Freshman Mentors...

The Freshman Mentoring Program was started by English teacher Miss Mercer in hopes to lead incoming freshmen down a clearer, more focused path. Mentors are selected from the Junior and Senior classes by the staff and faculty based on character, attitude, and performance in class and in the community. Mentors are also chosen through National Honor Society. The freshmen meet with their designated senior mentors on Thursdays of each week to take part in group activities such as social skills, teamwork skills, bullying awareness, and study skills. The mentors also take their freshman groups to Rainbow Christian Camp in the fall and spring to test their teamwork skills and to see the improvement of those skills as the year goes on.

Life Is... Yearbook

This year's Crescent Yearbook Staff consisted of 10 staffers and photographers under the instruction of editor Maleri Moody and advisor Mr. Bedel. The staff and advisors work extremely hard throughout the school year to cover events both in-school and extra-curricular. Being a part of the yearbook team often means spending much free time at these events, and also working from home to create a yearbook to be proud of. These individuals must learn various skills required to be able to carry out the tasks associated with the Josten's Yearbook Avenue website, where the entire creation of the book itself is done. The staff included sophomores, juniors, and seniors Morgan Cook, Erica Harpel, Cecily Swinford, Taylor Hembree, katelyn Grant, Jerri Beeman, Christa Davis, Devon Hopkins, and Meredith Blackburn.

To the Staff:

I can't be happier to have worked with such an awesome group of people. You all are truly talented when it comes to putting together a yearbook, and also in putting up with your editor and advisor! But, your commitment alone is what has made me so proud to be your editor and what made my job as editor much easier than I expected it to be! And when it all comes together, WE are the ones who get to take credit for such an awesome yearbook!

Your Editor-in-Chief, Maleri :)
