1959

*Published by the Senior Annual  
Staff and members of the  
Journalism Class of Fairmount  
High School*

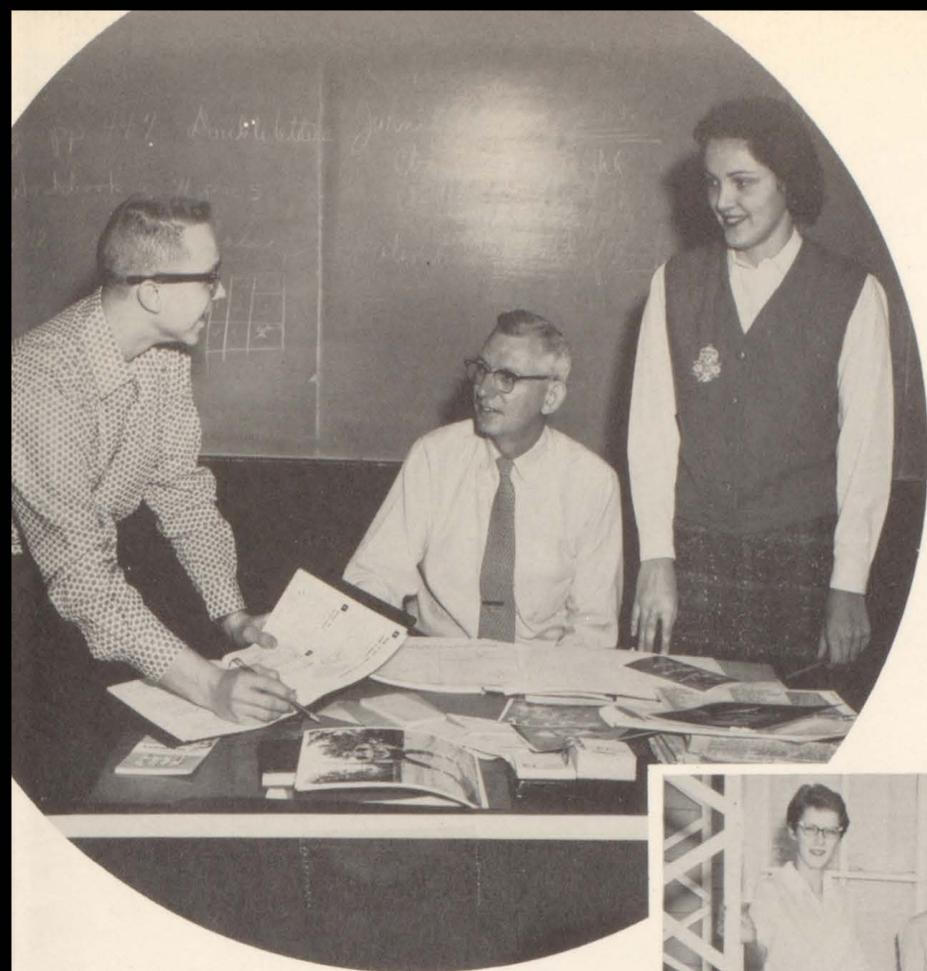

## Foreword

Between the covers of this yearbook is a picture-and-word history of a year at F.H.S. As you turn through these pages, I hope that you find a basis for reflecting upon your experiences and good times during 1958-59. Although the year has gone into the past, this book will keep those memories fresh and alive for many years to come.

## *Dedication*

### *F. Stanton Galey*

After 35 years of devoted service to the Fairmount School System, F. Stanton Galey is retiring August 1, of this year. When he first came to Fairmount in the fall of 1924, Mr. Galey taught agriculture and biology. In 1926 he became the Principal and three years later received the position of Superintendent that he is presently holding. He has attended Terre Haute Normal College, Ball State, Purdue, and Indiana University.

Through the years Mr. Galey has won many friends in our community. The position of Superintendent can be filled, but no one can take the place of Mr. Galey in the hearts of the people. In recognition of his never-tiring energy and his work with our schools, we, the class of 1959, dedicate this Black and Gold to F. Stanton Galey.

## *Booster Club*

Under the guidance of their sponsor, Miss Gloria Eller, our ninety-voice strong Booster Club enthusiastically supported FHS ball teams this past school year.

Reversible black and gold jackets were the uniforms chosen for the year. Officers elected were: president, Becky Pernod; vice president, Marieta Harvey; secretary, Vivian Craven; and treasurer, Mary Street.

## Future Farmers

Although Mr. F. S. Galey was the first agriculture teacher in Fairmount High School when he came here in 1924, the Future Farmers of America organization was not formed until Mr. R. C. Arbuckle came in 1936. Since 1944 Mr. Hugh Caughell has been in charge of this group. The FFA group currently boasts 45 active members.

One of their major activities was the Christmas Ball, which they co-sponsored with the FHA. Bob Peacock was crowned king of this dance. To make money the boys sold FFA pencils. Then in the spring they made concrete hog troughs to sell. Another activity was maintaining the school shrubbery.

Honors earned by club members last year included State Farm Mechanics Activity, Arlen Hasty, first; Buddy Stitt, second. Arlen Hasty also placed third in the State Electrification competition. Terome Gough achieved the rank of State Farmer and was locally made a Chapter Star Farmer.

### F.F.A. Officers

Officers for the year were, from left to right: vice president, Steve Sheets; sentinel, Phil Wright; president, Bob Peacock; reporter, Arnold Rybolt; treasurer, Ted Reasoner; secretary, Armor Borgan (not shown).

## Future Homemakers

The Future Homemakers of America have completed another successful and busy year. They had 51 members who worked diligently with their sponsors, Mrs. Florence Wood and Mrs. Margaret Jarrett. The activities of the F.H.A. this year included a visit to Central Hospital in Indianapolis, a go-to-church Sunday, Mother-Daughter banquet, a Daddy-Date night, F.H.A. and F.F.A. Christmas Ball, at which Janis Harvey was crowned as queen, a trip to the state legislature, a tour through the homemaking department at Purdue, and their annual spring trip to Chicago. To make money for their trip to Chicago the girls sponsored one scrap drive and held a bake sale each month. With the energetic guidance of Mrs. Wood, the group is once again striving to receive an Honor Chapter Award at the State Meeting in June.

### F.H.A. Officers

Standing by rail, from top to bottom: Karen Elliott, editor and assistant song leader; Sue Hayes, vice president; Mary Jane Gibson, song leader; Becky Harvey, Assistant parliamentarian; Sharon Brewer, parliamentarian.

Standing by wall, from top to bottom: Mary Jane Casner, devotional leader; Judy Rautenkranz, treasurer; Judy Seward, historian; Karen Roe, president; and Donna Riden, secretary.

# Speech Club

Speech Club members made trips to Butler University, Peru, Manchester College, Mississinewa, New Castle, and Purdue during the first semester.

Debate and forensic practice, observations, and contests as well as U.N. participation were largely the activities of the speech club members this year.

Charles Wallace presided at all club meetings.

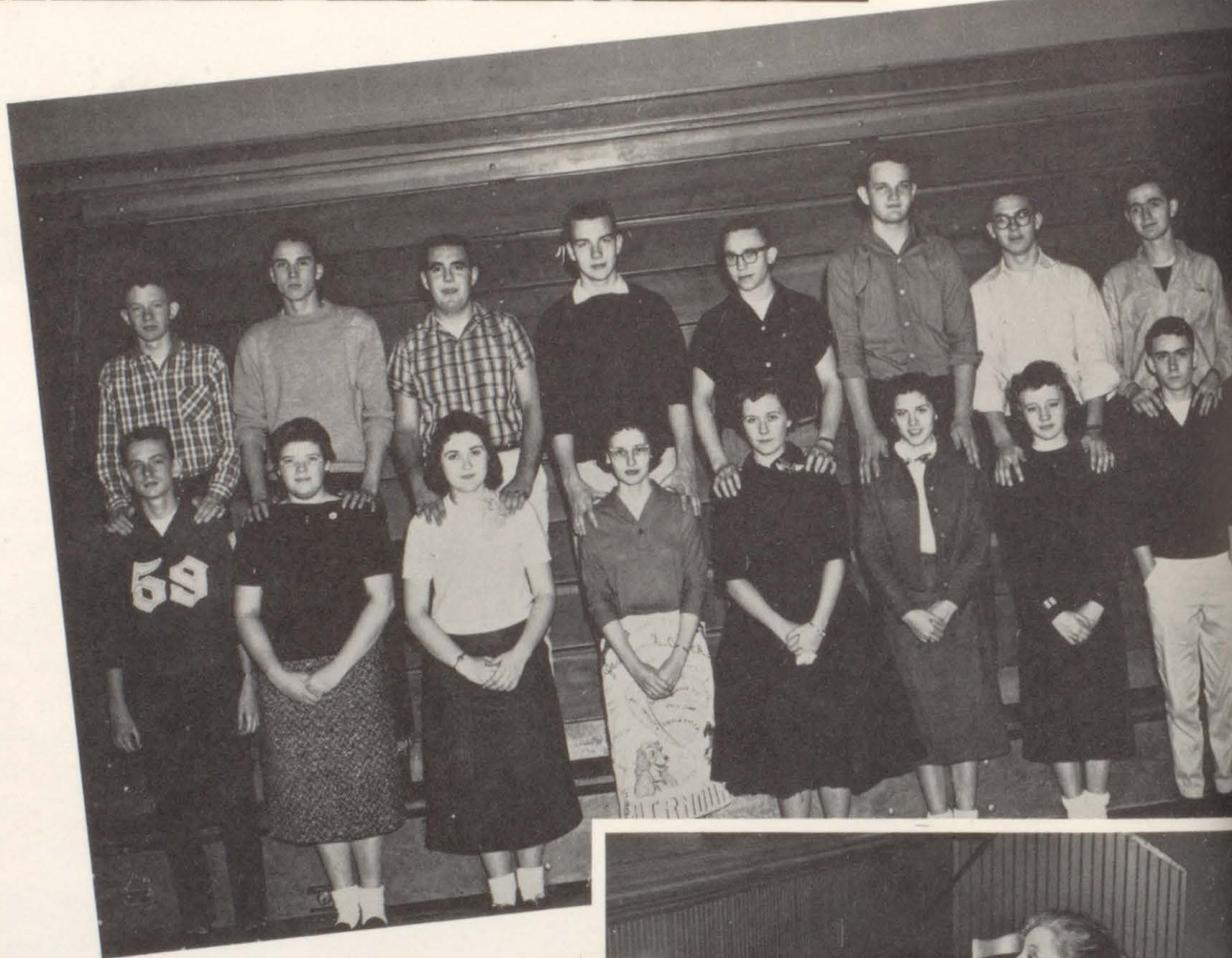

# Thespians

The National Thespian Society #682 has the responsibility to further dramatic art here at Fairmount and to maintain high standards of theatre in F.H.S.

This year we presented the Thanksgiving Play and spring Convocation program.

At Thanksgiving we proudly unveiled the bust of James Dean, which was placed in our auditorium as a lasting reminder of his presence in our dramatic endeavors. Kenneth Kendall made the bust for the high school.

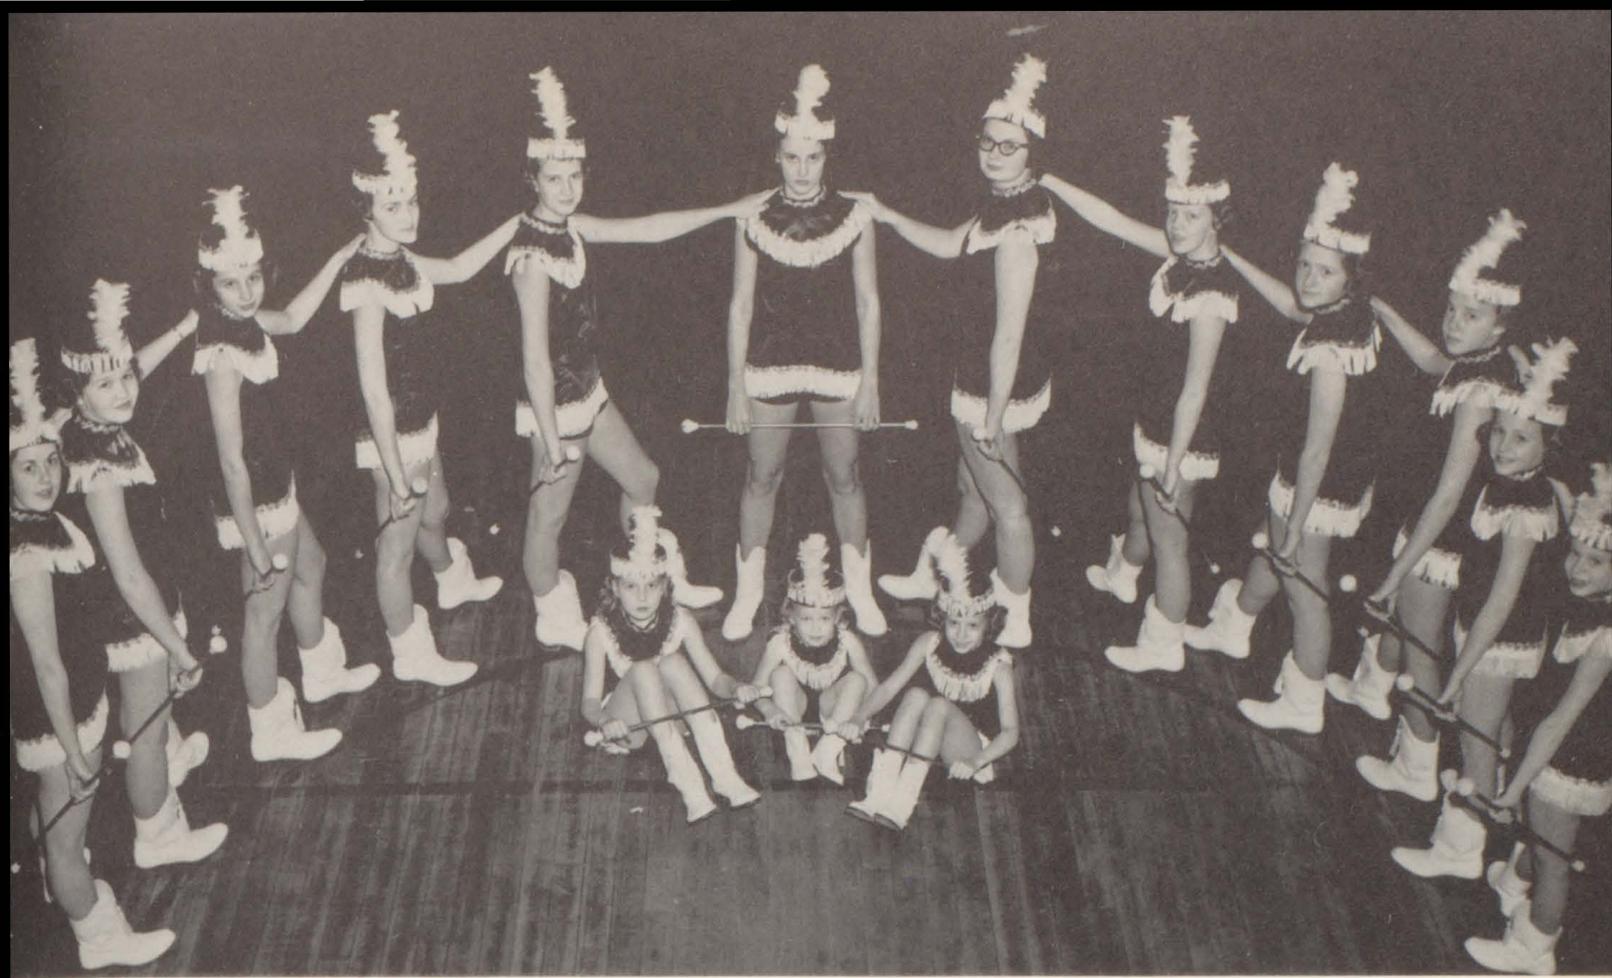

Officers of the Thespian Society #682 for this year were president, Phill John; vice president, James Tutorow; secretary, Nancy Roth; treasurer, Donna Riley; clerk, Janet Keith.

## Mrs. Adeline Nall

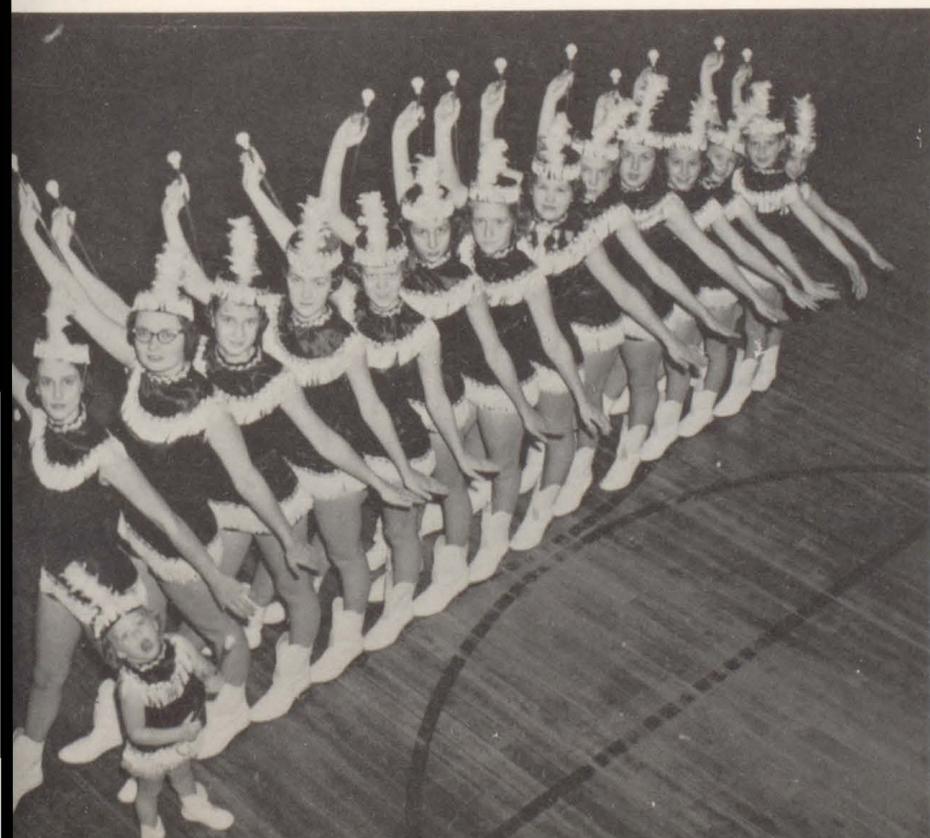

"I can't hear you," Mrs. Nall seems to be saying. We know this picture doesn't portray the glamorous Mrs. Nall, but anyone who has ever been in one of her plays will recognize this pose. Doesn't she just *love* a play!

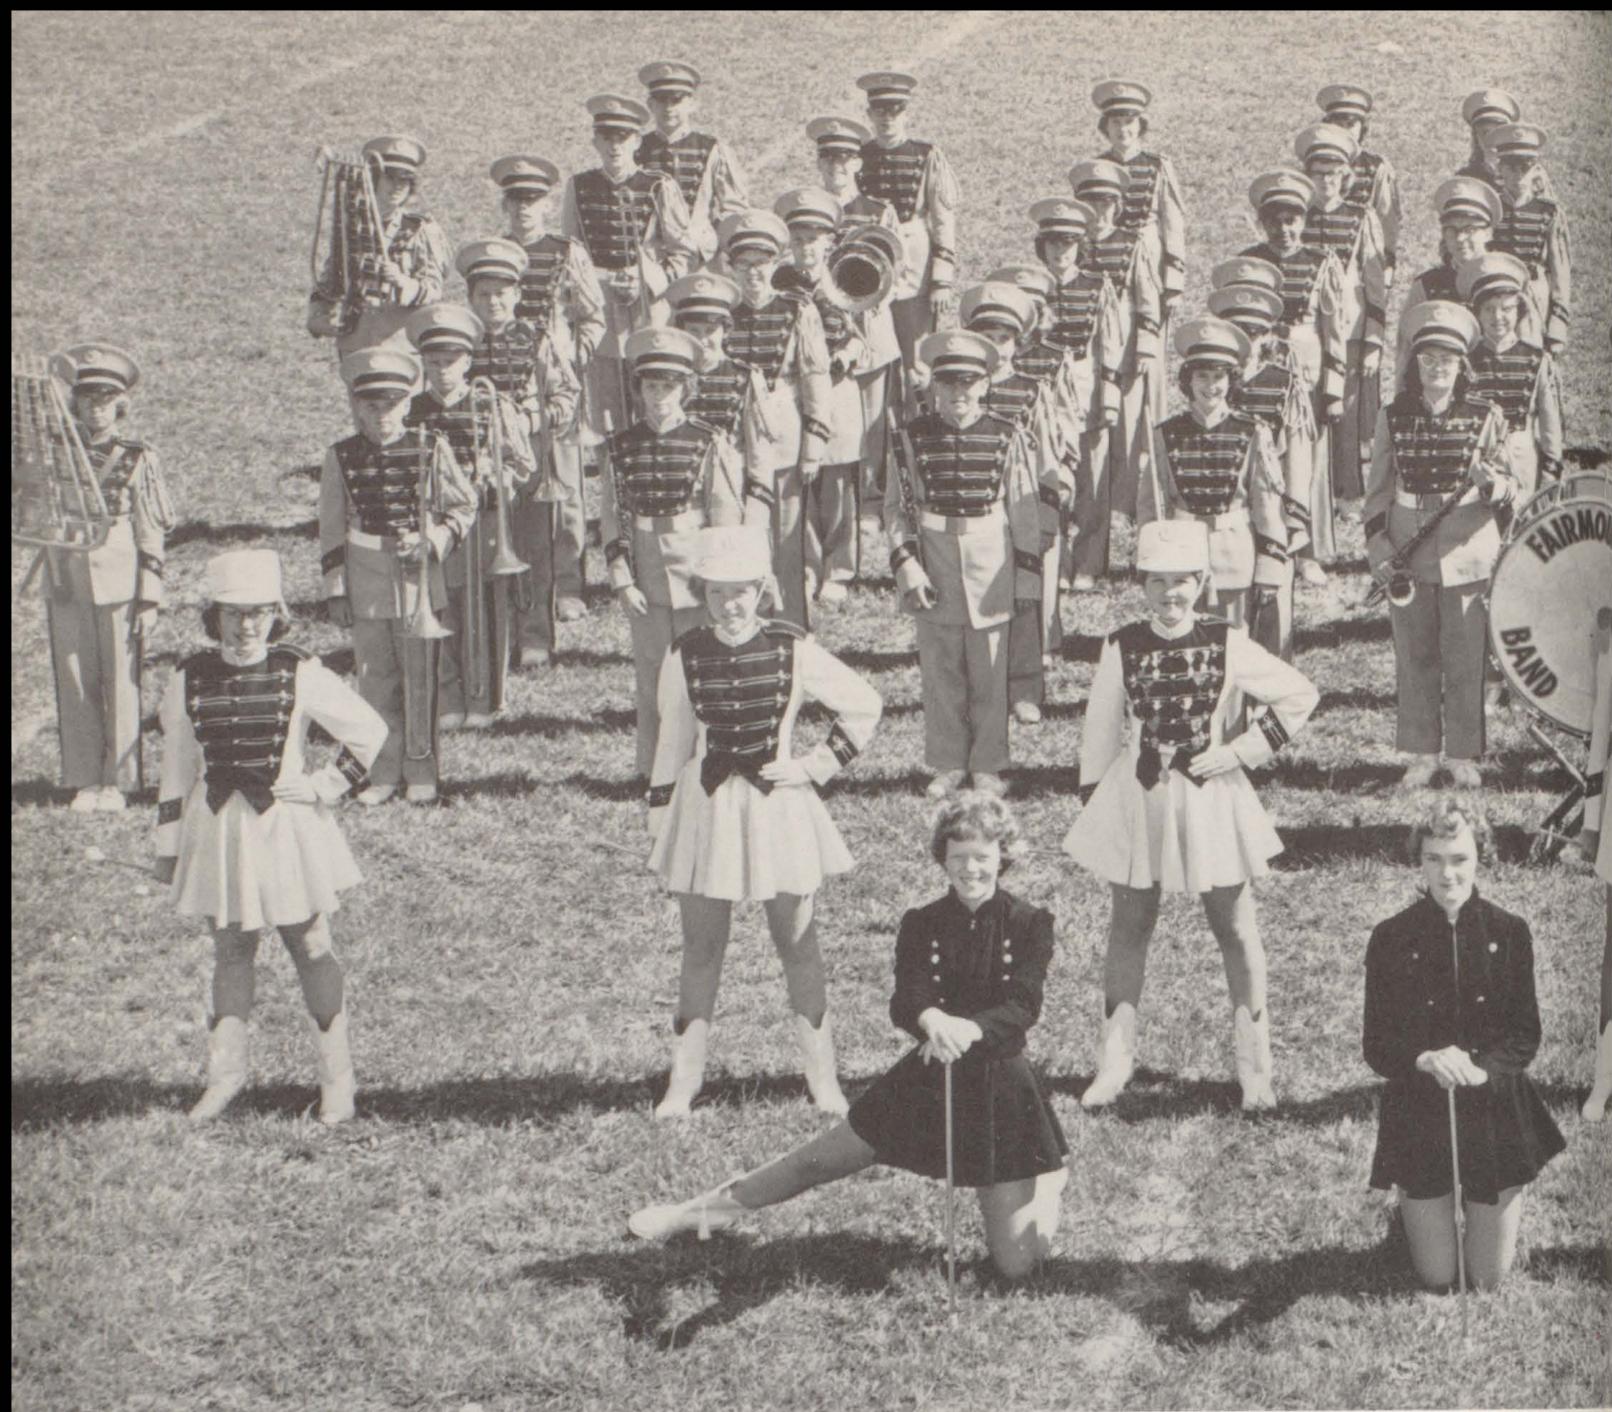

## Twirlers

The Twirlers have done a very outstanding job again this year. They put on wonderful shows at the football and basketball games. Susan Hackney was captain and Delean Thomas as co-captain. Much credit goes to the twirlers for their work.

*Mrs. Null*

Mrs. Null is the Director of the Twirlers. She has worked many long hours perfecting routines for the shows, and she should be given much recognition.

## Concert

Our major musical organization, the band, has now completed another very successful year at F.H.S. To start off the year the band was honored to be invited to the Purdue-Nebraska football game on the Purdue Campus in September, the occasion being Band Day at Purdue. Although the F.H.S. band was only one out of over one-hundred and thirty bands attending the event, they felt inferior to none as far as uniforms were concerned. Then in March they again participated in the district contest of the Northern Indiana Band, Orchestra, and Vocal Association.

Out of the band this year came something new, the Show Band. The Show Band was about one-third the size of the Concert Band. This Show Band played at some pep sessions and basketball games, but their big experience was playing for the variety show which the band put on in its entirety.

Mr. Paull McCoy did a very fine job leading the band again this year.

## *Band*

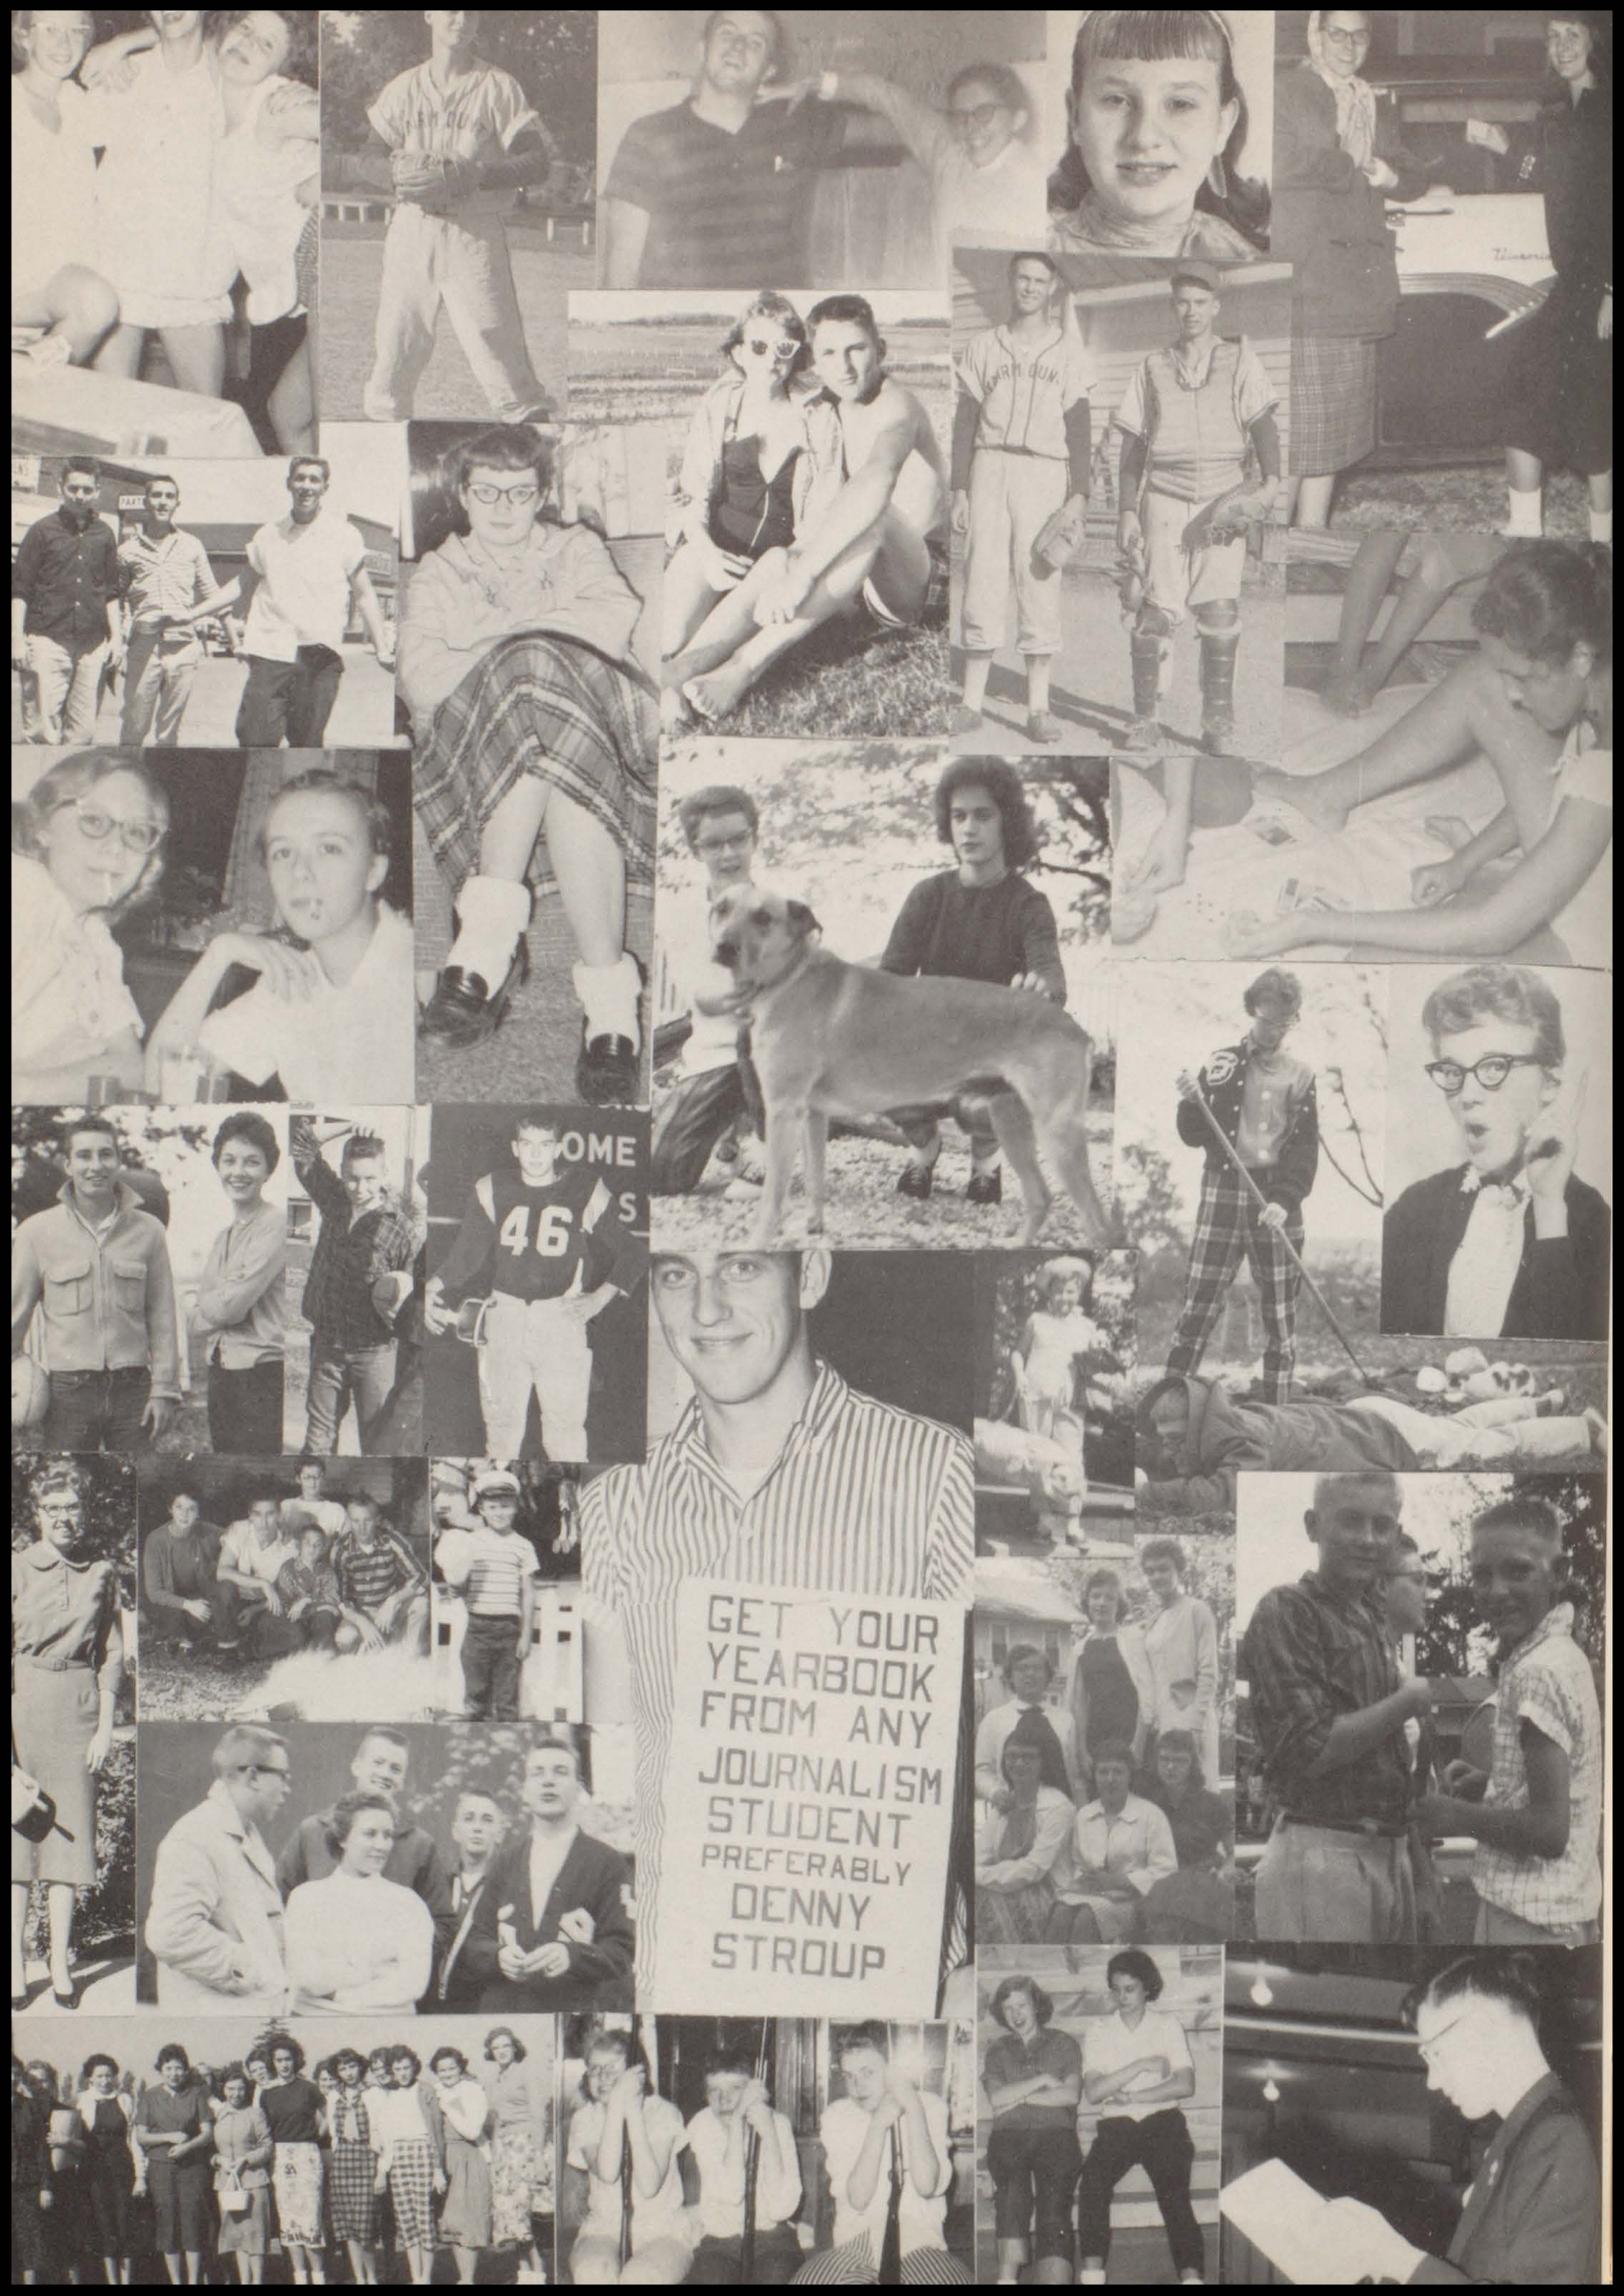

The F.H.S. Band also performed at the afternoon session of the Grant County Basketball Tournament in January. Of course it performed at all but one of the home football games, most pep sessions, and all home basketball games, and, as usual, the group made several trips to various places of public interest, which pleased the members very much.

The band lost five members this year through graduation; they are Jay Hunt, Phill John, Jayne Langsdon, Marcia Monohan, and Jim Tutorow. The band rounded out the year providing music for Baccalaureate and Commencement exercises.

The band officers did an excellent job this year. Several parties were held, thanks to the social chairmen; roll was kept in order, thanks to the secretary; folders were filled with music, thanks to the librarian; and all was kept in order, thanks to the president and vice president.

The band officers were Jayne Langsdon, president; Mike Davis, vice president; Judy Langsdon, secretary; Sue Hayes, librarian; and Pat Monahan and Jim Tutorow, social chairmen.

### LARRY CAMPBELL

Larry had tremendous desire, was a good shot, and was very aggressive. A good team man with a lot of spirit.

### DAVE COMER

A really hard worker. Not always a scoring threat, but terrific on defense. Was a great team player who usually got the toughest assignment on defense. He never let up in practice or during a game.

### DAVE RICKS

One of the most-improved ball players we had. A good shooter, lots of desire, speed. A good ball-handler and one of the two best guards in the county.

### DAN RIBBLE

His height helped control the boards. He started well, hit a slump, but came back strong to help our late season drive. He was always a potential scoring threat, one of his best games was against Dunkirk.

### DENNY STROUP

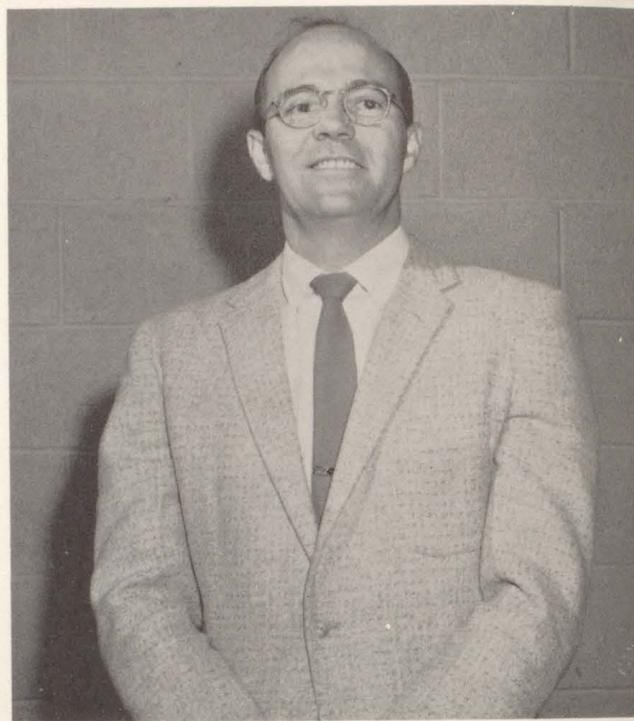

The hard-luck guy on the team. Plagued by injuries, Denny had it tough. Valuable as a team man, rebounder, and good for ten points a game. He could always be called upon to give his best even under a handicap. His defensive rebounds set up our fast break for many points.

### JOHN SIEGEL

Young in experience, but a very good rebounder, his shooting had the soft touch. Very aggressive.

### RONNIE WALLACE

A great rebounder. Could jump higher than any other player on the team. Good defensive and coming along with his shooting. We will see a lot of him next year.

*Coach Ray Cox*

### PAUL CHAPEL

Another bench man who can play nearly every position. A hard worker, with good attitude toward the game and the team. A very good player for a sophomore.

### JIM PERNOD

A good substitute, Jim gave his very best, both as practice fodder and in the game. He was fast, shot well, and was a good defensive man.

### CHARLES GAITHER

An outstanding performer. Holder of nearly every record in the book. A good attitude, great scorer, and tops as a guard in both conference and county. To him the team always came first.

# History of the Class of 1959

In the gymnasium on September 23, 1955, the "Mighty Freshmen," sometimes called "greenies," elected their class officers as follows: president, Denny Stroup; vice president, Phil Comer; secretary, Pauline Ancil; treasurer, Marceil Polk; social chairmen, Linda Lewis and Bob Cromer; student council, Jim Pernod, Judy Rautenkranz, and Jayne Langsdon.

On October 31, 1955, the class enjoyed a Halloween party. Later in the year, they sponsored a skating party to begin raising funds for their senior trip.

At the end of their year as freshmen, Mary Jane Casner and Denny Stroup were awarded the American Legion awards.

For sophomore class officers, elected the last of the freshman year, May 14, 1956, the Class of '59 chose as president, Denny Stroup; vice president, Jim Pernod; secretary, Pauline Ancil; treasurer, Marceil Polk; student council, Judy Rautenkranz and Bob Cromer; social chairmen, Mary Jane Gibson, and Larry Campbell.

Ordering class sweaters was one of the first things done. The class chose red and white as their colors. The letters on the sweaters were of the old English style.

Three one-act plays, "Itchin' to Get Hitched," "The Storm," and "French Toast" were given by the class.

Mr. Tom Rice and Miss Nancy Phillips as sponsors followed them through the year with their class parties as they had the year before.

As juniors the class met on September 6, 1957, with their new sponsors, Mr. Raymond Cox, Jr., Mr. Charles Bayless, and Mrs. Florence Wood.

The officers for the year were president, Mary Jane Casner; vice president, Denny Stroup; secretary, Bob Cromer; treasurer, Judy Rautenkranz; historian, Phyllis Brookshire; student council, Phil Comer, Pauline Ancil, and Jim Pernod; social chairmen, Eilene Ailes and David Comer.

The biggest thrill of this year was choosing class rings. The rings were ordered during the first of October and arrived in time for Christmas.

Various money-making projects this year were selling "School Daze" books and inkwells, record hops, and having a fish fry. Moneywise, this was a successful year.

After returning from the Christmas vacation, committees were appointed to work on the annual Junior-Senior Prom. It was held near Muncie at the Top Hat, on April 26. The theme was "Stairway to the Stars." The decorations were in blue and silver. Be-

fore the prom, the juniors were hosts to a banquet, attended by the faculty, the juniors, and their dates.

The class chose "New Boy in School" for their junior class play, which was given October 22-23, 1957.

The final activity of the year was decorating the Tabernacle for the graduating seniors' Commencement.

The class of '59, finally being seniors, met on September 9, 1958, to elect class officers for the last time. The sponsors were Mr. Raymond Cox, Jr., and Mr. and Mrs. Jack Jarrett.

The election of officers went as follows: president, Phil Comer; vice president, Eilene Ailes; secretary, Janet Keith; treasurer, Judy Rautenkranz; historian, Janis Harvey; social chairmen, Jim Pernod and Jayne Langsdon.

Many important items came before the senior class: What goals were we to reach in selling magazines; where would we go on our senior trip. The class decided to divide into three teams to sell magazines. Each team set its goal at \$2,000. We decided to take the bus on our trip to Detroit, Philadelphia, New York, West Point, and Washington, D.C.

Various money making projects were selling concessions and magazines, and sponsoring dances and chili suppers.

On October 28 we initiated the freshmen in the auditorium. The theme was "Sinnerama," and it was carried out with red flood lights. We had a wonderful time using hoola-hoops, tricycles, ribbons, and lipstick.

On Sunday, December 14, 1958, a Senior Vesper Service was held at the Methodist Church. This was our first program to give us a feeling of being in our final months of school.

In February we held a Valentine Hop in the gymnasium. The mood was gay, and the decorations were the traditional red and white hearts. We had two candidates for queen of the hop from each class. The voting was by pennies.

In April we gave our last class play, "The Thread That Runs So True."

On May 1, 1959, the juniors were hosts for our annual Junior-Senior Prom.

May 9 brought our senior trip. It was filled with wonderful memories. Upon returning, we were caught up in the whirl of graduation. On May 17, we solemnly sat through our Baccalaureate exercise and the next evening, May 18, we received our diplomas and parted from "School Life" into "Life's School."

SENIOR WEEK

## 67 SENTIMENTAL SENIORS HOLD TRADITIONAL RITES

During the annual Senior Day Convocation, Phil Comer, Senior Class President, presented the badge of authority, the class gavel, and the school banner with the class colors of all the classes since 1927 on it to Dick Smith, Junior Class President.

The Seniors also presented their class picture to the school to be hung in the hall.

Sunday afternoon, May 17, Baccalaureate was held for 67 Seniors of the class of 1959.

Clad in white gowns and caps with red and white tassels, the 67 Seniors received their hard-earned diplomas during the annual Commencement exercise, May 18, at the Wesleyan Tabernacle.

The Seniors marched in to the processional, played by the high school band.

Mr. Smith presented the awards and medals to some very happy Seniors. The climax of the evening occurred when Mr. Galey awarded the 1959 Seniors their diplomas.

The new graduates, very proud and very happy, marched out to the recessional.

## Jubilant Seniors Tour Historic Eastern Sites

Approximately 50 very excited Seniors boarded busses for the East on May 9.

Some of the thrilling places visited were the Battle Field at Gettysburg, Capitol Hill, Lotus Supper Club, and Washington, D.C.

Then they boarded the Greyhound cruiser for New York.

On route to New York they stopped at Philadelphia to visit Independence Hall, the Liberty Bell, and Betsy Ross House.

In New York they took a Circle Line Cruise around Manhattan Island and the Statue of Liberty, toured the Empire State Building, and attended a night club, The Village Barn.

West Point and Detroit were the last stops.

## JOURNALISM STUDENTS EXPRESS THANKS TO PUBLICATIONS, SPONSORS, ADVERTISERS

We, the journalism class of 1959, wish to express our appreciation to Mr. Wood, Mr. Smith, Mrs. Galey, and Mr. Terhune, who have so patiently assisted us with the preparations for this special Senior Edition of the Breeze.

We would like to thank the following firms for helping with the publication of our Breeze this year:

Curless and Armstrong, Brewer Furniture Co., Harden Funeral Home, Peg Dailey Cafe, Stewart's Furniture, Fairmount Hardware, Marathon Distribution, Leach's Food Market.

## SENIOR CLASS OF '59 BECOMES NOSTALGIC AS THEY PREPARE TO SAY FOND FAREWELL

It is strange how the years fly by so swiftly. It seems like only a short time ago that we were just starting out as a class together. We can clearly remember that first wonderful, awful day at F.H.S.

Our Senior year seemed so far away then, but here we are.

We are the class of 1959, and we are approaching our graduation day. For six years we have worked together, laughed together, and even cried together.

How clearly we remember our times at dear old Fairmount High—the ball games and tourneys, the class parties, the formal dances, and the record hops, the delightful class plays we have presented and just the general "fun" with good friends.

We will remember, too, the many walks uptown at noon hour, the confusion and noise in the halls between classes, the loves we have cherished, the dread we have felt on report card day, the sweet smell of hay on hay rides, the mounting excitement at basketball games, and the feel of the brisk autumn air during football season.

On our list of things to remem-

ber we must also include our teachers. At times we have thought them to be unreasonable.

We have complained about them and griped at their assignments, but now that we are nearing the end of our school education, we wish to thank them for their patience and their help.

It is almost beyond our power to describe the feeling we have as we prepare to leave F.H.S. It is a feeling of sadness.

We have known and loved many good times during the past six years; it is difficult to believe that they are past, that we will never be able to live in the same thoughtless carefree way again.

We are taking a big step—we are going "out of school life into life's school". It frightens us a little, but our eyes are full of hope as we look toward to the future.

To the underclassmen, we say "Good Luck". May your years at F.H.S. be as full and enjoyable as ours have been.

To F.H.S. we say "Thank you for the memories". For six years you have been a big part of our lives. We love you, honor you, and respect you. When we go, we will leave with you a big part of our hearts.

## Jesse Stuart's Life Is Class Play Theme

The play "The Thread That Runs So True" was chosen by the Senior class as their last dramatic endeavor. It was taken from a book written by Jesse Stuart and based on true experiences.

Mr. Stuart, a young inexperienced schoolteacher, finds himself face to face with an uneducated school board as well as uneducated children.

Before he is through, Jesse beats up the school bully, falls in love with his prize student, and stages a daring contest.

However, in the end he accomplishes his purpose as education wins out.

The Citizen's State Bank, Western Auto Store, Farm Bureau Co-op, Friendly Market, Crook's Grill, Dailey Beauty Shop.

The Village Store, Payne's Shell Service, Hunt's Funeral Home, Kesler Ford Sales, Ethel's Beauty Shop, Twin City Chevrolet, Fairmount Implement Company, Crist Cleaners, Quaker Inn, Christy Drugs.

## SPORTS SUMMARY REVEALS SENIORS HAVE LARGE NUMBER OF OUTSTANDING ATHLETES

As the football season of 1955 rolled around, eight freshmen boys turned out. They were Crosley, P. Comer, Callahan, Doherty, Hiatt, Pernod, and Gaither.

Of these Hiatt and Gaither received letters, thus becoming the first freshmen to win letters since the sport was started in 1952.

The freshmen squad won the County Freshmen League with the following boys participating:

Peacock, Ricks, Campbell, Williams, Pernod, Hunt, Doherty, Stroup, Ribble, Cromer, and D. Comer. Chuck Gaither played five freshmen games before moving up to varsity. Larry Campbell, Denny Stroup, and Chuck Gaither earned letters in track.

Denny Stroup, Jay Hunt, and Larry Campbell lettered in Cross country.

The sophomore year found Gaither, Hiatt, Doherty, Johns, Stroup, Burgan, P. Comer, and Crosley out for football. Of these, Pokey Gaither made the conference first team.

The Sophomores in 1957 dominated starting positions on the basketball team with three starters, Gaither, D. Comer, Ribble, Ricks, and Stroup.

The '57 cross country team was half sophomores: Campbell, Cromer, John, Ratliff, Parson, and Hunt.

Participating in track were Gaither, Campbell, Hunt, Cromer, and Stroup.

The 1957 baseball team won ten

games and lost only four.

Jack Jarrett made his coaching debut a success as the football team ended the season with a winning record, having earned six wins against three losses.

The 57-58 basketball team got off to a bad start, but came back strong at county tourney time and brought the trophy home with great pride, ending the season with a 9-12 record.

The 1958 Quaker baseball season broke even with a 7-7 and one-tie record.

Senior boys lettering in football were Gaither, Pernod, Stroup, Comer, Johns, Doherty, Hiatt, Peacock, Burgan, Callahan, and Ricks. The team outscored their opponents 182-158 for a 5-5 record.

Gaither made the M.V.C. first team as he scored 18 TD's and passed for four more.

Gaither and Hiatt received Co-Captain and M. V. P. awards. Charles Richards was honored for being an all-around manager his last year.

Chuck Gaither, outstanding Quaker basketball guard, broke the scoring record held by Jim Mitchener. Gaither's 38 points is also a new gym record.

Gaither is the first Grant County player to score 1,000 points in a regular season besides holding the all-time Grant County record.

Seniors supporting Gaither were Ricks, Comer, Stroup, Ribble, Pernod, and Cambell.

## VIP'S

Who would be likely to say, "FOOTBALL! What else is there?" This sponsor was born June 28, 1932, to Mr. and Mrs. Roy Jarrett. Have you guessed it?

It is our football coach, Jack Jarrett. Jack has blue eyes, brownish-black hair, and stands a large 6 feet and 2 inches tall.

Coach Jarrett attended Peru High School, graduating in 1950, and attended Butler University and Manchester College, graduating in 1956.

Jack likes fried chicken and "Gunsmoke." His pastime is helping Ernie with his studies. His favorite movie is "The Robe," favorite colors, "Black and Gold," and favorite expression,

"You have got a lot of good wear out of that coat, Mr. Wood." His hobby is talking!

Jack's most exciting moment is "My wedding day", and his pet peeve are athletes who get stuck on themselves and uptown coaches.

Reverend Jarrett says that he would like to have enough money to raise every poor, homeless kid the way he should be raised.

His comments on the Class of 1959 are, "They are a good bunch of kids with a lot to offer to the community and the world.

My hope and prayer for them is this: "That they shall be happy, and that they shall always try to make others happy."

"Basketball, the only sport!" said the son of Mr. and Mrs. Raymond Cox, Sr., who was born on

August 26, 1922. Raymond, Jr., has brown eyes with hair to match; he stands 5 feet and 11 inches tall.

Coach Cox graduated from Sweetser High School in 1940. He attended Indiana University and Taylor, graduating in 1950.

He likes prime fillet mignon, "Maverick" and "All-Star Golf." His pastime is playing golf; his favorite movie, "Gone with the Wind"; movie stars, John Wayne and Susan Hayward; color, red; expression, "Good Heavens!"; and hobby, raising Brian and Robin, his children.

When the boys are in the huddle before the start of a game is his most exciting moment, and each time it grows more exciting.

Mr. Cox says he would not like to be any certain person, but anyone whose occupation enriches the world by wealth, love, or understanding.

Of the Seniors he said, "I have sponsored many classes in my short years as a teacher, and there have been both good and bad; then there is the Class of 1959.

The class started rather badly and from there they slowly deteriorated. Seriously, they have been a real joy to me. I love them all, and hope I have served them well."

August 2, 1932, means something very special to a certain member of our faculty, for on that summer day she was born in Van Wert, Ohio, to Mr. and Mrs. John Bowden II.

She has eyes of dark brown with hair to match, and she stands 5 feet 8 inches tall. Have you guessed? Why it's Maggi Jarrett, of course.

Maggi attended Kendallville High School and Onward High School, graduating in 1950. To further her education, she attended William Woods Junior College and Manchester College, where she received a B. S. degree.

Maggi likes lobster, "Father Knows Best", "A Man Called Peter", and Pat Boone and Doris Day. Blue stands high on her list of colors, her favorite hobby is ceramics, and her favorite expression is "Ah! Come on!"

Her most exciting moment was on October 26, 1954, at 9:15 p.m., and her pet peeve is girls in the Booster Club who won't back the boys or the yell leaders.

She would like to be a housewife with six children.
