Allyson Creamer, Madi Tincher, and Emily Booker support the Panthers from the student section as the game begins.

The stands are full as the student section shows their Elwood Panther spirit by cheering on their team. With high energy and noise makers, the student section sets the mood for each game.

This years swim team had a very fun and successful season. The swimmers worked hard and accomplished many team and personal goals. Megan MCGahey broke the school record in the 100 freestyle and many other swimmers came very close to breaking other records. The Divers also had a very successful season! Elwood sent three divers to sectionals for the first time in over 20 years. The swim and dive team had a lot of fun spending time together in and out of the pool.

"The game that was the most fun was the last round of sectionals because I did really well and everyone had great sportsmanships. The most memorable moment was when I got my highest score at practice; it was 151 pins." - Hannah Amick

# Student Council

Every year, the Student Council does its best to create engaging, fun programs for Elwood students. Especially in the past year, Student

Council has been regrouping and making great efforts and changes in order to build up the program of student leadership and spirit in our school. As always, the Student Council is here to brighten and build up the Panther experience!

**Right:** Clayton Tackett, a freshman, participates in team building activities at National LEAD Conference.

"This year, the student council has succeeded in raising student involvement and school spirit from planning homecoming to creating point-based activities. We've done this by electing more members and establishing more meeting times to improve our school this year and for years to come."

- Claudia Swinford, Student Council President

Members of the Student Council prepare for the Homecoming Pep Rally by blowing up balloons for relays, gathering hula hoops and decorating the gym with Panther red and blue.

Student Council members broadened their world view and experiences during a train ride to Pike's Peak in Colorado. This rare and valuable experience offered Elwood students a new perspective. Aaron Litherland, Haylie Crawford, Delaney Savage, Brooke Mosbaugh, and Madelyn Easter enjoy the trip through the stunning scenery Colorado offers.

**Above:** The Student Council started off the year on the right foot with a training meeting where they were able to review how to conduct successful and productive meetings. With the help of Mayor Jones and several other guest speakers, the Student Council members learned the key to working in boards and accepting the input and ideas of those around them.

# ART IN STYLE

Posing in style! Elwood High School's Art Club striking a pose in front of an installation piece at the Indianapolis Museum of Art. It was some students very first time to this museum and there was so much to see! Not only did the club see some interesting art, they had fun experiencing it together! [Pictured left to right: Mrs. Vogel, Gabby Jacobs, Breanna Lane, Lexi Driver, Sydney Collis, Alissa Durham, Megan Rodriguez, Olivia Gaddis, Kaylan Durham, Shelby Romig, Kara Hayes, and Hailey Wesseler]

Elwood High School's Art Club was revived this year, thanks to the new art teacher, Mrs. Vogel. In the past, art club had been active in setting up the art show and other activities, but Mrs. Vogel decided to let the students experience more this year.

The club visited the Indianapolis Museum of Art (IMA) this past fall. The club was able to experience and learn about art through this exciting trip, and many had never been to an art museum before. An exhibition over local Indiana artists was being displayed during the visit, so students were able to see artwork influenced by where they live, past and contemporary works, and learn history about Indiana at the same time. Hands-on activities were also available, such as x-raying antique oil paintings to see how the artist's would change, or deviate from a painting. It was the first field trip the Art Club took for the year and it was a blast!

Art Club also took a trip to the Chicago Art Institute of Chicago. It was a first for many students to travel outside of Elwood, or Indiana. Artwork from artists like Van Gogh, Monet, Seurat, and many more were displayed. The Art Club also traveled to a famous Chicago hot spot for deep dish pizza, Gino's Southloop East. It was a fun and exciting trip and they're hoping to travel more next year! to a famous Chicago hot spot for deep dish pizza, Gino's Southloop East. It was a fun and exciting trip and they're hoping to travel more next year!

[Pictured in the round from front to left: Sydney Collis, Olivia Gaddis, Megan Rodriguez, Jasmine Ramos, Hailey Wesseler, Breanna Lane, Breanna Virgil, Brittney Crowder, Alec Caulkins, Kassi Frey, and Shelby Romig]

What a day! Art Club visits Cloud Gate, commonly known as "The Bean" in Millennium Park in Chicago. This tourist attraction was swarming with visitors taking selfies in the huge reflective surface of this installation piece. Art Club was no different as the members even walked underneath to see inside and get close to take some instagram worthy pictures! They did pose for a group photo near the end before leaving their fun-filled trip. It was definitely an experience for all who went!

**The team warming up and preparing to beat the other team!**

The 2017 softball team had a great season. This year the Lady Panthers won CIC for the 5th year in a row, won Sectionals, Regionals, and Semi State. Although the road to the State Championship was rough, they had a great time doing it. The Sectional Championship game lasted 18 innings against Madison Grant, and they brought out the big win. The ladies then played Alexandria at Regionals and also won that game. At Semi State the Panthers won their second game against Whitko and run ruled them to punch their ticket for the State Championship. The softball team played Ciscena for the Championship game and unfortunately did not pull out the win. Although the girls team didn't win they still had a great time and they also made history being the first girls softball team to go to State!

The city of Chicago estimated that nearly five million fans swarmed into downtown Chicago two days later to attend the Cubs victory parade.

◀ **The Women's March** on Jan. 21 was a worldwide demonstration in support of women's rights and a variety of other causes, including health care reform and protection of the environment.
