At the beginning of the school year, our teachers could frequently be seen picketing in front of the school. Lack of a contract kept people wondering if there would be a strike or not. But the administration finally gave the teachers what they considered a fair contract. C.Q.

On Veterans Day, the staff presented a convo that recognized relatives and neighbors of the Frankton community. This hit pretty close to home with the prospect of a war in the Gulf. C.Q.

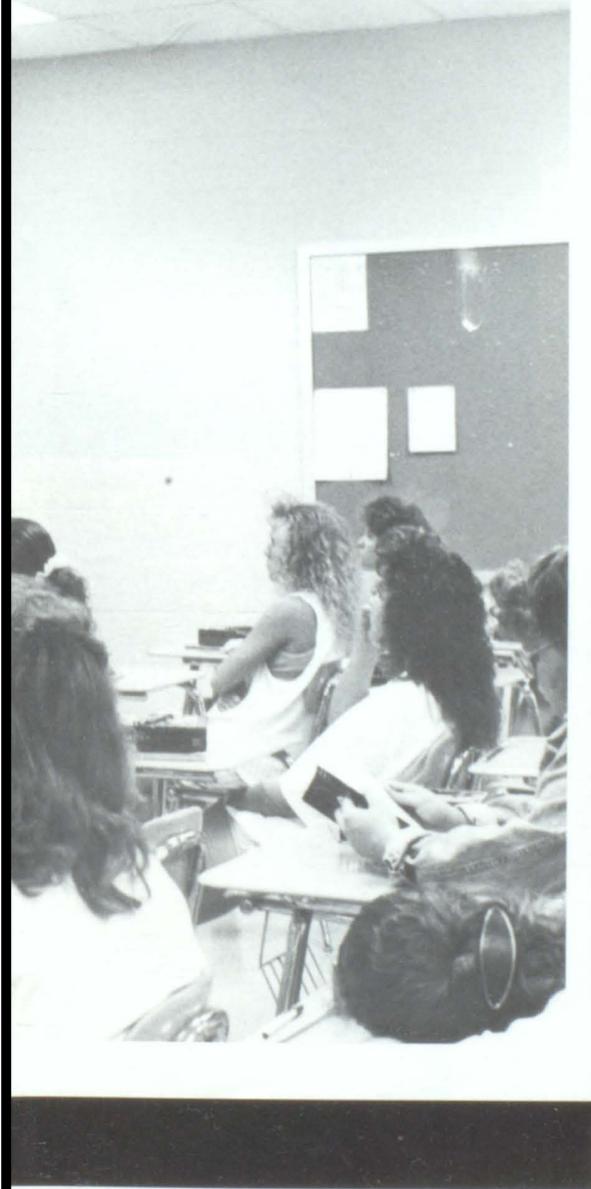

Channel One is a news show that was shown every morning to the students of FJSHS. This gave kids who don't have time to see the news at home a chance to see what was happening in the world and even in their area. The equipment that the school received allowed some students to do the morning announcements and special announcements. These were then shown to the students after Channel One. C.S.

Our mascot, the Eagle, was spruced up earlier this year and re-presented to the school and now is in one of the display cases in the main hall outside the gymnasiums. K.G.

AMERICA. Gary Horton presented an interesting and moving convo. He pointed out that our nation's strength begins with each and every person. He also gave his definition of America: A-attitude, M-motivation, E-enthusiasm, R-respect, I-integrity, C-courage, A-aspiration. He noted that the greatest of these was R-respect. This convo really came to us at a good time before the Gulf War. K.G.

Student Life

Always Together

Student life begins primarily where school ends. The minute the 2:50 bell rings most students are out the double doors headed for work, play, Handy Andy's, or extracurricular school activities. There never seems to be a day when the halls aren't buzzing after school though.

Weekends sometimes seem like they will never get here, especially toward the end of the year. But they do and before you know it, kids are out of the house partying, cruising, or just hangin' out with friends. But some students experience new and exciting adventures after school or in the summer. Take a look at some of the things your classmates did this past summer.

Bored Chris? Where did you get time to be bored in Journalism? T.B.

The FJSHS students and faculty sent a cheery message to area citizens through the local newspapers. K.A.

While waiting for the football team to get back from Hagerstown, Chris Carpernter, Tracy Jackson, Greg Wright, Jeff Eads, and Cory Maryan entertain the weary fans by imitating the Anderson floor runners. K.A.

New York, New York!

Remember those hot dog days of summer. Well for 19 students this past summer will be one they will never forget.

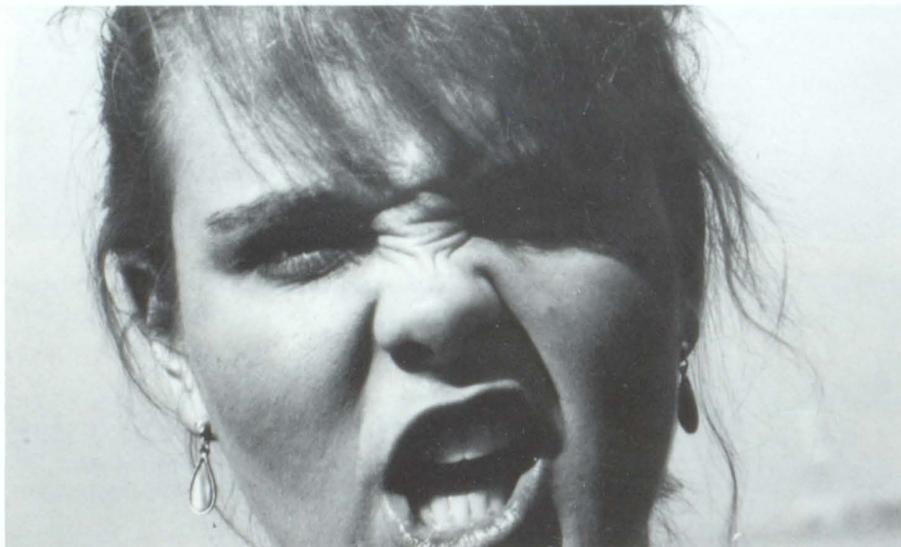

The Thespians spent four days and five nights in the heart of New York's theater district.

The total cost of the trip was \$700 not including spending money. The whole trip was loaded full of activity. One of the best loved plays was "Phantom of the Opera".

Another one of the plays the students saw was "Cats".

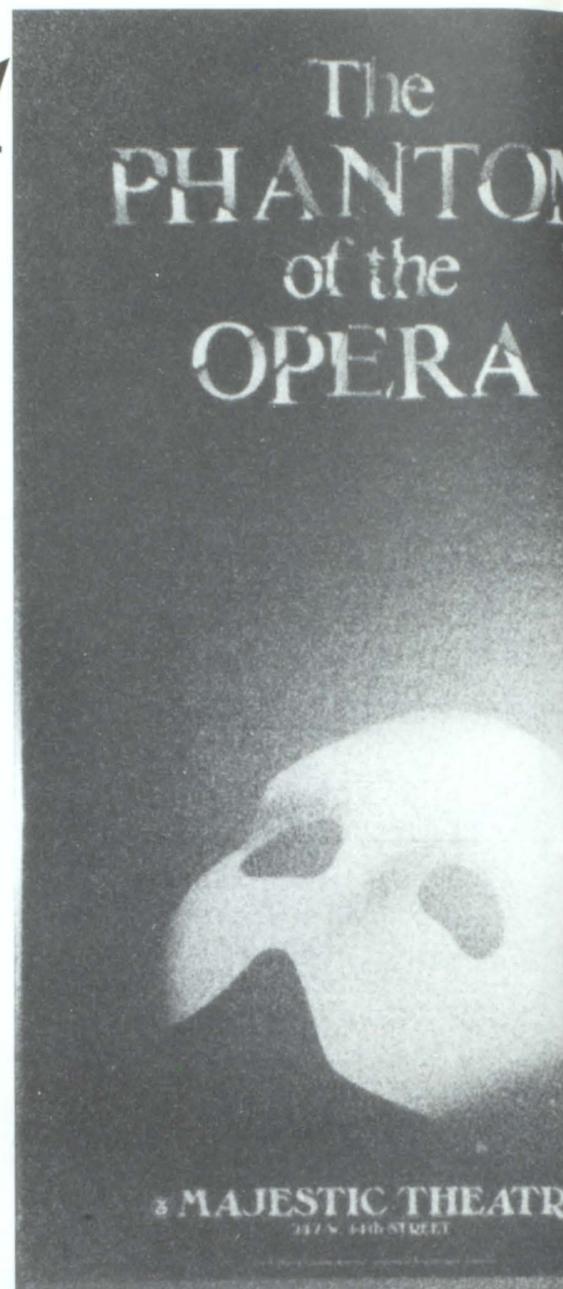

The package deal was set up so that after one of the shows the actors came out on stage and talked with the students.

Some of the other activities involved with the trip was sightseeing and shopping. While the five days just whizzed by, they were able to see the Statue of Liberty, the Hard Rock Cafe, the NBC Studios, and China Town.

Express Yourself! Kathy Nichols lives up to this expression. ARGH!

Christie Miller, Scott Cecil, and Jason Dearing relax on an exciting subway adventure under the city of New York.

The Phantom of the Opera was one of the plays viewed by the students in New York.

Meagan Paddock, Beth Boruff, and Missy Phillips after a hectic day in New York.

Missy Phillips and Megan McDuffee enjoy a banana split at the Hard Rock Cafe. Here you could see articles of famous people like the Beatles, Elvis Presley, and John Lennon.

On "The Spirit of New York" Tammy Heller, Kathy Nichols, and Beth Bourff relax after an interesting meal of fruits and unidentified meats.

What's Hot, What's Not?

The most popular subjects in school these days for students in seventh through eleventh are Math, Study Hall, and History. The least liked are Agriculture, Spanish, and Industrial Arts.

Hands down, jeans are the hottest items in the closets. Skirts were the least worn item.

Since most of you aren't old enough to drive, the bus gets you to and from school. The few of you who can drive do, or if you're close enough to the school you walk.

School dances are pretty popular with this bunch but a few of them would rather do something else.

Rap is the number one type of music with rock coming close behind. Thrash and country were least listened to.

Vanilla Ice was considered the number one singer with Axle Rose, Metallica, and NWA very last.

Vanilla's song Ice, Ice Baby was number one. Mriah Carey's song Love Takes Time and Bel Biv DeVoe's Do Me were ranked last.

WZPL ranked numero uno. Q95 and Light Rock 97 were mentioned.

The *Simpsons* was the number one sitcom with *The Cosby Show* giving them a run for their money.

Ghost was the number one hit at the box office and here at FJSHS. Teenage Mutant Ninja Turtles (give me a break) and Bill and Ted's Excellent Adventure running close behind.

Weekends were spent doing anything from homework to partying. Cruising in Alex was the most popular and doing homework the least.

Teenagers live for food. If you needed to find one you might try Pizza Hut the most popular place to chow. But you won't find very many in Mickey Dee's (McDonald's).

When it comes to school food the menu for this group is the school lunch and the concession stand, if they eat at all.

Hey Seniors! What's Happenin'?

According to you the two best teachers are Mrs. Mills and Mr. Scholl. Wow! Your favorite class is a required class, English. But the worst class to take is Foods.

Speaking of food, when the lunch bell rings, y'all head for the cafeteria to grab the latest of the cook's inventions. Thank goodness for the concession stand for dessert or a light lunch of junkfood.

Clothes are a must with you guys. The hottest thing for you are the All-American jeans. Anything from the bib overalls to the stone washed kinds. Sweat pants are definitely out.

How do Seniors get to school? Well, most of you drive your own cars or your parent's cars. The rest of you catch a ride with a friend or the bus, or you're within walking distance.

When it comes to music, the majority of you tune into 99.5 WZPL. 95.5 WAXT? PHFFFFT!!

The hippest singer according to Seniors was Vanilla Ice. Ice's song Ice, Ice Baby was the most popular song.

Pretty Woman hit the box office as the biggest hit of 1990 and was definitely a big hit with the Seniors while Total Recall was on the bottom of your lists.

If you wanted to find a Senior, you could probably find them in Alex cruising but you could not find them bowling. Or you could find them at the best place to grab some grub, **Pizza Hut**.

The T.V. sitcom that was recommended by Seniors was The Fresh Prince of Bel Air. But they suggested to stay away from Beverly Hills 90210.

The Top of the Class!!

These teachers were chosen by the student body. They were voted to be the best, but for those not mentioned we all thank you for all your hard work.

Summer fun never stops

Summer comes with many different activities, such as swimming or horseback riding, but either way it is just plain fun.

During the summer, tons of fun is possible. One can take a dip in the lake, go camping, vacation at a favorite resort, or stay home reclined on the sofa watching season reruns on the T.V.

For some it may be going to band camp, or attending 4-H meetings to prepare for the county fair. It could also mean holding down a job.

Summer may only be two and a half months, but it is fun for everyone.

Watch out for that car!! Christy Quear dodges cars in Gatlinburg, Tennessee while shopping.

Band camp is so much fun says Nia Manderbach with a mouthful of Oreos.

Jason Morgan, Keith Parsons, and Chris Compton spent their summer training for the Gulf War.

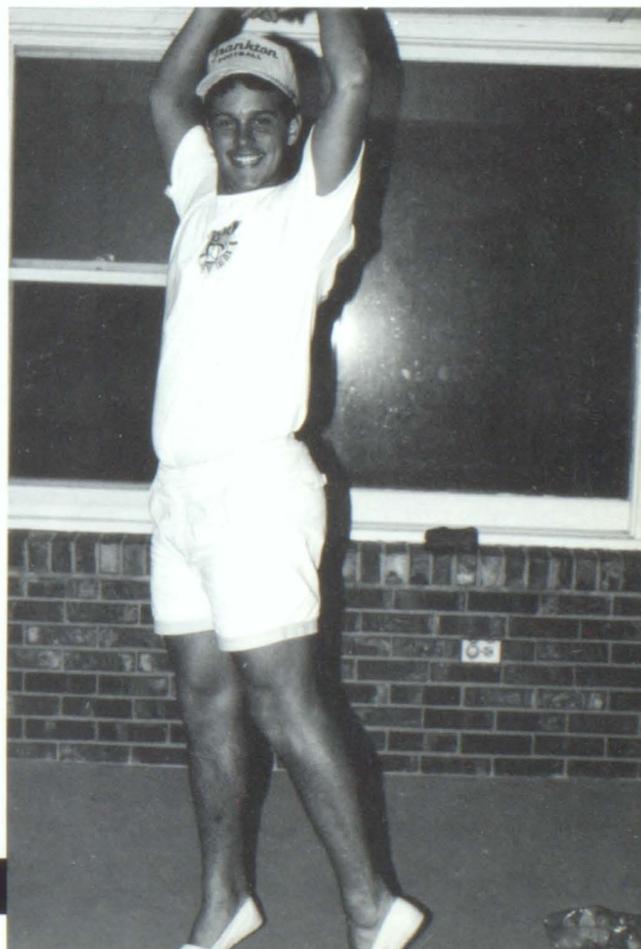

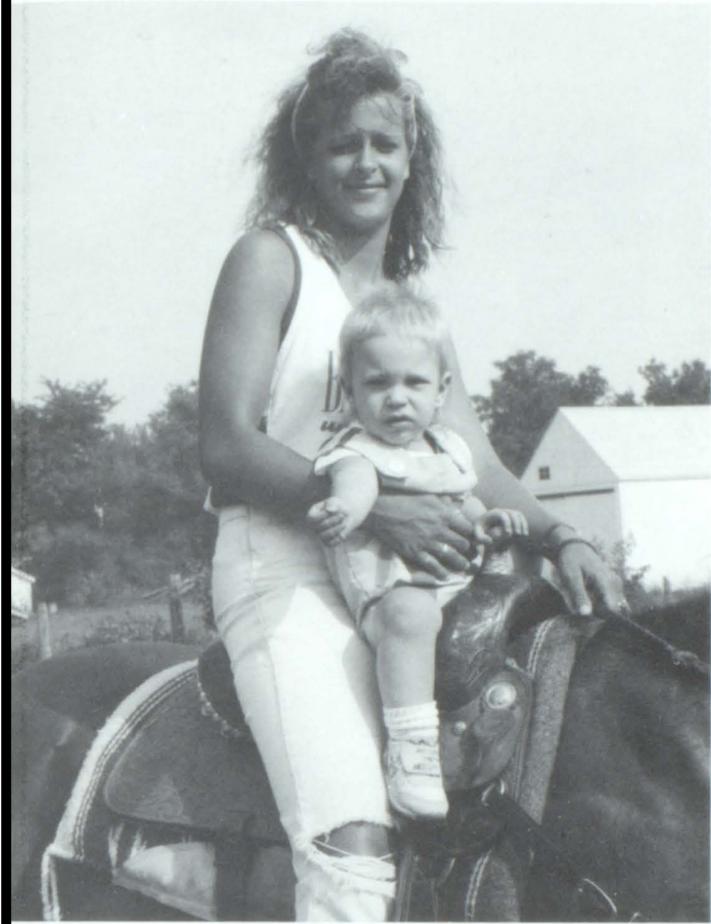

A future cowboy in the making, Jodi Dolliver and nephew Corey Dolliver are doing some cattle rustling on horse back.

Cathy Stigall and Bridget Dearing received a real holler at cheerleading camp this summer.

Only freshmen were to be initiated at band camp. Looks like the freshmen got these upperclassmen Tammy Heller, 11, and Kara Lamaster, 12.

Brian Maryan forgot his tutu when he gave a ballet lesson to Tracy Jackson at her house.

Academics

We're in this together

No matter how much we dread it, we are here to be taught and learn what we are taught. Along with all the good times we have in high school, we do have to do our school work. In some subjects, the learning process can be long and tedious. In other classes, things may come to us a little quicker. It never seems to come easy though, especially when the last six weeks rolls around and all you can do is think about summer.

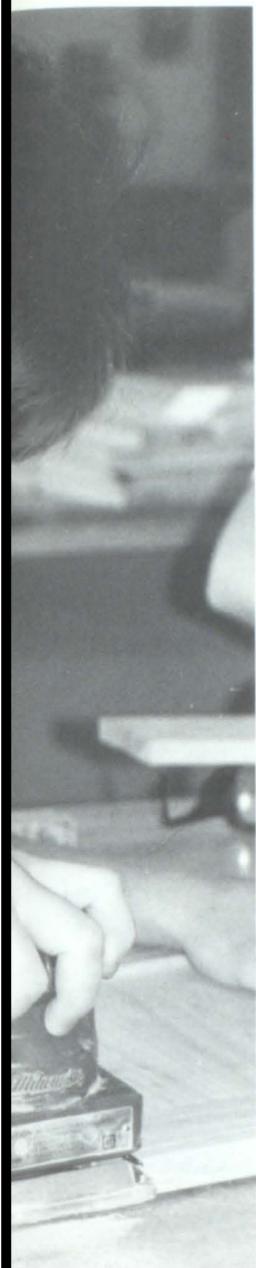

Not only do teachers stay after school to help students in certain subjects, but students also provide help after school. Some students made their phone numbers available so students could call if they were having trouble in a subject. But some how, we always get the job done because we're in this together.

Seniors

SENIORS AT LAST!! Senior year is filled with many different but exciting events. From the beginning of our Freshman year to the very end of our Junior year we are prepared to become Seniors. When it finally gets here, we're overwhelmed by it. From the first day of our Senior year, we get information on graduation, caps and gowns, announcements and the whole bit. Where does the time go? It seems like we were just innocent Freshmen yesterday. Sometimes we just want to stop everything and catch up on our lives. IMPOSSIBLE! There's always something that we have to do. Term papers, semester projects, scholarship forms, college applications, jobs, sports, extra-curricular activities. The list goes on and on. But we kept at it and next year we will be gone from this school. These halls will hold a lot of memories, good and bad, for us.

Kathy Nichols shows her strength as the Seniors frolic with the Junior class. K.A.

We Came Together As Strangers...

As freshmen we came into a school where we only knew a few people. Despite the fact that half of us came from one school and half from another, we all became friends. Forever friends.

Now, as we leave these halls behind, we look back at the good and bad times and see how we became forever friends. It was a hard task but we had the determination to succeed.

Our class is one in a million. There are very few classes anywhere like us. We are strong academically and athletically and we are looked up to by many of the underclassmen. We have become role models for younger kids.

When we walk out these doors, it may very well be for the last time. Some of us may never see each other again.

It's going to be hard to say goodbye to friends, but like they say, if you want to see them again, you will. Goodbye senior class of 1991. It's been great and thanks for the friendships.

One Step Closer

Getting through the last year of being an underclassmen, the Juniors had some difficulty getting started. They started out selling magazines to raise money for prom and their graduation on September 14. Their magazine sales were quite low. They raised \$4600 which paid for prom but not for gradu-

ation. The main reason for the fund raiser is for prom. If they have money left over, then it will go toward their graduation. Some of the things the money pays for in prom are decorations, invitations, and the D.J. The graduation items it pays for are decorations for the stage and flowers for the girls.

Sixty percent of the money goes

to the magazine sales company and the left over forty percent goes to the sellers. This has been the best way to raise money for the prom and graduation. Mrs. Fox, sponsor, says that they have been selling magazines as a way to raise money for prom and graduation since before she came to teach at this school in 1968. Greg Granger was the top seller.

When Homecoming came around the Junior class placed third in the annual games. Their Homecoming prince and princess were Chris Hatzell and Tiffany Guthrie.

On Their Way

During the year of 1990-91, the Sophomores joined the rest of their peers in participating in all the activities during Homecoming. Besides the decorating of the class float, they also played in the Homecoming games, but that was not all they

were involved in. They also sponsored a dance to help raise money for their Junior/Senior years. They have raised over \$500, which will help a lot.

The class of '93 has come a long way and has worked very hard this year.

Time Out Together

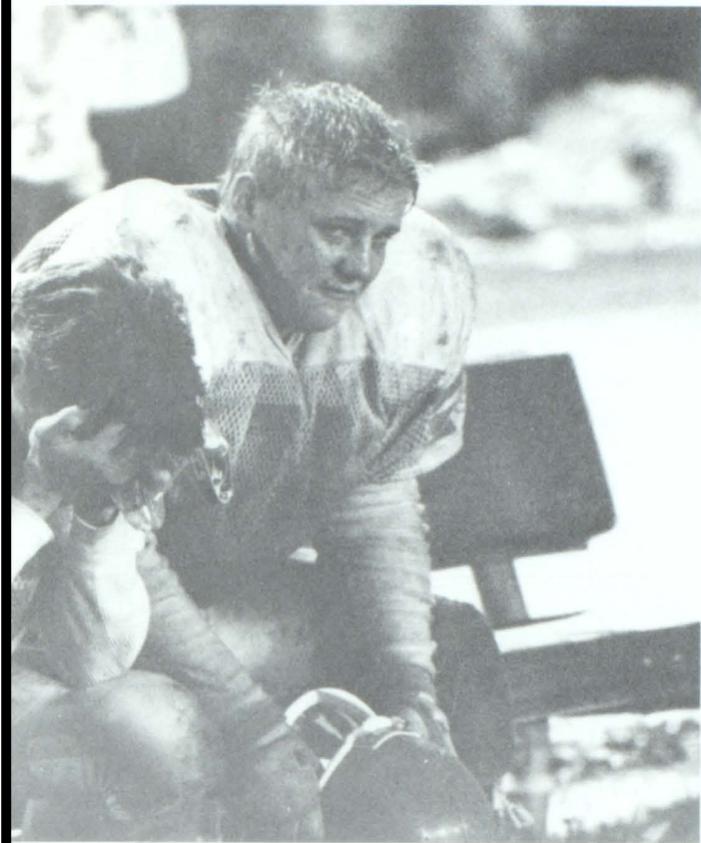

Along with the excitement of winning this year came the disappointment of losing. But there was absolutely nothing to be ashamed of. Encouragement and support from teammates and fellow students was definitely in abundance for all sports. Determination and pride kept athletes going even at the lowest points of the year. This was a year for winners and they all seemed to be at Frankton.

The 1990-91

Sports Year-in-Review

The 1990-91 Eagle sports year was one to be remembered for years to come. Starting with fall sports, the football team was undefeated at 8-0, and was the 1990 WRAC and Sectional champion. In the last two years the football team has won 22 games and lost only two, the first being to Tri-West, a state runner up, and the second to Indianapolis Sccecina, the state champion. Meanwhile the Cross Country team was having another good season and their record was 7-1 with a 3rd place in WRAC and a sectional placing of 4th. The whole team qualified for regional for the 2nd consecutive year. The girl's team qualified for regional for the first time ever. Another first for FJSHS in 1990 was the emergence of a boys tennis team. They had a record of 4 and 7 which is excellent for a team in its rookie season. The volleyball team had another eventful season with new head coach Dave Pilkington. They enjoyed an 18 and 10 record, winning both the Mt. Vernon and the Shenandoah invitational tournaments. The girls made a strong show in sectional, but were eliminated in the semi-finals of the tournament

Winter sports picked up the winning tradition right where the fall sports left off with expectations for every sport. The basketball team had one of the most memorable seasons ever. Not only did they have a remarkable season, with a 17 and 6 record, they made it to the finals of the Anderson sectional for the first time since 1957. That is one to be placed in the scrap books for every student that witnessed. Also they bore the WRAC traveling bucket for a number of weeks before having it taken away in a close over-time game with Pendleton. The wrestling team did remarkably well considering they had 6 freshmen on the varsity squad and only one senior. They had an 8-8 dual-match record and placed 2nd in the sectional. They were 6th in the County, 5th in the WRAC; and placed 8th in the East Central Indiana Classic. Girls Basketball also put together a fine year with 11 wins with 8 losses. If it weren't for a surprise upset in the first round of sectional they might have at least gotten 2nd.

In the midst of the winter sports glory the spring sports were in training to keep the winning tradition alive for the rest of the school year. The track team showed that they were for real by placing second in the WRAC conference meet, and 3rd in the Pendleton Invitational. They finished 12-0 and completed their third consecutive undefeated season. The girls placed 2nd at the WRAC conference tournament also, and have a 9 and 2 record. The softball team finished 7-10 after a disappointing season. The girls were defeated by Elwood in the first game of the sectional. The Baseball team played well with a winning record of 22 and 7. The team returned a lot of lettermen and is expected to have a great season. They advanced to the second game in the sectional where they were defeated 3-2 by Madison Heights' star pitcher. The golf team showed great improvement from last year. The team finished 6-6 and finished 6th in the WRAC. Coach Huntsinger put together the best golf team in a long time at FJSHS. Another new edition to FJSHS was a girls tennis team. Even though they ended up with a losing record they showed great promise and have a lot to look for next year.

As far as "wrap-up" goes, the 1990-91 Eagle sports year was excellent. We have combined for a total of 117 wins and only 58 losses. The Eagle sports fans can only hope that the next sports year will be as productive as this one was.

Autographs

This space has been provided so you can get some of your favorite FJSHS sports stars autographs and their comments on them and their teams' performances during the 1990-91 season.

Football Team Duplicates Perfect Season

By Ryan Priest

This year's varsity football team accomplished something that many people thought they wouldn't be able to do. What they did is match their undefeated season of last year. The Eagles also won their second sectional in a row.

Neal Harper dominated the individual awards this year. Neal finished as Indiana's 7th all-time leading rusher. He led the state in rushing with 2,344 yards on 245 carries. Junior Shawn Westlund was named best defensive player and Josh Cress won the Rick Vida award.

Of all the games they played this year, the one I remember most was the Cambridge City game. The Eagles dominated the Royals in every way. Harper humiliated the the Royal defense all night. He rushed for eight touchdowns and 365 yards. The Eagles won the game 63-7.

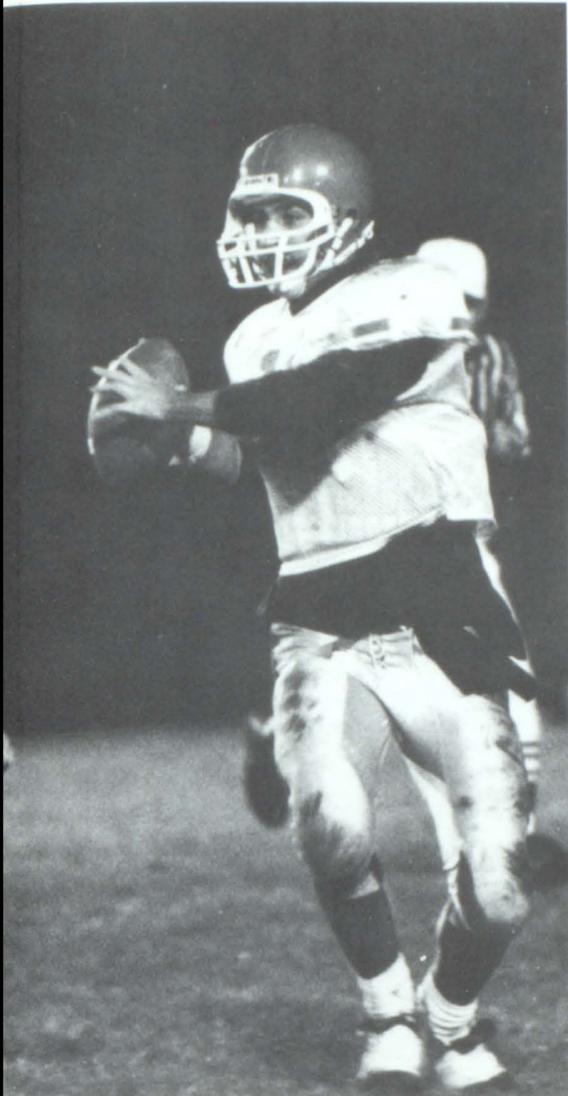

With the success the Eagles have enjoyed during the last two years, I'm sure that other teams will be out for blood when the Eagles come to town. But I'm also sure that the Eagles will come out on top.

Tim Friend, 12, and Neal Harper, 12, show the poise and patience that made them the most dangerous backfield in the county.

Eagle CC Teams Sprint to Regionals

The Eagle harriers took the momentum they had at the end of last year's season and carried it over to this year. As a result, the Eagles ran their way into the regional finals for the second straight year.

The girls cross country team started out the 1990 season trying to find enough runners to make a complete team. By season's end, they found themselves in the regional finals, a first for the lady runners.

Chad Snipes, senior, qualified for the semi-state competition in Indianapolis and was eventually named Most Valuable Runner and team captain. The girls were paced by Betsy Benefiel, who was also named Most Valuable Runner and team captain. Vince Huffman and Amanda Jones, juniors, were voted in as the teams' workhorses.

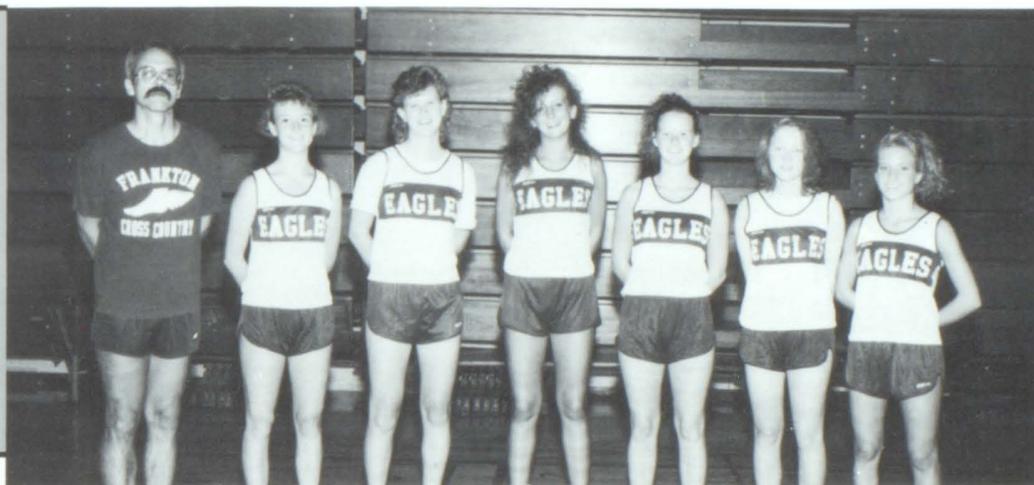

During Sectional, senior Jason Morgan and junior Cory Maryan battle out the final stretches to the finish. K.A

Tennis Successful in First Year

This year the students of Frankton witnessed something that had never been seen in our school. That's right we had a tennis team coached by Steve Sharpee.

This year's squad was senior dominated. Led by number one Greg Wright(12) and number two Brent Mallernee (9), the Eagles cruised through singles play and helped guide the first year Eagles to an impressive 4-7 record.

In doubles play, the Eagles were led

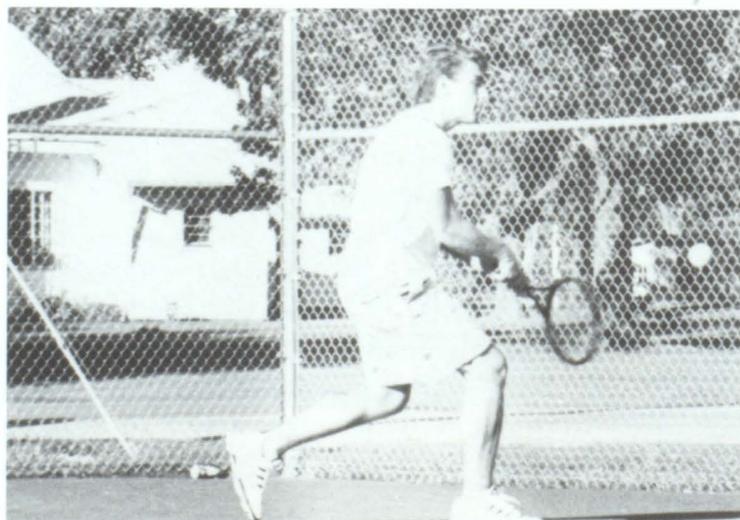

by Shane Partlow and Dane Maupin(11). Through the course of the season the top spots were often switched around, but by the end of the year the three seniors: Partlow, Wright, and number three singles player, Keith Parsons, took over and showed great leadership by guiding the young Eagles to a very productive season.

The junior varsity, coached by Tim Davis, also enjoyed great success this year.

Front Row: Mark Hobbs, Brent Mallernee, Dane Maupin, Jamie Horning, Billy Jenkins. Back Row: Shane Partlow, Derek Couch, Darrol Parker, Charlie Barr, Keith Parsons, Greg Wright, coach Steve Sharpee.

First Year Coach Guides Lady Spikers to Winning Season

The Franktonvolleyball team ended its season with an 18-10 record. The Eagles had a slow and shaky start losing to Anderson and Wapahani but senior leadership paid off in the next three battles with Shenandoah, Lapel, and Bluffton. The Varsity was led by seven seniors and four juniors. The team played in two round-robin tournies, one at Mt. Vernon and another at Shenandoah, and won both. After starting many different line-ups Coach Pilkington found the right one that led the Eagles to a successful season. In sectional action the Eagles defeated Alexandria, but were beaten by Elwood in the second round.

Angi Compton and Kristen Barnett were named All-County while Leanna Canfield was Honorable Mention. Angi was also nominated MVP and Nan Wesson, Most Improved.

Cagers Back On Track

By Ryan Priest and Jon Yeary

This year something happened that was not expected. In fact if you told me that Frankton's boys basketball team would be a threat and sometimes feared by opponents, I would have laughed in your face. But our Eagles surprised everyone in the county. They even made their way to their first winning record in four years finishing 17-6.

Winning honors for the Eagles were Jason Whiteaker who was named to the Sertoma All-Stars, the Eastern Indiana All-Stars, All-White River Conference, and WEWZ and WAXT Player of the Year. Doug Scott was named All-White River Conference and All-Sectional. Chris Hatzell was named to the All-Sectional second team.

Of the games they played, a few stick out more than others. The Highland, Elwood, and Mt. Vernon games all stick out in our minds. But the game I remember most was the home game against Shenandoah. Even though the Eagles lost the game, it's something that I'll always remember. The Raiders fought back from seven points down in the last minute and with about six seconds took a one point lead on two free throws from "do everything" sophomore Joe Reedy. It was a great game where our Eagles just came up a little short.

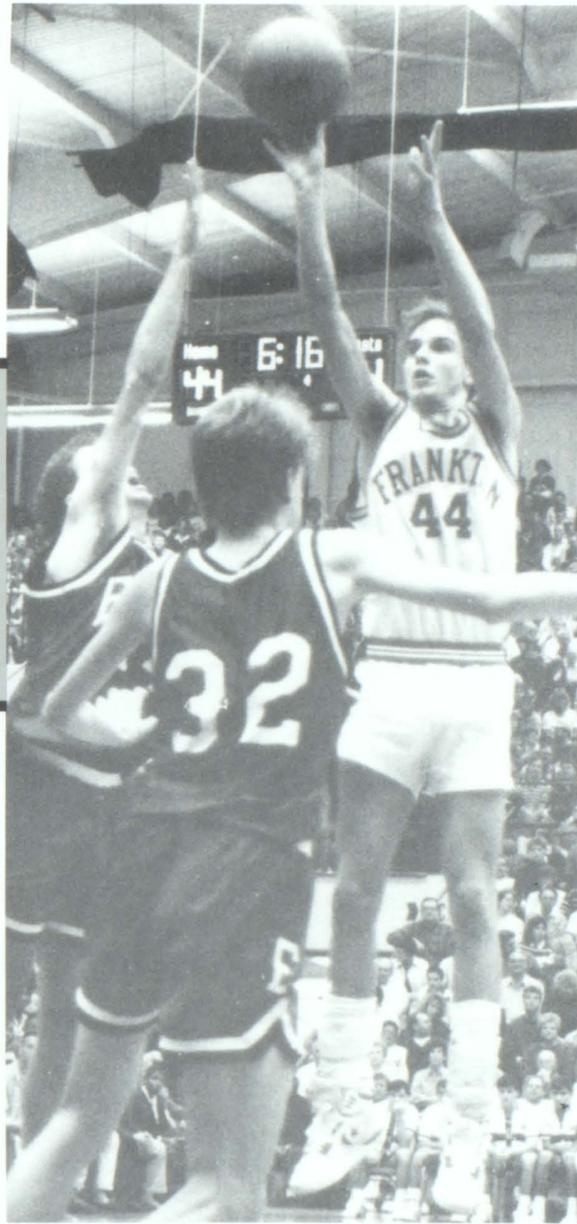

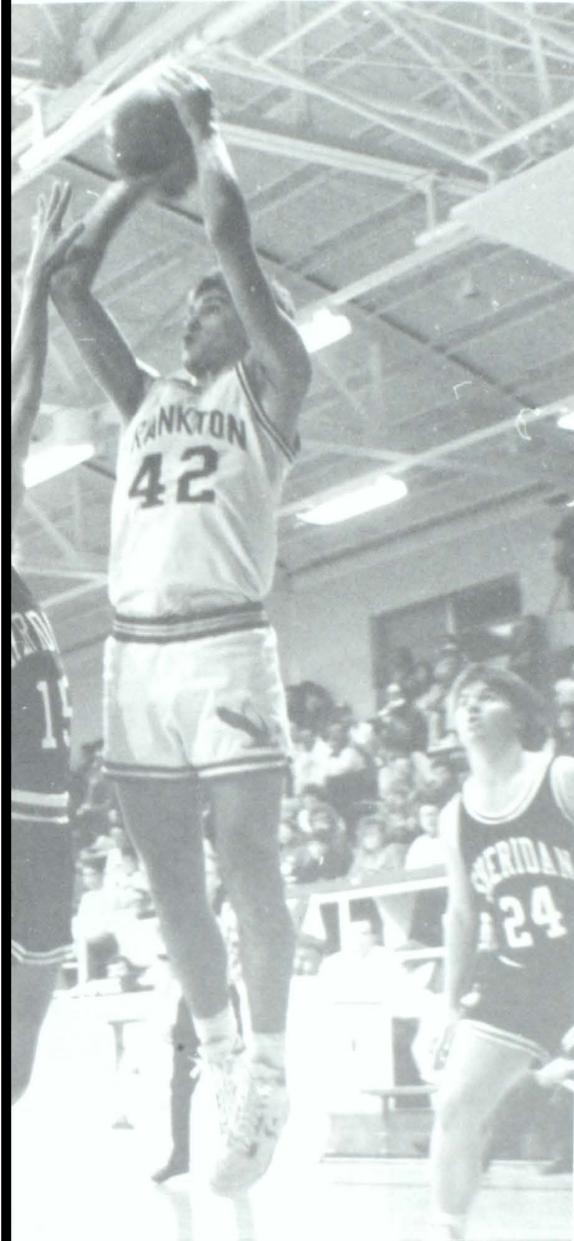

Danny Jimenez slams the door on Madison Heights as he ices a 3-point play in the closing minutes. K.A.

S E C T I O N A L

When the 1990 boys basketball season started most people thought it would be another long year. Who would have thought that after a 6-15 year the boys could rebound and go an impressive 17-6 and make the final game of the Anderson Sectional 1957.

It was March 2, 1991 at the Wigwam with the Frankton Eagles facing off with the Highland Scots.

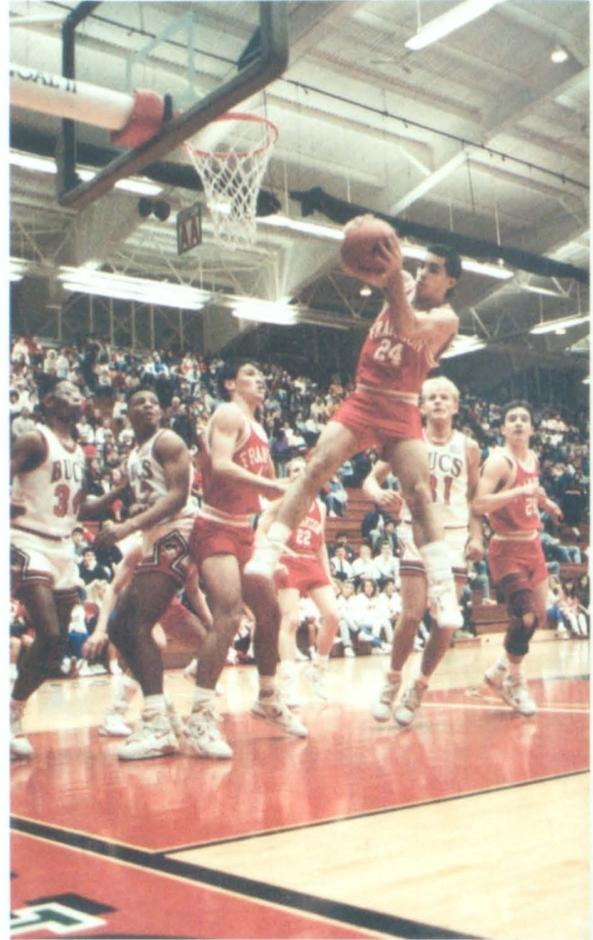

The Eagles played excellent the entire game and played with the Scots until the dream ended. Highland's Brad Ash buried a 21 foot jumper that would be the winning shot of the game.

This Sectional was very special for many reasons. It was the seniors' last game and it was the last eight-team Anderson Sectional. The Eagles will help many people remember the "old sectional" forever.

Boys' J.V. has Promising Future

This year's Junior varsity basketball season was highlighted by Coach Doug Drake's 100th coaching victory and their outstanding record of 17-3. The only losses of the year were against Elwood, Highland, and at home against Mt. Vernon. This year's team was very young and with the talent the varsity team already has, the Eagles should be in contention for the sectional crown for years to come.

Freshman Eagles soar to new heights

by Cam Paddock

As I look back on the 1990-91 Freshman basketball season one game in particular sticks in my mind, the Madison-Grant game which went into overtime. The reason this game is remembered is that both, regulation and overtime, ended with last-second shots. The first one, was made by an Argyll forward. With time running out the Argyll player stepped behind the three-point line and received a pass. He shot the ball as the buzzer sounded. The ball was on target all the way. The game was tied at 43-43 going into overtime. Even though the Argylls were cheering on, the fatigued Eagles did not quit. As the lead kept changing hands the Argylls took a two point lead with twenty-one seconds to go in OT. But then an Eagle player stole the ball and raced the length of the court for a layup to even the score at 49-49 with ten seconds remaining. When the Argylls came down to try for the winning bucket an Eagle player again came through and stole an errant pass and went down and hit the three pointer to put the Eagles up for good. The final score read 52-49. The freshman team went on to finish runner-up in the WRAC.

Lady Cagers Enjoy 11-8 Season

"The Elwood game by far!" was Angi Compton's reply when asked about her most memorable game of the 1990-1991 season. "It was one of my best games ever. I played a good defensive game. It was also a big rivalry, and we weren't expected to win that one. My family is from Elwood and they told me we couldn't beat them and I was determined to do so." When asked if there was anything else special about that game, Angi said "Yes. They have a girl named Stephanie Stewart, and she is supposed to be real good. We made her look average."

Andrea Cummings received the award for Most Rebounds. NanWesson earned the best Field Goal Percentage and Most Improved awards. Becky Greene got Most Steals and Most Assists, and Angi Compton got most Points and Best Freethrow Percentage.

Lady Eagles Come Up Short in Sectional Bid

Angi Compton, 12, shoots for two before the Alex defense can catch her. K.A.

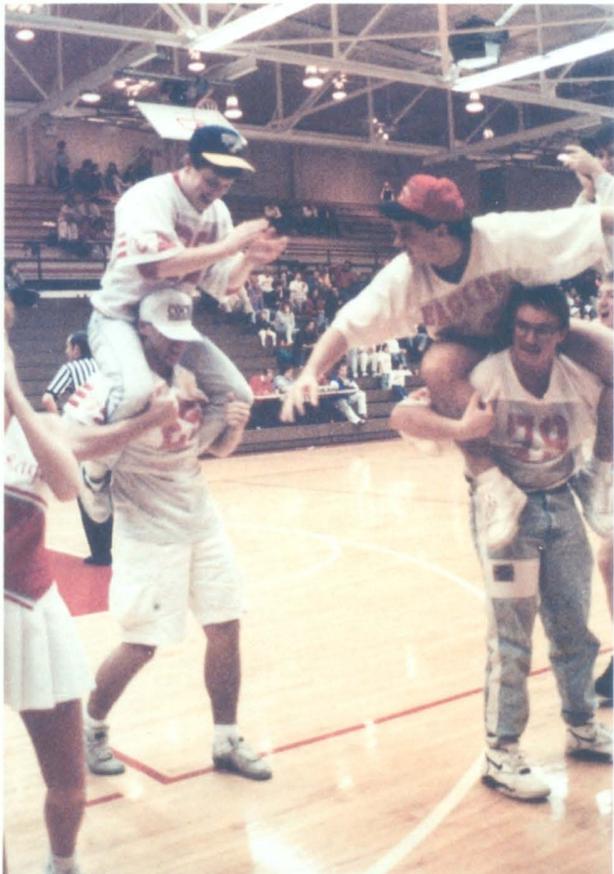

In Sectional action the lady cagers were beaten by the Alexandria Tigers in a surprising upset. The Lady Eagles played in the first game on Tuesday night against the Alexandria team that only had two wins to nineteen losses. Alex came out slow in the first half only making a few points compared to the Eagles' nineteen points. In the second half FHS came out cold with the Tigers picking up the pace. A couple of key free throws put the Tigers on top, leaving the Eagles out of the contest.

Young Wrestlers have impressive 8-8 Season

"Aside from being the only senior I would have to say the sectional." was Tom Miller's reply when asked about his most memorable moment this year. "We advanced 5 people to the Delta regional, 3 of those 5 were champions, and I guess that was more than coach expected." Those champions consisted of Brent Mallernee at 119, Tom Miller at 145, and Marc Campbell at 152. We asked Tom what he thought in general about this team. "Well, going in I was skeptical, we had a lot of inexperienced wrestlers on the team. I knew coach had his work cut out for him, but by going 8-8 on the season I would say he did his job." Coach Cress did just that, he placed his team well at Jay Co. and the Conference. We also asked Tom if he had any advice to give to the returning wrestlers. "Yes, I would tell all of the guys to stay in shape on the off-season and to work hard during practice. Also don't try to cut a whole lot of weight, it doesn't help your wrestling."

Senior Tom Miller and Junior Jason Waymire were voted co-captians. Most season wins with 24 went to Miller and Freshman Brent Mallernee. Most take-downs also went to Miller. The most improved wrestler was Junior Dane Maupin and the team's most valuable wrestler was Sophomore Marc Campbell.

Striving for the 119 pound weight class sectional championship, Brent Mallernee, struggles with his Alex opponent. C.Q.

New Coach Guides Golf Team to a Successful Season

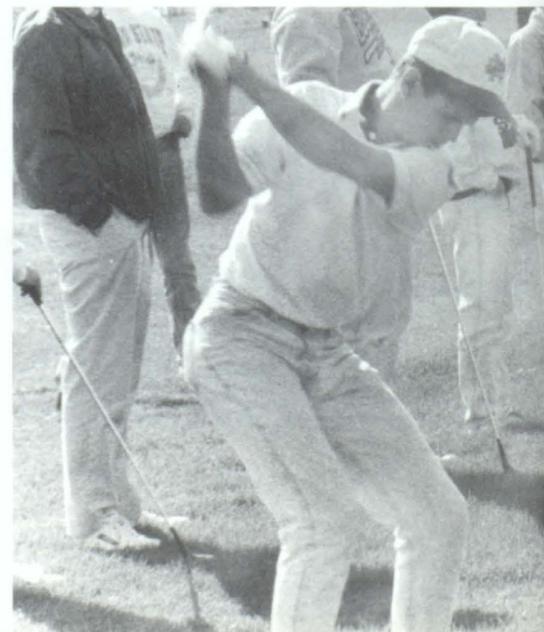

This year's golf team did well under first year head coach Dennis Huntsinger despite going through a season of ups and downs. Leading the team in most meets was junior Chris Carpenter and sophomore Guy Pearson. Chris Compton was the only senior on the team. The team started out the season on a disappointing loss to Hamilton Heights but after that the scores began to improve and the team began winning several meets. The team improved their WRAC standings this season by placing 6th.

With a lot of practicing done this summer by the boys, Mr. Huntsinger hopes to have an even better season next year.

Record Breaking Year for Eagle Tracksters

Winning is something the boys track team is getting used to. After another successful season, the Eagles won 15 consecutive dual meets and 25 consecutive dual or 3-way meets.

This year the Eagles finished with a 12-0 season record. Add in the invitational and the tracksters finished with a 30-3 total. And following sectional, the Eagles end their season with a 35-13 overall record.

The Eagles were paced by a number of members. Cory Maryan qualified for the sectional 3200 and was named all-conference and Most Valuable Distance Runner. Pole vaulter Chris Lawson earned Most Valuable Field Events and all-conference honors along with his sectional qualification. His teammate, Brett Canaday, also qualified for sectional but the highlight of his season was his setting a new school record in the pole vault at 13' 2 3/4". Most Valuable Sprinter honors went to Mark Johnson who earned all conference honors and a sectional qualification.

Since becoming coach in 1974, Phil Davis has now compiled a career record of 621-310.

Young Eagles Have Successful Season

The 1991 girls track team finished the season with an 8-2 record, finishing second a WRAC and qualifying several for sectional.

Leading the way for the young Eagles were seniors Meagan Paddock and Andrea Cummings who also qualified for regional along with the 4x400 relay that consisted of Chrissy Aynes, Raunda Cummings, Rachel Cummings, and Tiffany Guthrie.

With only two seniors on the team, you can count on more successful years in the future.

Baseball Ends Great Season in Close Sectional

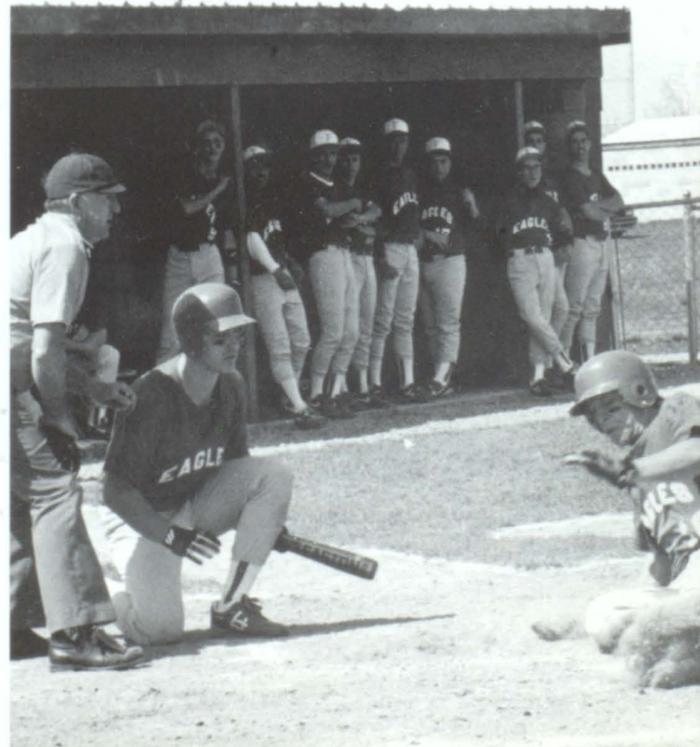

The 1991 Frankton varsity baseball team had an extremely good year. The team established a new record for most wins in a season, winning 22. The team finished with a 22-8 record. They played a very competitive schedule that included many teams that were ranked in the top twenty in the state. In the last half of the season, the team put together a streak of ten straight wins and carried that streak into the sectional before being beaten in the semi-final by Madison Heights.

The coach for the Eagles in his third year was Kyle Campbell. He was assisted by Ron Buck, Kent Arbuckle, and Jeff Benefiel. Coach Campbell said, "I really enjoyed this group of kids and they deserved the success that they got. I feel like this season was a big plus for our baseball program as a whole and I'm looking forward to next year because we should hve a good team again."

The 1991 Junior Varsity baseball team also played a full schedule for the first time in years. The team had a 5-7 record. They were mainly coached by assistants Ron Buck and Kent Arbuckle.

Lady Eagles Have Ups and Downs

This year the Lady Eagles struggled through an up and down season. The girls had a record of 7-10, the first losing season in a number of years. The reason for the bad record was a lack in the pitching experience.

This year the girls returned eleven lettermen, seven of which were seniors. At the beginning of the year no one knew exactly what to expect. The girls had a lot of talent, but they just couldn't put it together.

Kristen Barnett was the teams leading batter with an average of .604. Kristen was named Most Valuable Player and she received the Mental Attitude Award. Kara Anderson was named the team's most improved player.

Next year the Lady Eagles will be returning ten lettermen. Let's hope that with the talent and experience the team has, that the girls can turn it around.

They've Got Spirit!

The varsity and Reserve cheerleaders play an important part in FJSHS activities. This past summer they attended the Indiana Cheerleading Federation (ICF). Here they won the cheer competition and also won a spirit stick. During football season they got together with the parents and helped decorate around the school and the players' lockers. For the basketball season they decorated on their own. The cheerleaders continued to be either "Sectional Sweeties" or "Homecoming Honey's" to the players. The cheerleaders also cheered at various pep sessions for both the girls and boys teams.

Faculty Count Us In

Things started looking up this past year for FJSHS, thanks to our new administration. Mr. Warner and Mr. Shipley took incomplete jobs left over from last year and finished them. Our administration cares about the school, the way it looks and the way it is represented. Teachers had a lot to do with the improving image of the school, too. Not only did they help to improve the way the outside of the school looked but also how the inside looked. In other words, how the students represented our school. For some reason, the teachers seemed to take more interest in what the kids did and in extracurricular activities. Maybe it was because of the change in the atmosphere of the school. What ever it was it was good to feel that your teachers were behind you.

They helped support teams and organizations by showing their support on dress-up days or putting up a "Pet Cemetery" which showed every game of every sport, win or lose. They participated in Homecoming Games and went to home or away games of many of the sports.

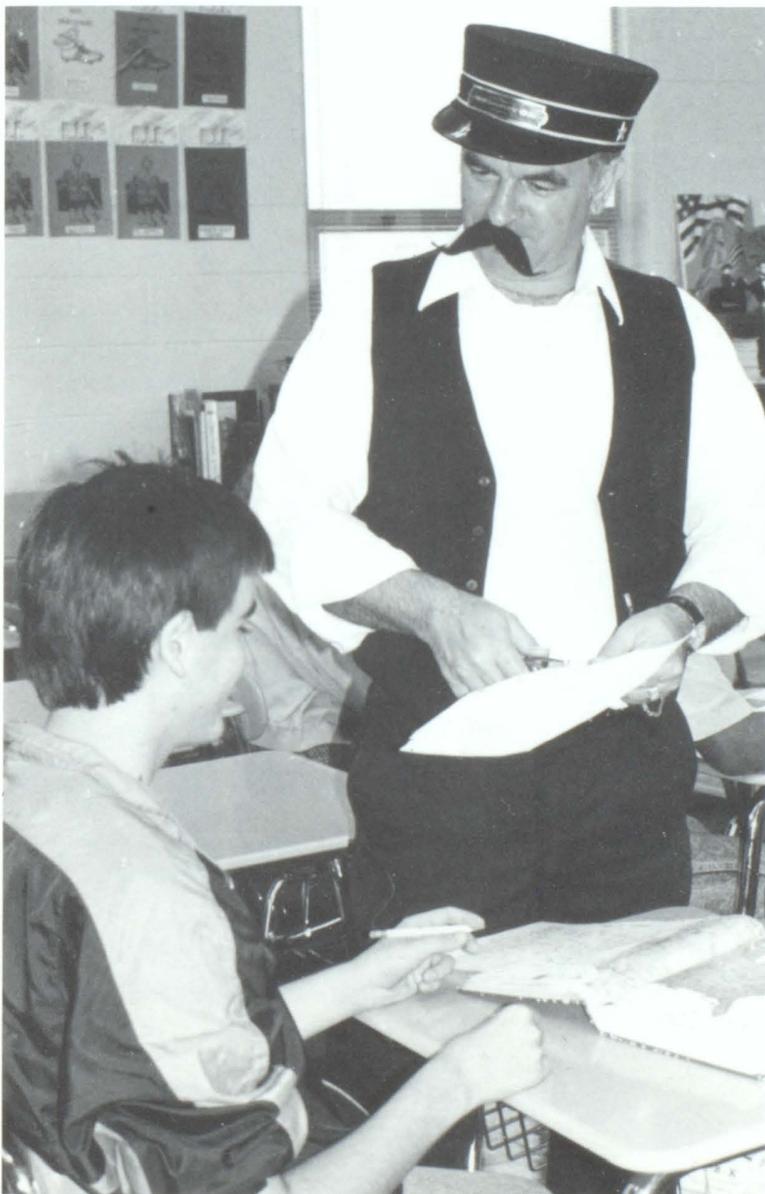

There should be a special thanks to these brave souls who put up with some of the stunts Jr.High and High schoolers can pull. These people are teaching the adults of the future. Let's give them a round of applause.

Shaping The Future

In the past school year, we saw many changes. Not only did Mr. Warner become the new principal and Mr. Shipley the new assistant principal, but we also obtained a new Activities Director, Mr. Custer.

Many of the teachers don't leave their jobs behind them at the 2:50 bell. Mrs. Mills and substitute teacher Mrs. Lawrence, directed the school play "I Never Saw Another Butterfly" and Mr. Cecil and Mrs. Lawrence directed the school musical "Once Upon A Matress." Mr. LeMaster was busy supporting school spirit by posting all the vicories of the school sports above the lockers in the sophomore hall. Mr. Lamas-ter put his efforts into raising money for the "Dollars for Scholars" program along with others from around the community.

Mr. Fry and Mrs. Cook took time to collect receipts from Payless and Marsh grocery stores in an effort to improve the school's supply of computer software.

Some teachers showed their dedication to helping the students by holding after school help sessions. After school on Tuesdays, Mr. Housholder, Mr. Fry, and parent Mrs. Neese, helped students with their math "problems." On Wednesdays, foreign language students had the opportunity to stay after school and earn extra credit in their French or Spanish class by spending time on the language lab.

Congratulations to the teachers on an excellent job and showing that they must also become involved to make our High School/Junior High School experience a successful one.

Clubs

Counting on Each Other

Clubs such as FFA, Band, Guard, and the Academic team had a great year in their competitions. The long practices paid off. For other organizations like the Student Council, and the Mat Maids, their faith in others and their encouragement for our sports teams was greatly appreciated. Not only did they help team morale, but the student body morale as well. These organizations and others did an outstanding job this year and deserve much recognition.

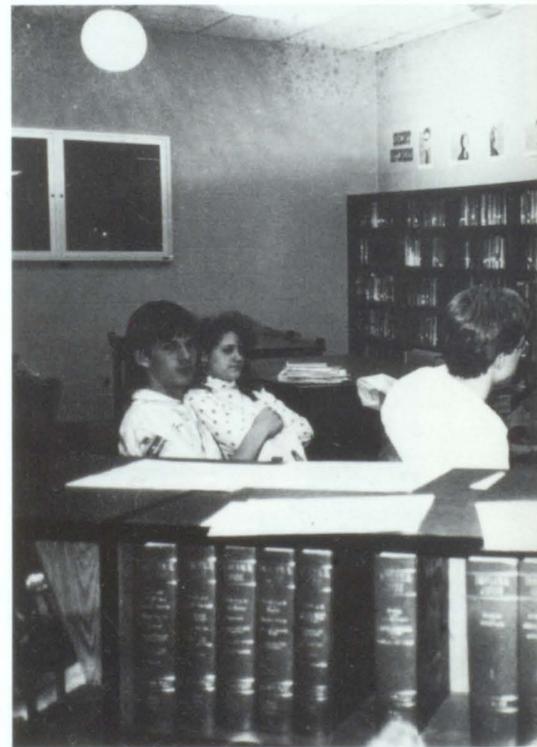

Clubs give students a chance to get away from the humdrum of school and to be with friends and to do something that they enjoy. Clubs also give kids that aren't in sports a chance to do something in the school. Some clubs take just as much time and dedication as sports do. All in all clubs give students a chance to get together and meet new people.

After-School Activities Brings Student Body Together

This year the Academic Team did fairly well at the Hoosier Academic Super Bowl at Anderson High School. All the members of the Academic team were given T-shirts for their participation.

Media Club is a group that keeps the library running in tip top condition. They are Mrs. Lee's assistants. They work in the library instead of having a study hall. Anyone willing to work can belong to Media Club.

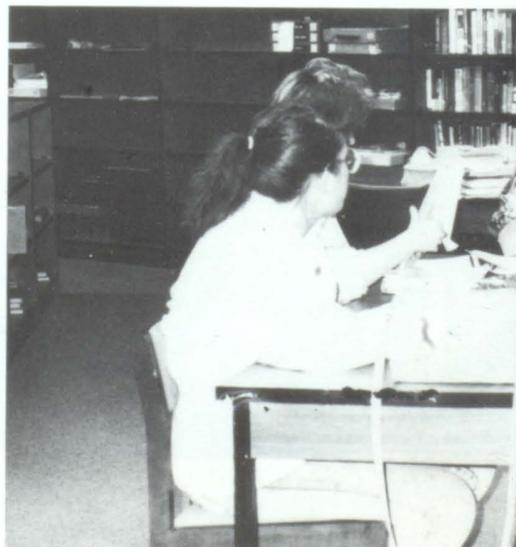

Peer Helpers are here to help the student body. They can be used as sounding boards for student problems. They are peers, who are trained to understand the emotional rollercoaster of a teenager's life. This year they had several get-togethers to discuss what they saw happening during the school year and the best way to deal with it.

Spanish Club Carries on With Tradition

The Spanish club sold Eagle pops again during the football sectional to raise money for the senior scholarship. This scholarship is \$200, based on achievement, not need, to a senior considering going on to study the language.

Any money left over from the scholarship fund was used for the club's trip to El Torito's in Indianapolis, on Thursday, May 23. The Spanish club takes this trip to experience Spanish cuisine.

French Club carries on tradition

Tradition seemed to be the key word for the French Club and the French Honor Society.

One of the activities that they participated in was the annual Christmas party that the French and Spanish Club have together every year. This party has become a tradition with the clubs. The members who attended had a gift exchange and then were involved in a scavenger hunt.

The induction of new Honor Society members was another tradition that was carried out. This year the inductees had to be slaves to members of the Honor Society. The slaves were to carry their owners books, or take up their lunch trays.

Featuring tomorrow's actors today

The Drama Club's two productions this year were "I Never Saw Another Butterfly," and "Once Upon a Mattress."

The play "I Never Saw Another Butterfly" was about a young Jewish girl, Raja (portrayed by Greta Neese and Leanna Canfield), who survived the concentration camp, but watched many of her friends and family perish. This was a more serious drama than what the drama club has tried in the past and it out-did the actors' expectations.

The spring musical, "Once Upon a Mattress", a comedy, was the story of the Princess and the pea, with Meagan Paddock portraying the Princess. This comedy was a challenge for the actors because the punchlines had to be delivered at the right time or it would lose its effect. Mrs. Mills commented that the students did an excellent job with the musical.

Next year there will only be one presentation because of budget cuts.

Clubs Bring Together Friends for Student Body

"Behind every good man there is a woman," is a statement proven true by the FJSHS matmaids. This year there were seven matmaids which decreased slightly from the number in the past years. Some of the responsibilities were keeping score, cleaning-up after home meets and after themselves at away meets, and decorating the wrestlers' lockers.

The FJSHS Health Club's purpose is for students to help their community. This year they went Christmas Caroling at the nursing home, sponsored a food drive in December and a blood-drive in March.

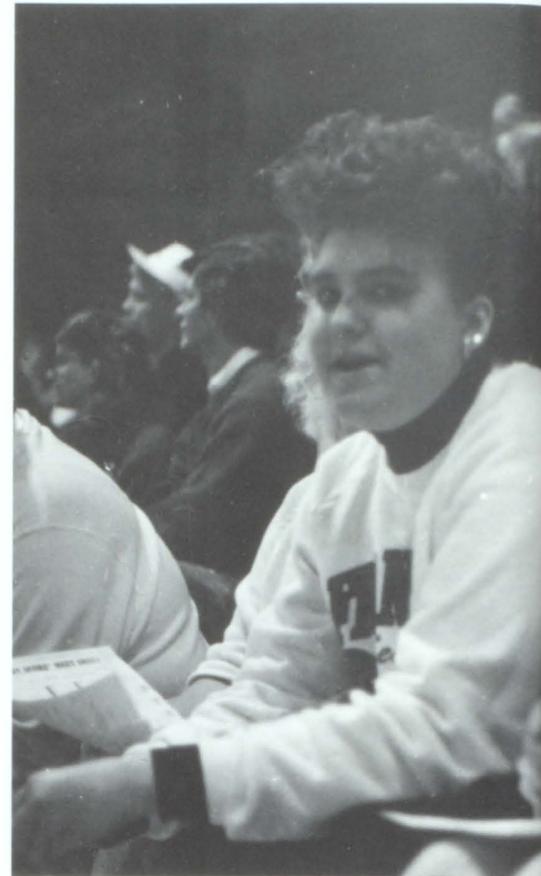

The Honor society consists of the top ten percent of the Junior and Senior class. Mr. Lamaster has sponsored the honor society for ten years.

Back Home In The Dome

The band and guard put in a tremendous amount of time preparing for their '90-'91 marching season where, for the second time, they placed eighth in the state.

The Winter Guard placed fifth at Southport in their winter guard competitions. Their show differs from a marching show because of the music, the atmosphere, and the type of competition.

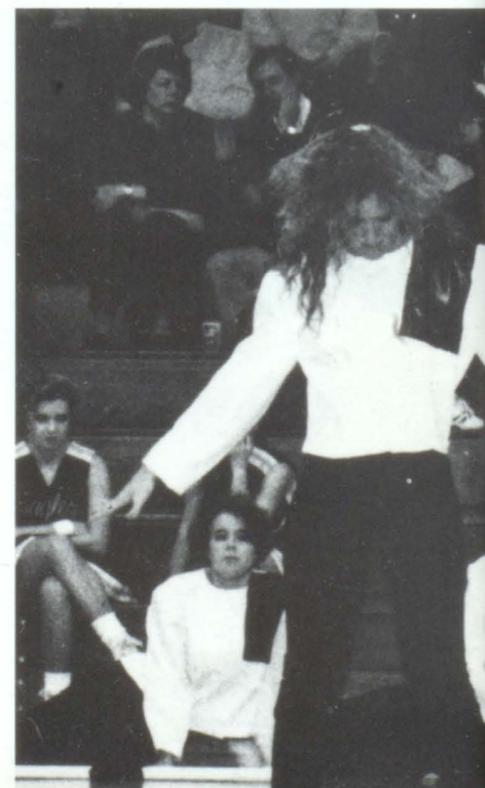

The band also had other obligations such as the musical and variety show to prepare for after marching season ended. Their very last performance of the year was Graduation.

The Sounds That Reach Into The Soul

The FHS Choral Department kept busy during the 1990-'91 school year with numerous performances and projects. One of the highlights was the Frankton Singers with the show choir combined to do a Christmas show at the Paramount Theater in Anderson on December 3.

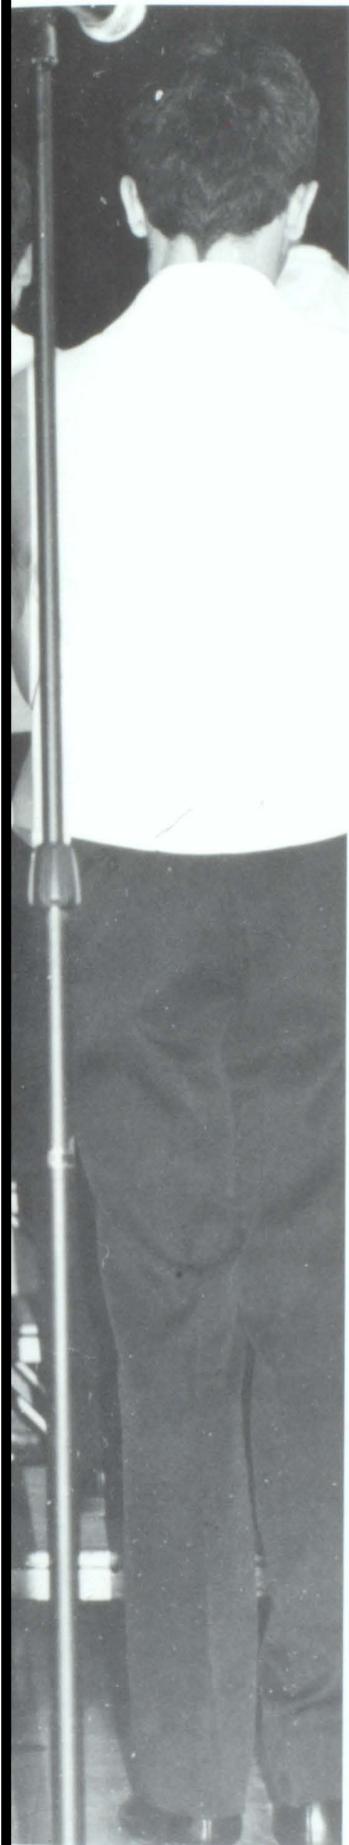

The really big show was on March 21 when Frankton hosted the County Choral Festival. 719 Choral students from eight area high schools arrived at Frankton at 1:30 PM for an afternoon practice and then for THE performance.

The last major event was the Variety Show. This year's theme was "A Rock -n- Roll Oldies Show". All of the choirs pulled out all of their '50's and '60's music for the occasion. This show brought back a lot of memories for the young at heart.

Leanna Canfield accompanied the Show Choir at their Christmas Concert. Leanna has played the piano for many of both choirs' performances.

America's Future Farmers and Homemakers

Members of Future Homemakers of America have been working on a year-long project, a wall hanging. This wall hanging will have the F.H.A. emblem in the middle, surrounded by patches made by each individual. These patches contain a personal interest or hobby. The wall hanging is displayed in room 111 and will be left there so each year, members can add to it.

At competitions around the area, one team, consisting of Brett Canaday, Marc Mills, Mark Drake, and Missy Hiatt placed first at the Rush County competition. The team of Jason Quimby, Rusty Hiatt, Chad Bouslog, and Ty Clevenger placed second.

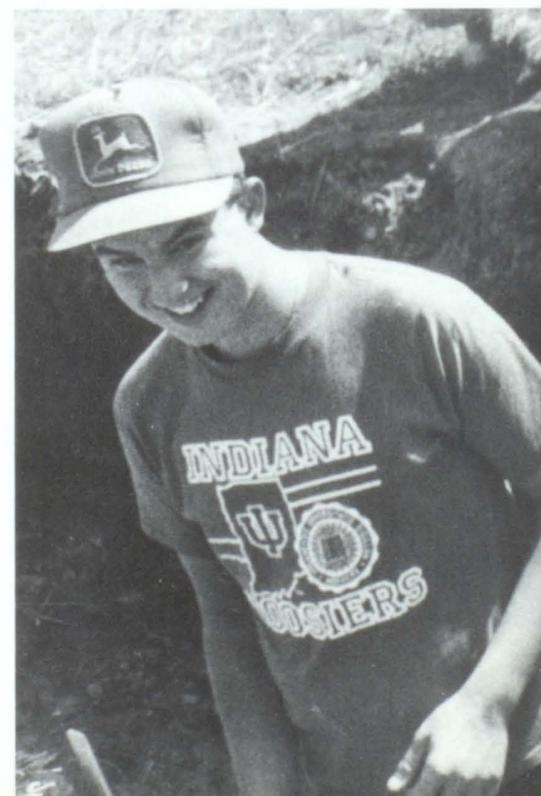

At the 400N and 750W county competition, 23 soil judges represented our school and took the top 23 places. The FFA soil judging team traveled to Oklahoma City to compete in the national competition the first week of May.

Students preparing for the Future.

The Anderson Vocational School electricity/electronic class has studied many new things. They learned what electricity is and what it does. This class also learned how to solve loop equations and exactly how wires are hooked up through different rooms in houses. They ended the year studying how switches are hooked up and how they operate series of lights or individual lights.

Another class offered is graphic arts taught by Mr. Starkey. This class studied how to take, develop, and print photographs. They also learned how to silkscreen t-shirts, glass, and paper.

There were 24 cadet teachers this year, but the next year is in for a change not only in sponsor but in procedure. This is because the requirements are changing to become a cadet teacher. Also one cadet teacher could now work for two or three teachers so that they will have enough to do and will have the chance to actually work as a teacher.

Meeting deadlines equals anxiety attacks

The Journalism class creates two productions for FJSHS, the Eagles Wings' and the Eaglite. The editors were Chris Compton and Megan McDuffee.

The students involved with the class learn to work under pressure to meet deadlines. Along with having to stay on top of their yearbook duties, they must produce a paper about every three weeks.

The grading scale is based on deadlines and whether the students meet them or not. A missed deadline could result in a detention or grade cut.

Some changes are being planned for the following year in the journalism class. The first change occurs with the whole set up of the class. In order for a student to work on the yearbook or newspaper they will first have to take a basic journalism class. This class will teach the basic rules and writing styles for the publications. This is to hopefully insure better and more creative publications.

With the journalism class being only one hour next year the communication problem will be decreased because everyone will be in one class. This year there were problems because the staff was divided between two hours so the news was not always passed from one class to the other.

Student Council Helps Builds Student Morale

The Student Council was in charge of the Sectional Week again this year. They added new days for the week: P.J. day; college, shorts, sunglasses, hat day and rainbow day, where each class wore a different color. They also sponsored the door decoration contest. The winner received pizza and drinks.

On Secretary's Day, they sent flowers to the FJSHS secretaries. During the Gulf War, they put yellow ribbons on all the windows of the school.

On January 22, twenty student council members acted as tour guides for the eighth graders and their parents at the freshmen orientation.

Together At Last Jr. High Student Life

This year, it has taken a lot to get used to people from other schools and high school kids all in the same building.

You probably saw some of us watching the football team win a game or going to Indianapolis to watch the high school band play and march at the state band competition. You wouldn't have any trouble seeing us at one of the high school basketball games or at the Anderson basketball sectional. If we had a name for the jr. high it would be "The Wild Ones!" Most of us like going to and having parties, so that would be the perfect name. To sum it all up the jr. high love having a good time, but can be very serious when they need to be!

Starting At The Top

This year has, like many other years, had many trials and tribulations. To start things off, students in the eighth grade had many opinions on the Gulf War. They also held their own differences on who was better at what. But through it all the kids have worked toward goals of doing the best that they could do. It has shown in the classes and on the playing field. All teams, boys and girls, finished with winning records, while several managed to stay a constant on the Honor Roll. Now as the year is coming to an end, I think all of the eighth graders can't wait till next year when they become the bottom of the totumpole of high school.

Big Changes for Seventh Graders

by William Brasher and Melissa Jones

The life of a seventh grader can be hard, trust me, I've lived it. It's a big change from elementary.

Now you have many different teachers instead of just one. Different teachers have different rules, for example, some teachers let you chew gum and some don't. You also get more homework. One assignment from each teacher can really add up.

Although seventh grade can be hard at times, it can also be fun. You get to go to dances and do other fun things like pep sessions and convos. One of the best things about coming into seventh grade is you get to meet new people and make new friends.

Getting It Together

Jr. High Sports

Sports are a very important part of life here at FJSHS. Over the last few years our school has put together a pretty good athletic reputation due to our great athletes and coaches. Another reason why Frankton has enjoyed such success is the awesome fan support. Many people don't realize how valuable fan appreciation is to a team. Many times a crowd can get a team out of a slump by standing up and showing their support. Just as easily, a team can also be forced to go through a very long losing season because of the lack of crowd support. The way things are going now, all of the FJSHS fans will have great teams to cheer on for years to come!

Jr. High Gridders had up & down seasons

The junior high football teams had very productive seasons. The eighth grade finished the season undefeated with a record of 6-0-1. The team was led by a strong rushing that was anchored by a tenacious offensive line. Defense held the team together in some of the tougher situations that they had to face.

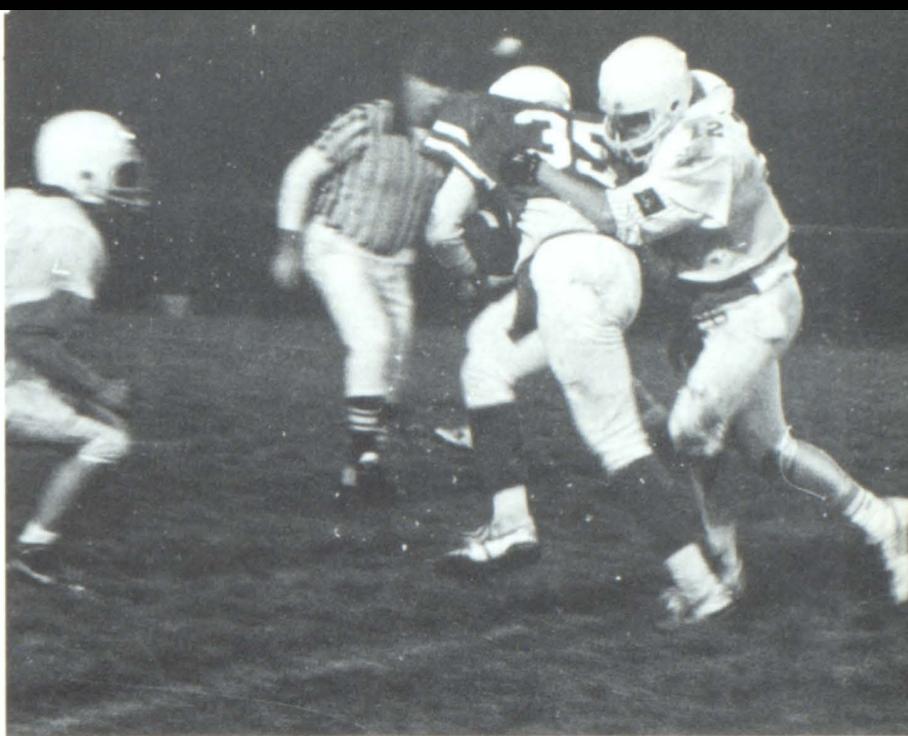

The seventh grade was struck with hard luck. Their ability and determination did not show in their season record, 0-6, but who said winning is everything. The team had some trouble at the beginning of the season, but things slowly began to change. They started coming through both offensively and defensively.

Jr. High Volleyball Teams Have Great Seasons

Most of the girls on the seventh grade volleyball team didn't have much experience. Coach Gara Syverson taught them pretty well according to the players. Syverson told them to set goals for themselves and to work hard to improve their goals all year. All the girls worked as hard as they could and most of them did reach their goals. Their record ended up 6-6 with one tie game. The volleyball team came in second against Pendleton in their tournament.

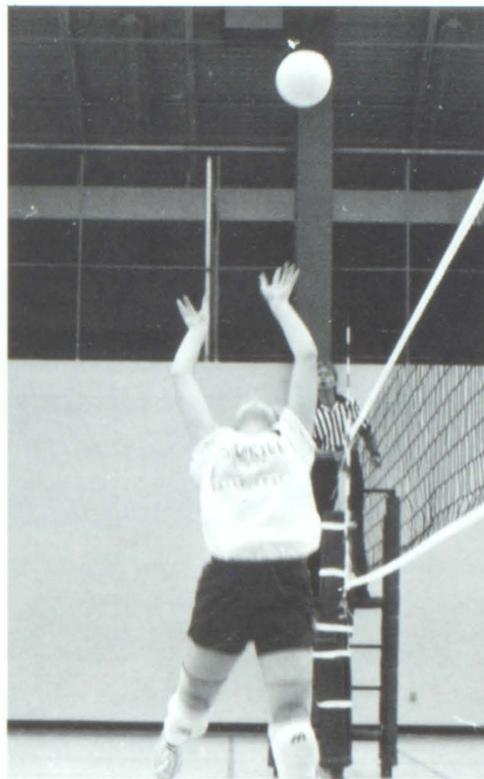

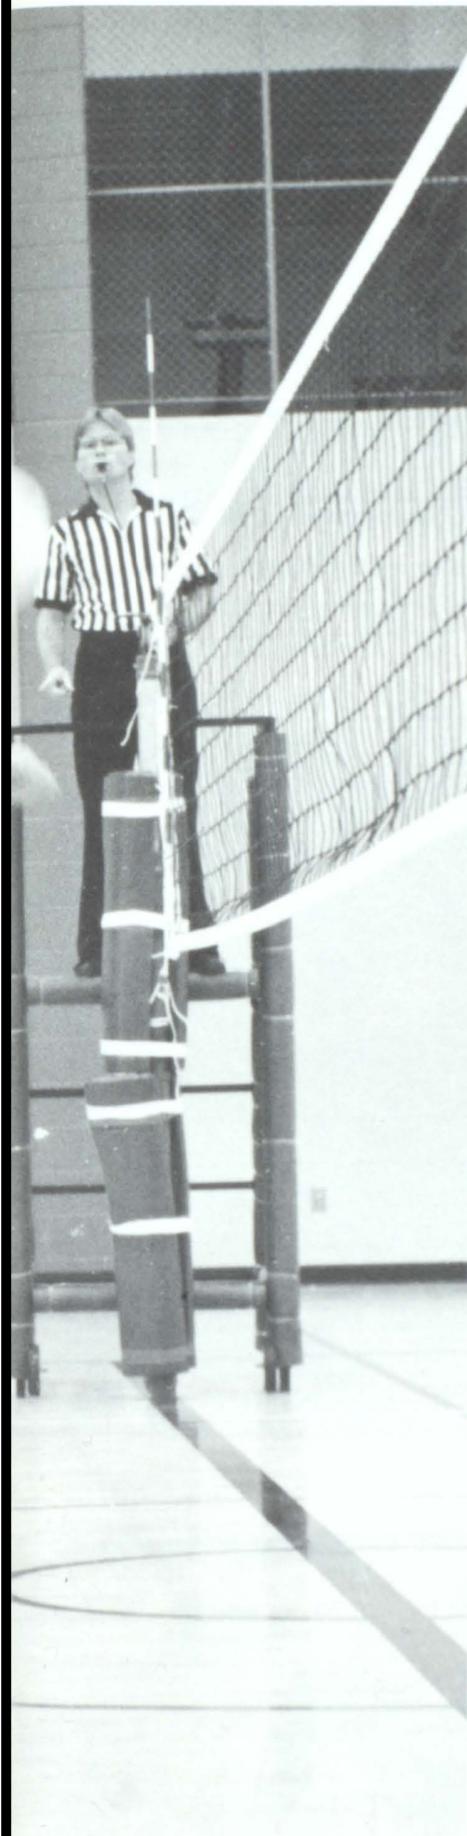

The 8th grade volleyball team had a great season this year with a record of 12-2. The most memorable game was the final game of the Madison County Tourney. Things were going great for the Eagles who played the Pendleton Arabians. The Lady Eagles took charge and defeated the Arabians in the first game with a score of 15-11, but things started turning around. The Eagles gave it everything they had, but lost the second game with a score of 15-10. Now they really had a challenge, they had to play Pendleton one more time. Unfortunately the Eagles had to settle for a second-place finish.

Jr.High runners on the move to a winning season.

The junior high harriers used experience as a key to finish the 1990 season with a winning record.

The boys team, led by Most Valuable Runner Jason Hobbs, finished an impressive second at the Tipton Invitational and claimed the county championship.

On the girl's side, Leslie Benefiel and Andrea Ramsey tied for Most Valuable runner. The girls took third place at the Tipton Invitational and were second in the county.

Running consistantly all year, Wesley Wilson, 7, was one of the top performers on this year's "B" team.

Jockeying for position, Jason Hobbs, 7, holds a slight lead over Troy Davenport, 7. Hobbs was the overall winner at Madison-Grant.

Pins and Wins for Jr. High Wrestlers

The Junior High Wrestling team had a successful season. The Eagles competed in two tournaments, the Tipton Invitational and the Madison County Tourney. The team finished second and fourth respectively. The champions in both tournaments were Chad Barr, Courtney Duncan, Jeremy Fetty, Pat Fetz, and Chris Hanna.

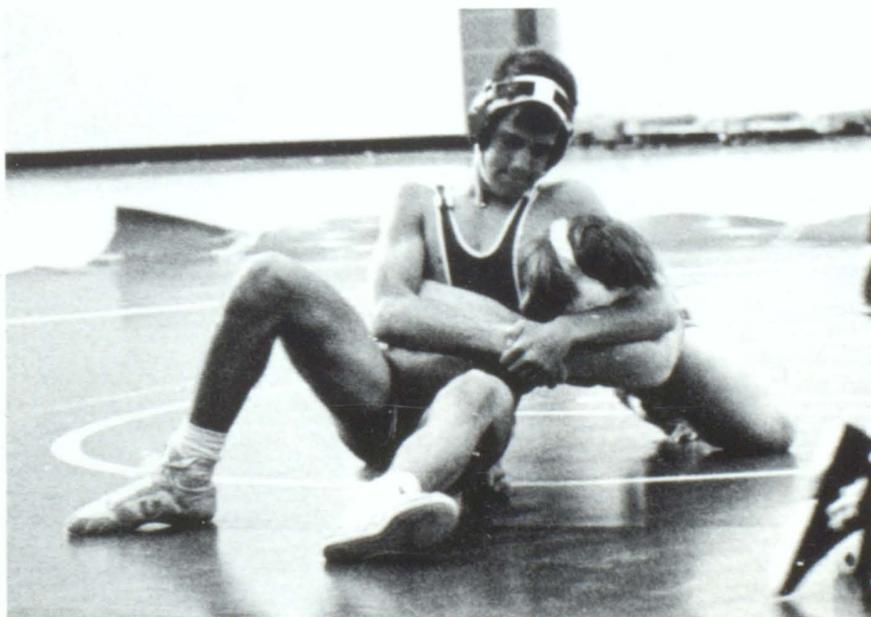

At the Junior High sports banquet, honors went to Chris Hanna for Most Valuable Wrestler with a 14-0 record. Hanna and Jeremy Fetty tied for the Most Pins award and Courtney Duncan received the honors for the Most Takedowns. The team captains were Chris Hanna, Courtney Duncan, and Chad Barr.

8th Grade 1st County Champs; 7th Grade Coming On Strong

The seventh grade game against Wes Del was the most memorable game to some of the players. The first meeting between the two schools ended in total disappointment for the Eagles. Wes Del beat the Eagles by twenty points bringing both momentum and confidence down for the Eagles. But their second meeting was a total turn-around. This time the Eagles came out on top. The night of the game, both teams were pumped up. The Warriors looked like giants compared to our Eagles, but that didn't stop the Eagles from winning. They took charge and ended winners.

The most memorable home for the eighth graders was the game against Pendleton Heights. Both teams were evenly matched, and it showed with scoring and defense. The Eagles beat the Arabians on their home floor. The Eagles made a comeback in the last three minutes to take the lead over again and continued to hold on to it to win the game. Pendleton struggled and had a chance to win not once, but twice. The Arabians missed two key free-throws and a last second shot. This was both an emotional and physical win for the Eagles.

8th Grade Ladies Romp to 12-2 while 7th Graders Struggle to 3-7

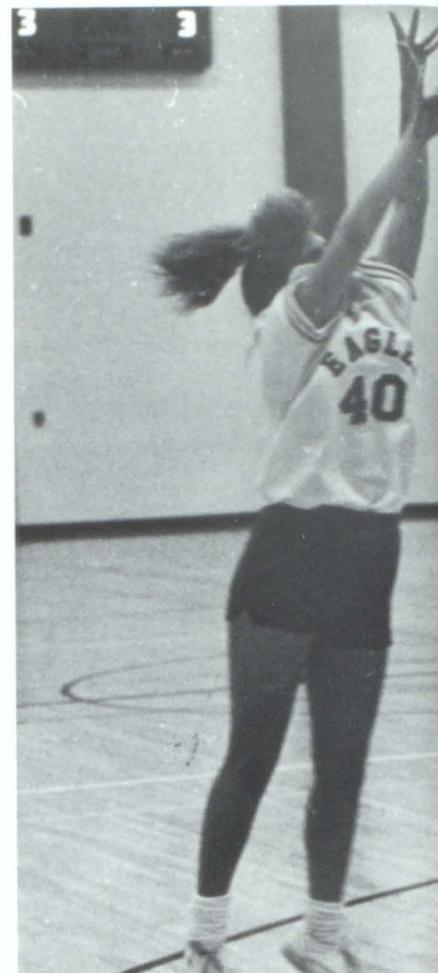

The 1990-91 Jr. High girls basketball seasons were seasons of ups and downs. The 7th grade did not have an excellent season, 3-7, but were not disappointed with the progress they obtained throughout the season.

The 8th graders had an excellent season with a record of 12-2. They also won the Elwood Invitational and got runner-up to Pendleton in the Madison County tourney. Pendleton was also the only team to have beaten them during their season.

Running Their Way to the Top

Jr. High Track had a plus .500 season with a boys' record of five wins and only four losses, and a girls' record of six wins and three losses.

The highlight of the season was when the boys won the Yorktown Invitational. Spectators who witnessed the victory said it was the greatest. The girls also achieved their goal by placing first in the Madison City Meet.

At the Jr. High Spring Sports Banquet, Honesty Hart was named Most Valuable Team Member for the girls' team and Chris Hanna received this honor for the boys' team.

Fire Up Eagles!!

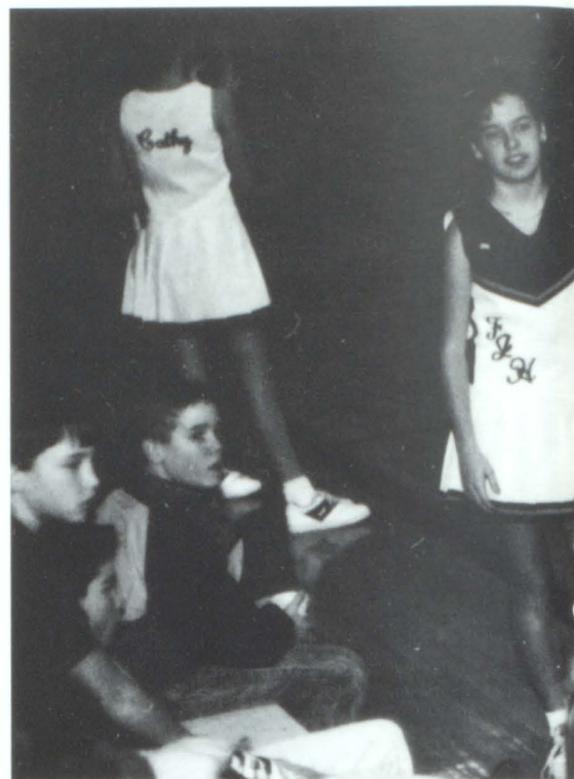

This year's junior high cheerleaders were chosen by a selected panel of judges including last year's varsity squad. The eighth grade tried out during the spring of their seventh grade year, while the seventh grade tried out last fall. Each of the two squads contained eight cheerleaders. The eighth grade cheerleaders cheered for both seventh and eighth grade football teams and for basketball along with the seventh grade squad. The eighth grade cheerleaders purchased uniforms for football and basketball while the seventh grade only purchased uniforms for basketball.

The cheerleaders also decorated the players' lockers before some games and tourneys. The junior high cheerleading sponsor was Mrs. Heath.

Enthusiaism pays off for the Jr. High Band

This year's Jr. High band grew to 93 members. This is the largest the band has ever been. Mrs. Shipley describes her students as being enthusiastic and enjoying playing exciting music.

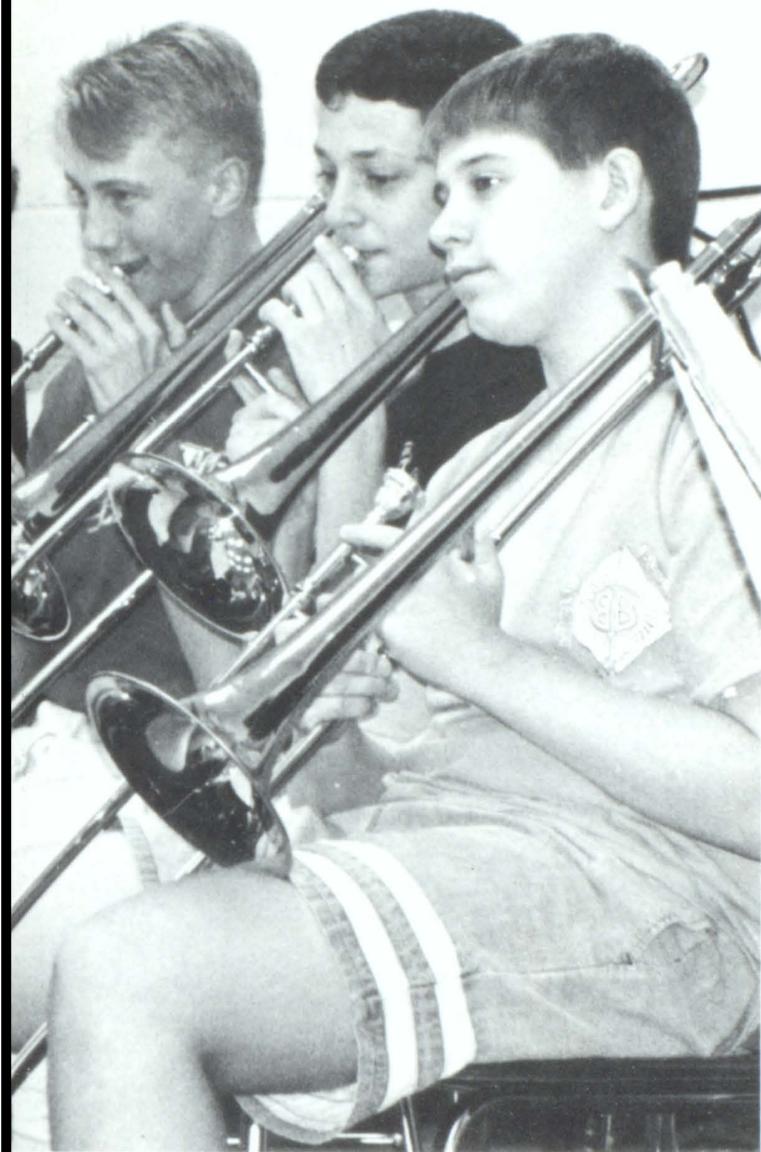

The band had three performances this year. Their first was the Christmas concert, the second was in March where only the band performed. The last was the Variety Show where the percussion section danced to one number and the whole band did the bunny hop to "Bobby Sox Saturday Night," while the high school band played.

Lastly the eighth graders played with the high school band for graduation. This is to help prepare the entire band for the new freshmen that will be marching in the band next fall. This also gives the new freshmen a chance to meet the upperclassmen.

Jr. High Choirs masters of performance skills

This year the Jr. High Choir was so big that it was divided into two class periods. Mrs. Burgess taught second hour while Mr. Cecil taught sixth hour.

The choir had two performances. The first was the Christmas concert and their last performance was the Variety Show where their surfing and dancing numbers were a big hit.

Mr. Cecil said that the Jr. High drives him "crazy", but they work hard and do a great job every time they perform. He said that the show choir will hopefully improve as the Jr. High become high school students and bring with them everything they were taught in Jr. High.

The Jr. High Choir is the beginning for all the choirs. The class is designed to teach the fundamentals to the students so that if they try out for Show Choir or one of the other choirs, they have mastered the basics.

I Love You

I love you because you treat me so well.

I love you so much because when I am sick you make me well.

There are so many memories that a mother and daughter share.

I can tell from the things that you do that you really do care.

You were the one who brought me to life.

That hoping someday I can share a family and be a great wife.

You were the one that cried with me when something was wrong.

That's why you are my only and special mom.

You were the one who shared my laughter.

You were the one who shared my tears.

That is why with a mother like you will share my life for many more years.

Graduation

The grief I feel at graduation,
Knowing many-a-friendship will end in
separation.

You'll go your way and I'll go mine,
leaving our friendship far behind.
You'll go to the college of your father's
dream,
I'll stay here working on a blue-collar
scheme.

Then one day our paths may cross,
And we'll make up for the times we've
lost.

This poem is dedicated to all of my
friends,
Who have put up with me from start to
end.

David Johnson '91

Love Hurts

*Have you ever liked someone and thought he didn't care?
Have you ever felt like crying, but knew you would never
get anywhere?*

*Has he ever held you in his arms and said he really cared?
Have you ever fallen in love and hoped he wasn't just
using you?*

*It isn't easy being in love, it can cause a heart to break
in many different ways.*

*It hurts so much that when it starts you wonder day and
night.*

*You feel you're losing no matter what the fight.
So I say if you fall in love, you'll hurt before it's through,
because you see... I should know for*

"I fell in love with you!"

Katie Kuhns '92

That Awful Day

The day we broke up,
Was the saddest day of my life.
I said there was no more hope,
But you didn't give up without a
fight.

Now, because of that day,
My life is miserable.
I sit and cry almost every night
Because we always end up in a
fight.

I try to explain,
But you just don't understand.
Now I wish we could walk
together again, hand in hand.
Whether you could believe it or
not,

I could really truthfully say,
We would be together forever
and a day.

ANGIE

Where do I start
And how do I begin?
Let's start with that you're
my very best friend.
Our thoughts and actions
fit like a mirror.
If it wasn't for you, things
would never seem clear.
The messes we get into and
the things we have done,
There hasn't been one
minute we didn't have fun.
You know my secrets and
my most inner thoughts.
There hasn't been a time
that we've fought.
You've sat and listened
about my many men,
And I've sat through all
your one hundred and ten.
With you I've had some of
the funniest times.
Like being flirtacious with
all those slimes.
Really the fun has just
begun,
And everyone'll remember
the things we've done.
Remember all the good
times we had.
Can't be good -
Always being bad.
I'm gonna miss you when
I'm gone,
But the memories will go
on and on.
Isn't it funny how this
could be,
I found someone as crazy
as me.
Hopefully Ang, we will
always stay friends.
But somehow I know we
will. A friendship like
ours could never end.

Death of an Outlaw

Silence is broken as the shots rang out.
The outlaws ride in, leaving no doubt
Deserted streets, where tumble weeds blow.
But someone will die as their blood will flow.

Women and children will hide and pray,
As death comes to town, this fateful day.
They show no mercy for man nor his wife
As their smoking guns snuff out another life.

Outlaws and rustlers with death on their mind.
Some ride away, others the posse will find.
Their days are numbered with only a few.
Bullets will strike when their time is due.

At the end of the street the gallows stand
As the rope is fitted over a faceless man.
His body swings, snapping his neck like a twig
While far on boot hill, the gravedigger digs.

Jeff Johnson '92

A Friend

You are always there for them.
But where are they when you're in need?
They are always too busy or have some other note to read.
I don't think this pain will ever go away,
Maybe it's the things I do, or maybe the things I say.
I'm tired of always being talked about,
and hearing things I've supposedly said.
If they were really my friends they wouldn't talk about me,
I think that's kind of red.
But maybe I don't need them and I should just go on.
But where would I be without my friends?
most likely gone.
I always wonder whether you're my real friend or not,
Maybe I should just be thankful of the few good friends
that I've got.
I'll always remember the good times and try to forget the
bad,
And hold on to the memories of the friendship that we once
had.
I'm wiping away the tears that have been falling for such
a long time,
So goodbye friend, and the next tear that falls I'm glad
to say won't be mine.

You Can Count On Us

It takes more than just the obvious time and devotion to produce a yearbook. It also takes a lot of financial support from advertisers and subscribers. Without your help, the production of our yearbook would not be possible.

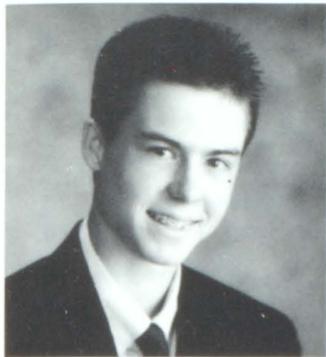

So, to those who have contributed financially we thank you. You have encouraged us and intensified our spirit tremendously.

To our advertisers, we hope through our publication we have helped your business prosper.

A special thanks to the parents who purchased a senior ad. The response was awesome. This support shows us that you are behind us and your children all the way. Thank you so much.

Again, we thank you all for your support.

A little class goes a long way.

All the way to Indy as a matter of fact. That's where these kids visit the Ruth Lilly Center for Health Education to learn about their health and well-being. § Creating this annual field trip for all Madison County fifth graders is just one of the ways we're celebrating our centennial. Providing business scholarships to area Anderson University students is another. § We thought we'd toast our first hundred years by investing in the next hundred. Helping our children grow strong and wise seemed the best way to do that. § Public service is pretty much second nature with us. Keeping our community vital is good business.

...but We Leave as Eternal Friends

In commencement services beginning at 2:00 p.m., Sunday, June 2, the class of 1991 was officially graduated from Frankton. In the 93rd annual graduation, 105 seniors participated in the ceremony.

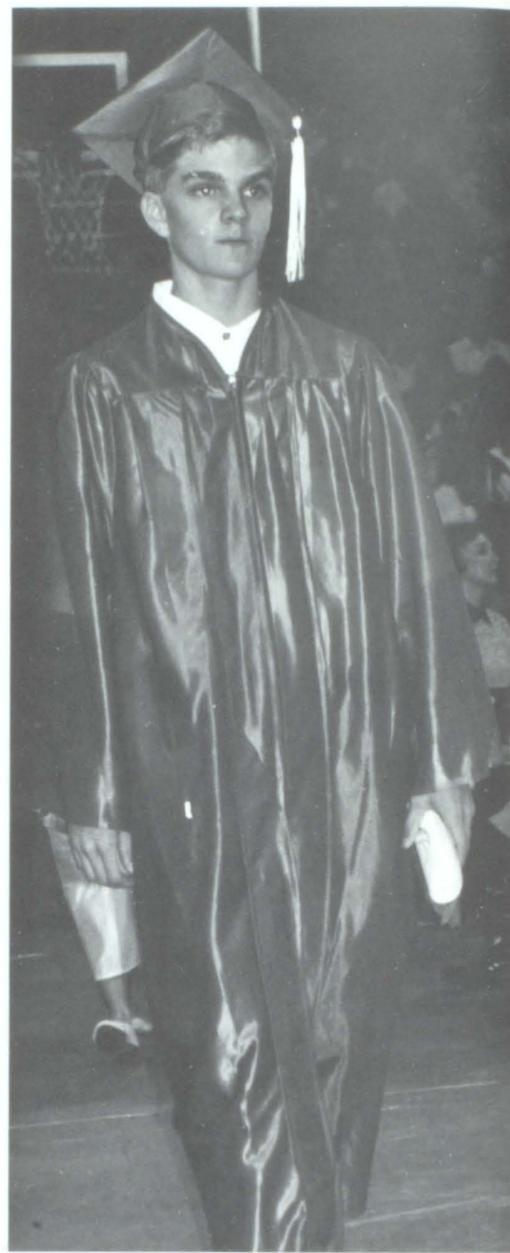

Jeff Geller, Valedictorian of the class, graduated with a perfect 4.0 grade point average. Keith Parsons finished a close second to take Salutatorian honors. Greg Wright, the third ranking senior, Meagan Paddock, fourth, and Brian Maryan, President, joined Geller and Parsons on the stage.

Paddock opened the ceremony with the invocation, and Wright closed with the benediction. Maryan, Parsons, and Geller all made speeches to the class and audience. Each hit the good points of high school, and gave advice on how to be successful in life. Mr. Dickison, Superintendent, also spoke to the class about his ideas on success.

Each graduate received their diploma from Mr. Dickison, and as the Superintendent declared the seniors graduates of Frankton High School, each senior changed their tassel, signifying them official graduates.

Under The Big Top

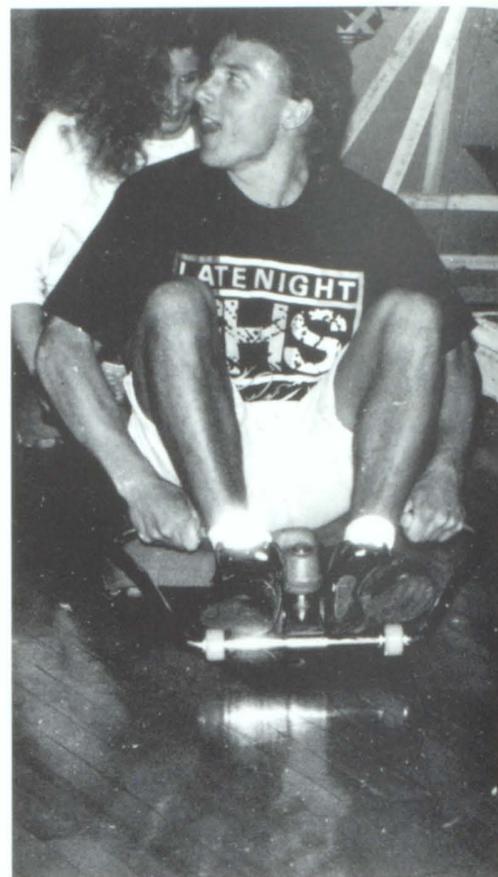

"Under the Big Top" was the theme of the 1991 post prom party from 1 to 4:00 a.m. May 5, in the Eagles' Nest. Upon first entering, guests were stunned by a maze that was immaculately decorated and complemented by strobe lights. After you broke through all of this, guests were greeted with a carnival-like theme. To go with the circus-like theme, a wifful and interesting clown show was performed. Free food and beverage was provided for everyone who attended.

One of the main attractions of this year's post prom was the dunk tank. This gave everyone the opportunity to pay their teachers back for all of the homework and quizzes, by putting them in the drink. The "Moon Walk" was another popular attraction that most people enjoyed. Although tiring, it was very fun. Along with these fun attractions there were many more such as a scooter race, a pop-a-shot competition, and putt-putt, just to name a few.

"Under the Big Top" was a safe and fun way to party after prom. It was free and provided lots of excitement.

The story of the year past

At age 43, Nolan Ryan still throws as hard as players half his age. He holds more than 40 major league records including an unprecedented 7 no-hitters.

Sinéad O'Connor has topped the charts with her hit single, "Nothing Compares 2 U." Sinéad won the 1991 MTV Video Award for Best Video of the Year by a female artist. O'Connor then stirred up controversy by refusing to have the National Anthem played before her concert.

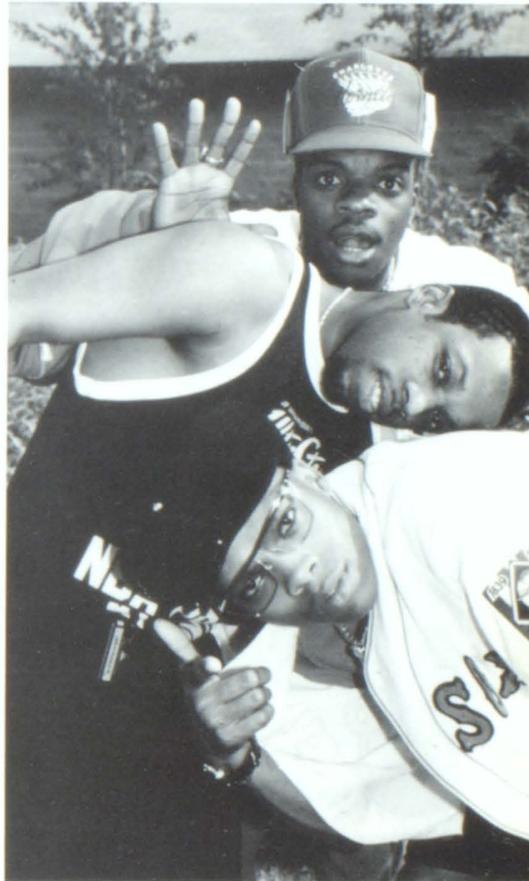

At a rally for Jan Opletal, a student killed by Nazis 50 years ago, demonstrators were marching to Wenceslas Square when police attacked them with tear gas, dogs, and clubs. These demonstrators demanding an end to Communism lit candles and placed flowers on the bloodstained sidewalks to show their persistence.

Jim Henson was a puppeteer who created puppets that will live forever. On May 16, at 53, he died of pneumonia. Some of his famous puppets are Kermit and Big Bird.

Bel Biv DeVoe rolled into the music scene in a big way this past year. Their album "Poison" hit the charts near the top, and their other hit, "DoMe" is a best seller.

The United States reacted immediately to the Iraqi invasion on Kuwait by building up the U.S. forces to well over 100,000 troops. Other nations sent troops or helped financially.

Saddam Hussein, President of Iraq, invaded Kuwait August 2. He now faces the mass problem of clean-up, along with the rebellions against him in Iraq.

THROUGH THE EYES OF LOVE

It was a magical setting. A tall castle, a blue sky, balloons covering the floor, and lights in all the right places. That was the scenery for the 1991 Prom. The theme this year was from the hit movie, *Ice Castles*. "Through the Eyes of Love" was a very fitting theme for this year.

The entrance to the school was decorated with blue streamers and a border resembling small castles. While some people were dancing the night away, others were waiting for their pictures to be taken in front of the castle gateway decorated with tinsel, balloons, and a blue background.

At 11:30, the King and Queen candidates were announced. This year, Chad Bouslog and Greta Neese were the prom king and queen. Their court was Eric Crisp, Greg Granger, Doug Scott, Chris Hatzell, Bridget Dearing, Cathy Stigall, Tiffany Guthrie, and Lisa Stahl. After the crowning, the King and Queen danced to the theme song and were later joined by the rest of the court and guests.

♪♪ A ROCK AND ROLL OLDIES SHOW ♪♪

For a little variety, the 1991 Variety Show was set back to the 1950's and '60's. The theme was "A Rock and Roll Oldies Show". The scene was set as if you were at the "American Bandstand", featuring Ryan Priest as the host. Ryan kept the crowd entertained with lame cow jokes and oldies music between acts.

The Band started the show by playing an old tune known as "At the Hop", while members of the Junior High Band and Mrs. Shipley did the Bunny Hop around the gym. Next, the Show Choir added some hit tunes like: "Silhouettes", "Don't Be Cruel", and "Trickle, Trickle". The singing and dancing continued as Beth Bourff, Kathy Nichols, Marla Epperly, Misty Phillips, and Billy Jenkins sang solos.

The Junior High Choir continued to keep the beat with a number of Surfin' tunes. While one half of the choir sang the songs, the other half showed off their dancing techniques. Mr. Shipley added a big surprise to the audience when he threw clothes over a back drop, and appeared as the girl in the song "Itsy, Bitsy, Teeny, Weeny, Yellow Polka-Dot Bikini, That She Wore for the First Time Today".

Mr. Shipley wasn't the only surprise. Mr. Cecil and Mrs. Shipley impersonated Sonny and Cher, singing "I've Got You, Babe." The evening came to an end as the Show Choir performed one of their Choral Selections "Bridge Over Troubled Water."

Well, that was it. It wasn't easy and it took up a lot of time, but it was worth it. The yearbook taught me responsibility and how people really work when it comes right down to getting the job done.

First, I'd like to thank a few people who, without them, I'd still be working on putting the Eaglite together. These people put in extra effort and time to stay after school on Wednesdays and many days in June after everyone else was on vacation. Thanks Kitty Barnett, Kara Anderson, Cindy Springer, Michele Pickett, Becky Clouser, Tammy Heller, Chris Compton, and Christy Quear. You all helped me in more ways than just putting the yearbook together. I'd also like to thank the junior high students who did all the dirty work. Writing junior high stories and putting junior high names to junior high faces were just a few of the jobs they did for us. Thanks Michael McDuffee, Melissa Jones, Jessica Hahn, Mike Lawson, and William Brasher. You guys showed the dedication that some of my staff did not. I hope you all decide to stay in journalism. We need you.

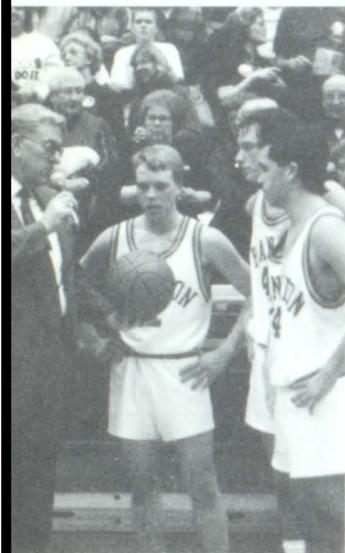

And last, but definitely not least, thanks to Mr. Sipe for cooling me down after a day of rushing around finishing deadlines and keeping me calm when I thought we wouldn't make it. A special thanks also to my mother who came in after school was out to help on index and bringing in food for our starving bodies.

I hope you all enjoyed the 1990-'91 yearbook.

Sincerely,

A handwritten signature in cursive script that reads "Megan McDuffee".

*We that were once children are now grown.
 We start through the world of the unknown
 Slowly, but surely our steps turn to strides
 And through our fingers immaturity slides.
 We turn once more to look at our past,
 For we know this look will be our last.
 Our future awaits us to the doors outside.
 Our last day as students at Frankton High.*
