# THIS IS YOUR '62 EAGLITE: A MEMORY BRACELET IN BOOK FORM

The events at Frankton High during the school year 1961-'62 will no doubt be treasured memories to those who were associated with the many phases of the school's life. In order to recall memories of the past, a memory bracelet is sometimes worn. Because this book serves the same purpose as the bracelet, the theme of this yearbook describes the 1962 Eaglite as "A Memory Bracelet in Book Form."

# SCHOOL LIFE

## It Was the Heart

Routine events which happen from day to day are the least noticed when they happen at present but the best remembered when they are looked back upon in the future. The small talk in the gym at noon, the mad dash for the lunch line, the crowded lockers during breaks, and other common happenings are taken for granted but these events will be held physically in this book as well as mentally in your minds for years to come.

After going through this book for enjoyment, come back and study the people, because they are the ones who made the memories possible.

That's right Dave, we must stay in line to get our lunch from now on.

Haven't you heard about that before, Kathy. Whatever Bonnie is doing must be funny. I wonder what she will illustrate for you tomorrow at noon.

# of Frankton High

"In you go, horn in hand." It's going to be another hot day, but you seem to be enjoying the morning sunshine.

Did you drop something Bert, or are you going to sit on the floor to get your books out of your locker.

Some were happy and some were sad, but the time came when we had to come to school. Cheer up, some of the teachers didn't look happy either.

Everyone seems to be happy about leaving school. It must be the favorite time of day.

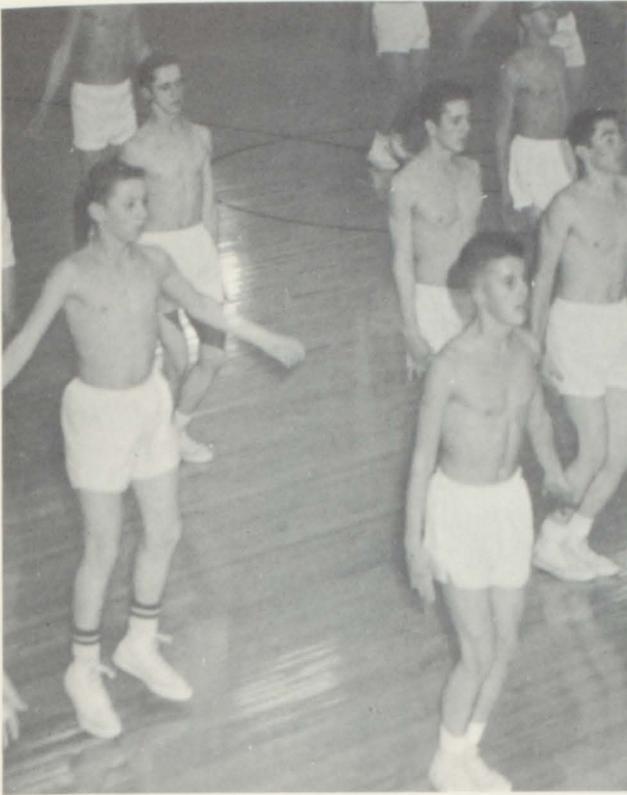

## Daily Events Are

It appears that Doug and John are hard at work finishing their "windows" for art class.

It just has to be the Eagles winning because this Eagle sure looks in shape for this task.

The basketball boys seem to have a lot to talk about at noon in the athletic office.

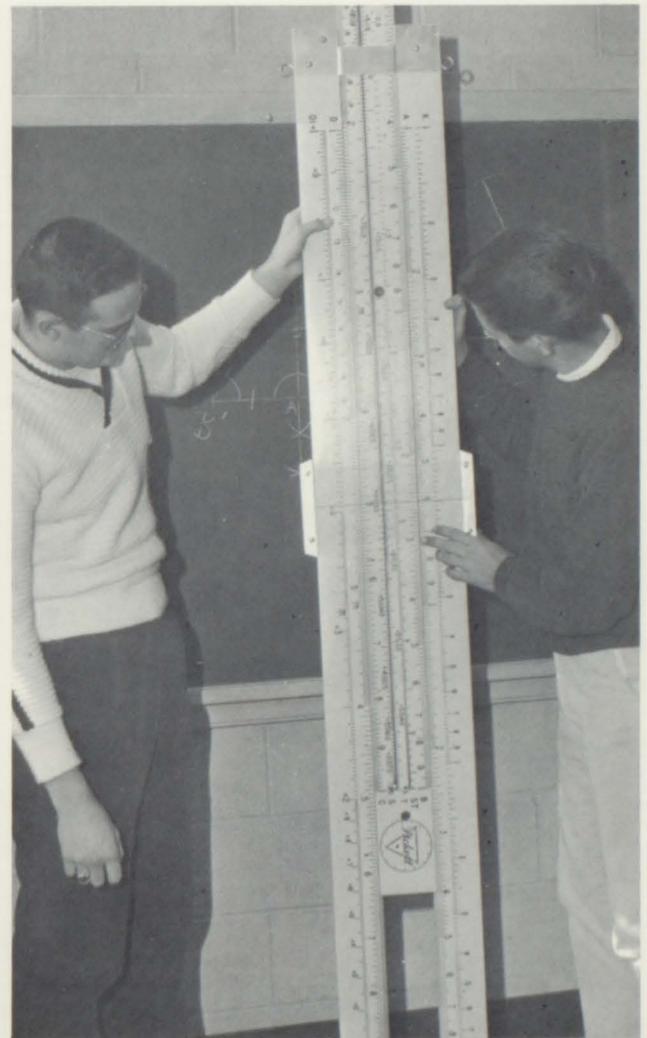

The afternoon journey to class is being accepted by these students as they walk down the hall to afternoon classes . . .

There's nothing like being physically fit to get the girls to notice you, boys!

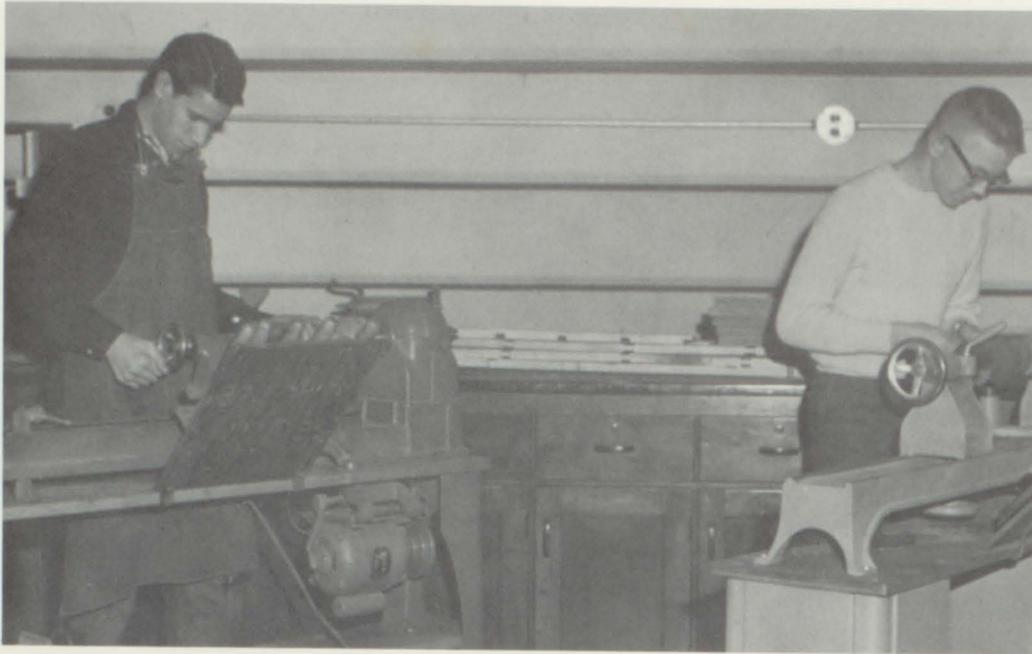

## Remembered Best

Is that the new dance, Sally, or are you catching flies in gym class . . .

Watch out, Wayne; it might bite you. Ted seemed to know how to make it do everything else . . .

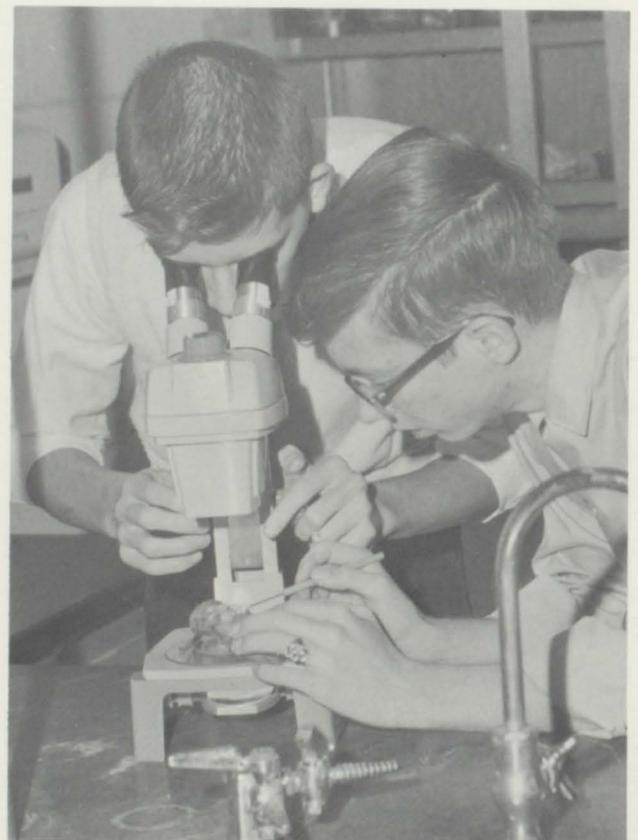

Skill and patience are required to turn out uniform designs on the wood lathe. Jerry Moss and Larry Bardonner seem to be involved in their work.

## When Students

Tom Singer and Jerry Gordon can usually be found in the science room observing specimen pertaining to biology.

Miss Bowers knows what she's doing in this class. While Alma is busy planning where either to decrease or increase the waist, Jean is pinning her pattern on the material. Best of luck in getting your garments to fit, girls.

Participation in daily events covers a wide variety of school functions. Besides the pencil and paper work of English, history, bookkeeping, etc., there are classes in which students combine knowledge with manual skill such as the shop lathe work, home ec. dress making and biology observations. In order that others can climb to the heights of knowledge, librarians are sometimes required to climb to the heights of a book shelf. By setting up an apparatus that controls chemical actions, students may observe and prove facts learned in text books.

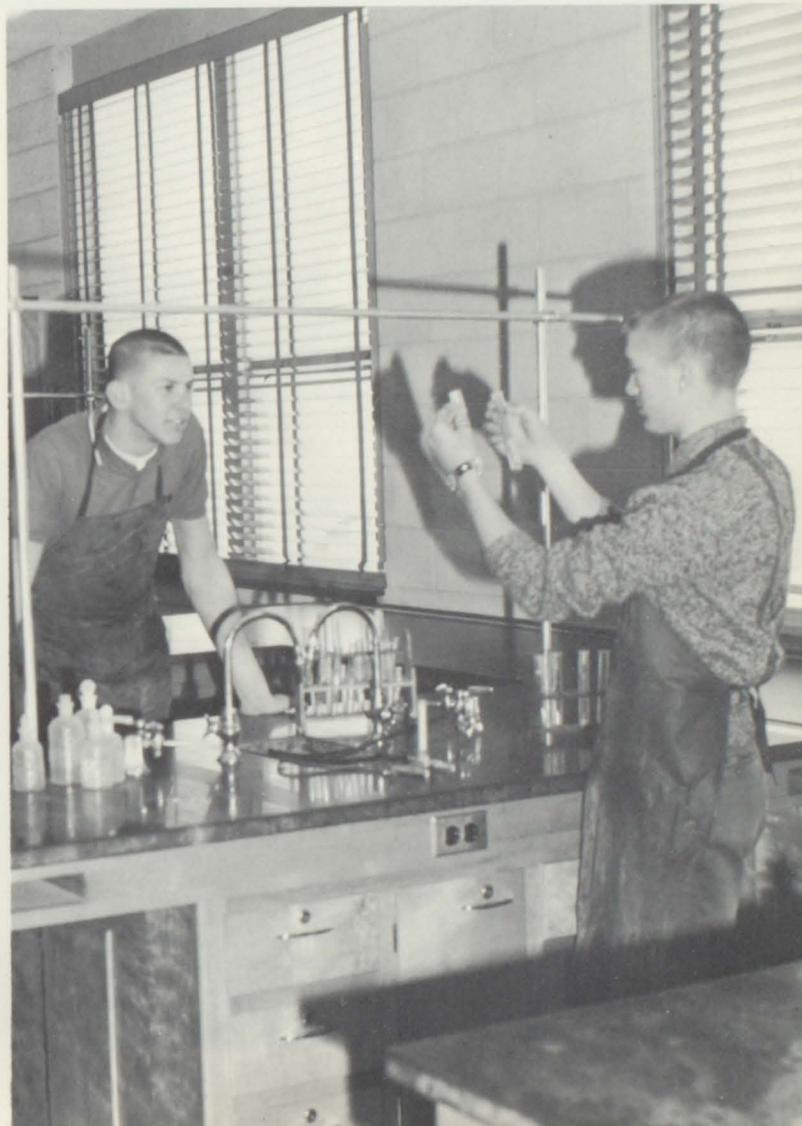

"Now is the time . . ." is a very good exercise, Jennie. Limber your fingers so you can type your lesson.

## Participate

Ben, are you still looking for that book? Maybe Clare found it for you this time.

Chemists Jarrett and Huth compare 'known with unknown.'

# in School Activities

Many things happen during activity period. We have special guests and programs to help the students widen their horizons.

Are you Seniors really recording the Thanksgiving program, Sandra?

It's Rah, rah, rah, for our team on the day we have a basketball game. The school really has the spirit.

Congressman Roush talks to F.H.S. students about his experiences in the House of Representatives.

Man! What cool music Mr. Louis Goustslo made on his piano, November 28.

# 1962 EAGLITE QUEEN

Barbara June Sigler

Barbara has been active in a number of organizations since the beginning of her high school career . . . including Student Council, Pep Club, Tri-Hi-Y, Future Teachers of America, Latin Club, Home Ec. Club, etc. The Eaglite Staff is happy to be able to crown her as student choice for the 1962 Eaglite Queen . . .

## ATTENDANTS

Runners-up in the student voting were Nancy Watkins and Jackie Clark. Jackie came to us from Hancock Central where she was active in affairs there and has continued to show much of her same zealous spirit since arriving on the Frankton scene.

Since coming to Frankton Jackie has become a member of Tri-Hi-Y, Future Teachers of America, Eaglettes, and is a twirler with the Frankton High School Band.

Nancy Watkins has spent all of her years in the Frankton schools. She has been a cheer-leader for four years, has participated in class plays, is a member of Tri-Hi-Y and has served in numerous other posts of responsibility . . .

# REMEMBER THE ORGANIZATIONS AND SPECIAL EVENTS OF '62

The organizing of a group for a specific purpose and the activities that are planned by the group will very likely develop into treasured memories.

# MARDI-GRAS 1961

King "Rex" Gary Dalzell, King of the 1961 Mardi Gras, is all smiles as he poses with Queen Ginger Jackson on the right arm and the crown on his head. Presenting the crown is Principal Gene Heniser who congratulates the two after he does the honors.

Junior Princess Nancy Watkins, Junior Prince Ben Richwine, Freshman Princess Sandra Cunningham, and Freshman Prince Bruce Stevens await the show which is to come . . .

Senior Prince Wayne Ousley, Senior Princess Judy Blake, Sophomore Prince Dave Huth, and Sophomore Princess Mary Faye Richwine pose formally for the photographer . . .

The 1961 Mardi Gras, which is sponsored by the Student Council, was held in the grade school gym. Following the crowning of the King, a variety program was presented with a "roaring twenties" theme. Refreshments were served after which those who desired were able to dance to the music of a live band.

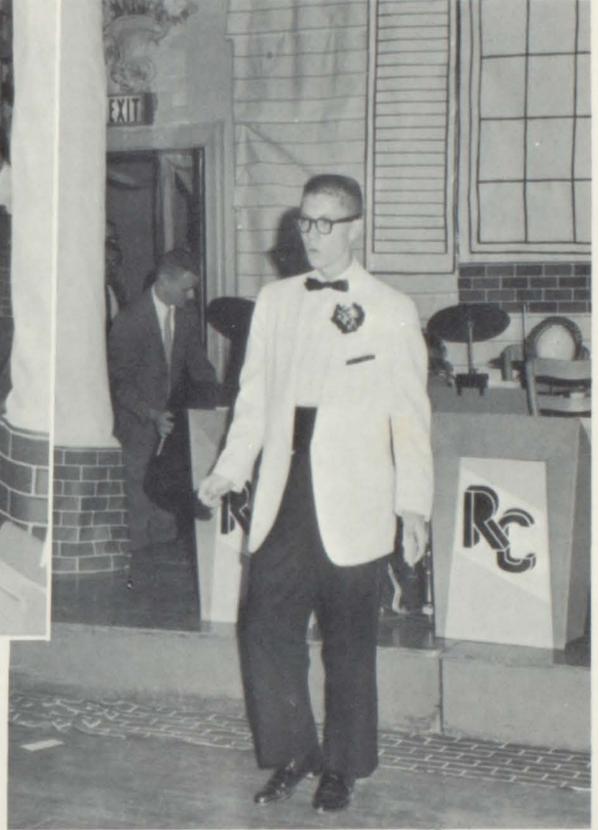

# 1961 PROM "UNDER THE MAGNOLIAS"

Ben, you look very diplomatic giving your speech.

Gloria Blair sang a very pretty song at the prom, we wish you would sing more often.

Butch Noble are you telling jokes or are you dancing a soft shoe!

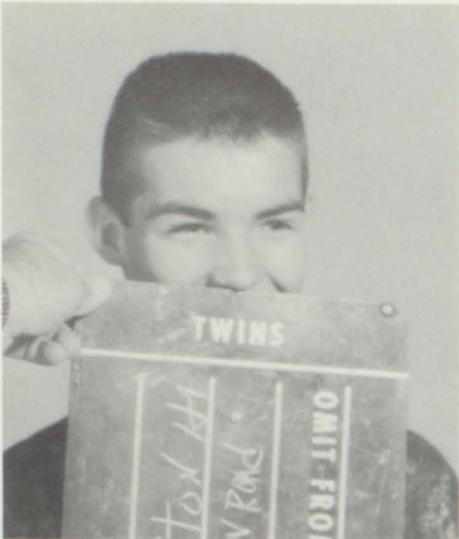

The Frankton High School Junior-Senior Prom was held May 13, 1961, at the Spencer Hotel, in Marion, Indiana. There was an evening meal, entertainment and dancing. Everyone had a nice time.

This is just a few of the people who were dancing and having a good time.

# SPECIAL EVENTS

When school pictures were taken, it was necessary that the Waltermire twins--Jerry and Larry be designated as such. Never-the-less Jerry . . . or is it Larry . . . gives the photographer a big smile . . .

Hand holding among the boys is not regular fare except on the day the Sophomore Class receives their rings. Lee Riegel looks admiringly at Frankie's ring as other class members look on . . .

Nancy isn't wasting the smile. It goes well with the lovely frock she is wearing at the Fall-Semi-Formal Dance sponsored by the Tri-Hi-Y when all of the girls have a chance to put on their prettiest dress . . .

# SENIOR CLASS PLAY

"BILL'S NIGHT OUT" was selected for presentation by the members of the senior class . . . as their final production. Early in the year the cast was selected and work was begun on the production. Steve Davison, Jack Smothers, and Jack Huffman assisted Mr. Sterrett L. Nash, director, with the construction of the stage set and Kevin Crawford acted as stage manager.

Following the production of the play, members of the cast, the director and family, the persons responsible for sale of tickets and ushering spent a very enjoyable evening at the home of Andrea Seely.

A "blue-note" might be sounded with regard to the rehearsals. The "flu bug" hit the school during the week of try-out and there was scarcely one night until the final week of dress rehearsals that a full cast reported to practice. In spite of circumstances, the play was a success.

A nicely constructed storage balcony provides place for stage hands to get the set in readiness.

Looking over the loot found in the stolen car are John Smith, Alma Friend, and Carol Mock seated on floor. Other cast members left to right are Charlie Stettner, Doug Hood, Ted McCord, Nancy Watkins, Andrea Seely, Douglass Waltermire, Clara Sturbois, Steve Horn, Karen Taylor, Nancy Hays, and Steve Hudson.

# HONOR SOCIETY

First semester members of the Honor Society were 1. to r. Vickie Beck, Carol Tommy, Nancy Hays, Carole Davis, Kathy Lee, Stan Busby, Wayne Kerkhoff, Ted McCord (President), Alma Friend, Sandra Conklin, Carol Mock, Jackie Clark; on floor: Ben Richwine, Larry Litsey, and Tom Sigler (Secretary).

Honor Society Sponsor Mr. Sterrett Nash pins a flower on member Barbara Sigler before open house activities begin.

The Eureka Chapter of the National Honor Society at Frankton High was an active group during the 1961-62 school year. Ushering and acting as the hosts at the annual open house, plus the customary coat check which was operated at all home basketball games were the two main functions of the organization.

One induction was held each semester of the school year with Carole Davis, Vickie Beck, Carrol Tommy, Stan Busby, Kathy Lee, and Larry Litsey being inducted in the fall and John Smith, James Allen, Susan Brown, Jennie Frazier, Jerry Gordon, and Gary Nash in the spring induction.

An attempt is made to keep the members constantly aware of their responsibility to live up to the standards of the Honor Society to which they have been elected.

Student Council Secretary Kathy Lee, Sponsor Mr. David Bartlow, and President Sandra Conklin look over decorations to be used in the 1962 Mardi Gras.

## STUDENT COUNCIL

The Student Council was socially active on several projects, one of which was the 1962 Mardi Gras. Decorating cars at sectional time, organizing noon games, and sponsoring the Halloween Festival were some of the main projects of the group.

Although many of the Student Council's accomplishments were direct services to the school, most of its work was in representing the consensus of the student body, and in discussing school problems and possible improvements.

Mary Faye Richwine coolly states her opinion in a Student Council meeting.

Members Kathy Lee, Cynthia McCarthy, Jeanette Legg, and Jennie Frazier ponder an idea presented to the council. Many student problems and projects are discussed and reflected upon during meetings.

Distribution of school papers--THE GOLDEN EAGLE--is an exciting but serious time even though the faces of our subjects would not suggest that. Pictured are Carol Davis, Barbara Shirley, Mary Hartley, Nancy Watkins, Sandra Conklin, John Smith, and Barbara Sigler.

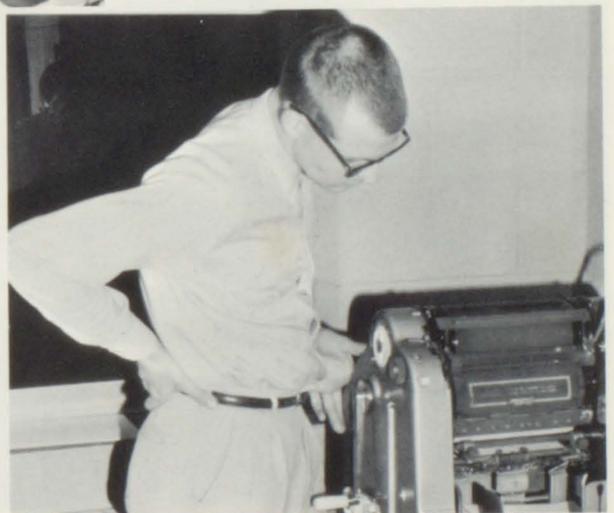

Students who write the copy are largely responsible for preparation of stencils for duplication. Typing are Mary Beth Hartley, Maureen Curl, Jack Huffman, Nelma Tranbarger, and Carol Sue Davis.

Local businessmen cooperate with their advertising to make the publication of the GOLDEN EAGLE possible.

Mr. Harbit generally assumes the responsibility for duplicating the copy. Often this is done in the wee hours long after his students 'should be in bed.'

## GOLDEN EAGLE

The GOLDEN EAGLE is a periodic publication issued some six times during the school year. Members of the office practice class taught by Mr. Ted Harbit is responsible for collecting the facts, writing the copy, editing, typing stencils, etc.

Officers of the Tri-Hi-Y are Gloria Hertle, Carol Tomey, Melanie Paddock, Alma Friend, Carol Mock (President), Kathy Lee, and Jennie Frazier.

The principles of the Tri-Hi-Y Club being pure thoughts, works, and deeds, the members practiced these traits in their service activities to the school and community. Working with the Hi-Y in the fall on the bundle drive was their main project for the beginning of the school year.

The Autumn Leaves semi-formal dance went over well in that a large number attended and the dancing and refreshments were well organized. On one December evening the group sponsored a record hop in order to raise money to help a needy family at Christmas.

## Clean Living: Purpose of Tri-Hi-Y

Well, Mary Faye, who is right, Sandra or Linda?

At club meetings debates were held and plans were made to sponsor another Twirp Dance at which the girls would pay the tab instead of the boys. Mrs. Marjorie Andrew and Mrs. Francis Sigler sponsors of the Tri-Hi-Y seem to have been rather busy keeping up with the club members.

It looks as if Sandra Conklin has the say-so in this group discussion.

Hi-Y officers "parley" over club activities for the school year. They are Todd Ash, secretary; Dallas Curtis, president; Max Hoppel, treasurer; Bill Lay, historian; Stan Busby, vice-president; Jeff Bauer, Sergeant-at-arms; and Doug Hood, chaplain.

The goal of the Hi-Y Club is to create, maintain, and extend high standards of Christian character. The members of the club participated in and enjoyed the "bundle day" drive which has become an annual service project. The bundle drive is for the purpose of collecting used clothing to send to the needy in mountainous regions.

## and Hi-Y Clubs at Frankton

For recreation the club organized an intramural sports activity. Four teams were chosen for competition. Various committees were named to perform the activities regularly assigned to those committees; service comm.; program committee; social committee; public relations; and worship committee. Mr. French and Mr. Bartlow shared the responsibilities of sponsors.

"Ten little babes got lost in the woods" but it wasn't the ten F.H.S. students comprising the membership in the Future Teachers of America group in our school. They each know where they are going--straight to college and then into a classroom as teacher. The members have spent much time observing and teaching in classes of the Junior-High and Elementary School. Those not pictured on this page are Carol Mock and Lorraine Bouslog.

Karen Taylor teaches "Tom and Betty" to second graders.

Barbara Sigler conducts a third grade group while Steve Hudson teaches math to junior high students.

# STUDENT TEACHERS PRACTICE

## AT F.H.S.

Gene Smith  
English I

Each year some faculty members are given a slight rest and students, a change of teachers when college students desiring to become teachers practice in F.H.S. classes. Miss Katherine Strunk taught at our high school in Miss Marilyn Bowers' Home Ec. classes to practice what she had been taught in college. Mr. Rhon Rittenhouse worked in Mr. Ted Harbit's commercial classes during his stay here.

Mr. Gene Smith who is a former student of F.H.S. himself returned in the role of a teacher to practice in Mr. Sterrett Nash's freshman English class. It is generally felt that regular students and teachers profit as much as the student teachers under this program.

## USHERS' CLUB WORKS AT GAMES

The Ushers' Club under the sponsorship of Mr. David Bartlow provided the supervision needed at ball-games.

By holding up the ropes at half time, passing out programs, cleaning up spilled popcorn, etc., the boys were kept busy at the home basketball games. The ushers no doubt stood out among the best in their devotion to public service.

Members of the club are Dave Lazenby, Dave Shetterly, Jim Cloud, Eddie Foley, Larry Litsey, John Miller, Dan Buchner, and Don Thomas.

F.F.A. officers pose for the "shutter man" during a regular club meeting. The Sentinel, Ben Richwine; Reporter, Steve Wright; Vice-president, Steve Horn; Pres., Daniel Jackson; Secretary, Bob Jarrett; and Treasurer, Dallas Curtis.

The Future Farmers of America, a national organization for boys enrolled in vocational ag, attempts to conduct regular meetings during the summer and school year.

The F.F.A. sold wrenches, light bulbs, and seeds to raise the funds needed to pay expenses of the annual Father-Son Banquet each spring, the trip to the Indianapolis stockyards and packing plants, etc.

Activities during the school year include participation in judging contests soils, dairy, poultry, grain, and beef. The Frankton F.F.A. teams in the soil and crop judging placed third in the county, with the poultry team placing sixth.

Gordon Kerkhoff, vocational ag teacher, is sponsor of the Frankton FFA Chapter.

"Just fer fun" the F.F.A. has organized a basketball team. This year as in the past they have challenged other teams to games--or should we say, "brawls." In spite of the lively playing, the boys enjoy playing immensely.

Tom Sigler, Ben Richwine, and Dick Gross "bone-up" in preparation for a contest.

Sponsor Bowers and students Friend and Hutchison fit a pattern . . . while Jan Etchison and Dot Goldsberry plan flowers for the table.

## HOME EC. CLUB

Molly Brown gives a demonstration on how to pin and press a pleat using one of her own creations for the demonstration.

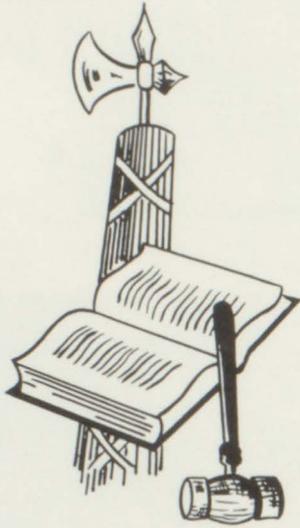

The Home Ec Club was organized last year to give opportunity for the girls to learn in an informal club atmosphere. Outside speakers are invited in to aid the girls in the fine art of make-up, carriage, etc.

Home Ec. Club officers investigate the automatic washer-dryer. They are Peach Giselbach, Wanda Jones, Carole Shirley, and Janet McCarty.

# LATIN CLUB

The officers of the F.H.S. Latin Club look over a model of a Roman shield and spear. They are President, Lucretia Wells, Sec'y-Treas.; Mary Faye Richwine; Historian Gary Benefiel; Vice-president Kathy Gregory; and Sponsor Mrs. Winifred Owens.

The F.H.S. Latina Societus sponsored by Mrs. Owens has been very busy this year. As an outside project, the club has been selling coffee, sandwiches, and cookies at several of the home basketball games. They also sponsored a record hop after one of the games.

The club meets during the activity periods at which time they learn by means of special reports of Roman customs, buildings, clothing, and amusements. The club has two evening meetings each school year. The first of these is a Christmas party at which time the group goes caroling. The group sings in Latin and then present plates of "Christmas goodies" to the people for whom they sing . . . usually shut-ins. The second party is the Spring Banquet where they have a full course meal. The club members dress in costumes which they have made, eat with "Roman silver--the hands" and sit on the floor. The club boasts fifty members.

The Latin Club Spring Banquet was messy but fun. The club members dressed in the Roman dress, ate their food with their fingers, as one can see, and sat on the floor.

# FRENCH CLUB "LES PETIT CHOUXCHOUX"

Joyce Graham, and Carla and Jan Ehman appear to be more interested in the refreshments than in Leona Whitson's report.

The French Club consists of French I and II students who like to get together and converse on topics related to France and the French people. French was sometimes spoken and reports were often given by the members pertaining to France. An informal party which was held at the home of Sandra Hart during February increased the interest in the club. During the first semester Mrs. Joyce Kohen the sponsor arranged a trip to the French department of Anderson College for the second year French students.

Gloria McRoberts and Max Hoppel study facts about Paris in the library.

The S.M.A.C. is a new club just formed this year in the Frankton High School Science Department. The motto chosen for the club is "Knowledge through Research." The club is rather busy throughout the year with regularly scheduled meetings held every second and fourth Thursday evening of the month.

Membership in the organization is limited to 15 members. At the present time the membership numbers 12. The constitution limits membership to members of the Class of 1964. No one is to be taken into membership who is a member of a class earlier than 1964. The club meetings are held in the F.H.S. science room with Sterrett L. Nash, department chairman, as sponsor. Program activities this past year have been limited to study of Fresh Water animals.

Pictured are club members dissecting crayfish at a regularly scheduled meeting. Jerry Gordon, Jenny Frazier, Kathy Lee, Ralph Hays, Frances Brizendine, and Bob Anderson.

Pictured below are members Joyce Graham, Tom Singer, Karla Ehman, and Dan Johnson. Maribeth Whetsel and Kathy Brown were absent when the picture was taken.

# L I B R A R Y "ANNS"

Library Ann officers Carol Sue Davis, Mary Jane Baker, and Lorraine Bouslog prepare a bulletin board display.

Miss Emma Alspaugh is shown discussing an item of business with her group of student assistants in the large picture below.

A very helpful organization in the Frankton High School is the LIBRARY ANNS. At an early date officers were elected with Carol Sue Davis elected president, Mary Jane Baker, vice-president, and Lorraine Bouslog, secretary-treasurer. Club members act as student librarians during their study hall periods, assist with receiving and cataloging books, prepare bulletin board displays, etc. . . .

## EAGLETTES

An organization working with the Frankton High School Band but not a part of it is the Eaglettes. Students who are interested in being a member of the group appear in tryouts early in the school year for purpose of screening. After a final screening, the corps begins to drill in preparation for the various appearances they shall make during the school year. Marina Harper Cox, a F.H.S. graduate and a former majorette, was selected to train the girls for their duties.

The group consisting of Gloria Hertle, Melanie Paddock, Kathy Lee, Dorothy Goldsberry, Leila Harper, Ella Kay Rigsby, Geraldine Davis, Carolyn Wright, Mary Beth Hartley, Karen Jarvis, Jackie Clark, and Linda Kallner has done an excellent job this year.

The Dance Band is in its second year at F.H.S. The group is composed of 12 students from the four grades. The band was organized to provide "pep" music for various in-school and out-of-school activities. The band gives the students an opportunity to develop their abilities in the field of music. Participation in the band gives the members a great deal of personal satisfaction.

Any money earned by the band is turned over to the music department, which furnishes the music and a part of the equipment for the band.

We hope the band receives in the years to come the same generous support it has received during the two years past.

Robert Barker, our music man, is in charge of the group.

## DANCE BAND

# F.H.S. CHOIR

Choir activities include participation in many events. The group practices daily under the capable direction of Mr. Robert C. Barker shown with choir president Todd Ash and band president Robert Dellinger.

FRONT ROW: Linda Kallner, Connie Whitson, Ginger Knight, Joyce Voss, Lorainne Bouslog, Mary Beth Hartley, Clara Sturbois, Carol Jean Mock, Director Robert C. Barker. SECOND ROW: Connie Fry, Nancy Watkins, Gloria Blair, Nancy Hays, Carol Davis, Carol Shirley, Pat Delaplain, Carol Swackhamer, Gloria Hertle, Pam Pierce. BACK ROW: Terry Hiatt, Director Robert Barker, Tom Singer.

Band members put on a half-time show at the first basketball game.

During the half time and between games the F.H.S. Band plays rousing pep songs for the enjoyment of the crowd. The band is to be commended on their fine expression of school spirit which it shows musically at ball games.

At the beginning of the varsity games, the color guard enters and displays the United States and Frankton High flags. Members of the color guard are Melanie Pad-dock, Gloria Hertle, Joyce Voss, and Mary Beth Heartly.

Howard Bouslog president of the Lions Club presents a check to the band for the purchasing of new uniforms. Director Robert Barker and Linda Kallner the secretary accept the check with thanks.

# F.H.S. PEP CLUB

During the year Frankton High School's spirit has been great because we have such a fine Pep Club.

ROW 1: David Shetterly, Jerry Gordon, Mary Baker, Carole Davis, Sandra Conklin, Carol Swackhamer, Clara Sturbois, Lorraine Bouslog, Mary Hartley, Jackie Clark, Karen Taylor, Barbara Sigler. # TALON CLUB

Talon Club members discuss their club activities for the year as Chief Eagle Wayne Kerkhoff keeps the meeting in hand . . .

Club members look over some pictures of the members.

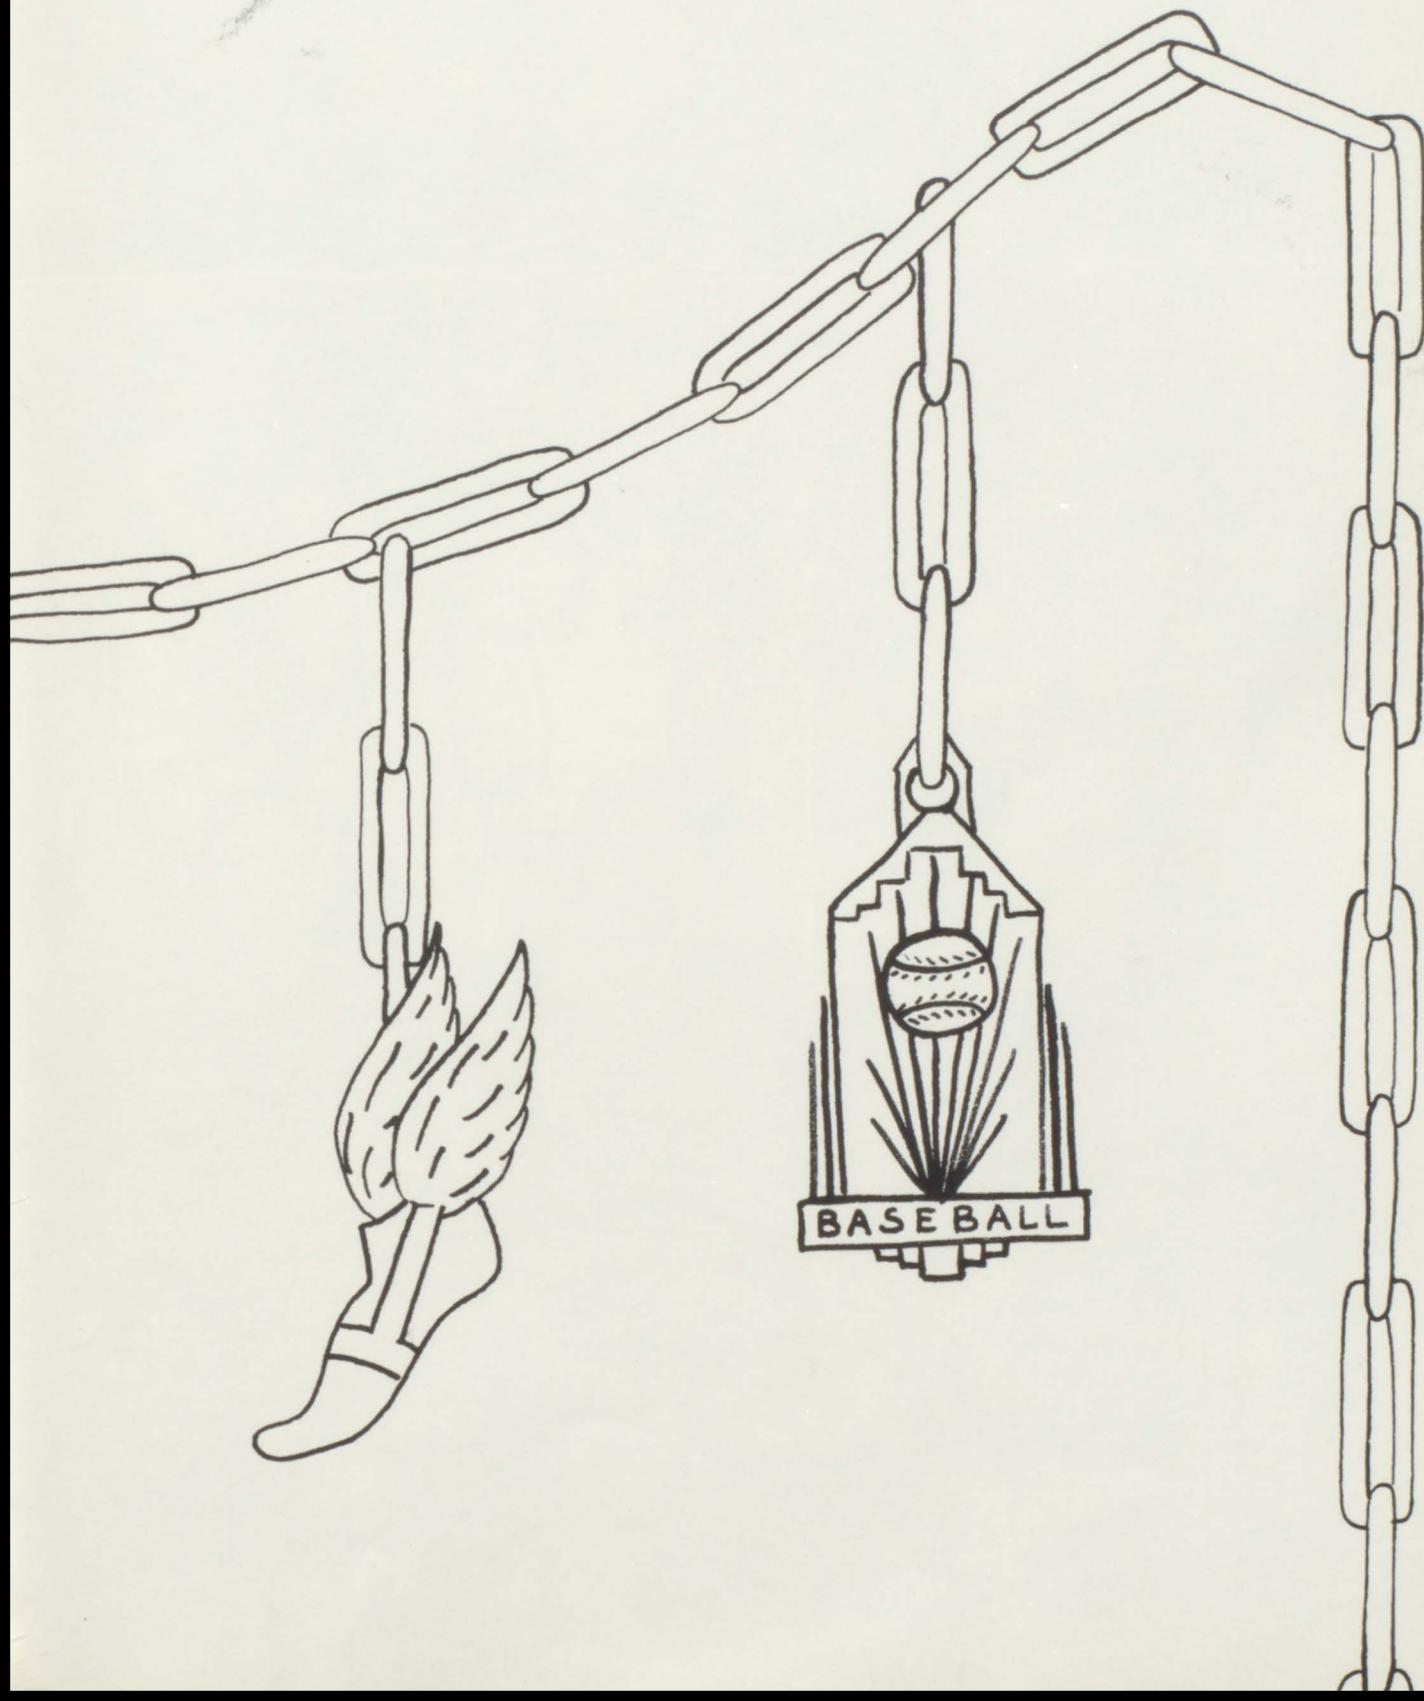

The Talon Club is composed of boys who have been or are actively engaged in some sport. No one sport is required for membership in this "lettermen's" group. The group each year sponsors the sale of basketball individual and team pictures. The proceeds from these sales is used to defray the expenses of the club. Each year the boys attempt to sponsor a project. It may be a college basketball tourney trip or something close at hand, such as the purchase of the track trophy or records case.

# REMEMBER THE SPORTS OF '62

The sports events at Frankton High include cross-country, track, baseball, basket- ball, and the past year the addition of golf. Our baseball activities run through the summer, giving those who wish opportunity to be busy in sports the entire year.

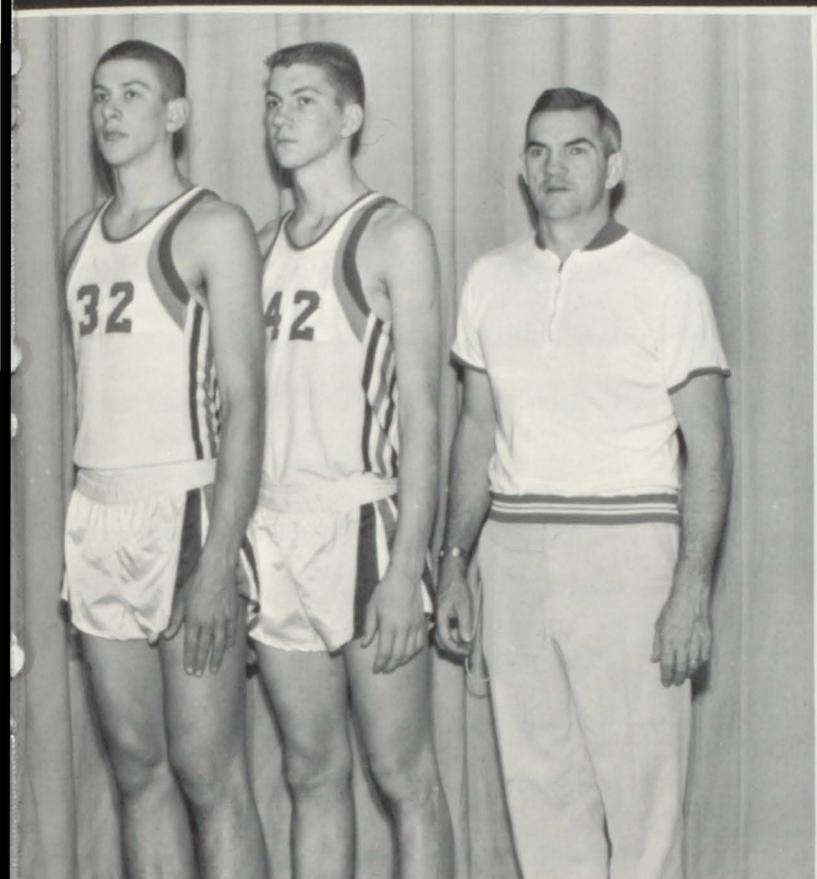

# VARSITY BASKETBALL TEAM CHARMS

Team Managers: Bill Lay, Danny Stigall, Dan Swart. Team members: Jim Waltermire, Max Hoppel, Ben Richwine, Dallas Curtis, Steve Hudson, Wayne Kerkhoff, David Huth, John Smith, Coach Mulford Davis.

# F.H.S. IN SEASON PLAY

Seven senior boys and one junior thought and fought together as a team to make the 1961-62 basketball year a memorable one. Their successes far surmounted their losses as this copy went to press.

# OF MEMORY AS WE PLAY BASEBALL

Frankie Gosnell slides in to a safe third base in the game with the Pirates . . .

Coach Paul Davis submits to the will of the team for a "full-dress" shower following the final victory of the season . . . Max Hoppel thought it a 'mite' funny . . .

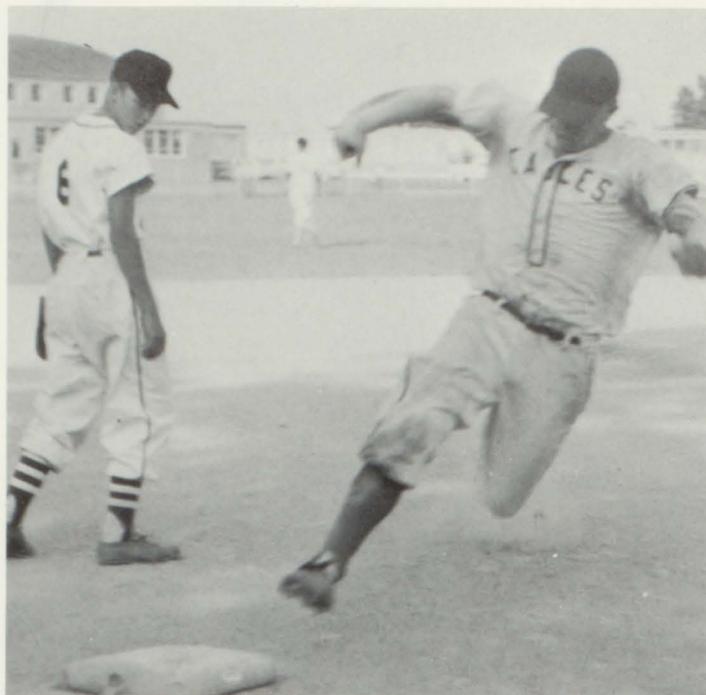

Fan Kevin extends a hand as an Eagle comes in home after a "home-run" . . .

# SNAPS REVIVE MEMORY

The 'slugging' Eagles have many happy memories of the fruitful baseball season.

The "Bulldog" watches to see whether Curtis touches the base. He did.

There seems to be some doubt as to the whereabouts of that ball.

OUCH!! That hurt!

Coaches check a point with the official . . .

# TRACK SNAPS

Frankton's track men made a showing for themselves placing second in the W-R Conference Track and Field Meet. Dick McCord, a sophomore, is leading his opponent in the 880.

Don Stephens, a senior, makes Coach "Muff" Davis happy as he makes record time in the mile run. Ben Richwine is trailing by an "elbow"--that, note . . . The Markleville boy fell just short of the finish line.

Leaping Larry Waltermire, a sophomore, flies over the bar in one of the spring meets.

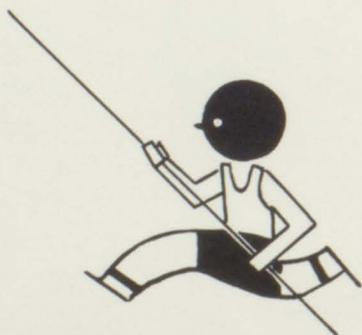

Stan Busby, a junior, and senior Steve Hudson make a perfect pass of the baton in a spring meet.

Shot putter, big D. Curtis, gives the steel ball a mighty heave to rack up a first for the Frankton team in this event.

Bill Jarrett--alias Marvin the 2nd--misses the bar by inches to make 12 feet in a spring meet.

## CROSS-COUNTRY TEAM

The Cross-Country Team finished second in the W-R Conference meet and took a 12th in the Sectional meet after winning five of nine regularly scheduled meets. The team placed second in three of the meets. FRONT ROW--l. to r.--Stephens, Henry, D. Davis, Coach Davis. STANDING--Benefiel, Richwine, McCord, Smith.

Kent Ehman, a junior, literally flies through the air.

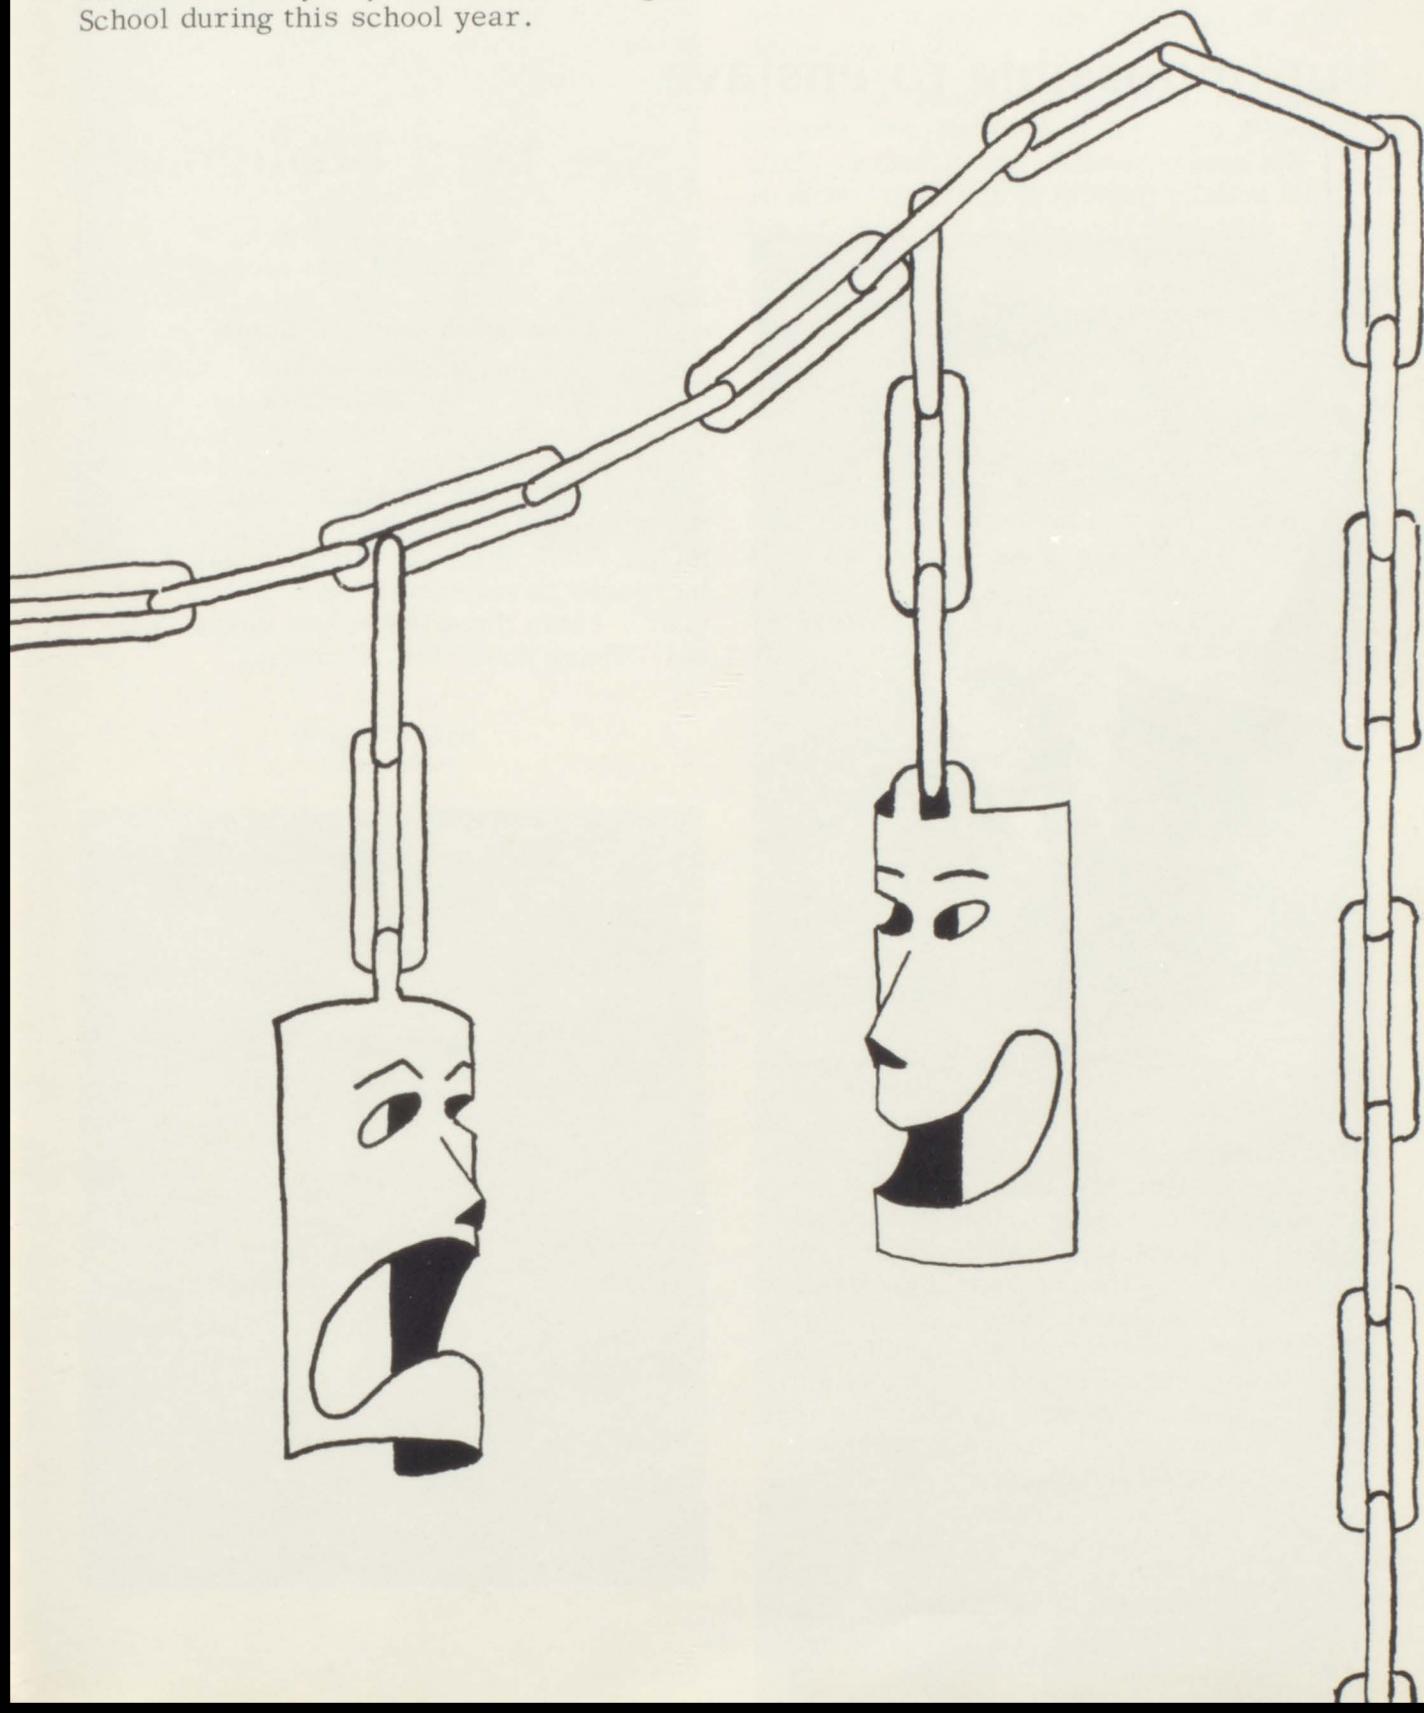

Jerry Waltermire, a sophomore, is doing some high stepping as he clears the hurdle.

# REMEMBER THE PERSONALITIES OF '62

The personalities on the following pages have had their individual roles to play in the events of 1962, and each played his part well. These links in the memory bracelet will have great meaning to all who were connected in any way with Frankton High School during this school year.

# ADMINISTRATION

“Education makes people easy to lead,  
but difficult to drive; easy to govern,  
but impossible to enslave.”

— Lord Brougham.

Waldo Canaday  
Trustee

Mr. Waldo E. Canaday, the trustee of Pipe Creek Township, and his wife Millie-cent Canaday have been serving Frankton High School for 20 years. Their untiring efforts during these past years have helped greatly to develop F.H.S. into one of the outstanding high schools of Madison County. Although students and patrons of the school may not fully realize the work he has accomplished, Mr. Canaday's job increases in size and responsibility each year. From those whom you serve, we say "Thank you," Mr. Canaday.

Gene Heniser  
Principal

Mr. Gene Heniser who has been the principal at Frankton High for two years has had the task of keeping the whole school in good running order. Although his job usually requires that he should go about it in a business-like manner, Mr. Heniser is still able to put a personal touch in his association with all students, faculty and school visitors. Mr. Heniser has shown his deep concern in school life scholastically, athletically and socially by the way he executes the duties of his office.

Marguerite Miller  
Registrar

Gordon Kerkhoff  
Dean of Boys

Mrs. Marguerite Miller the Registrar at F. H. S. has served faithfully as the secretary to the other administrators as well as helped any student who needs a make-up slip, program ticket, grade transcript, pencil, appointment with a dean, etc. Mrs. Miller has made a very good clearing house for organizing the business of students and faculty.

Mr. Gordon Kerkhoff and Mrs. Marjorie Andrew are the Dean of Boys and Dean of Girls respectively. Because their job requires that they help each student with his academic and personal problems, they must get to know all students well. The numerous tests which are given to students throughout their school years provide much information for the deans to go by in their dealings with the students. By guiding juniors and seniors in the selection of a college, in the finding of a job, the influence of our deans extends even further than the bounds of Frankton High School.

In addition to his work as a dean Mr. Kerkhoff teaches two classes of agriculture and one class of Chemistry, and sponsors the F. F. A.

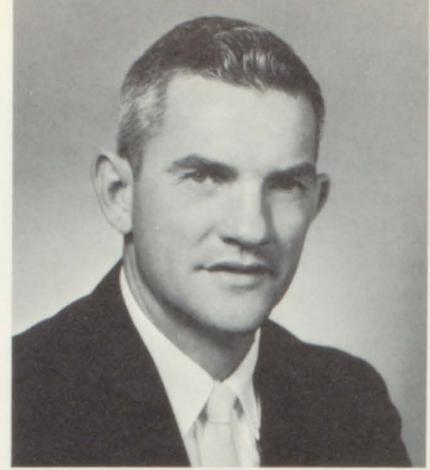

Mrs. Andrew has the responsibility of planning the good meals which are served at noon and any other business concerning the cafeteria.

Marjorie Andrew  
Dean of Girls

## CUSTODIANS

Mrs. Lena Henderson

Mr. Carl Henderson

Mr. and Mrs. Henderson can be found working at the school building all year round, because the building itself requires this continuous attention. Mr. Henderson's job during the summer consists mainly of keeping the large lawns on the school grounds in good condition. This was a very difficult job until mid summer when the small push type lawn mower was replaced by the tractor mower which Mr. Henderson is operating in the picture above. Mrs. Henderson's job would probably be the same as keeping house for 100 families who live in one house. The Hendersons are to be commended on their attentive attitude toward the needs of the school building during the past three years that they have worked at F.H.S.

## COOKS

Alberta Land, Selma Huth and Edith Waymire are the three lady chefs at F.H.S. who prepare the food that helps the students get through the school day. These ladies have to be able to put a mother's touch into all of their meals so that all students eating in the cafeteria will enjoy the lunch, and apparently the job is done well. The work of the student helpers is organized very well by these cooks.

We started in 1958 as Freshman with 102 students. Our class officers were President--Wayne Kerkhoff; Vice-President--Charles Stotlemeyer; Secretary--Carol Jean Mock; Treasurer--Rita Wright; Business Manager--Carole Davis. Our sponsors were Mrs. Lucas and Mr. French. We sold pop corn and potato chips.

In our Sophomore year we purchased our class rings. Officers were President--Ted McCord; Vice-President--Carol Swackhamer; Secretary--Mary Jane Baker; Treasurer--Rita Wright; Business Manager--Carole Davis. Mrs. Mock and Mr. Paul Davis were our sponsors this year. As a project this year we sold candy.

Our Junior year we received our black and white class sweaters. We broke a record with our magazine sales by clearing \$1056. Class officers were President--Ben Richwine; Vice-President--Carol Swackhamer; Secretary--Mary Jane Baker; Treasurer--Doris Knight. Business Manager--Carole Davis. Aiding us this year were Mrs.

We didn't swipe the caps and gowns, we just borrowed them.

Mock and Mr. Paul Davis. Highlight of our Junior year was the prom. It was held at Marion and the theme was "Southern Rhapsody."

And finally our Senior year, a year which we have all looked forward too. Eighteen students have gone all twelve years at Frankton. Class officers were President--Ben Richwine; Vice-President--Barbara Sigler; Secretary-Treasurer--Mary Jane Baker; Business Manager--Carole Davis. The class chose black and white as their class colors.

We started the year off with a car wash in Sept. Our class play "Bill's Night Out," was presented in Oct. The month of Nov. was very busy time for us as we sold subscriptions for the Eaglite; we also sold candy.

On May 18, 1962, the class graduated from Frankton High School in fifth avenue gray robes with red and white tassels. The next morning we left on busses for an eight-day trip to Washington, D. C. and New York City.

Seniors display their cords.

# REMEMBER THE ADVERTISERS

Our advertisers, who have helped greatly to support the publication of this year's Eaglite, have information about their businesses listed on the following pages in hope that they can further serve the readers of this book.

You wouldn't try to build a house without a plan. Just as necessary is a plan for accumulating the money to make that house financially possible. "Hit-or-miss methods won't do it. Planned savings will". If you have the will, we have the way to make your dream of homeownership come true . . . much sooner than you think!

## **OPPORTUNITIES UNLIMITED FOR INQUIRING MINDS**

There has never been a time when researchers were not shaping the lives of men. The wheel, the lever, the automobile and the space ship were all equally dependent on the inquiring mind. Progress expands with research. ■ Here at Delco-Remy, for example, our research interest was largely concentrated on automotive applications a generation ago. We could have contented ourselves with just making better starting, lighting and ignition systems. ■ But what we wanted to do was provide electrical energy for the needs of motion—all kinds of motion. At our luncheon tables these days, the conversation is likely to swing from semiconductors and transistor ignition systems to new devices for missile control or electrical power supplies for outer space. ■ We have a new ultra-modern research and engineering building nearing completion. In it, our scientists and engineers will find the most favorable environment possible for imaginative research. ■ What are the rewards of a scientific career? The opportunities are virtually unlimited. But there's something else equally important, we think. It's the tremendous satisfaction to be derived from contributing to human progress. ■ If you have an inquiring mind, it's a career you should think about.
