Travelers

During the summer eleven members of Mrs. Jane Tracy's Spanish classes and several chaperones visited Spain for a ten day visit. The group landed in Madrid on June 11. While visiting this beautiful country, they went to many different places and saw many fantastic sights.

In Madrid the students took a bus tour of the city and visited El Pepe, a well known restaurant, and watched flamenco dancers. Last of all they visited the Valley of the Fallen, a war memorial built by Francisco Franco to honor the dead from the civil war. After three days in Madrid the

group took a train to Barcelona which was their next stopping place.

At Barcelona the travelers visited the Olympic Stadium and the Olympic Village. They also went to several museums which displayed Spain's culture. Before leaving Barcelona, the group visited Montserrat which is famous for the Black Madonna, a well known sculpture.

After visiting Barcelona, they went to Valencia which is known for its citrus products, and they visited the Roman ruins near Segunto. They flew back to the United States after ten days of Spain's culture.

FESTIVAL

Assisting with a fund raiser for the girls' basketball team, Alicia Richwine and Carrie Stewart sell raffle tickets at the festival information booth.

During the festival Julie Gosnell awaits to be dunked in the police dog dunking booth.

Excitement

Every year at the end of the summer the Glass Festival is held at Callaway Park. The festival offers a multitude of craft, different foods, various booths, and a place to meet friends. Along with the Glass Festival the carnival arrives with a lot of fun things to do such as the exciting rides and many fun filled games. The Glass Festival and carnival was held at Callaway Park August 18th to the 20th.

E.C.H.S. held activities along the Festival midway to help raise money for various sports needs. Raffle tickets were sold at the information booth by the girls' basketball team. Members

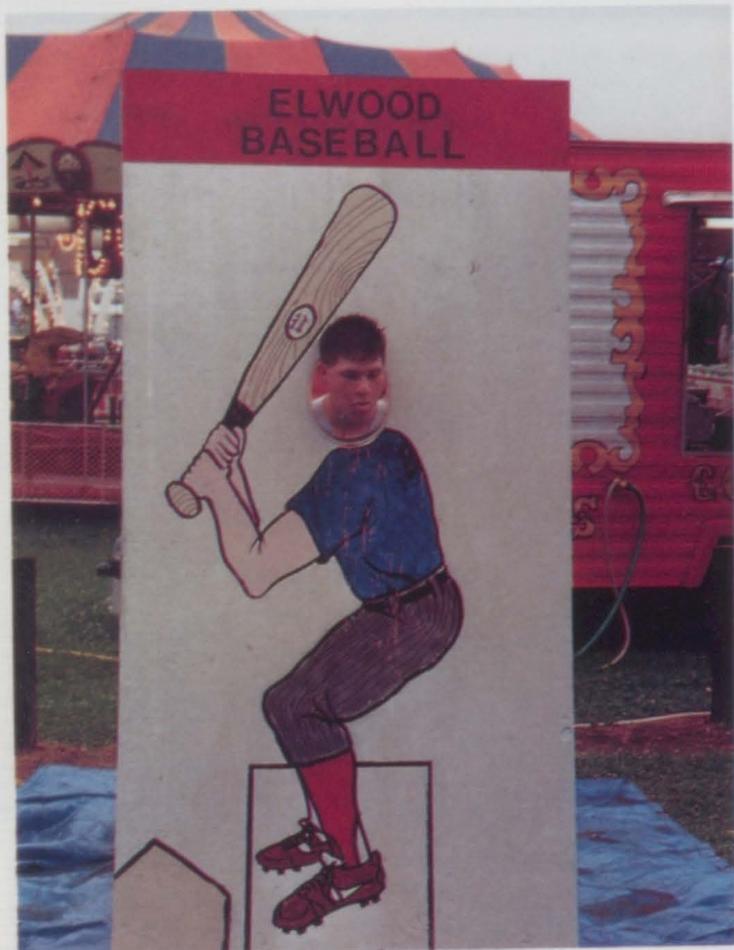

of the baseball team sponsored a wet sponge throwing booth where the team members were tortured by wet sponges all day. The Elwood Police Department held a dunking booth to raise money for the new police dog. A few members of the volleyball team assisted by sitting in the tank of water waiting to be dunked.

E.C.H.S. students like the Glass Festival because it is a social event. Jenny Leisure said, "The Glass Festival is usually an exciting night out before we go back to school. I love the greasy foods and learning the newest gossip."

Participating in the festival activities, Scott Alexander aims for the target at the dunking booth.

While at the Glass Festival Ashley Walker and Heather Scholl stop to chat while walking on the midway.

Awaiting a wet sponge to be thrown at the baseball team's booth, Bryan Boston expresses great anticipation.

Ready to dunk someone at the dunking booth, Justin Moore starts his throw.

COMPETITION

Highlights

There are many ways an athletic team prepares for the big day of competition: running, lifting, swimming, team talks, and instruction. Athletes spend most of their evenings after school preparing for the competition. Every coach has his/her own way to prepare his team.

A day of competition is a long day for athletes, beginning with getting up very early in the morning to arrive at the school on time. Everyone may bring along ice, fruit juice, a change of clothes, and first aid supplies. The team has to board a bus or van to travel to their destination. After they have arrived at the school, they warm up, stretch out, and familiarize

themselves with the course.

"I like competing athletically because it gets me in shape, makes me feel great, allows me to make friends, and is fun," says **Holly Huffman**, a member of the cross country team.

"I compete athletically because I like the competition! I like working hard and improving, being in shape, and competing with friends," commented **Stephanie Bailey**.

When the competition begins, the athletes work very hard. Everyone supports the team, and they get involved. Competition is an accomplishment for any team member who competes, and after it is over, the teams congratulate each other.

At the end of the competition, the cross country runners congregate at their campsite to share congratulations.

After running in the 4000k race, junior **Shawna Duffitt** rests peacefully.

Overly exhausted after running at the CIC, Coach Brian Kirkwood checks Jenny Leisure's pulse to make sure that she's medically okay.

Showing emotion, runners H. Huffman and H. Chandler congratulate each other after improving their times in the 4000k race.

First place runner, Adrienne Gough, and fifth place runner, Jerrico Planalp, take a break to converse about their competitive efforts.

ENCOUNTERING

A New Tradition

The 1994-95 prom, which was held on April 29, 1995, was a success for the class of 96. It was a new tradition for all of the students who attended as the prom was held at the Hotel Roberts in Muncie. Ushers welcomed couples as they arrived. Dinner was served at the prom for the first time. Following dinner, couples had their pictures taken in the lobby and moved to the ballroom where the couples danced all night. When students entered the ballroom, they were greeted by an ice sculpture of a swan. This year's array of colors were gold, teal, and purple. The tables were decorated with theater masks, which were designed by members of the prom decoration committee, and an assortment of colored beads. One

tradition that has been the same for many years is the crowning of the king and queen. Alicia Richwine and Andy Dockery were presented as the 1994-95 Queen and King. The king and queen court consisted of Michelle Croy, Sabrina Wheeler, Anna Sattler, Brooklyn Spangler, Justin Finton, Dirk Ryan, Brent Scott, and Tadd Miller. Toward the closing of the prom, the couples participated in the annual garter ceremony. Many meetings took place this year with school officials, members of community, and members of the class of 96 to approve having the prom in Muncie. The class of 96 worked very hard to make it a special and elegant evening for everyone. A new tradition for future proms has begun.

As the prom came to an end, the prom court assembled together in the ballroom after the crowning of the king and queen.

Strike Up

The Band

Performances, competitions, musical experience, and comradeship have been the gains for the members of the Elwood Panther band. Band camp, which was held on July 24-29 at Concordia Theological Seminary in Ft. The marching season involved class C competition

at the New Castle Chrysler High School Invitational, 3rd; Ben Davis High School, 3rd; and the ISSMA district competition, 2nd rating. Elwood hosted the Heart of Hoosierland Classic which involved nine high school bands.

The pep band added spirit to all the home basketball games as well as the playing of the national anthem. To end the year the band performed several selections at the annual variety show.

The Panther band members play the school song at a recent pep session to get the crowd "fired up."

Preparing for the Homecoming parade to begin, Elwood's drum major, Melanie Smith, leads the band in some warm-up music.

Krista Stafford, a second year band student, plays her clarinet in the Homecoming parade.

At the Frankton varsity basketball game on December 17, pep band members, Jimmy Vest, Amanda Wingrove, and Seth Alexander, display their Christmas spirit.

Making

the Grade

Eighteen juniors and two foreign exchange students were "tapped" on February 24, 1995, into the National Honor Society. In order to be a part of this organization, a junior or senior must have a minimum of a 3.5 G.P.A., be active in community involvement, and present time and effort in extra curricular activities. A committee composed of eleven teachers selected the students who would best represent the organization.

Following Tap Day, the formal induction service, sponsored by the Lions Club, was held on March 14, 1995. Dinner was served, and the new members received their letter of membership. After the dinner there was a candlelight service held in the auditorium. The seniors were inducted as members into Honor Society and received their pins while the juniors were inducted as provisionary members into the society.

Academic

Activities

Elwood Community High School offers a diversity of classes which require special projects as a part of the curriculum. Mrs. Anna May McQuitty's gifted and talented art class covers a variety of projects. Projects completed throughout the year include animals in art, black and white photography, silk screen printing, clay works, super graphics on walls, and 20th century painting.

Fifth Place

In State Competition

The Ameritech Hoosier Academic Super Bowl state meet was held on April 29, 1995. The Indiana Association of School Principals presented the 9th annual meet. This was the first state meet that Elwood's academic team has competed in. The fine arts team consisting of Tadd Miller, Jan Schwarz, and Heather Towle concluded the meet by finishing 5th in the state with a score of 18. The team was one point away from

tying with three other teams.

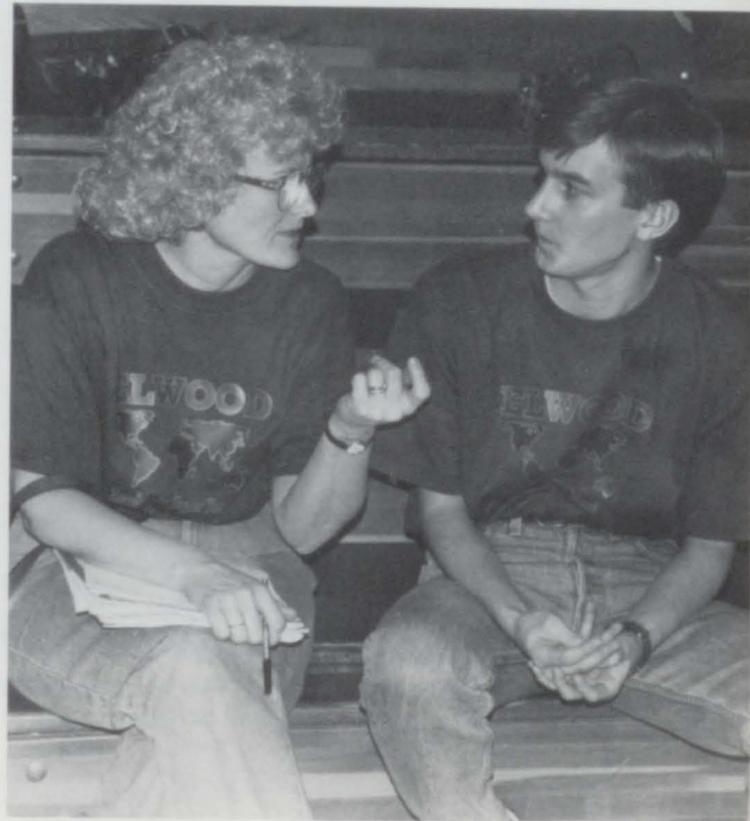

Other academic team members were Brandon Seastrand, Veronica Trujillo, Scott Savage, Rachel Johnson, Merrilee Garner, Kristin Robinson, Kristina Abernathy, Brooklyn Spangler, Perry Trowbridge, Phillip Miller, and Jennifer Leisure. The teams receiving a first place rating in regular season were math, fine arts, and social studies.

"This year our two applied economics classes have been very successful and a joy to work with. They have met their challenges and have learned a lot about economics and the reality of life itself. Hopefully, what they have done in this class will be of much benefit to them as they venture out on their own."

-Mr. Bomholt

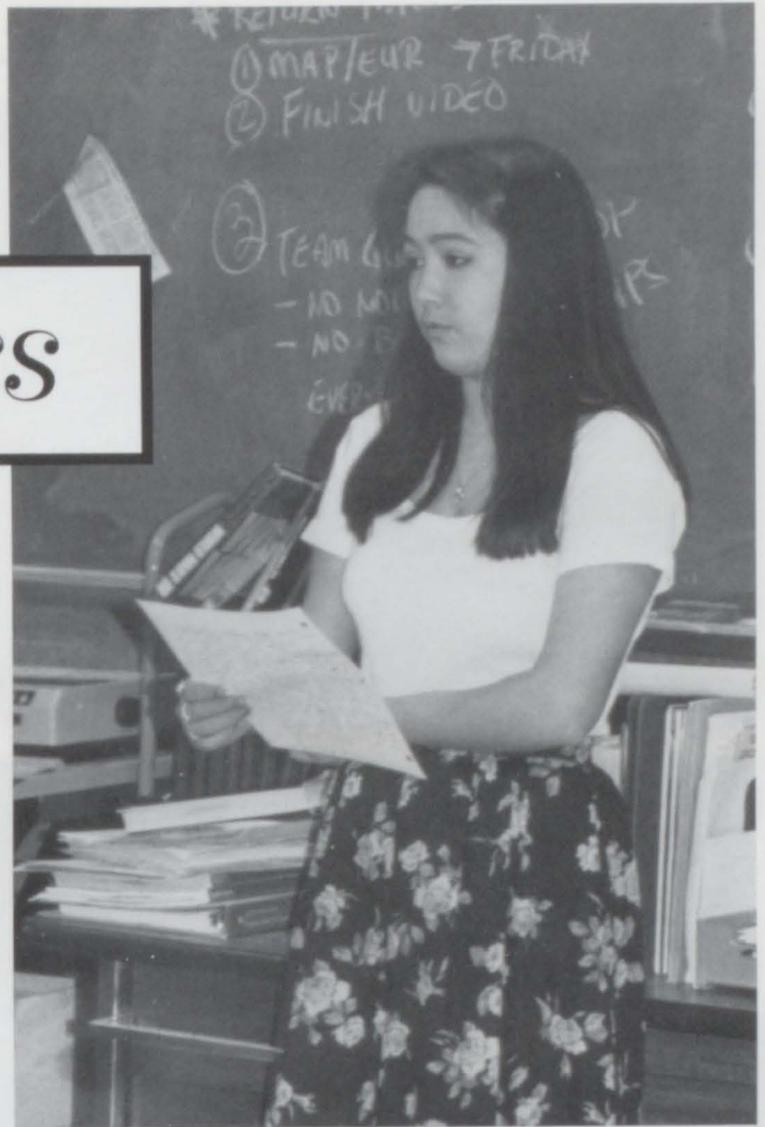

Applied

Economics

The economic business classes, conducted by **Mr. Michael Bomholt**, were very successful this year. The first class, Vision Enterprises, sold bandanas for \$3.00 and scrunchies for \$2.00. Their goal was to sell 200 scrunchies and 300 bandanas. The goal was met with all of the students investing hard work. Students spent time after school and on weekends to reach the deadline of December 15. The profits from the sales were donated to a needy Elwood

family and Kyle Rodriquez, a cancer patient.

PHF Products was the second class. This class sold personalized calendars for \$3.00. Their class goal was to sell 300 calendars. **Mr. Bomholt** felt the calendars were a first rate product. The calendars were advertised by commercials, announcements, flyers, and radio announcements. The balance will be donated to the "Welcome to Elwood" sign and to Kyle Rodriquez. The companies not only sold great products, but they also helped the community.

Showing the business class members the PHF Products fliers, **Melanie Smith** explains how they were made.

Michelle Croy presents her monthly marketing report to class members at a board meeting on the Panther calendars.

Mr. Dick Lofgren congratulates **Mike Richards** on the successful sales campaign of the PHF Products calendars.

After lunch students went to the city hall where they were assigned their jobs and responsibilities. Official positions were Darcie Courtney, mayor; Rob

Exchanging Cultures

For the 1994-95 school year at Elwood Community High School there were five foreign exchange students: **Jan Harwerth**, **Jan Schwarz**, **Liisa Rouvinen**, **Sabrina Mossmann**, and **Veronica Trujillo**.

Jan Harwerth is 17 years old and from Germany. His host family was Bill and Carrie Brumett. **Jan's** favorite class was machine shop because they don't have those kind of classes in Germany. Even though he played tennis and ran track, he likes to play all different kinds of sports, work on the computer, and listen to music. His favorite restaurant food is from Dairy Queen and Steak 'n Shake.

Also from Germany is **Jan Schwarz**. He is 17 and lived with Jeanette and

Richard Merritt Retires

After 38 years as an educator in the Elwood school system, Mr. Richard Merritt is retiring. Mr. Merritt has served as a sixth grade school teacher, a seventh and eighth grade science teacher, the Elwood Junior High School principal for 13 years, and the Elwood Community High School principal for one year. However, during the last 15 years he has served as the superintendent of the Elwood School Corporation. Mr. Merritt graduated from Elwood Community High School in 1952. He later graduated from Ball State University with a bachelors degree in science, and in 1963 he received his masters degree in science.

When asked what he felt were his most successful accomplishments, Mr. Merritt informed us that there were several. He listed opening new buildings, especially on the secondary level; keeping class size down; developing new programs to discourage the use of drugs and tobacco, improving attendance; and offering the school as a community center by allowing it to be open to the public. However, Mr. Merritt stressed, "I expected no thanks;

I only wish I could have done more." Looking back, Mr. Merritt agreed that one of his most memorable moments and biggest accomplishments with his work here was being appointed superintendent.

Overall, Mr. Merritt said that he would miss being so involved. He stated, "I knew what was going on and what was needed. It also helped that my wife was a teacher because she is active with the kids and would let me know what was going on. I guess I'll just have to learn to get involved as a community member rather than a leader."

After retirement Mr. Merritt plans to work around his home and maybe do a little traveling. He does say, how-

ever, that he will stay involved with the school because he wants our school system "to be the best system whether or not he is superintendent." Mr. Merritt stated that he will miss work and everyone here but will continue to assist in developing a better future for young adults.

When asked what advice he would give to students, Mr. Merritt stated, "The world is extremely competitive. It is possible to win the lottery, but most won't. Education is the only sure way to climb the ladder of society and allow you to reach your goals." Mr. Merritt stressed that "you not only need skill, but personality. Do something that will allow you to be your own self."

McQuitty Retires

After 12 years of working as athletic director, Mr. Darrell McQuitty retired from Elwood Community School Corporation. Mr. McQuitty graduated from Wendell L. Wilkie High School in 1958. In 1962 he graduated from Purdue University with a bachelor's degree in health and physical education. Later, in 1967 he earned his master's degree from Ball State University. Before coming to work in the Elwood School Corporation, Mr. McQuitty taught physical education, biology, and driver's education at Charlestown High School. While working at Charlestown, Mr. McQuitty was assistant coach of the boys' basketball and track teams. Mr. McQuitty also worked at Battle Ground High School from 1963 to 1970 as a health and driver's education teacher. At Battle Ground he was head coach of the boys' basketball team, assistant coach of the football and golf teams, and was the athletic director for one year. In 1970 Mr. McQuitty came to work in Elwood. He taught physical education, health, and biol-

ogy. Coaching played a major part of Mr. McQuitty's life. He was the varsity boys' coach for seven years, the assistant football coach, the varsity girls' basketball coach, and the tennis team coach. For the past twelve years he has been the athletic director for Elwood Community High School. As athletic director Mr. McQuitty was in charge of the entire athletic department. Scheduling games, hiring officials, keeping records of athletic awards and financial books were all a part of his job.

After retirement Mr. McQuitty plans to work. He would like to find his "second career." He states, "I want to try something different because you only live once." Mr. McQuitty is going to miss his involvement with young people and his connections with other schools. Although he is going to miss the people he works with, he is looking forward to spending more time with his family. Mr. McQuitty states, "I've had a lot of support from my wife and family with jobs that have taken a lot of time away from home."

Tom Pantos attended the AVA convention in Dallas, Texas, from December 9-13. Out of eight thousand people from around the world, he was one of five Indiana representatives. The program "School to Word Transition," focused on marketing vocational technical education and new educational legislation.

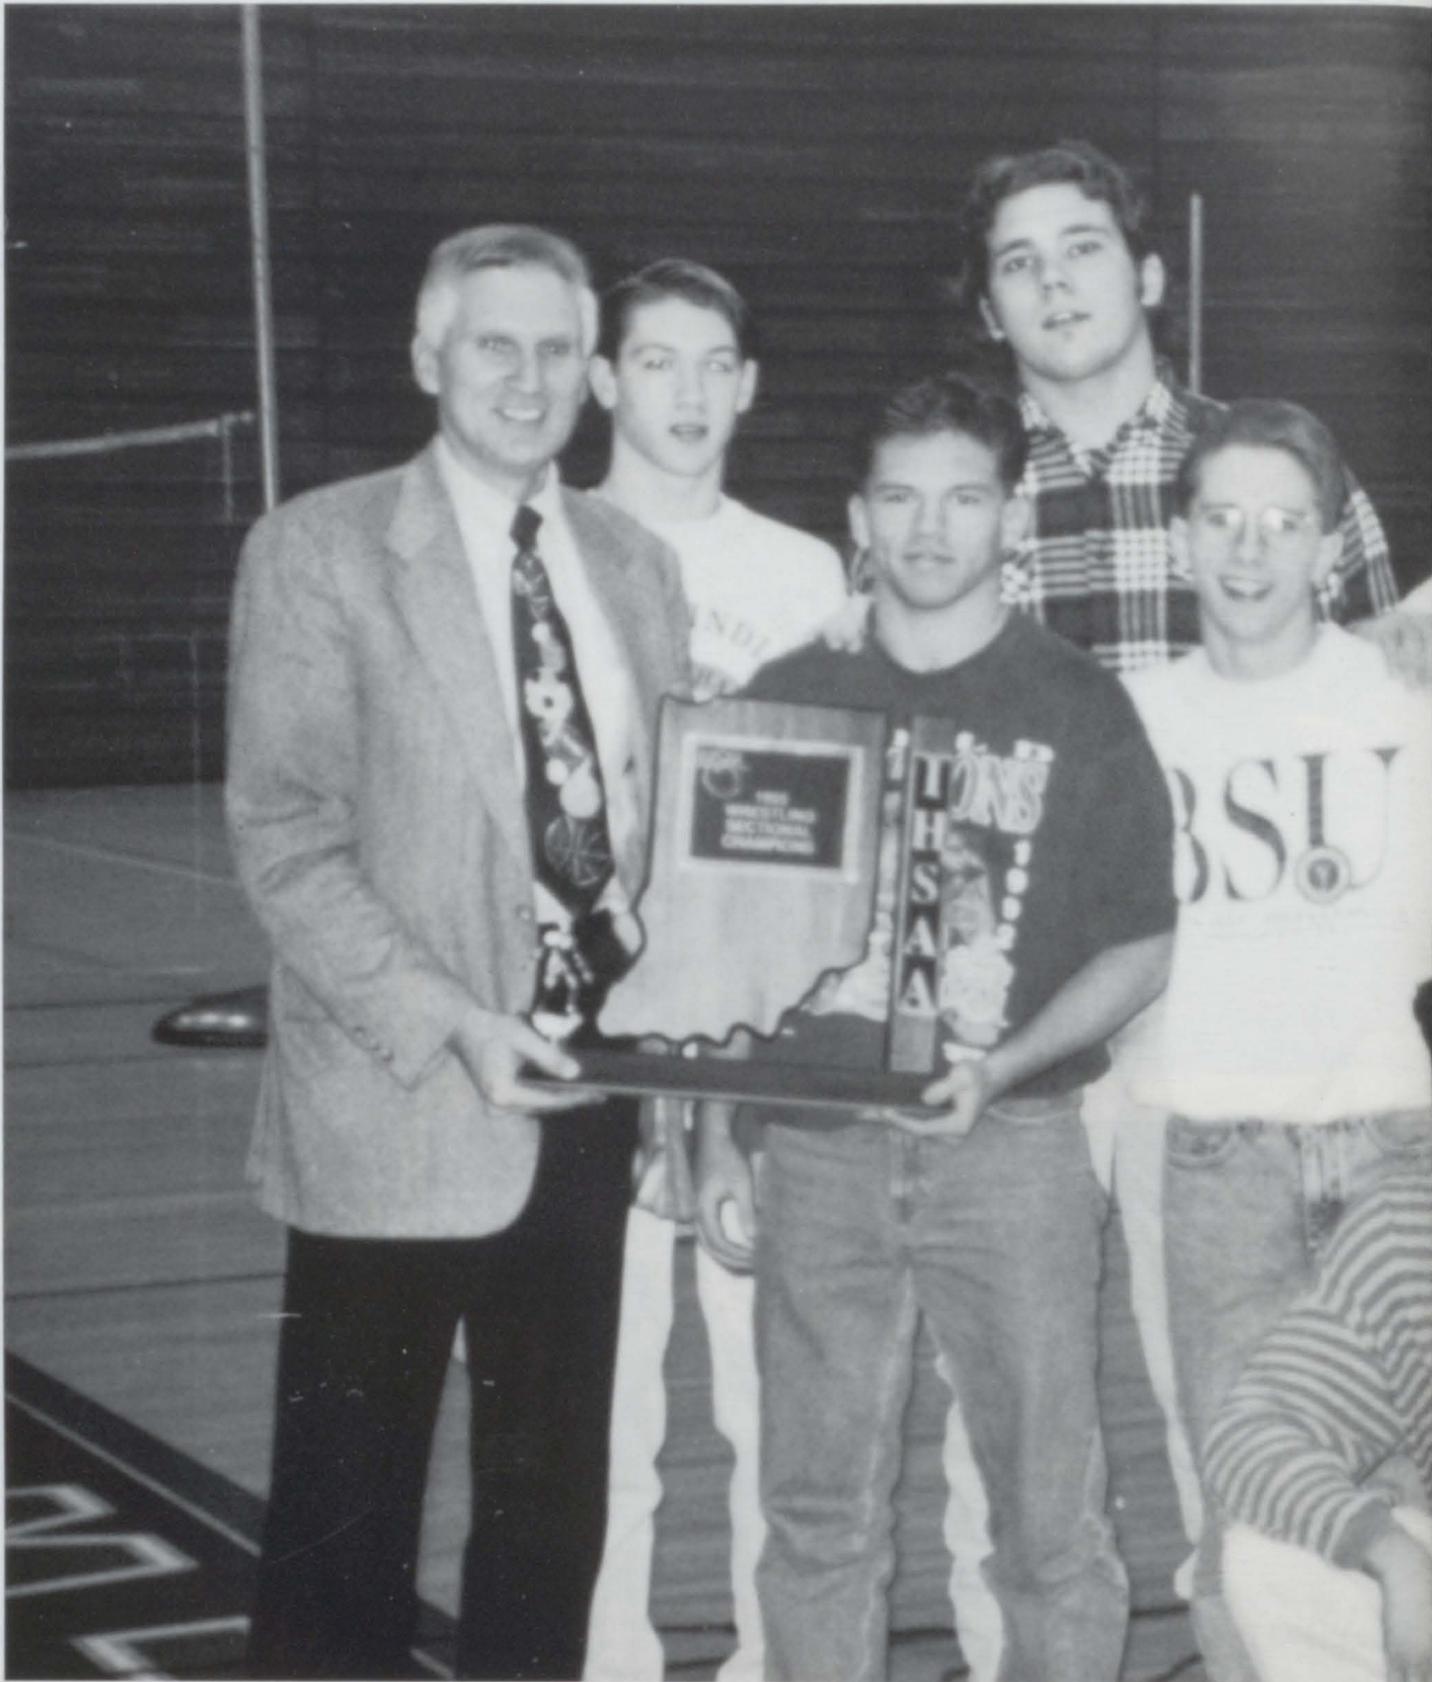

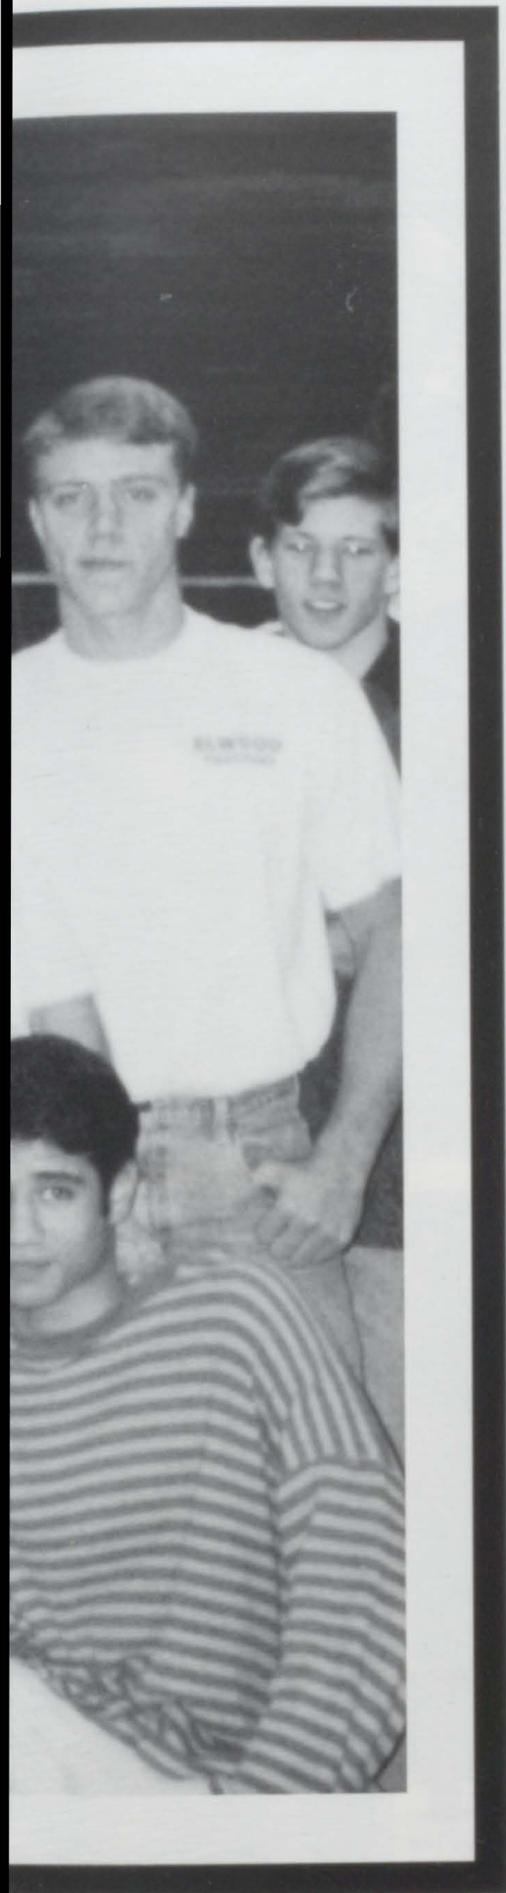

Raeanna Merritt traveled to London, England, where she spent seven days reviewing the English culture and visiting her cousin, Anna Barnett, who is studying second semester at the University of London.

Michael Bomholt will succeed Darrell McQuitty as the high school athletic director beginning the 1995-96 school year.

RUNNING

A record of 9-2 led the girls' cross country team to a winning season. The record was not the only reason for having a winning season; the girls prevailed by placing 3rd in the Central Indiana Conference, 5th in the sectional, and 9th in the regional. Since no seniors were on the team last year, the same team advanced to the regional for a second year in a row although they had some help from newcomers **Stephanie Bailey**, **Jennifer Leisure**, and **Holly Huffman**. There were two senior members on the nine woman team, **Jenny Cain** and **Heather Chandler**, who were team co-captains. The number one runner this year was **Adrienne Gough** with a

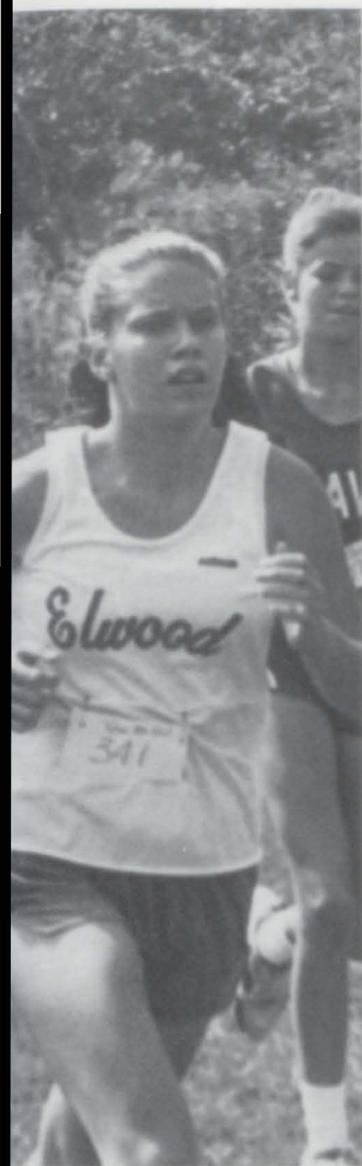

THE DISTANCE

time of 15:39. Throughout the year **Adrienne** won five dual-meets at the Highland Invitational, was the CIC champion, was second in the Blackford Invitational, finished fifth in the sectional, and finished with a school best of 12th in the regional. "It was a great season. The whole team improved which made us very successful as a team," quoted **Adrienne Gough**.

"The leadership of **Jenny Cain** and **Heather Chandler**, the first place finishes

of **Adrienne Gough**, the support of **Sara McFall**, **Holly Huffman**, and **Shawna Duffitt**, and the improvement and hard work of **Stephanie Bailey**, **Jennifer Leisure**, and **Carrie Dockery** were the reasons for success," stated **Coach Brian Kirkwood**. "We have started to develop a respect and tradition at Elwood and that takes a lot of hard work and dedication. We have established the pride that is integral to individual and team success."

Some strengths for the team this year were "the willingness to work hard and be a competitive group which carried over into the races and made us a better team," stated **Coach Brian Kirkwood**.

Pacing herself, **Jenny Cain** runs along with a Tri Central opponent at the Tipton Invitational.

Starting the first stretch of the Tipton Invitational, **Jennifer Leisure**, **Shawna Duffitt**, and **Sara McFall** take off with a long stride to get a good start.

RACING

The boys' cross country team had to go across some rough terrain this year, finishing the season with a record of one win and ten losses.

Coach **Brian Kirkwood** stated, "I think the team competed to the best of their ability, maybe not on paper, but in practice and the meets the guys did the very best they could."

The number one runner for Elwood in the 1994 season was senior **Jerrico Planalp** who led the team with four, individual, first places; placed 6th in the Tipton Invitational; 7th in the Highland Invitational; 5th in the C.I.C.; and 17th in the regional.

Senior **Tadd Miller** joined the team after the season began and provided great

AGAINST THE WIND

leadership and tough competition in practice and in meets. **Tadd** ran a steady number two for the Panthers which pushed **Jerrico** to maintain a quicker pace which would secure the number one position.

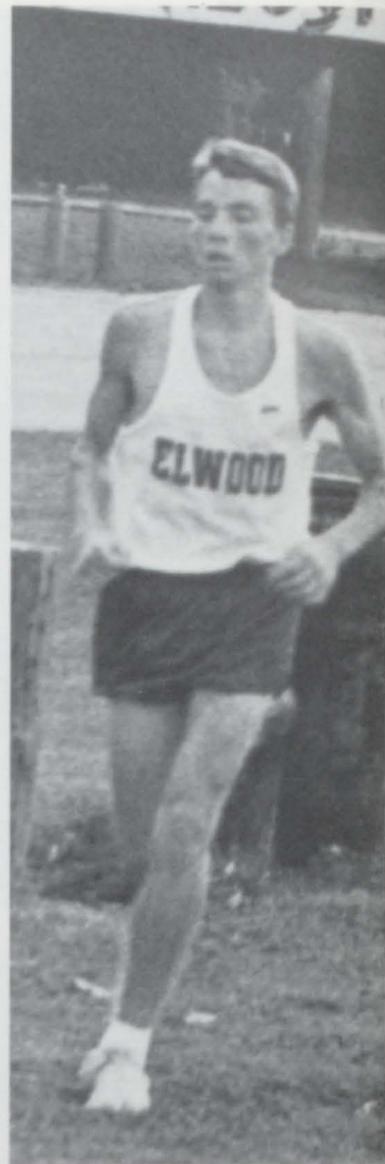

Andy Dockery, another senior, was the number three runner and brought a great work ethic to practice and also showed extreme leadership when the Panthers went to battle with an opponent. **Planalp** and **Dockery** have both com-

peted four years on the cross country team. Juniors **Clint Trice**, **Brian Irions**, and freshman **Mike Peterson** will be returning runners next season for the Panthers.

"Even with the return of three experienced runners," **Coach Kirkwood** stated, "These guys worked very hard to be successful, but due to the lack of runners we were outnumbered in positions."

Coach Kirkwood encourages anyone thinking about running to come out and help expand the cross country program.

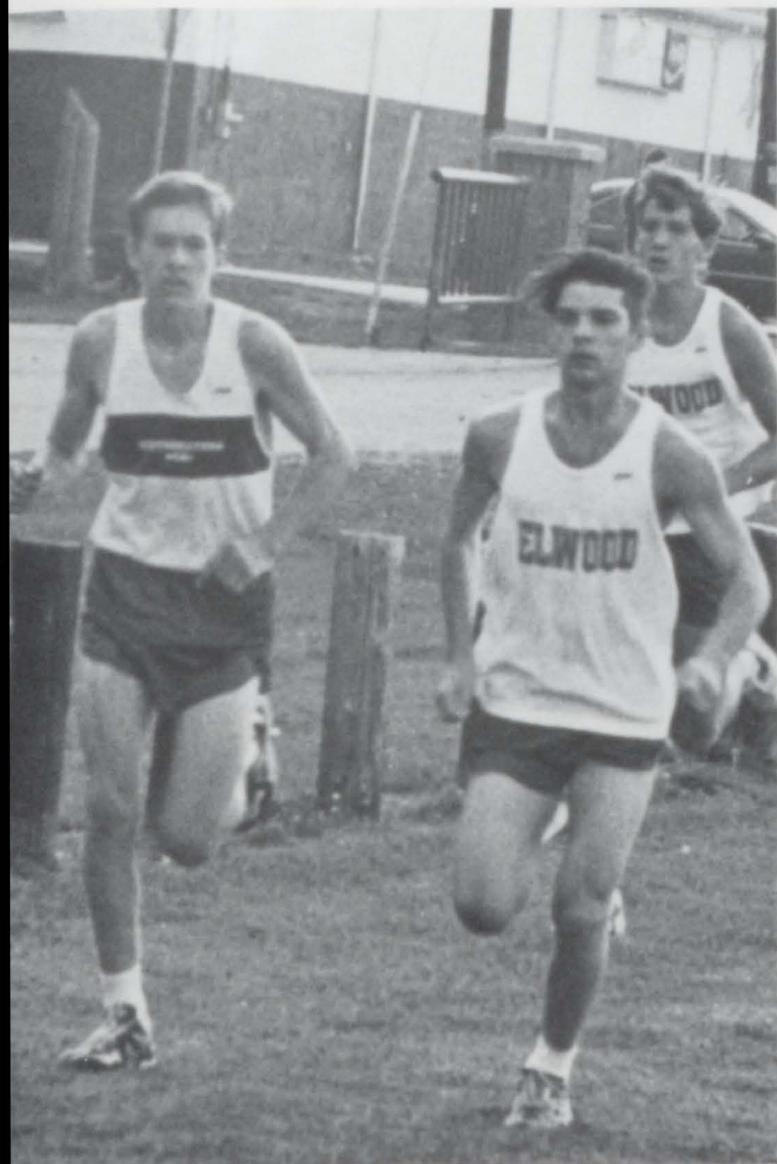

According to **Jerrico Planalp**, "Running cross country has been an enjoyable high school experience. It was not just running but learning about life as well."

Mike Peterson, Brian Irions, Tadd Miller, Clint Trice, and Jerrico Planalp lead the pack at the start of a home meet.

Andy Jones strides to the finish as Clint Trice follows him.

RECORDS

The Elwood girls' swim team had its first winning season under the direction of first year coach **Dana Shaver**. There were six new school records set during the 1994-95 season. Senior **Jenni White** set two school records, the 200 I.M. with a time of 2:42.90 and another in the 100 backstroke with a time of 1:11.66. Sophomore **Erin Cook** also achieved two record times. Her time in the 50 freestyle was :27.25, and she swam the 100 freestyle in 1:02.51. Senior **Elizabeth Alley** set a new diving record of 155.10, and sophomore **Jackie White** had a record time of 1:15.30 in the butterfly. The team placed 9th out of 12 teams at the sectional and received 6th place at the Carroll Invitational. The most outstand-

BROKEN

ing event of the season was winning the C.I.C. championship against Tipton and Blackford. The team lost to Tipton previously and was pleased with their winning performance at the C.I.C. Tipton Invitational.

Coach **Dana Shaver's** opinion of the team and its accomplishments was one of satisfaction and pride. "This was a great group of girls to coach. I think we all had some frustrating moments, but someone would always seem to turn it into some-

thing positive. I felt like this was a wonderful first year for me as a head coach, and I learned a lot from the girls," stated **Coach Shaver**. **Coach Shaver** also said her future outlook for the team is very bright. "I think we have developed a very good foundation for future teams to follow in swimming, diving, and leadership skills. I look forward to seeing this year's freshmen as seniors," said **Coach Shaver**.

The swimmers also hosted a banquet to recognize achievements during the season. **Anne Overdorf**, best attitude; **Jenni White**, most valuable swimmer; **Elizabeth Alley**, most valuable diver; **Shannon Thompson**, most improved swimmer; **Marcie Beeman**, most improved diver.

Sophomore Jackie White thrusts herself toward the finish in the 100 butterfly at Hamilton Heights.

Swimming in the 200 freestyle relay, junior Carolyn Myers sprints for a victory for Elwood at the C.I.C. Tipton Invitational.

Robbie Leavitt, Elwood's number one varsity singles player, returns a backhand at a home meet.

SERVING UP ACES

The boys' varsity tennis team finished with an outstanding record of 11-3 and placed second in the CIC. The only Panther senior was **Robbie Leavitt** who played number one singles the entire season for Elwood. **Robbie** owns the school records in tennis for the following: most varsity wins as a freshman, most victories at varsity number one singles in one season, number one singles player for three, straight years, and most varsity victories in his career.

Junior **Danny DeBethune** ended the year with a record of 17 wins and 0 losses. He was all CIC for the second straight season with a record of 16-1. He has a total of 48 career victories which is the second time in school his-

tory.

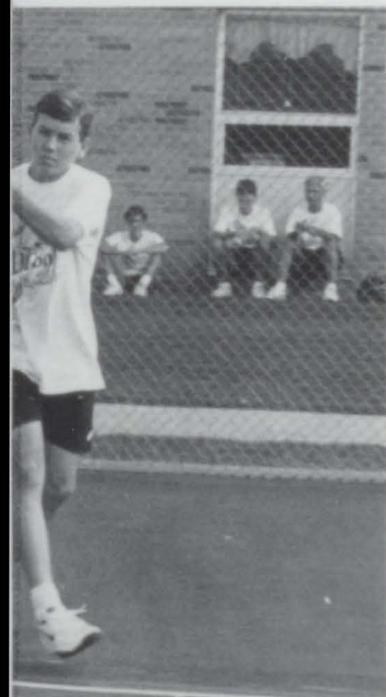

Number three singles player **Eric Ball** ended the season with a record of 16 wins and 1 loss and has won a total of 40 matches which is a fourth all time high in school history, and he has been all CIC for three consecutive years.

Junior **Jason Keene** played number one doubles for the Panthers and has played on the varsity squad for three straight years. **Keene's** dynamic teammate was sophomore **Mike**

Cogill, who played very well for his second year on the varsity team. Sophomores **Brent Robinson** and **Paul Richardson** tagged up as the number two doubles duo and ended the season with a record of 8-3.

Mr. Leavitt commented, "We broke the record for the best season record, 11-3, and we also beat Anderson High School for the first time in school history. The strengths of the season for the team was the guys were willing to work hard and were a pleasure to coach. Since the Panthers are only losing one senior, they should have continued success in the upcoming years."

The tennis program at Elwood Community High School continues to excel with high expectations.

Danny DeBethune, Elwood's number two singles player, puts top-spin on the ball at a home meet.

Eric Ball, Elwood's number three varsity singles player, returns a forehand down the line for a win.

Goals

The Elwood varsity football team achieved several goals in its 1994 season. The football team had six wins and three losses. One goal was to beat long time rival Tipton. Not only did the Panthers beat Tipton, they beat them at Tipton, and at the time the Blue Devils were ranked #1 in the state.

To win the Central Indiana Conference championship was the next goal in the Panthers' sights. This was accomplished, but the championship was shared with Tipton and Madison Grant. All three teams finished 6-1 in the conference with Tipton's only loss to Elwood, Madison Grant's loss to Tipton, and Elwood losing to Madison Grant.

The third and major goal of the season was to win the

ACHIEVED

sectional. The Panthers fell short when they were defeated by 5th ranked Yorktown. The Panthers came up shorthanded at several positions when **Josh Headley** was ill and unable to play, and **Ron Vehikite** had a broken bone in his foot. It was heartbreaking to lose.

The Elwood offensive backfield was led by senior fullback **Adrian Heim** with 128 carries for 762 yards. Also in the backfield was tailback **Monte McCorkle**

with 112 carries for 596 yards. Senior quarterback **Jim Nichols** boosted the offense by completing 45 passes for 843 yards. **Tarrik Wilson** led the wide receivers with 20 catches for 344 yards. Senior wide receiver **Andy Yates** had 10 catches for 316 yards. Senior punter **David McNeal** was #2 in the conference with 31 punts for 1106 yards.

Selected for All Conference were **A.J. Nash**, offensive guard; **Ron Vehikite**, offensive tackle; **Adrian Heim**, offensive linebacker; **Mark Sullivan**, linebacker; **Andy Yates**, defensive back; and **Tarrik Wilson**, defensive back. Selected for All County were **A.J. Nash**, **Ron Vehikite**, **Andy Yates**, and **Josh Headley**.

HIGH EXPECTATIONS

FOR YOUNG TEAMS

Despite a 2-5 record, the freshman football team improved throughout the season and learned a great deal about the game. The poor record was due to a lack of natural talent, depth, and inexperience. First year coach **Jim Thorne** said, "There were a lot of kids who tried hard but not much natural ability."

Center **Mike Goens** and guard **Josh Kelich** did an outstanding job blocking for fullback **Shannon Huffman** and giving quarterback **Greg Cauble** enough time to throw to flanker **Brandon Melvin** and tight end/running back **Kyle Kaiser**.

The most outstanding event of the season for **Coach Thorne** was the total "team effort" over Mississenewa when every-

one received a feeling of victory with a 35-0 triumph. This victory was a boost to the team's spirit.

Coach Thorne has high expectations for this group. He says, "A lot of these players have the chance to play on Friday nights." Although the freshmen's record showed a lack of success, **Coach Thorne** said, "I had a lot of fun, and I hope they did too."

The j.v. might not have lost a game if they would not have been plagued with

the lack of players and depth. There were two outstanding team members all through the year. They were quarterback **Kris Kleinbub** and fullback **Bryan Watters**. **Bryan** played iron man football, playing both fullback and linebacker. **Kris** had a "hard nosed" style of play playing quarterback.

Coach Kevin Frye said that one of their strengths was "the attitudes of the players. We had only fifteen players, but they never quit."

They had many players who were able to get the feel of a varsity game. **Coach Frye** said that getting to participate in a Friday night game was the ultimate goal for a junior varsity player. The j.v.'s record was not fair considering the effort that they put forth.

Lessons

The 1994 varsity team ended its season with a record of 5-17. This year brought forth new varsity and junior varsity coaches. **Jim Savage** became the varsity coach after having been the junior varsity coach the past four years. According to **Coach Savage**, "This year's team was very young which will bring experience back next year." Despite their record, the varsity had many strengths to their season. One outstanding event was placing 4th in the Madison County Tourney.

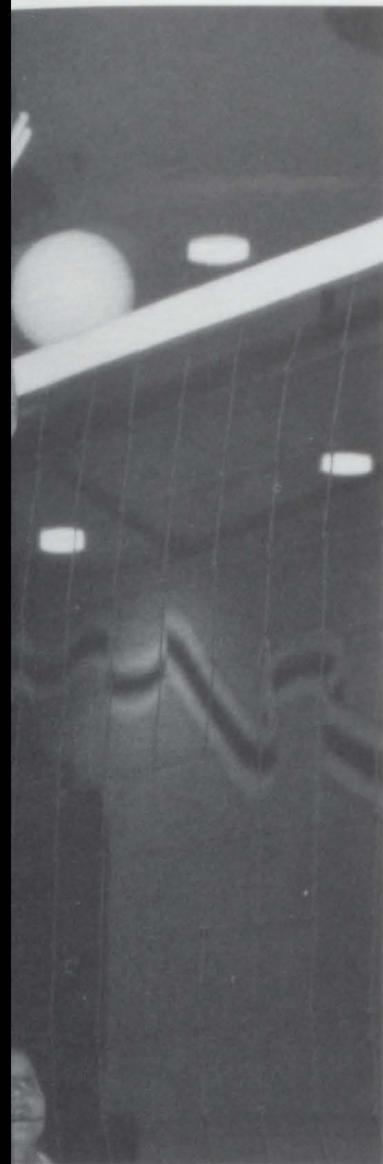

Many players were commended for their efforts this season. **Traci Baxter** was named to the All-Madison team while **Amber Beasley** made honorable mention. **Beasley** was also given the

LEARNED

serving award. The hitting award went to **Traci Baxter**. **Alicia Richwine** was recognized as best defensive player; **Jenny Bastian**, best attitude award; **Jamie Wilson**, all around offensive player. Seven girls served 80% or better as individuals this year. They were **Traci Baxter**, **Jenny Bastian**, **Amber Beasley**, **Jennifer Smith**, **Kelly Everling**, **Alicia Richwine**, and **Jamie Wilson**. Certain goals set

for this year's team were met by the girls. The goal to play well at the county tournament was met as well as the goal to improve skills. With hard work in the off-season, **Coach Savage** looks for success in the future.

The junior varsity ended its season with a record of 5-17 under the leadership of new coach, **Angie O'Donnell**. They gained experience for varsity play. Many junior varsity players received awards at the end of the season. **Amber Boston**, serving award; **Jodi Shultz**, hitting award; **Darcie Courtney**, offensive award; **Dominga Diaz**, best defensive player; **Amy Beeman** and **Heidi Humphrey**, attitude awards.

TRIPLE CROWN

The Elwood wrestling team achieved many goals in their 1994-95 season. They broke more than one record this year and had more wins than any team, in any sport, in Elwood's history with a record of 25 wins and only 1 loss. They also won the Central Indiana Conference wrestling tournament for the seventh consecutive year, breaking the old record of six which they shared with Tipton. The grapplers won the Madison County tournament for the second straight year and won their sectional, de-throning the Frankton Eagles as sectional champions. By winning the C.I.C., the Madison County tournament, and the sectional, the Panthers became triple-crown winners for the third time. Elwood also won every dual meet in which they competed. Their only loss came to 16th ranked Muncie South during the Adam Central Super-six. After winning the sectional

they went on to place fourth at the Delta regional and second at the Fort Wayne semi-state. This is the best Elwood has ever finished at the semi-state, and by placing in the top 16, the best they have ever been ranked going into the state tournament.

The wrestlers have put forth a great deal of time and dedication. **Coach Boley** stated, "The wrestlers dominated their opponents by scoring 50 or more points in 17 matches." Leading the Panthers was senior **Robbie Leavitt**, who is the career win leader at Elwood with 132 wins in four years. He was also the second wrestler in C.I.C. his-

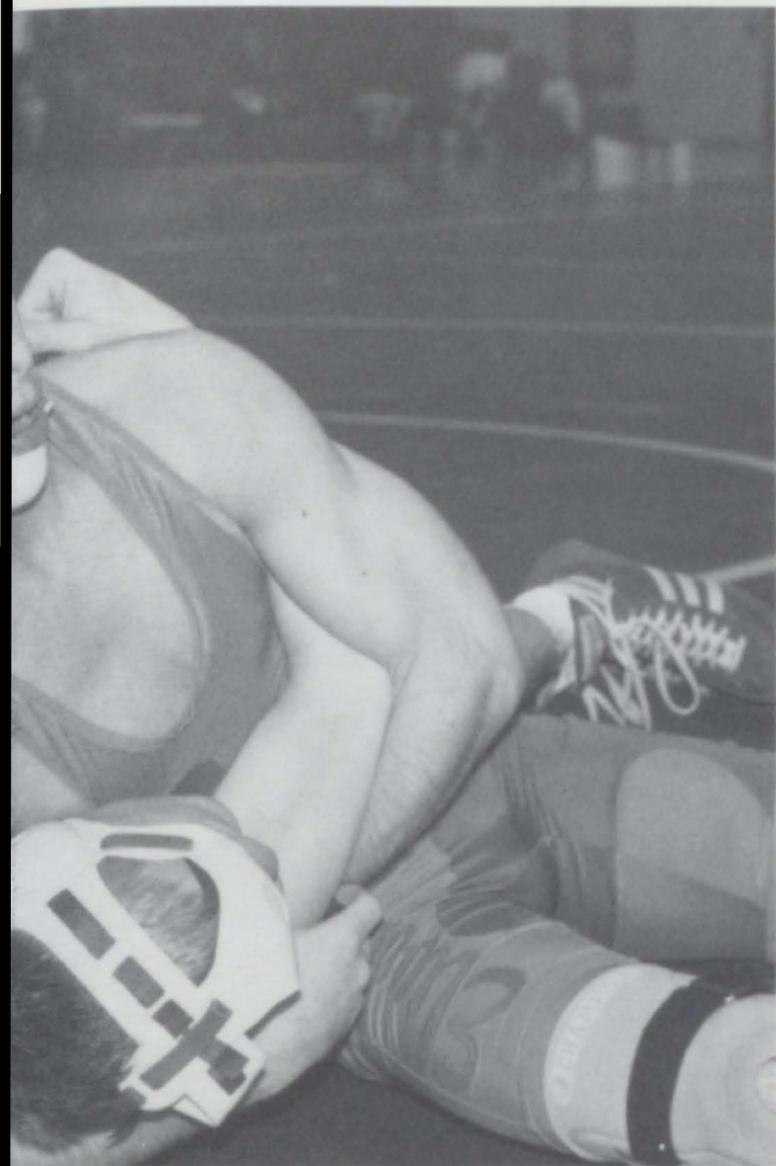

tory to win four, individual, conference championships. **Robbie** was also a three time sectional champion, two time regional champion, semi-state champion, and two time state qualifier, finishing fourth in the state during the 93-94 season, and placed second in his 1994-95 season. **Matt Lane** also led the team by placing 2nd in the C.I.C., winning the sectional, and finishing the season with a record of 25 wins and 4 losses. **David McNeal** also contributed with a fine season by being a sectional champion, semi-state qualifier and amassing 35 wins for the year. Heavyweight wrestler **Josh Headley** was champion of the Madison County tournament, C.I.C. tournament, sectional, and semi-state, placed fifth in the state meet in his 1994-95 season, and had a record of 39 wins and 2 losses. **Monte McCorkle** also advanced to state with a fine season.

STRONG FINISH

The Elwood girls' varsity basketball team ended the 1994-95 season with a disappointing record of 3-15. The team's most memorable game was the Oak Hill game in the first round of the sectional when the team won by a score of 73-44. Although the team lost to Mississinewa in the final game, it was the first time in 20 years that the varsity team made it to the sectional finals. This season was a learning experience for everyone who participated in basketball. The team was inexperienced with only three, returning, varsity players.

The leading scorer for the lady Panthers was **Traci Baxter** with an average of 16.1 points per game. **Baxter** was also the leader in steals

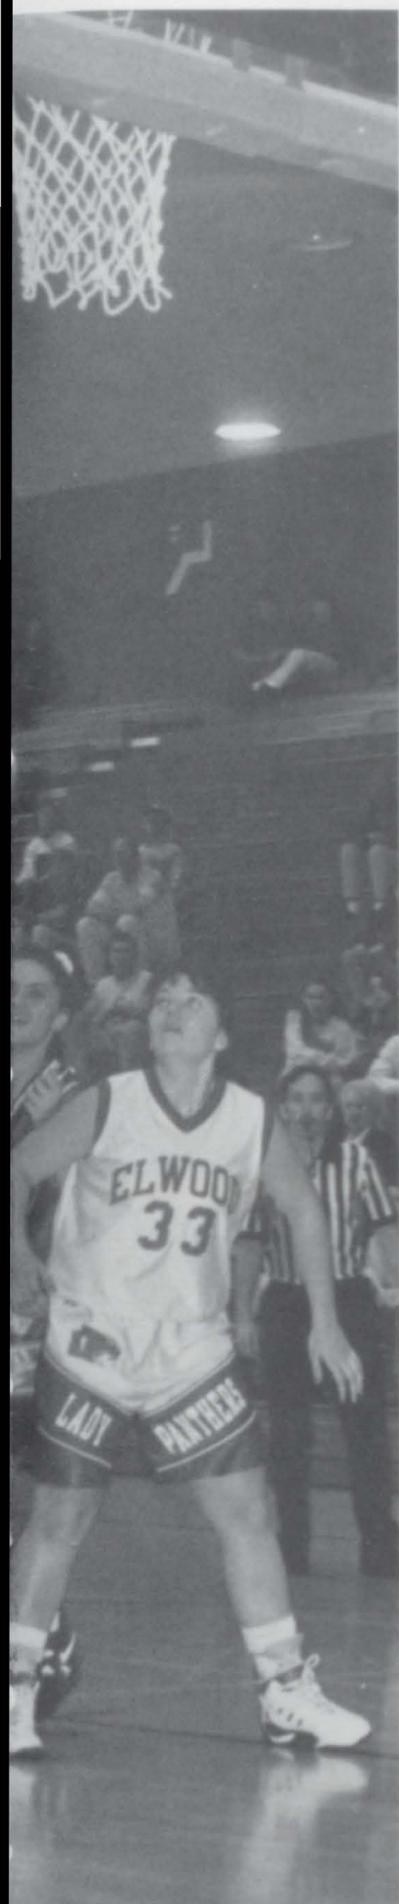

and assists with nine steals per game and a total of 55 assists which is currently the school record. She also holds the school record for attempted three pointers and the most three pointers in a season. **Baxter** also qualified for All CIC and All County teams.

The leading rebounders for the season were **Alicia Richwine** with 106 rebounds and **Jodi Shultz** with 85 rebounds. Leading the team in field goal percentage was **Jenny Bastian**

with 40.5 percent, and helping the team to receive the second highest free throw percentage in school history was **Traci Baxter** with 71.3 percent.

Coach Huffman felt that his team had a difficult time with confidence and teamwork. "We struggled all year until the end. We finished on a positive note. We played hard and played together."

Coach Phil Huffman retired as the girl's varsity coach at the completion of the 94-95 season. He has been the varsity coach for the past three years. **Coach Huffman** has improved the girls' basketball program by setting up fundraisers and starting AAU teams. His dedication and hard work will be missed.

THROUGH

THE HOOPS

The girls' junior varsity and freshman basketball teams had a season of improvement. "I think every player improved in some way! We didn't win a lot of games but learned some basketball and how hard you have to work and play to be good at something," stated **Coach Michael Bomholt**.

The three sophomores, **Kelly Everling**, **Sunshine Durham**, and **Brandee Gordon** showed leadership both during the practices and games. "From playing basketball this season I learned many things about life in general, for example, losing and coming up short at times. I enjoyed getting to know everyone better." said **Kelly Everling**. **Sunshine Durham** commented, "I would tell anyone who

wants to participate in athletics to go for it. Athletics requires a lot of hard work and dedication, but it is also a learning experience for everyone. No one could ever forget the fun she will have participating in any kind of sport."

The leading scorers this season were **Beth Bomholt** with 9.2 points and **Amber Sullivan** with 6.1 points. The leading rebounder was **Sunshine Durham** with 7.4. The leaders in assists were **Brittney Smith** with 3.4 and

Kelly Everling with 3.0. The overall team offensive average was 25.6 points, and the defensive average was 28.2 points.

The overall record of the junior varsity girls was 6-12. **Coach Bomholt** said, "At times we had trouble handling the ball and scoring. Our kids need to spend a lot of time during the summer working on these two skills."

Despite the struggles throughout the season, the girls' junior varsity team had an important success, their victory against Madison Heights, 40-23. **Coach Bomholt** stated, "This was the most outstanding event of our season. We played together as a team. We played hard, and we played well."

Freshman guard **Kylie Horseman** drives the ball to prepare to shoot a layup.

WINNING

SEASON

The boys' varsity basketball team ended the 1994-95 season with a winning record of 14-6. This year the team accomplished many goals because of their hard work and dedication. The success, according to **Coach John Hamilton**, was due to the "team togetherness," along with many strengths. The strengths that helped the team were their outstanding ability, defense, rebounding, and the quickness of the guards. All created many problems for the opposing teams. Along with strengths there was only one big weakness for the Panthers, basically a six man team consisting of four seniors, **Chris Williams**, **Tadd Miller**, **Andy Yates**, and **Brent Scott**. **Chris Williams** was the leading scorer with

a 56% average, and he was also the leading rebounder with 7.7 rebounds a game. **Tadd Miller** was a very good rebounder along with his strongness inside. **Andy Yates** was the best defender for the team. The best shooter from behind the three-point line was **Brent Scott** with a 41% average. The lone junior was **Tarrik Wilson** who was one of the most improved players from last year. Also the only sophomore, **Mike Cogill**, was the leader in steals with

83 and the leader in assists with 39. Even though the team will lose four outstanding senior players, the future will build around **Mike Cogill** and **Tarrik Wilson**, and there will be young players moving up from the junior varsity squad. The varsity players will never forget this year because of their outstanding 14-6 record.

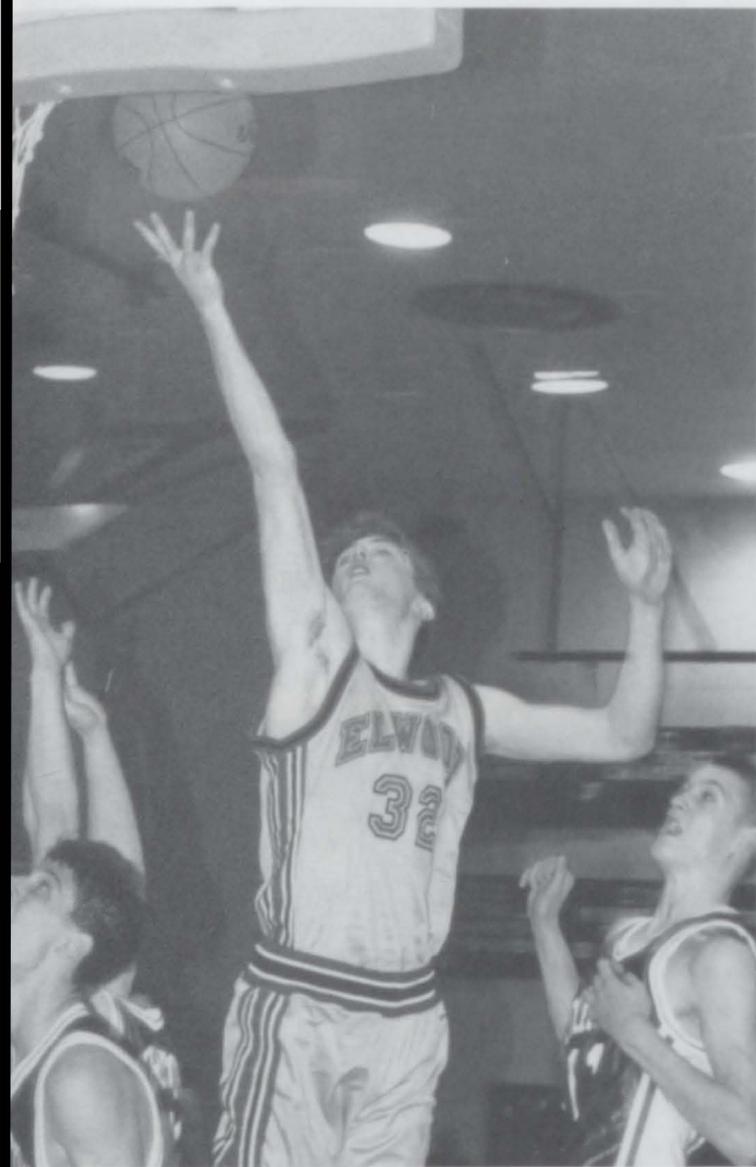

The boys' basketball banquet was held on April 3, 1995. The awards presented by **Coach John Hamilton** were honorable mention **CIC**, **Mike Cogill**; mental attitude award, **Tadd Miller**; most improved player, **Tarrik Wilson**; best offensive, all county, all **CIC**, all sectional, and **WHLN's** player of the year, **Chris Williams**.

Trying to gain possession of the ball, Tarrik Wilson and Mike Cogill trap their opponent.

Future Success

Although the players of the junior varsity team ended the season with a 6-14 record, they played hard and unselfishly throughout the year. Juniors **Billy Oldham**, who displayed great work habits, and **Shawn Lineberry**, who was a very effective scorer, provided leadership for this year's team. The j.v. had their best game against a very good Blackford County team as the Panthers came out with a one point victory, 64-63. After that win things started to fall apart as the j.v. team went on a seven game losing streak to end the season. **Coach Tod Windlan** felt that the lack of success was due to inconsistent play and a lack of killer instinct. Even though **Coach Windlan's** goals, which were to win ten games or

more and to go 7-0 in the CIC, were not met, the future outlook for this j.v. team is good. "Four freshman dressed and played a lot, so they do have experience," stated **Coach Windlan**.

The freshman basketball team had a season very similar to the j.v. team, but it was a tremendous improvment from their middle school games. The freshmen's best game came against an excellent Frankton Eagles team. The Panthers played excellent defense which was the

strongest part of their game. The game ended with a seven point win for the freshmen. They also competed in the Tipton tournament which included Alexandria, Hamilton Heights, Tipton, and Elwood. Elwood finished second behind an unbeaten Hamilton Heights. Four of the freshmen, **Nathan Hartman**, **Phil Miller**, **Kyle Kaiser**, and **Brandon Melvin**, played outstandingly in the tourney as well as throughout the season. **Mike Peterson** was inspirational and provided a laugh for the team, especially when he would scream the term "shade" during practice. After the completion of the season, the freshman players and coaches gained some very promising experiences to build on.

PERSONAL

ACHIEVEMENTS

The 1994-95 boys' swim season was a season of personal improvement and an accomplishment of individual goals. Although limited in numbers, the boys' swim team kept a positive attitude and competed at their best. Senior swimmer and diver **Eric Reese** broke the boys' diving record with a score of 166.20 at the Madison Heights meet, and he was also the first diver to compete in an 11 dive meet. No other school records were broken, but the swimmers met their goal times in several events. Head coach **Dana Shaver** commented that "every meet seemed to have best times by the swimmers and there was always improvement." She also discussed the team's strengths and weaknesses. "The

team's strength came from teamwork and how well the swimmers helped each other. Its weakness was the small number of swimmers. With only 11 members, it's hard to fill every event." **Coach Shaver's** goals were to have more swimmers than last year, for all to be enthusiastic, and for the team to improve individually. According to **Coach Shaver** all the above goals were met. The team held a banquet to recognize its accomplishments and to give

awards to special swimmers. **Mike Goins** received the most valuable swimmer award due to his success in the 100 breaststroke and 200 I.M. **Eric Reese** was awarded the most valuable diver award, and **Randy Moore** received the award for most improved diver. **Randy** improved his scores by approximately 60 points to a personal best of 148. **Jorge Canales** was named most improved swimmer, and **Andy Fettig** was awarded best attitude. The swimmers bought a plaque for **Coach Shaver** to thank her for her support and dedication. **Coach Shaver's** future outlook for the team is bright. "We have one graduating, and I am looking forward to the rest of the team returning."

Andy Fettig sprints to win during the 100 freestyle race against Madison Heights.

Seth Alexander finishes the 200 I.M. with the freestyle stroke at the Northwestern meet.

SPIRIT

The members of the cheerleader squads were very busy during the 1994-1995 season. The year began with the cheerleaders attending St. Mary's College for a UCA cheer camp where the girls learned dances, cheers, and chants. During the week of cheer camp, **Kristin Robinson, Courtney Rogers, Jenni White, Darcie Courtney, and Amber Boston** were chosen as UCA All-Stars. The tryout included a cheer, dance, and their best jump. This enabled them to travel to Lon-

STRIVES ON

don over the Christmas break to participate in the Lord of Westminster's New Year's Day parade.

Throughout the summer, the girls competed all over the state. The junior varsity squad placed 11th in the whole state. Other compe-

titions were Madison County 4-H fair (junior varsity - 1st place, varsity - 2nd place), Greentown (junior varsity - 1st place, varsity - 2nd place), Clinton County (junior varsity - 1st place), Grant County (varsity - 3rd place), and Barthomew County (junior varsity - 1st place in the dance competition).

All cheerleaders attended Cheers Gymnastics Center in Anderson. This training refines tumbling skills and allows the cheerleaders to work on stunts and cheers.

WIN SOME

The 1995 girls' softball team ended its season with a 6-10-1 record. This year's team was very young and consisted of only two seniors, **Kristen Cooper**, who was the starting second basemen and a captain, and **Alicia Richwine**, who started at short stop and was also a captain. Even though the team was young, they beat Highland for the first time ever with a score of 8-5. Sophomore **Kelly Everling** hit the team's first homerun of the season during this game and then hit another two days later in the game against Madison Grant. **Lori Simmons** also hit a homerun which took place against Pendleton.

Despite the record the girls' softball team was very

LOSE SOME

competitive and lost several close games. "We lost close games that we should have won in the last innings. It slipped through our fingertips because our game broke down, and a few errors ended our chances too late in the game," commented **Coach Kronk**. The girls had many strengths during the season, especially since some girls had to switch positions. "We were a strong defensive team. The fact that we had to move a lot of play-

ers into new positions and that they were able to step it up a notch and play well in the spots added to our defensive strength," stated **Coach Shelly Taylor**.

The future of the team looks promising with the pitching of freshman **Misty Peters**, who broke the school strikeout record twice. In the first game **Misty** struck out 12 batters to break **Melissa Baxter's** record and then later broke the record again with 15 strikeouts. The girls won the title of sectional runner-up for the first time in four years. Earning awards this season were **Misty Peters**, most valuable player; **Jennifer Smith**, best batting average; and **Kasey Peters**, most improved player.

BATTER

The varsity baseball team ended the season with a 6-13 record. The team was led by the five seniors: **Jimmie Nichols**, right field; **Mark Sullivan**, 1st base and outfield; **Craig Watson**, center field; **Chris Williams**, 1st base and pitcher; and **Andy Yates**, shortstop. **Coach Williams** commented on these five seniors as all being good leaders either by example or verbally. The strength of the season was the unity of the players as a team. The lack of success was due to youth and inexperience. **Coach Williams** stated his feelings about the group, "I enjoyed being around this group. They were fun to be with and their future looks bright."

The junior varsity team

UP

ended its season undefeated with a record of 9-0. The outstanding players for the j.v. were sophomores **Kris Kleinbub**, **Brent Robinson**, and **Duston Nichols**. The strength of the team was the combined pitching of **Kris Kleinbub**, **Duston Nichols**, and **Greg Cauble**. One weakness of the season was the inability to hit as well as they have in other years. A memorable event for the Panthers was when **Mike Peterson's** only hit

of the season was a grand slam against Frankton. The goals for the j.v. team were to play hard and be competitive every game. They exceeded these goals by going undefeated. **Coach Holtsclaw** said, "I really enjoyed being around this group because they had a positive attitude, did not give up, and stuck together as a team."

The win-loss record does not indicate the success of teamwork. Both teams worked very hard this year. The experience of this season will be a great help to the future of ECHS baseball.

SPRINT

The 1995 girls' track team had a very successful season which concluded with a record of 8-2. "Quality runners, we had a good mix of youth and experience as well as a desire to be successful. Tradition and good achievement were attributes also," replied Coach Brian Kirkwood about the strengths of the season.

Three goals for the season were to win the CIC, to send runners to state, and to have an overall good season. Two of the three goals were accomplished. The 8-2 record was an accomplishment, and **Adrienne Gough** advanced to the state competition in the 3200 meter run with a time of 11:34.4. **Adrienne** has the school record and sectional record in this event. Throughout

TO WIN

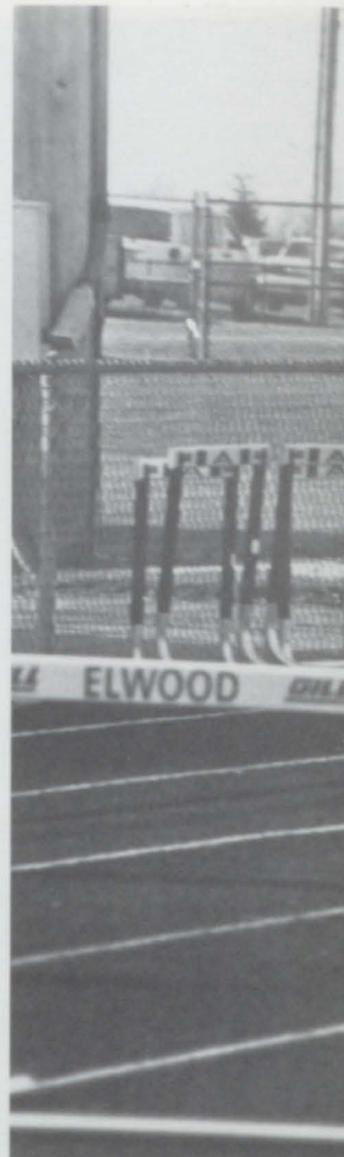

the season she either set or broke her own record 11 times. Another record breaker was the lone returning letterman senior, **Amber Beasley**. **Amber** was the CIC champion in the 300 low hurdles and holds the school record. "She provided solid leadership on a daily basis. She lettered four years running both hurdle events and anchoring the 1600 meter relay team," stated **Coach Kirkwood**. The team placed third in the CIC. **Amber** was the CIC

Champion in the 300 low hurdles, and **Adrienne** was the CIC champion in the 3200 meter run. The team placed third out of twelve teams at the sectional competition. Seven members of the team qualified for the regional competition. These members were **Amber Beasley**, 300 low hurdles; **Sara McFall**, 3200; **Adrienne Gough**, 1600 and 3200; **Shawna Duffitt**, 800; **Alicia Smith**, **Jennifer Leisure**, **Shawna Duffitt**, and **Amber Beasley**, 4x400 relay. **Jamie Wilson** was also sent as an alternate for the 4x400. **Adrienne** survived the 3200 meter run at regionals to move on to the state competition where she placed 11th out of 27 contenders in the 3200 and broke her record for the 11th time.

Competing in the 800 meter run, Shawna Duffitt pushes for a victory.

RACING FOR

THE FINISH

The boys' track team finished its season with a 3-4-1 record. They placed 6th at the CIC meet and received a 5th place finish in the sectional. There were five track members who advanced to the regionals: **Paul Richardson** in the 1600 and 3200 meter run, **Tarrik Wilson** in the 200 meter dash, **Eric Martin** in the 100 meter dash, **Chris Frye** in the shot put, and **David McNeal** in the pole vault. **Richardson** placed 8th in the 1600 meter run and scored a point for the team at the regionals.

The team included six seniors: **Chris Frye**, **Tyson Wheeler**, **David McNeal**, **Tadd Miller**, **Jan Harwerth**, and **Andy Dockery**. **Coach Frye** com-

mented, "**Andy Dockery** has been a member of the track team for four years. He has been involved in more track wins than any other athlete in the past fifteen years."

Many young freshmen and sophomores made a contribution to the team by working hard and scoring some very valuable points in their victories which strengthened their season. They gained much experience which should make

them more competitive in the future years. A weak area of the team was that "this group as a team was never willing to give a total commitment to the team. We had a lot of 'T' players," said **Coach Frye**.

"The season was a demanding one because of injuries, but the members learned that to be a good team they had to commit themselves. "Any season can be a success if the athlete involved improves on his performance and time. Most of our athletes had personal bests and improved greatly from start to finish," stated **Coach Kevin Frye**. As this team grows they will improve the success that they had this year.

Running the 110 meter hurdles, **Tyson Wheeler** heads for a Panther victory.

Throwing himself over the pole, **Mike Cogill** clears the jump as **Mark Sullivan** holds the bar.

Number one singles player, Traci Baxter follows through after scoring a point against her opponent.

YOUTH EXCELS

The 1995 girls' tennis team wrapped up their season with a winning record of 6-4. The team had a fifth place finishing in the C.I.C. which was held at Peru. They had a second place finish at the Anderson sectional held at Anderson University.

The team consisted of three seniors who led the team. Those seniors were **Kristin Robinson**, playing at #3 singles, **Brooklyn Spangler**, playing at #2 singles, and **Jessica Armstrong**, playing at #1 doubles. The team also consisted of 17 underclassmen including nine freshmen, who despite being inexperienced, stepped up well.

Jessica Armstrong and **Holly Huffman** filled the #1 doubles position and finished with a 12-4 season. They placed second in the Peru Invitational held in Logansport. The #2 doubles team of junior **Jennifer Bastian** and freshman **Jennifer Cook** helped the team receive a fifth place finish in the C.I.C. by receiving a second place finish. Rounding out the varsity line-up was **Traci**

Baxter, playing at #1 singles. **Coach Max Hoppel** stated, "In many ways they far exceeded our expectations. We came up short of our major goals, but we worked hard and competed very well."

The j.v. team also had a winning season with a 7-3 record. Winning junior varsity awards this year were **Beth Bomholt** and **Alicia Phenis**, most valuable players. Winning varsity awards were **Kristin Robinson**, **Brooklyn Spangler**, and **Jessica Armstrong**. **Coach Hoppel** commented about the j.v. team, "We will be as good as the number of hours we spend hitting the ball this summer."

Number two singles player, Brooklyn Spangler, eyes the ball before returning a forehand to her Hamilton Heights opponent.

After returning a volley during the Madison Grant match, junior Holly Huffman hustles to get back into starting position.

CHIP AWAY

The Elwood golf team successfully completed the season with a 10-7 record. Team members included **Robbie Leavitt**, **Jeff Brunner**, and **Phillip Miller** with **Todd Jones**, **Dusty Teachnor**, and **Tim Brunner** in contention for the remaining two spots on the varsity team throughout the season.

Although the Panthers finished seventh as a team in the C.I.C. tourney, junior **Jeff Brunner** earned All-Central Indiana Conference honors for the third straight season, finishing second with a round of 78 which was two shots behind the first place finisher. "I was happy that I was able to make the All-C.I.C. team again but

wished we could have done better as a team," **Brunner** said. **Brunner**, a medalist six out of thirteen matches, maintained the lowest stroke average with a score of 40.08.

Coach Tod Windlan stated, "I was satisfied with the overall performance of this team. I was also satisfied with the dual meets, but I wish we could have done better in the two individuals. The weakness of our season was due to

the inconsistent play from match to match. We could be very good if the boys will work and play over the summer."

Robbie Leavitt, the team's senior, commented on the season, "Even though the team had ups and downs, I looked forward to the extra practice with **Jeff** after either one of us had a bad round. I always counted on **Todd** rapping after I had a bad day at school, and I could always count on **Phil** having something to say after every shot."

With the Panthers losing only one, they hope to build on their winning season with another strong showing next year.

Number one man Junior Jeff Brunner studies his putt at a home match against Eastbrook.

Teeling off at hole number one, sophomore Chris Hoose prepares his approach.

Senior Robbie Leavitt attempts an approach shot to the green.
