*WHIRLWIND*

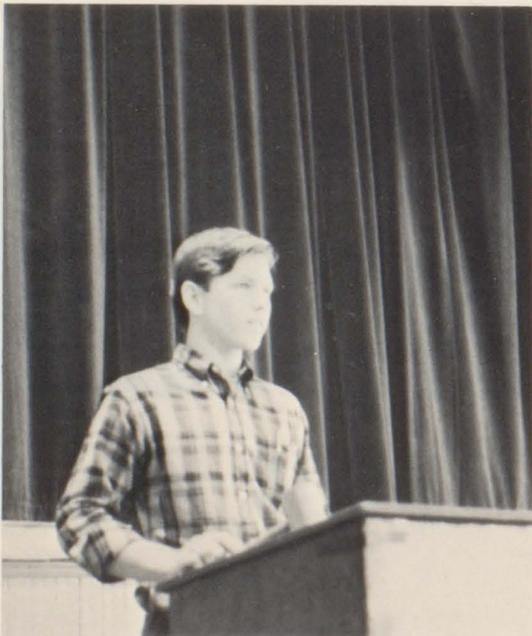

*1968*

## To Learn

*English requires extra studying.*

*To learn is FHS. To learn you must have students—FHS students. To learn students must have books which hold the learning. Students must have classes. At FHS students have English, foreign language, speech, math, social science, and chemistry classes. For the most part, students enjoy FHS classes, and students enjoy FHS. FHS has all the essentials needed for a good school. FHS has students, books, classes, and most important, that ingredient — willingness to learn.*

Whether touching toes in phys. ed. or hammering in shop, FHS students have wide-awake minds.*

*Boys in shop display talents.*

*Shop students keep occupied.*

*Hobo Day brings out the cheerleader in everyone.*

## *To Laugh . . .*

*To laugh . . . at nothing at all, at a mistake, at someone else, at a joke, at yourself, at a bad grade, at a funny story, at a picture, at a messy locker, at undone homework, at a Quaker Victory, at a funny teacher, at a newly painted room, at a musical, at a trip to the office, at a slight accident, at a funny expression, at a pep session or convo, at an old film, to laugh, is to laugh at all of these things and more.*

*Hey, Pedro, Sit Down!*

## *with Excitement and Enthusiasm*

*Enthusiasm is shown as the booster club rides the fire truck during the homecoming parade.*

*UP, UP, AND AWAY!!!*

*Laughs even raised our Quaker spirit.*

*Even Physics can't be all bad.*

## *Our Laughter*

## *Will Echo Through the Years*

*The thrill of a pep session, the embarrassment of being caught fooling around, the fulfillment of completed work, the enjoyment of participating in many sports are only some of the many things that made students laugh in 1968.*

*Remembering these moments will always be rewarding. We, the students, will never forget the noisy fun we have had together.*

*Clowning sometimes mixed with business.*

CLASS  
OF  
1968

Together . . .

## This Is Fairmount High!

To learn, to live, to love, to laugh, together . . . this is Fairmount High School. A proud, old school gleams with the energy and ambition of a proud, young generation. "Togetherness" is the key word for 1968. Like an inner light this harmony of school and scholar radiates among friends chatting at a locker. It glows amidst students dipping into the coolness of a drinking fountain. It shines in the eyes of all the new faces at FHS.

Twenty-five faculty instructors and a great expanding use of modern facilities entice the students into a colorful

world of facts and information. New clubs were formed, while the older activities continued to progress. Sports aroused the wild heat of competition, tempered by the truth of sportsmanship and self discipline.

As Fairmount began another new year of life, it was filled with the excitement of 429 pupils, and hope of future years of excitement. But this is 1968; this is a year of newness and promise. And we are glad to learn, to live, to love, to laugh together at Fairmount High School.

## *Students and Teachers*

*Teachers helped to make the Hobo Day convo a success.*

Students gathered in the auditorium for many exciting and enthusiastic programs that were presented by talented persons.

Ping pong demonstrations, convicts from Pendelton, musical convocations, gymnastic demonstrations, plays, speeches, and many other events provided a series of convocations for the Fairmount High School student body and faculty.

The convocations were sponsored by the student council. The convos for this year had a different aspect than other years. This year's convocations included students and teachers talents. Some classes presented plays, art exhibits, band concerts and chorus.

"Lost Horizon" was presented as the all-school play. The play was given to the student body. Mrs. Nall sponsored the play.

One of the most interesting convos provided by the student council was the five convicts, who told of their lives and how they got started in a life of crime. This program gave to the students a feeling of appreciation for the opportunity of a good life that they have been given.

*FHS students enjoyed dancing “Under The Mistletoe” to the music of the Mike Jenkins Band.*

## Theme for Christmas Ball

The Annual Christmas Ball was again sponsored this year by the FFA and FHA. Many homeroom periods were spent organizing the tickets, refreshments, and decorations. "Under the Mistletoe" was chosen as the theme for the evening, and Mike Jenkins Band provided the music. This year, the voting for the King and Queen was done by the FFA and FHA members instead of the student body. Chosen as King and Queen were Jack Record and Donna Wood.

The crowning of King, Jack Record and Queen, Donna Wood was the highlight of the 1967 Christmas Ball.

Christmas Ball King and Queen candidates for 1967 were Marvin Gallion, Martin Mitchener, Bob Stitt, Jack Record, Donna Wood, Wanda Cline, Linda Draper, and Janet Mitchener.

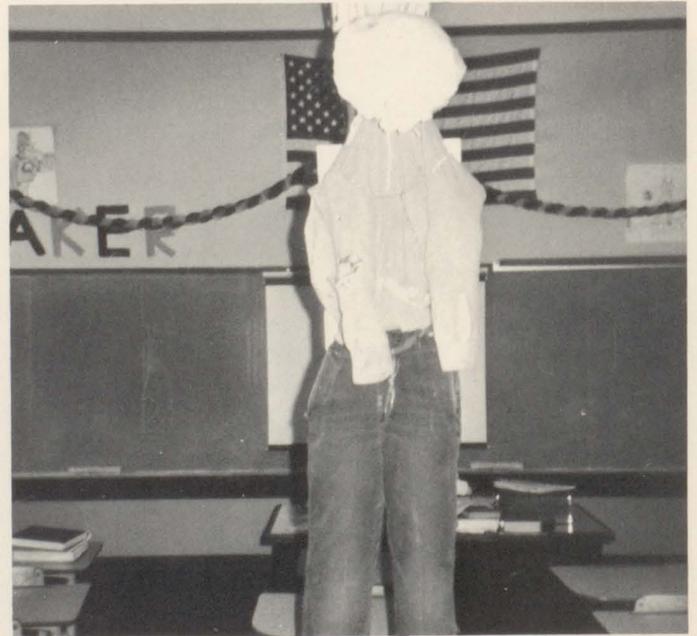

## *Hobo Day Serves to*

*Hobo Day was originated to relax the tension that the players go through before the sectional. This year's hobo day certainly accomplished this purpose. The homeroom decorations were the best ever and the hoboos were the worst looking ever. We even acquired some new cheerleaders as everyone was eager to raise the Quaker spirits.*

*FHS acquired a new cheerleader on Hobo Day. Miss Reeves really cheered up the boys with her cute cheers.*

## *This is Fairmount High*

*Spirit and determination was our cry during a losing season in football and basketball and a winning season in baseball and track. Being a spirited school in victory and defeat, determination leaves many moments to remember.*

*As the hot summer practices turned into fall scrimmages, the Quaker fans awaited a possible victory. But many enemies surprised us.*

*Even before the groans, and grunts and bone-jarring crunches of football fell silent, the FHS gym comes alive to the sounds of basketball. As this has been the traditional custom for many years, 1968 proved to be no exception. Nearly always playing against taller foes, the Quakers were fighting all the way.*

*Wrestling has been at Fairmount for three years. Every year the participation of wrestlers and spectators has increased. Points are scored in wrestling by the execution of holds and maneuvers.*

*America's national game certainly is not lacking from Fairmounts' long list of athletic teams. Indeed, as the first rays of March sun peep through cloudy skies, FHS baseball players are already shaking dust from their spikes and trying on last year's caps.*

## *ATHLETICS*

*BASEBALL TEAM: FRONT ROW; Tom Carr, Denny Justus, Bob Lennons, Tom Davis, Mike Beck, and Stan Downing. SECOND ROW; Coach Mr. Charles Wright, Forrest Downs, John Blake, Roy McCarter, Mike Hanlon, and Doug Hanlon. BACK ROW; Steve Sickman, Tom Wilson, and Sid Wilson.*

## *Baseball Team Wins County*

*Sid Wilson stretches to get a throw from third base.*

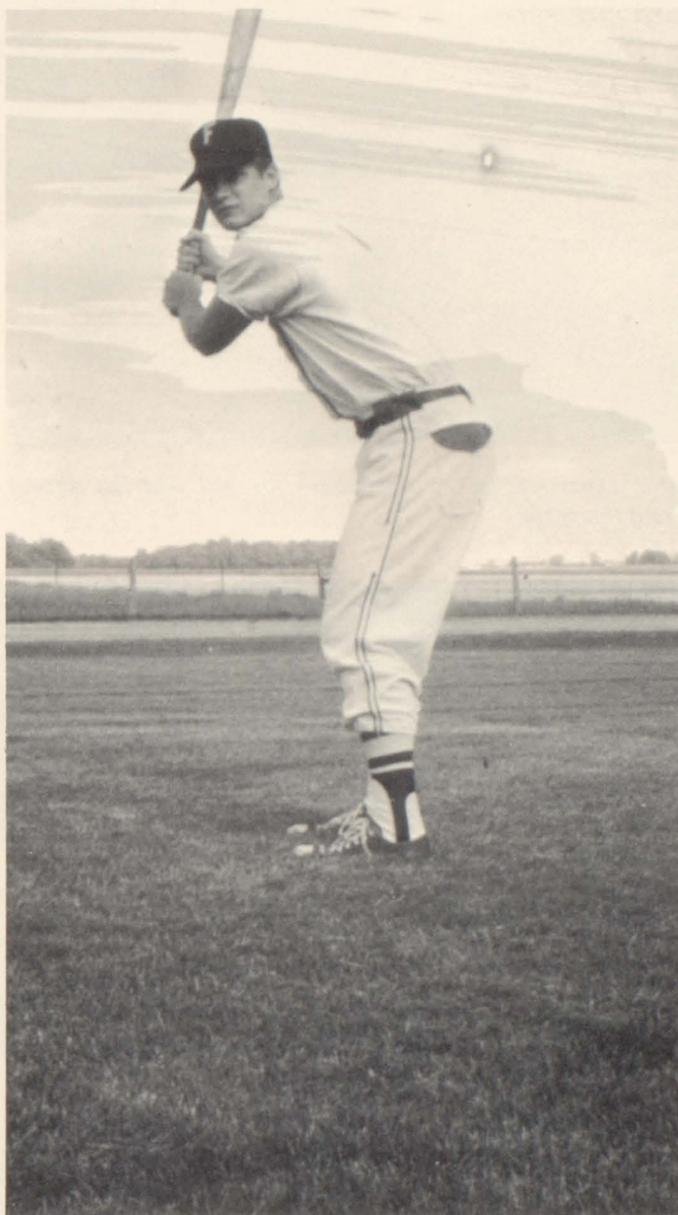

*Mike Beck connects during batting practice.*

The Quaker baseball team had a record of 10-5, which was the best record of any athletic team this year.

Fairmount finished fourth in MIC play with a 5-3 record. This is an impressive record when you consider that we had only five returning lettermen. Mike Beck, Mark Fox, Tom Davis, Doug Hanlon, and Sidney Wilson were the only men back with much experience. Fox, however, broke his ankle in the third game of the season and five men became four.

Mike Beck led the team in hitting with an average of .341 for the season while Doug Hanlon was the leading hitter in MIC play with an average of .391. Tom Davis led the pitching with four of the five conference wins.

Beck was named to the MIC first team. Davis and Hanlon were selected for the second team. Wilson received an honorable mention.

Tom Wilson is ready for a fast-ball.

The wrestling team finished with a 5-6-1 record in dual meets. They placed sixth in the Manchester Tourney, fifth in the conference meet, and eighth in the sectional.

As in the past two years the team had to give up from ten to fifteen points each meet because all the weight classes weren't filled. The teams' record could have been better if these points hadn't been given away.

Dan Castner scored the most points and was the only MIC gold medal winner.

## Trackmen Rebuild

The Fairmount track team finished with a 3-3 record in dual meets. It was apparent throughout the season that the team was short of experience in the running events. However, the boys made a good effort to make these events stronger while the field events carried a major part of the scoring.

In many of the larger meets Fairmount was unable to score except in the field events. At the Western Relays it was different. The Quakers effort here was probably their best of the year. It took the combined efforts of the field event men, the relay men, and even the freshmen, whose points also counted toward the final result, to score 72 one-third points for second place. The Quakers' total was two points short of winning.

The following are those who earned letters this year. Seniors; Mike Beasley, Paul Whybrew, Gary Heater, and Rick Everhart. Juniors; Doug Hanlon, Tom Davis, and Sid Wilson. Sophomores; Tom Wilson and Dennis Caudell. Freshmen; Mike Hanlon, Doug Compton, Danny Justus, Buddy Rinkenberg, and Tim Spencer.

*A laughing group of students around a locker, an intense counselor-student discussion, yelling together at ballgames, studying with each other in the study hall, eating together in the cafeteria, dancing at dances, and graduating with your class are some of the many things that the people of FHS did during the 1967-68 school year.*

*Students, faculty, administration, janitors, and cooks are a few of the people who have worked together to make this year an exciting and fun-filled one. The students took part in the extra-curricular activities that helped to give life to the old walls of Fairmount. The faculty brought new ideas in learning into the classrooms of our school. The teachers also sponsored the activities and clubs that the students participated in. The administration of Madison-Grant worked to make FHS a better school. The janitors made our school a cleaner and happier place to learn. The cooks worked in the cafeteria to make the noon hour at FHS more pleasant time to spend with people.*

Looking toward their next three years, the freshmen enrolled in September to be the largest class at Fairmount High School.

At their first class meeting, they elected Jackie Richardson as the freshman Homecoming Queen attendant. With the theme "An Unforgettable Victory," the freshmen placed second runner-up in the float contest.

Many freshmen participated in the speech meets and earned NFL degrees. Through activities and club offices, the freshmen were swept into the social life of FHS.

This year the sophomores claimed third runner-up position in the Homecoming float contest. The theme "Smash 'Em" was carried out. The sophomore Homecoming Queen attendant was Renee Compton.

Many of the boys in the sophomore class were able to advance from freshman sports to varsity positions.

Many headaches were suffered and many late hours were spent trying to solve functions, equations, and graphs in math.

The junior class had the traditional task of presenting the Junior-Senior Prom.

Besides running the concessions at the home football games, their float "The Quakers are Grrreat" won first place Homecoming night. The float resembled a huge black and gold striped tiger whose head swayed back and forth. Janet Hiatt was the junior Homecoming Queen attendant.

Another highlight of the junior year was the induction of members into the National Honor Society. Sixteen juniors received this honor.

## profits mean progress

The dollars you spend at a movie or a restaurant may make the cash register jingle and the proprietor smile, but it's not all profit. In fact, much less goes into the owner's pocket than you may think.

He only gets about six cents of every sales dollar. The rest goes to pay employees' wages and benefits (about 27 cents), federal, state and local taxes take 25 cents, and the remainder goes to purchase supplies and services.

I&M operates in much the same way. We put a large portion of the sales dollar in salaries and benefits, a large share goes to pay taxes and we plow a share back into a continuing program designed to provide better electric service at the lowest possible rate.

*Members of the 1968 BREEZE and WHIRLWIND staff fold the last edition of the BREEZE with a sigh of relief and sadness.*

## *Acknowledgements*

*The last page of the 1968 WHIRLWIND is left to the staff to thank people for their help in preparing this yearbook. The staff would like to thank Mr. Doyle Fox for his help and advice.*

*To the students of Fairmount High School we wish to extend our thanks for letting us bring to you a new and different yearbook.*

*Many hours were spent on weekends and after graduation to complete the 1968 WHIRLWIND. With mixed emotions we send the final copy and crop the last pictures.*

*We experienced moments of happiness, fear, sorrow, anxiety, determination, success, and insight in preparing this yearbook.*

*We have given you the opportunity to see in pictures what it's like to learn, to live, to love, to laugh together at Fairmount High School.*
