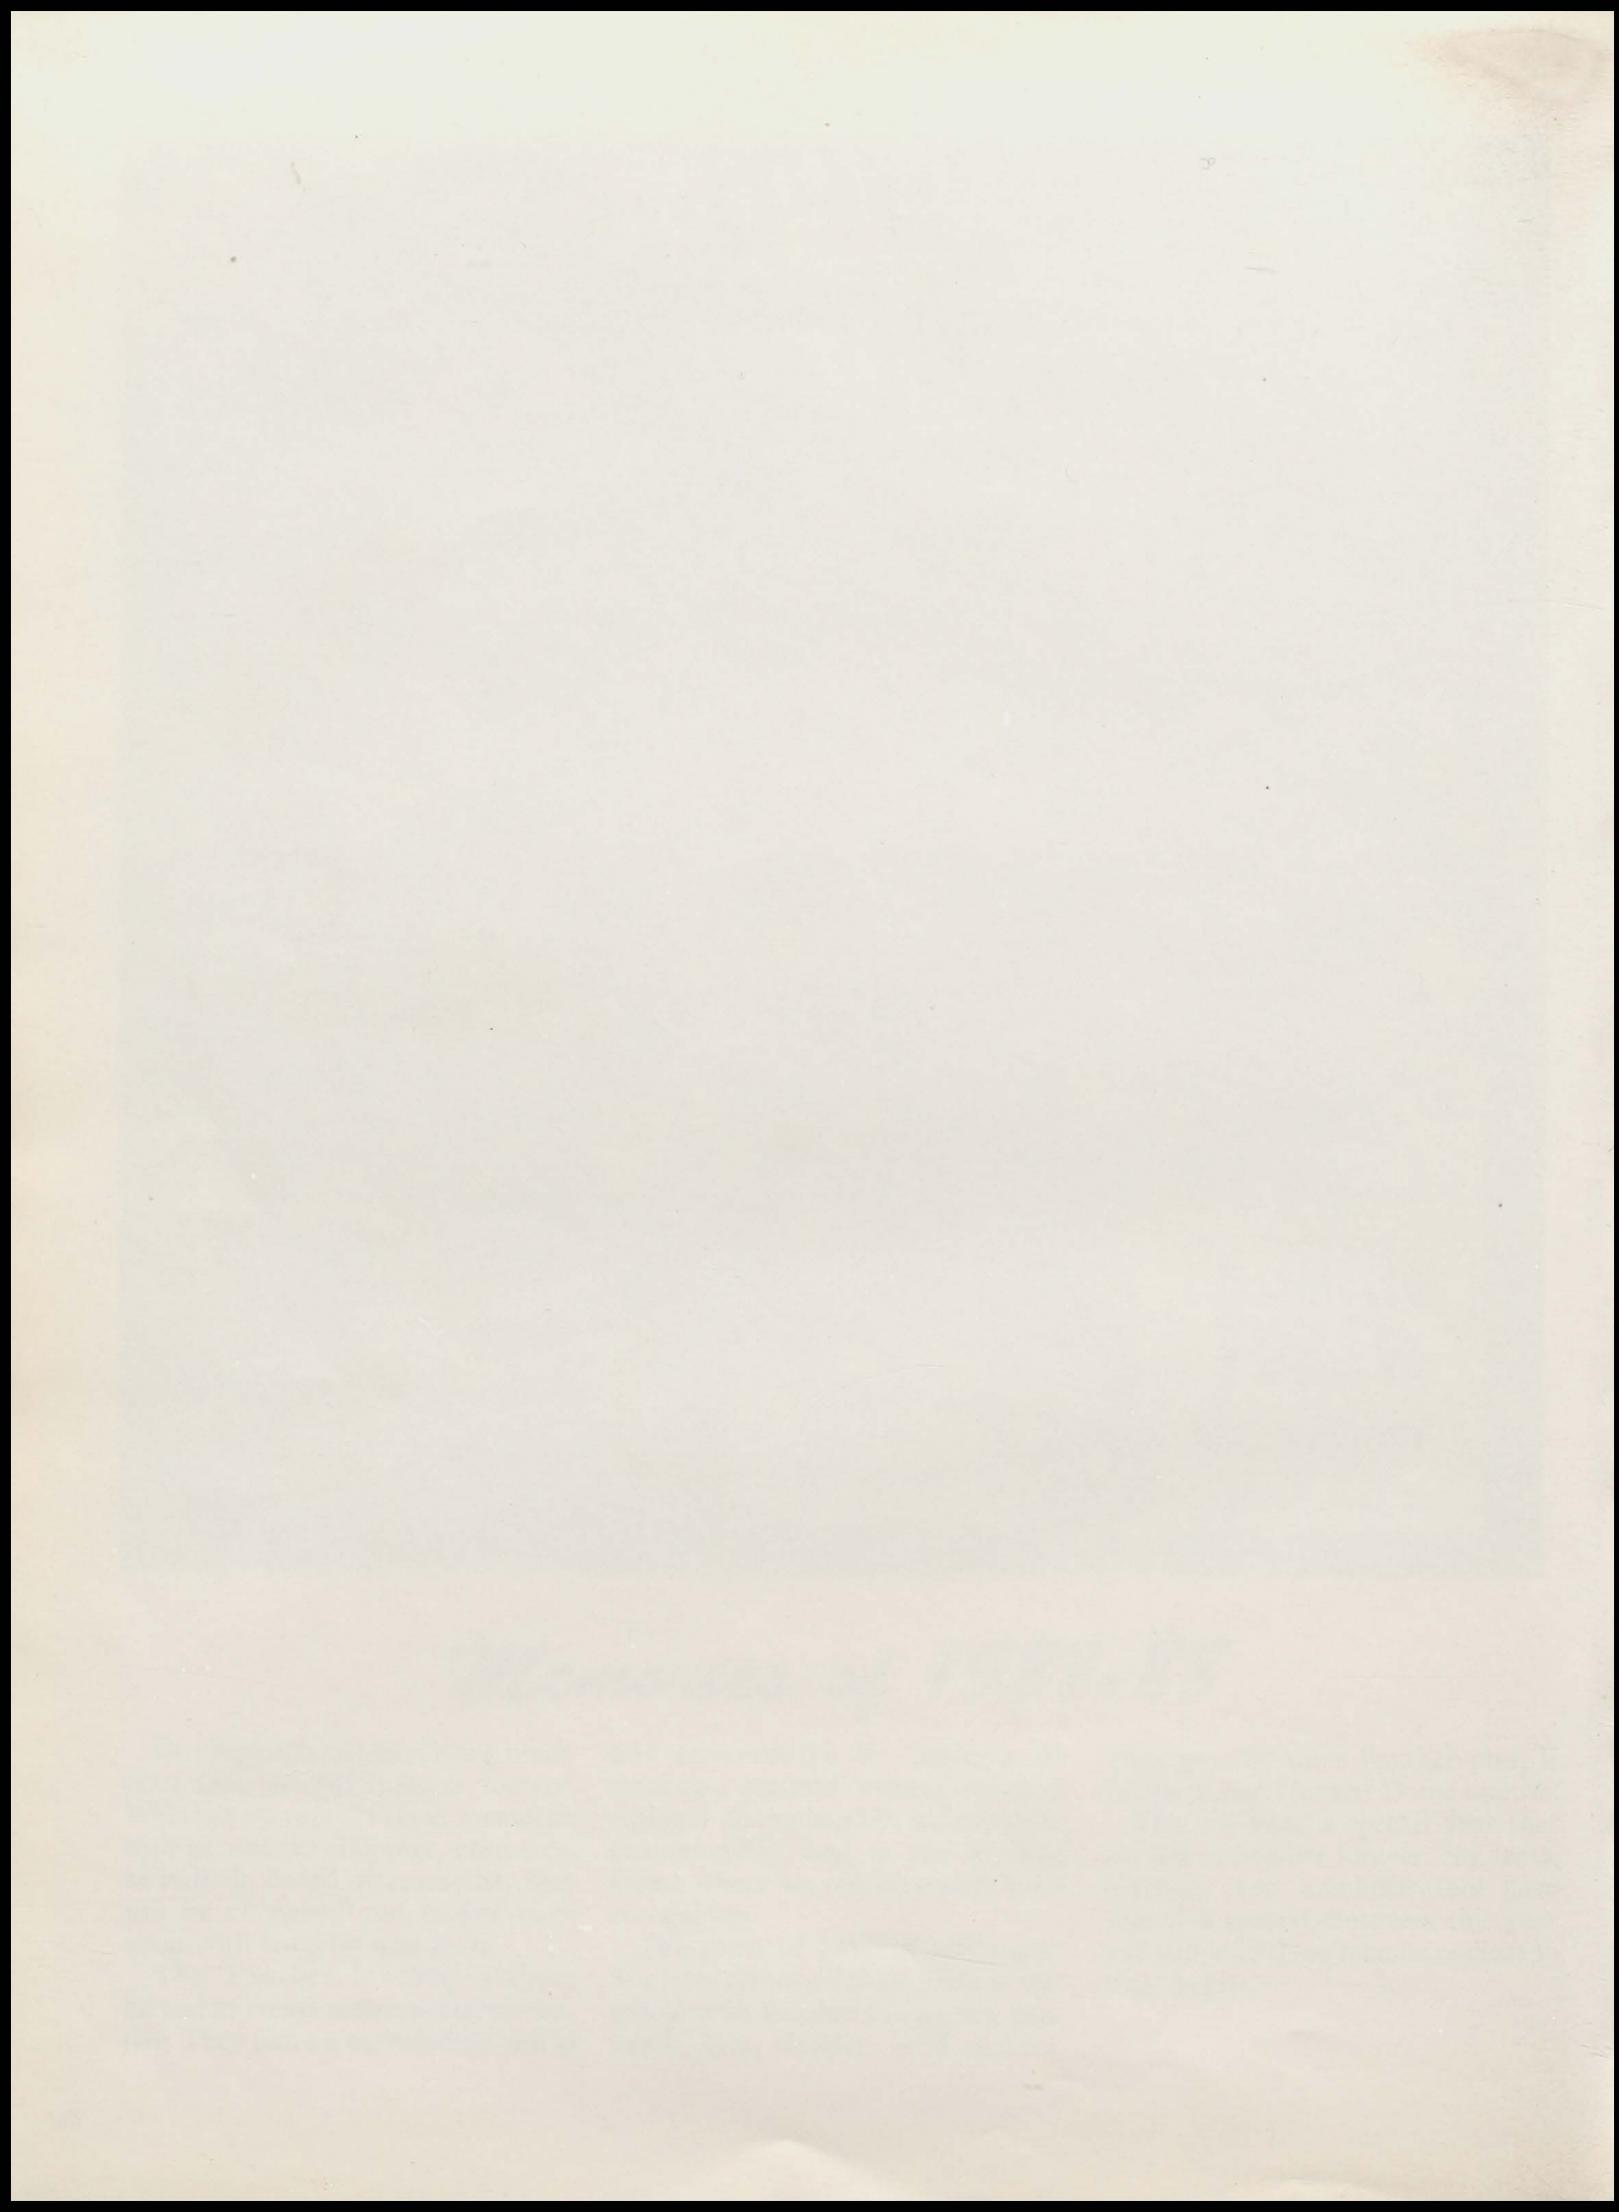

## A Big Difference

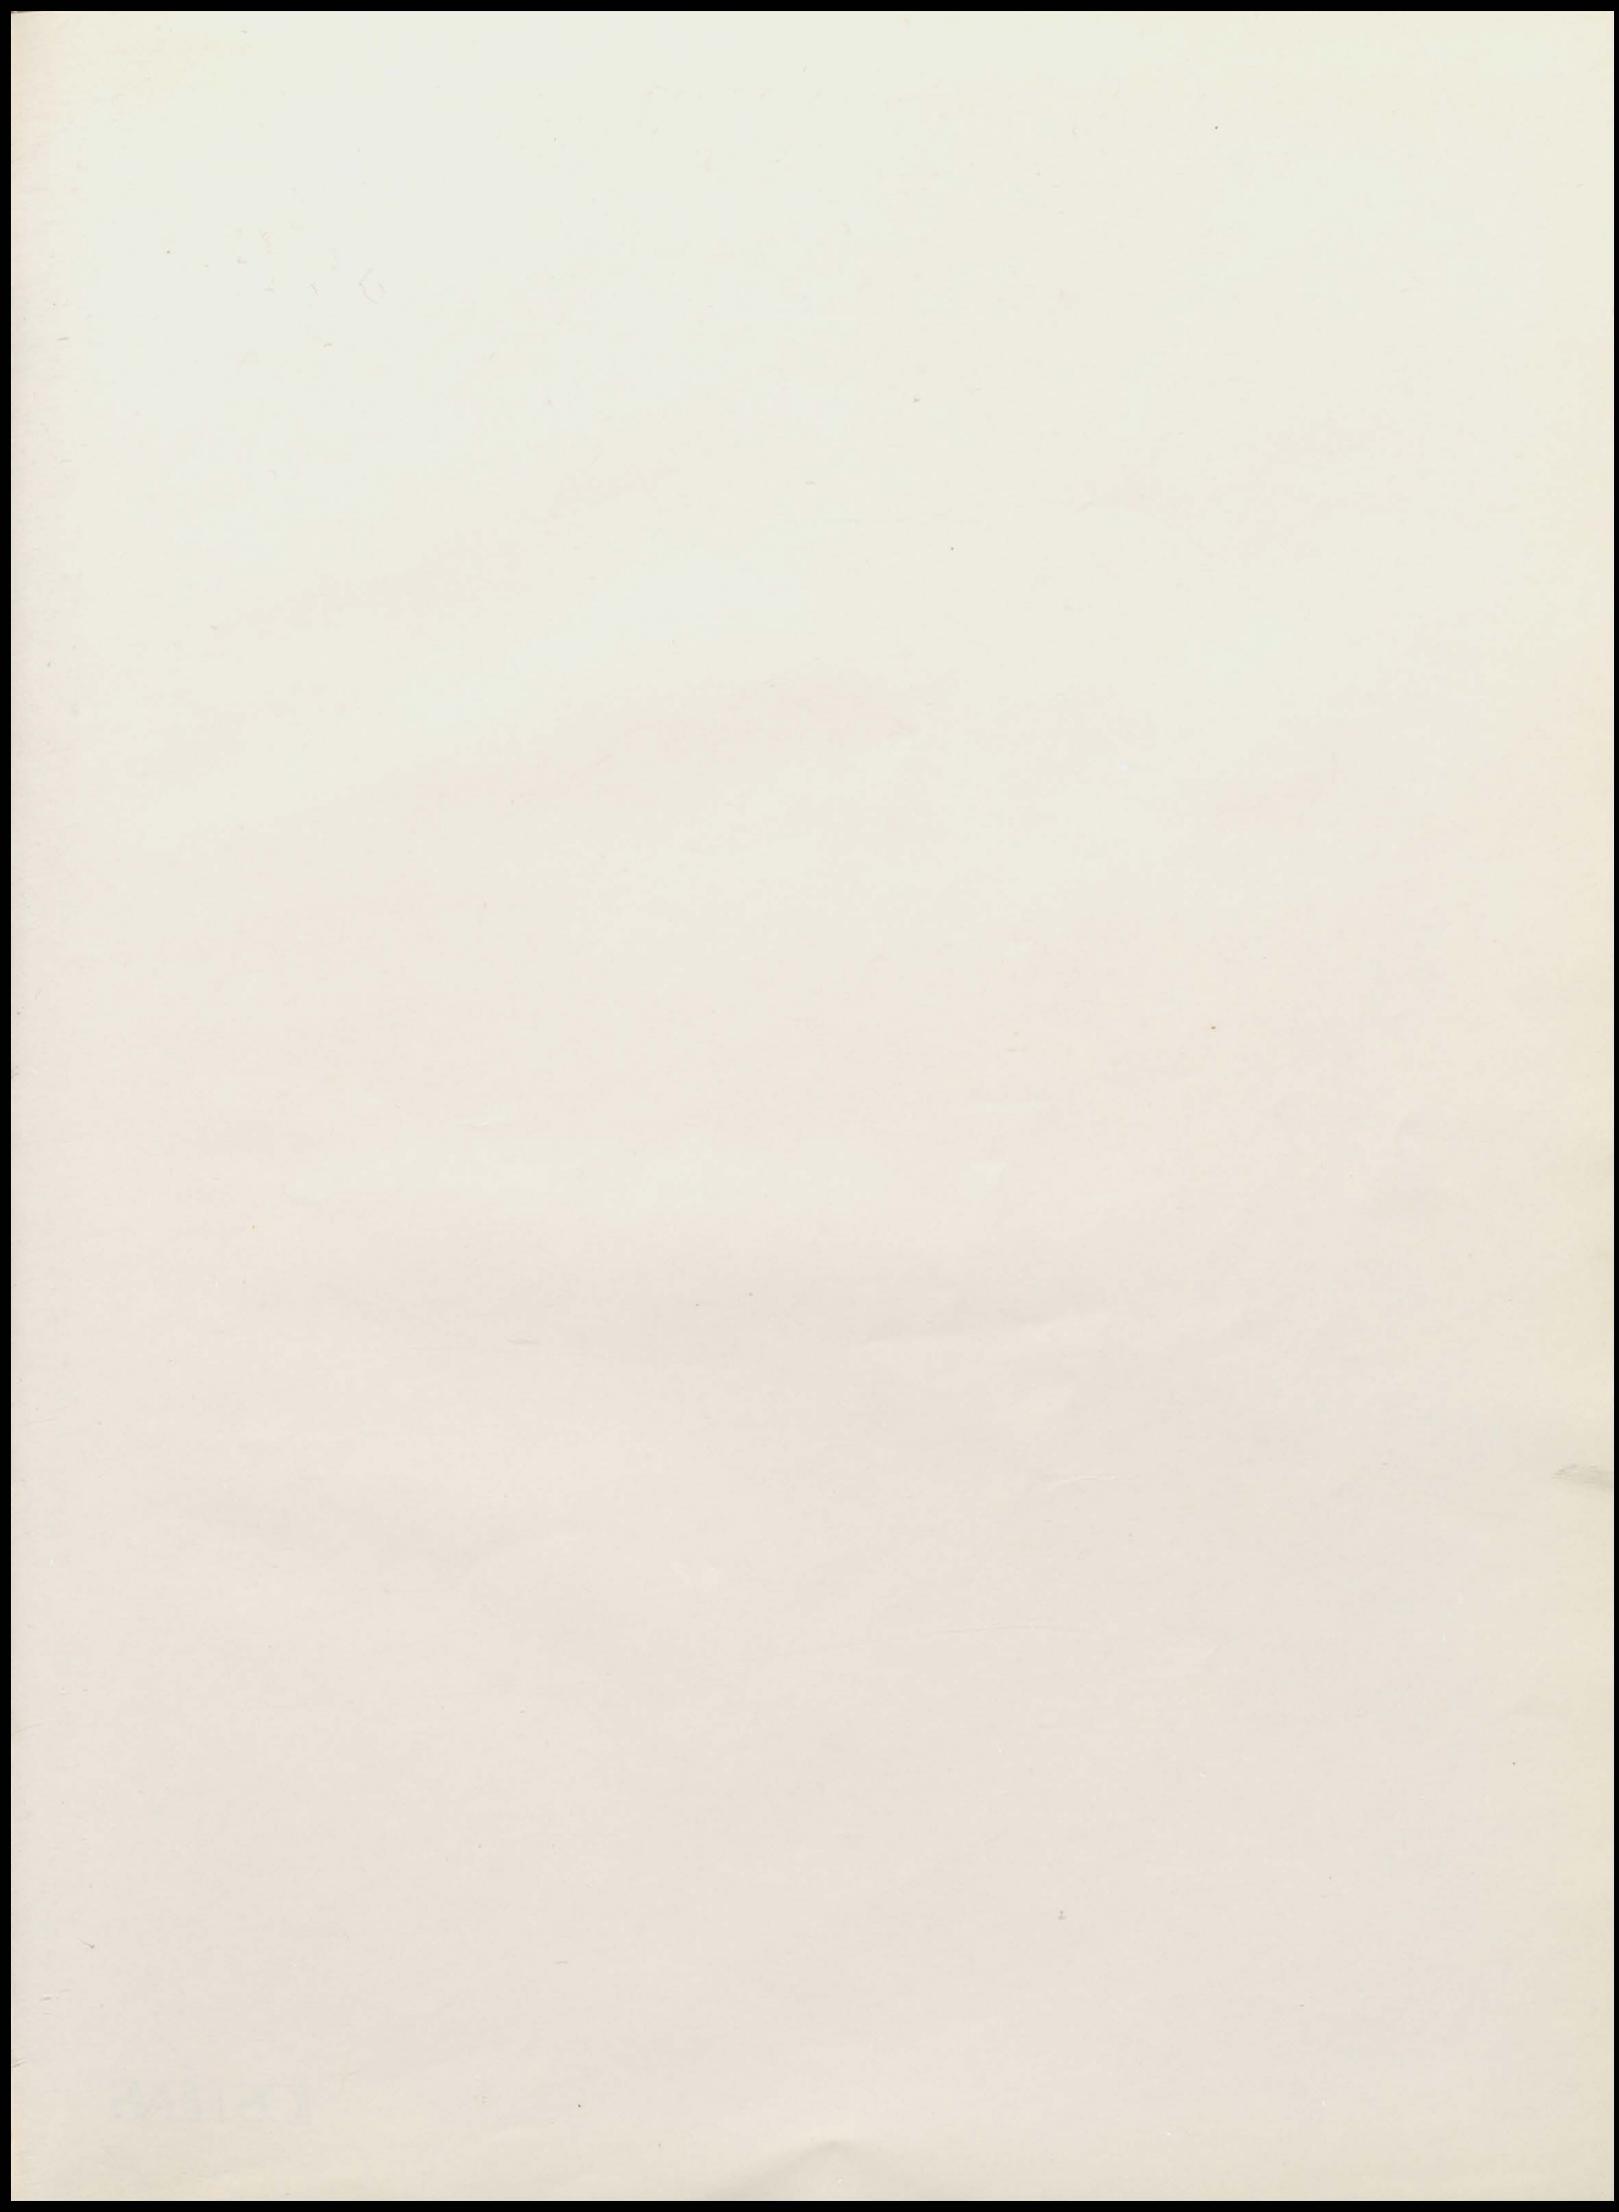

As the year comes to an end, the students have the satisfaction of having captured many memories. The maturity of our students has created a visible difference at Elwood Community High School. This has been a special year for us to grow, mature, and learn together. High school years are a time of self discovery and decision making. We begin to set goals, work at these goals, and succeed these goals. We begin making career decisions. This is a difficult time, as it's a time of maturing. 1987-88 has brought many of the students, faculty, and administrators together to share a special kind of closeness. Students from Elwood High School have excelled exceptionally well this year athletically as well as academically. State wide recognition in football, band's advancement to the regional competition, a more talented volleyball team, and the addition of new academic teams is only a part of Elwood's visible differences.

Our campus is also taking on a more mature look with the addition of the new middle school. Expected to be in operation for the 1988-89 school year, the high school will be sharing its auditorium, swimming pool, music complex, and its science and art facilities. As our campus grows, so will the unity of its students.
