We, the Class of 1928, do dedicate this issue of the Crescent to our Mothers and Fathers who have assisted us and encouraged us throughout our school years.

Foreword

We have strived for a purpose. Whether we have gained that purpose is for you to decide. The staff has attempted to give to you a history of the past year in El-Hi. We hope that we have accomplished this. We hope that the 1928 Crescent pleases today and tomorrow it may serve to make dear old El-Hi live again.

ELWOOD LOYALTY

We're loyal to you Elwood High, We're all staunch and true, Elwood High, And we'll back you to stand 'gainst the best in the land, For we know you have sand, Elwood High.

RAH, RAH.
Go smash that blockade, Elwood High,
Go crashing ahead, Elwood High,
Our team is our fame protector, on boys
We all expect a victory from you, Elwood High.

CHE HE, CHEE HAW, HAW, HAW, ELWOOD HIGH SCHOOL, RAH, RAH, RAH.

To our dear High School we will always be true, Upon the basketball floor we're fighting for you, Like men of old, placing reliance, Shouting defiance,

OSKY, WOW, WOW.

Amid the broad green fields that nourish our land,
For honor and for nourishing we stand.
To thee we pledge our hearts and hands,
To win this victory, Elwood High.

Ever Increasing

No doubt you all know the meaning of the words "ever" and "increasing." But for your convenience I will give them. "Ever" means always, continually, never ceasing. "Increasing" is growing. Together they have a great significance, "always growing." Is that not a good motto for a book such as this, for a school such as this?

In the last few years, since the first edition, the Crescent has grown from a small, thin pamphlet to the book that it is. The school has grown since it first came into existence, in size, in importance, in enrollment, in activities and in athletic prestige.

From the time that we enter the portals of El-Hi until the time that our diploma is handed to us on commencement we have been "ever increasing" physically, mentally, religiously, and socially.

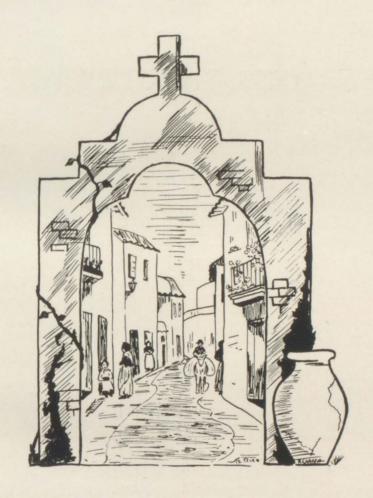

We, the Seniors of '28 must not let this cease to be our motto after we leave El-Hi. It should always be with us. For we must remain in accordance with all mankind and you all know that the people on the face of the earth will continue to be ever increasing for the next million years as they have been in the last million.

-ROBERT L. HOPP.

As the years come and go the Crescent must come but not go. For the past few years the Crescent, a chronicle of the events of the year in dear old El-Hi, has been edited and published for you. This year has passed and the Crescent of '28 is yours for your approval or disapproval.

With the services of The Fort Wayne Engraving Co., Krause Studio and Gift Shoppe, the Elwood Call Leader, Commercial Service Co., of Anderson, Indiana and the S. K. Smith Cover Co., of Chicago, Illinois, we have completed this issue of the Crescent.

We now open the pages of the Crescent of '28. If you like it tell the world and if you don't blame the editor.

ADMINISTRATION

OUR FACULTY

In every institution,
There must be those who lead;
We have them in our High School,
They are just the kind we need.
And these we call "The Faculty,"
They are good instructors too;
They help us over all the bumps,
Whether they be great or few.

They are only older students,
Just on a higher round;
For they started just as we did,
They, at first, were on the ground.
But they are our examples,
Showing us what can be done;
Only higher on the ladder,
They have climbed it, one by one.

After many years of labor,
From the different fields they came;
To help us in our High School,
And there to gain their fame.
Each one with his profession,
Making possible that we;
May see our work rewarded,
As has "Our Faculty."

-BONNIE HARRELL

Board of Education

These three people are continually on the lookout for things that can be done for the betterment of El-Hi.

The board at the present is composed of these three:

Mr. Lee Landon, Secretary.

Dr. Wayne Dean, President.

Mrs. Harrold, Treasurer.

Undoubtedly the most noted of their achievements is the completion of the new addition to our building. This improvement has been greatly needed for a long time and since its completion has greatly relieved the congestion in the halls of the entire building. This work of the board will be greatly appreciated for some time to come.

Mr. Wm. F. Smith

Our superintendent. He is always attempting to help and please others. It is seldom that the student body is honored by the presence of this gentleman, but every member holds him with the greatest respect and esteem that is possible. We hope that the oncoming classes continue to do so. No social function of the school is complete without Mr. Smith.

Mr. F. D. Huff

This gentleman started us on our high school career and has guided us very efficiently until the end has been reached. The student body is sure to succeed as long as it has the leadership of Mr. Huff. We all hope that he may continue his good work for the many classes that are yet to come.

CLASSES

Senior Class History

Four years ago a bedraggled group of Freshmen entered Elwood High School. They certainly furnished entertainment for the Seniors. The very first period one awe-struck Freshie came into Miss Groswege's solid geometry class with an overshoe sticking out of each pocket and his cap in his hand. He managed to ask if that was the physical training class. No wonder the Seniors laughed, but they certainly humiliated those beginners. However, those Freshies had the one consolation that they would not always be looked down upon as the "dumb-bells." The first year was the longest but it finally passed, and they became Sophomores.

Sophomores—how soothing and inspiring to be addressed in that manner. They had climbed one step in the high school social ladder. The class was permitted to organize and to participate in the many activities of the school.

The mid-year class selected Green and White as their class colors and Lily of the Valley for their flower. "Rowing, not drifting," was the motto they chose to guide their footsteps.

The spring class colors were Rose and Silver and their flower was American Beauty Rose. The motto selected was "Simplicity, Sincerity and Service."

Another year had passed, they were Juniors, upper classmen. One more step had been climbed, the class was taking an active part in all affairs. It furnished athletes, honor students, and contributed to casts of plays given by the school. The main social event of the year was a Hallowe'en party given in the gymnasium. They were all looking forward with enthusiasm to next year.

Seniors—they had gained that coveted rank. How dignified to belong to such a group. They knewe and knew that they knew. They won the class tourney and gave the greatest of all class plays.

The officers for this year of years were as follows: Louise Robbins, president; Ralph Majors, Secretary; Lawrence Alexander, treasurer.

The spring class selected these: Willard Windle, president; Charles Snodgrass, secretary; Wilda Striker, treasurer.

Of course, receptions and senior week are the happiest times of a Senior's life. The mid-year class reception was given in tea-room style, a very excellent farewell was given by this talented group to the outgoing class.

The spring class at its reception carried us back to spain, where the beautiful Senoritas, and Senors were seen in an old Spanish Garden. Who could be happier? Now they have attained their goal. Their school days are past; they have come into their own. No longer will the steps they take be guided by the helping hand of some faculty member. They must shift for themselves. Henry Wadsworth Longfellow once said, "Lives of great men all remind us, we can make our lives sublime, and in parting leave behind us footprints on the sands of time." If all have not left their footprints upon the sands of time, they have surely left them upon the steps of dear old El-Hi.

Seniors of '28

Oh Senior Class, like a galley ship of old Hast come the day

To set thy sails and put out upon the sea, Thou canst not stay.

"Come" Destiny beckons, "Come sailors bold And win thy laurels."

Skilled were the builders in Arts and Charact'ry Learned and Moral.

Instilled in the heart ideals noble and true, From folly retire.

Deliberate and haste not to accomplish Every desire,

For in thy unmounted haste thou might undo This priceless gift.

Guard well the gem that it does not diminish But serve to lift.

Blow gentle zephyrs, let thy hand guide on This unskilled crew

Far from the Styyian waters of Despair, And safely through

The overwhelming waves of Disillusion Which dispel trust,

Past flippant Pleasure's jagged coast bleak and bare, We you intrust.

Dawn is breaking in the East, expectantly, With repressed fear;

Prepared to quit the sacred port, they go now Leaving friends dear.

May the banner red and blue floating freely, In them impress

Service, Sincerity, Simplicity, at its prow Lead to success.

JUNIORS

In 1925 the members of this honorable class passed through the portals of Elwood High School into what seemed to them the machine of knowledge. They decided to use their talents as well as their knowledge in working the wheel of the great machine and to overcome any obstacle that might be in their way.

With this fine spirit they became Sophomores and found that they were able to take care of themselves. They also found time to practice basketball and wen the class tournament of '27.

As they grew wiser they became Juniors, choosing Miss Sneed as the'r pilot. They elected Lawrence Smith, c'ass president; Orville Armstrong as vice-president, and Frances Glenn, secretary.

The colors chosen for the class were Black and Gold. The Class Flower was the Rose. Mctto, "Where there is a will there is a way."

The mid-year class chose as its officers, Helen Powell, president; Mable Paddock, vice-president, and Claude Kochman, secretary. Mrs. Records was chosen to be the sponsor. The colors of the group were Green and Orchid. Flower, Lilac. Mctto, "Paddle your own canoe."

This class is ready to give the last turn to the great machine wheel. Watch them in '29.

SOPHOMORES

In the year of '26 an industrious group of students entered El-Hi. They worked hard but said nothing their first year. Then came their year of importance, in one breath they came to the top—all enthused in the activities of the school. They did not surprise us, because we knew that there was ability behind their quietness. More members of this class have had their name on the honor roll than any other class.

The spring section elected the following officers: Miriam Hawkins, president; Horace Mays, vice-president; Robert Gritton, secretary; Lucille Rankin, treasurer.

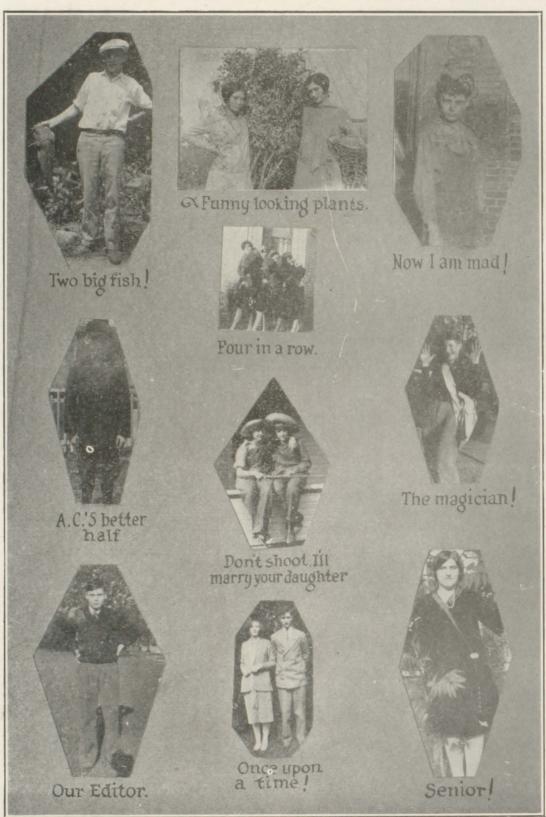

The colors selected are Rose and Silver, the flower is Sweet Pea, and the class motto is "Rowing not drifting," and this group of illustrious students certainly live up to it to the highest degree of perfection.

The mid-year class selected the following people to lead their class in their first semester of their career: Mary Margaret Barnes, president; Madeline Goodwin, vice-president; Zelma Ballard, secretary; Paul Humpke, treasurer.

They chose Purple and Gold to be their colors, and the Pansy to be their class flower.

We are all proud of this Sophomore class and are delighted with the cooperation they offer to anything pertaining to the betterment of the school. We wish to extend our best wishes to them. May each one of them prosper now and forever.

Freshmen

FRESHMEN

The class of '31 arrived in the High School in the year 1927 to work for an education, and to fight for the Red and Blue, to keep the high standard it has had in previous years, if not to better it.

They have many advantages over the Seniors who are leaving dear old El-Hi, although they probably don't realize it. We all know they envy the Seniors. Freshmen always wish that they were the ones to graduate, but when they are Seniors the desire leaves them and they long to start over as they once did.

We will have to admit that they are a more ambitious, more promising, and more studious group than are the Seniors, but they will get over all that as they grow older and learn the pleasures of life.

This group of Freshmen is the largest class in the entire school.

Freshie, Freshie, Don't you cry, You'll be a Senior By and by.

TEAMWORK

While resting one day I had a vision of very strange things. I thought I saw a man and several boys standing by a house called Home. The man whose name was Proud Coach was speaking to the boys whom he called Team.

He said to them, "Boys, go forth upon this Pathway of High School Basketball, which leads to the tributes of the State Tournament. The winning team of the state will be given valuable medals as symbols of their superiority in playing. If you follow my instructions and train, I think each of you will get a medal. If you fail to bring home the medals, you will never have the opportunity to trod the Pathway again, because you are all Seniors. Take this Score Card and return it to me at the end of the Tournament with the least number of marks against you."

The Team started out with courageous hearts, and each boy had the intention of pursuing the Pathway to the end. Things went along quite well until one day while on their way to a visiting city to play, they came upon a muddy stream. The stream had nothing but a long shaky bridge over it. This bridge was called the Sectional Bridge.

While trying to decide what to do, they met an old man whose name was Unfair Play. He said, "Where are you going, boys?"

Captain answered, "We are on our way to get the valuable medal fobs." Then they asked the man, "Is the bridge entirely safe?"

Unfair Play replied, "No, this bridge is not safe to pass over, and even if you succeeded in crossing, it would only lead you into the difficulties beyond. You would probably become lost. I can show you the Short Road to Success where you will receive many medals."

Some of the boys were ready to follow the advice of Unfair Play, but the Captain, who was their leader, persuaded them to proceed on the journey as instructed.

They crossed Sectional Bridge safely and soon found themselves at the foot of a high hill called Regional Hill. They started up the hill laying aside crooked, cheat and bluff. The hill was very steep and they had much difficulty in climbing it. When they reached the top of the hill their Score Card still looked favorable.

They proceeded on their journey and soon came to a slough called the Slough of State. The first that they saw after entering the slough was Unfair Play again. They turned him aside as if they hadn't noticed him.

A JOLLY BUNCH

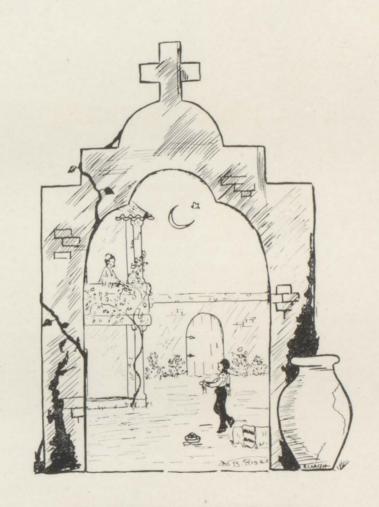

To say we are a jolly bunch Is but to say it light; For Hi-School sure is just the thing From morning until night.

Of course we have our ups and downs And ins and outs and so; Some-times, before it's one o'clock Right up the stairs we go.

'Tis something that we should not do, For 'tis against the rule. And Mr. Huff forbids it; 'Tis the ruling of the school.

But e're we've landed at the top, We hear his voice so clear. "You know it isn't one o'clock, Your place is right down here."

-BONNIE HARRELL.

ACTIVITIES

ACTIVITIES

And now comes the best part of our school life—the activities. It is hard to imagine how dull our high school life would be if the activities were denied us. It is the activities that puts the spice into our high school days and seasons the school routine which otherwise seems flavorless.

Interest in extra curricular activities has grown with the passing of the years. These extra subjects have come to be considered so important that last year, membership in at least one of the clubs was compulsory. It seems that the different activities of the school stimulates interest in the high school life of the student so that school ceases to be a drudge and becomes rather more of a pleasure.

This year we had several new clubs. Here are the extra curricular subjects offered by El-Hi this year.

THE STAFF

This group of students has willingly co-operated with me in every way possible to give you this issue of the Crescent. We have all strived together to make this one better than any before. This staff, as all others, has not been perfect, but they all had the grit and determination that is characteristic of El-Hi. Their talents has been the greatest factor in editing and publishing this Crescent. This year has undoubtedly been the busiest of all years for every member of the staff, with all the thousand and one odd jobs to do. We all hope that the Crescent pleases you as much as our particular task has pleased us.

The Band

The band has grown rapidly this year, as it has in the past few years. The membership now far surpasses that of any other previous record. When this organization renders a few selections it makes everyone listening have a feeling of pride upon the realization that such a band is part of our high school and that every member is a student in our schools.

The bright new uniforms recently purchased, made the parades and concerts of the greatest of splendor. The band is undoubtedly one of the best and most loyal supporters of our athletic teams. When there is an interschool contest underway, the band is there on the sidelines, a promoter of pep and enthusiasm. It helps to instill in the players the fight that is necessary to win a contest of any kind.

Much of the credit for this magnificent organization should go to Mr. Robert Birt, the always smiling bandmaster, along with Miss Jackson, music supervisor in the public schools. Mr. Birt not only directs the band but sees to it that there are new members ready to fill the places of those who graduate. Such a band as this is a great asset to any school and city.

THE HI-SCHOOL BAND

Here's our Hi-school band We present to you; With their uniforms, Of red and blue.

They put the "pep" In every game; No matter where, They're just the same.

They've been with us Through thick and thin; They've helped us out, And will again.

We're proud of them The reason why; They're all true blue, To Elwood Hi.

-BONNIE HARRELL.

The "A" Orchestra

The "B" Orchestra

The Orchestra

This year as last the orchestra was divided into two divisions, the "A" orchestra and the "B" orchestra. The "A" orchestra was made up of those players of most experience and musical ability. The "B" orchestra, while it had several members who were of two or three years experience, was for the most part made up of beginners in the musical field.

The orchestra has grown wonderfully in the last few years. This growth was due mostly to the untiring efforts of their director, Miss Edna Jackson, supervisor of music. During the time she has been in Elwood she has put forth every effort in persuading possible musicians to enter that field.

The "A" orchestra appeared before the public several times this year and each time won the warmest praise from its hearers. Several of the members of this orchestra are graduating this year. The vacancy left by their leaving will necessitate the advancement of members of the "B" orchestra.

The "B" orchestra, while it never appeared in public, practiced faithfully. It is very evident that there will be a very large "A" orchestra next year.

The orchestra has done its part very well and El-Hi is proud that it has such an organization.

"Peg o' My Heart"

This year the Senior class play was the biggest success ever, the crowd in attendance was immensely interested and were taken off their feet from the very beginning by the excellency of the acting of the characters.

The play was directed by Mr. T. B. Lindley, head of the English department and to him goes much of the credit for such an evening's entertainments it was.

The cast was as follows:

Peg O'Connel	Mary Fogarty
Jerry	
Mrs. Chicester	Katherine Wilson
Alaric Chicester	Robert Glover
Mr. Hawkes	Robert Hopp
Christian Brent	
Ethel Chicester	Elizabeth Little
Bennet	Louise Robbins
Jarvis	Robert Bambrough

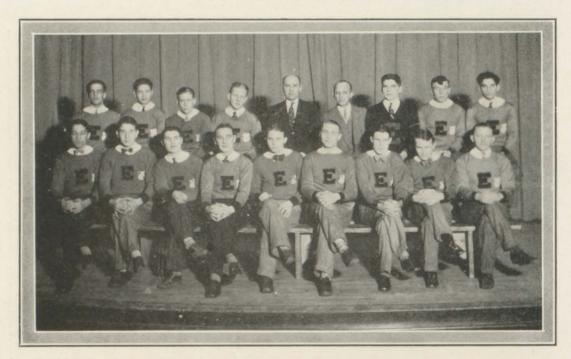

The Roosevelt Debating Club

Several years ago a group of pupils of El-Hi conceived the need of organizing a debating club. Accordingly several of these ambitious students set about to organize a club of this nature. After drafting a constitution and adopting the name "The Roosevelt Debating Club," a copy of the constitution was sent to Mrs. Theodore Roosevelt for approval and at the same time asking her to suggest a motto for the club named in honor of her dead husband. Her letter in reply commended the club on it's fine constitution and at the same time suggesting this motto, a favorite of Theodore Roosevelt: "Hit the line hard, don't foul, don't shirk, but hit the line hard." The club has in the years of its organization held this motto as its standard.

The organization has been a great success this year. It was made up of more Freshmen than upper classmen, but many efficient speakers were developed. In 1927 the club was able to arrange an out of town debate with Alexandria. On attempting to arrange a debate this year it was found that all schools within easy reach of our club were unwilling to enter into a discussion.

The sponsors of the club this year were Mr. Brown and Mr. Forney. The officers were: Jack Campbell, president; Joseph Hocker, vice-president; and Charles Mills, secretary. The officers of the club feel that this year has been a very successful one for the particular activity.

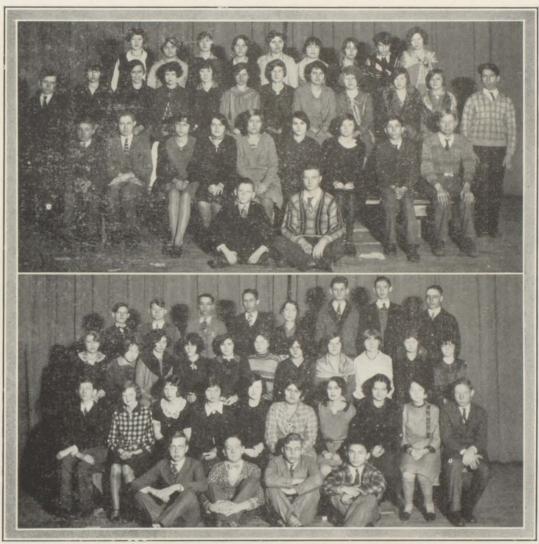

The "E" Club

The "E" club which has been dormant for some years hase been re-organized this year. Its membership is limited to those who have earned a letter in some form of athletics. At present it consists of seventeen members. Being the only honorary club in the school, the members are deservedly proud that they have the privilege of belonging to it.

The objective of the club is to further sportsmanship at all athletic events and to keep aglow those friendships created in the various branches of athletics. R. L. Phillips and Harry House were the fully capable sponsors. The officers were William Baxter, president; Earnest Gardner, vice-president; and George Wershing, secretary.

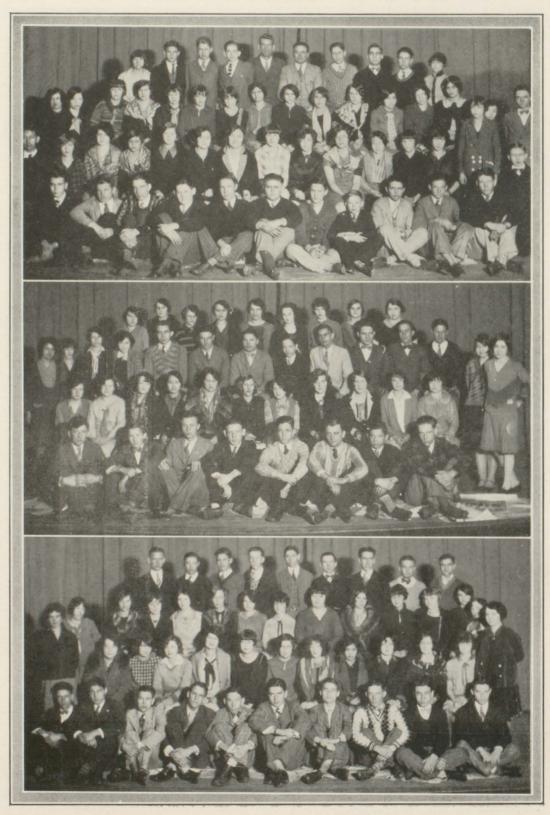

Societas Latina

The Societas Latina was first organized in 1924 for the purpose of studying the life, customs and religion of old Rome, thereby increasing the interest. Any school student interested in Latin is eligible to membership.

This school year there were about sixty five members. The officers elected were: Robert Theanders, president; Martha Nell Parsons, vice-president; Grace Pugh, secretary; Helen Hoppel and Woodyard Fisher, guards. Miss Foote and Miss Nuzum acted as sponsors.

The program committee spent much time preparing the work and entertainment for the year to the advantage of all the members. Due to this fact they have found that Roman life was analogous to our life in many respects.

Page Seventy-two

The Dramatic Club

The Dramatic Club is an organization set aside exclusively for upper classmen. Nevertheless this organization has the largest membership of the clubs in the high school, totaling one hundred five. Because of this overflow it was found necessary to divide the club into Sophomore, Junior and Senior divisions.

The Senior section was capably sponsored by Mr. Lindley, head of the high school English department. Officers were: Katherine Wilson, president; Charles Snodgrass, vice-president; Earl Bertram, secretary; and Mary Fogerty, treasurer. Various programs were greatly enjoyed by this division throughout the year.

The Juniors chose Mary Boston for president, Robert Hurd for her assistant, and Arthur Ormsby as keeper of the vaults. Miss Thurston is their sponsor.

Last but not least, the Sophomores, with jolly Mr. Smith as their sponsor. Helen Highee was chosen president.

The school is justly proud of the work of the Dramatic Club and it is the fond hope of all the members that the organization will continue to be the success that it has proven to be in the last year.

Study Club

Last fall the Study Club was organized for the first time in the history of El-Hi. It was organized on the basis of a much felt need for intensive study of various subjects by a certain group of individuals. Excellent students as well as others belonged to this fine club. The members were instructed in the best methods to study, both as a group or singly.

There was no specific organization other than just a group, since the time was spent largely in supervised study. The members felt that the time was spent very profitably. We hope that next year there will be more of our students take advantage of this much needed instruction.

CRESCENT'28

The Music Club. Art Appreciation Club.

The Music Club and the Art Appreciation club are both new clubs, being organized at the beginning of the school year. Both clubs are undoubtedly an asset to the school.

The Art Appreciation club was organized so that those who were at all interested in art could further their study of such. The club's members are on the front row of the top picture. There is a very small membership of the club this year but they have accomplished many things along the lines which they have attempted. The sponsors are the Misses Sneed and Koons.

The Music Appreciation Club has elected the following officers:—President, John Cain; Secretary, Joe VanWinkle; Chairman of Entertainment Committee, Mariam Hawkins. The sponsors are Miss Miller, Miss Spencer and Mr. Davis. The club has had many very interesting meetings and attempts to carry out the cause which they have chosen.

Le Circle Français

Le Circle Francais was organized this year with a membership of sixty. Activities began at once with Mrs. Records and Miss Koontz as sponsors. At the first meeting officers were selected. They are: Helen Powell, president; George Osman, vice-president; Harriett Gavin, secretary. George Osman was transferred to another club and Harrold Bayne succeeded him. LeCircle Francais was organized to arouse the student's interest in French costumes and manners and to further the use of French in conversation.

During the second semester a short play was given, "Le Pate'et La Tarte." Besides being a very interesting organization it was of great benefit to its members.

The Radio Club

At the beginning of the fall semester the Radio Club was organized with a membership of eighty-nine boys who were all interested in radio and the building of radio sets. Claude Kochman was elected president; Edison Latshaw, vice-president, and Robert Jones, secretary. There was no reporter elected as there has been in the last several years. Mr. Champion, Mr. Kratli and Mr. Ashton are the sponsors.

The purpose of this club is to study the science of radio. There have been some very interesting discussions held and some very pleasing and profitable talks given, during their regular meetings on the further development of radio.

Booster Club

Here are our jolly Boosters Each one a funny elf; We wont say much about them For each speaks for herself.

The Sponsors of this club are Miss Cox and Miss Minnich. They have their meetings in the high school library every month, and really have some enjoyable meetings as well as profitable.

They have selected a very fitting motto and one that is really good for

such a club. It is: "Boosters, Boost the Boosters."

At the beginning of the fall term they elected the following officers. President, Zelma Ballard; vice-president, Ruby Foland; secretary, Alma Foland.

Every member of this organization is greatly interested in hiking and so Miss Cox and the members have arranged to take a few jaunts this spring.

These people surely are a lively bunch, so don't forget the "Boosters."

Page Seventy-eight

Oratorical Contests

In the last few years great interest has been created in oratorical contests. This year interest in this kind of activity probably reached its height in El₂Hi. We had contestants in three of these events.

The first of these, which was sponsored by The Indiana Bar Association was on the subjects, "The Development of the Constitution" and "Present Significance of Constitution."

We entered six of our students in this event and out of these was to be chosen a winner to represent us in the county contest. The six entered were: George Shaw, Jack Campbell, Robert Jones, Katherine Wilson, Mary Stiro and Elbert Boyer. The judges were unanimous in their decision that Jack Campbell should represent Elwood in the county contest, where he took second place. We hope Jack will have better luck next year.

The second of these contests was sponsored by the Lincoln Memorial Union. The subject of this event could be anything concerning Lincoln. We made two entries in this: Robert Hopp and Vivian Hutcheson, both of whom went to the county and although neither took first place, both took second place.

The third contest in which we made entry was on any patriotic subject. There were six entered in this one. They were George Shaw, Mary Stine, Ava Barber, Margaret Taylor, LeVon Tubbs. This contest was sponsored by the Elks Lodge. A winner, George Shaw, was sent to Anderson.

Latin Contest

This year Elwood was represented by twelve pupils in five divisions of the County Latin contest at Alexandria. Of these four emerged victorious and had the privilege of representing Madison county in the district. The four were: Oval Duckworth and Pearl Everling in Division 4A: Aubrey Cleveland and Loren Lindley, in Division 1A. Aubrey Cleveland placed second in the district, where there were sixty-four contestants in the seven divisions.

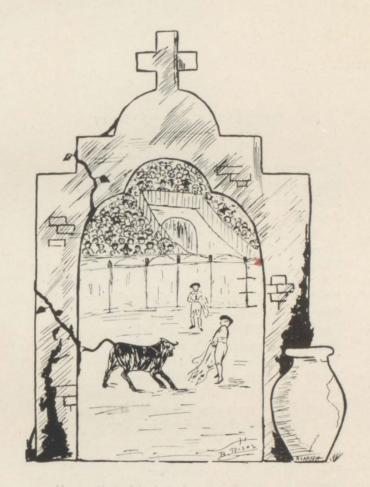

Commercial Contest

Elwood was represented in the Commercial contest at Kokomo this year as usual. Elwood contestants were successful in taking one first place and two thirds. The Class B typewriting team, composed of Harriet Gavin, Bernice Hiatt and Genevieve Keller, won first place. The Beginning book-keeping team took a third, they were Virginia Clymer, Mary Myerly and Dale Webb. Beginning shorthand team also placed third. It was composed of Harriett Gavin, Bernice Hiatt and Genevieve Keller. Harriett Gavin also took first place in the individual honors and Bernice Hiatt third, both in typewriting.

ATHLETICS

TEAM OF '27

T'was not the best nor will it be, Heaped with laurels high in majesty, Placed on shelf with mournful sigh Among past teams of Elwood High. It earned its meagre share of fame It retained for time its glorious name Though time moves on through many years I'll think of it with eyes filled with tears; Goetz and Scrump with their cheery smile Gave to us hope through strife and trial; Buck and Bill always full of pep, Sam and George able and adept, Vic and Joe calm and reserved Until the time their need deserved. There was Bob and Walt, matchless two, Started the game and fought it through, And Brogden always had his fun Played his jokes on everyone. The team that it was cannot be For now its just a memory.

—Bernard Schuck "Bung." Member of team.

COACH PHILLIPS

Coach Phillips' splendid attitude and untiring efforts to build good teams and instill good sportsmanship in his boys has stimulated great interest in football, basketball and track.

This year he has built teams that have caused many upsets, and have won victories over strong teams during 1927-28 season. They speak for his ability as a coach. Besides being a fine coach Mr. Phillips is also an excellent Mechanical Drawing teacher.

Mr. Phillips has been with us eight years and we hope that he shall continue his good work here for a long time.

Foot Ball

Elwood had a fine season in football this year. The fellows fought hard in every game and with few exceptions came out victorious.

Elwood teams are noted for their clean playing and fighting ability and this year was no exception. Elwood showed up great in all the games. The Technical game was probably their greatest victory this year.

Gardner, Greene, Schuck and Wilson have played their last game for El. Hi. We feel confident that Coach Phillips will turn out a very successful team next year as the prospects are very good.

ERNEST GARDENER "Sam"

Sam was our captain. He piloted the team through one of its most successful seasons. Besides being captain he was a very excellent player and instilled the spirit of fight in his men.

WALTER GREENE "Walt"

Walt played every game with the determination that wins and through his excellent playing and clean sportsmanship he won the good will of his fellow players. The squad selected him to have his name engraved on the Sellers' Trophy.

WILLIAM BAXTER "Bill"

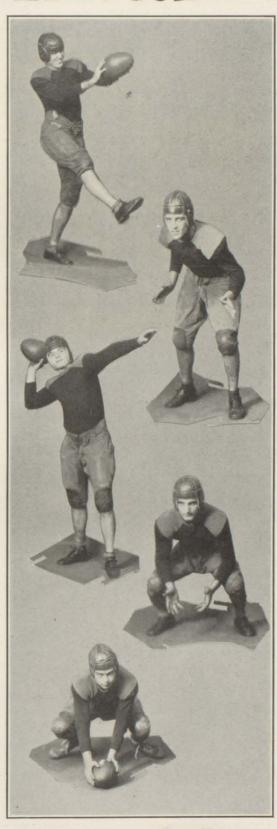

Bill is our captain-elect He played a very consistent game at half and had speed to burn. Bill was placed on the all-state team. We are expecting great things of your team next year, Captain Baxter.

GEORGE OSMAN "George"

George was one of our most determined players. He always put all he had into the games he played. We expect great things of you next year, George.

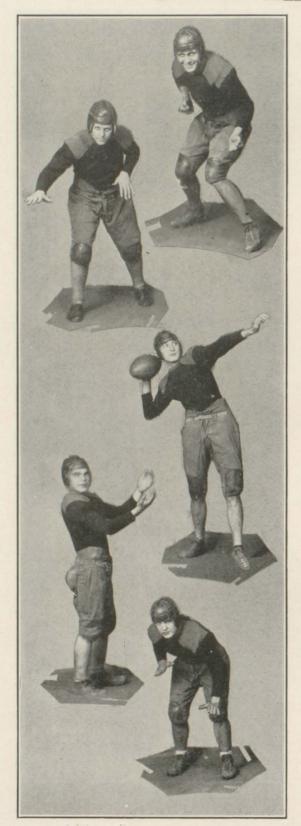

RAYMOND GOETZ "Ray"

Ray was our little center this year. Although not very large he "got there" with his grit and determination. Ray has another year and we sure are glad of it.

Tubby's fighting pluck stopped many ambitious back, for he always got his men. Alas tho he graduates. We hate to lose you, Tubby.

ROBERT HUNT "Scrump"

Scrump came into high school and proceeded to play football in great style. We are banking on you for three more years, Scrump.

Joe played the season at halfback. He is an excellent player and we are expecting great things of him in the next year. Joe is an example of good things in small packages.

BERNARD SCHUCK "Bung"

Bung started the season in great style and his excellent playing got him a position on the mythical allstate team. Bung has played his last game for El-Hi and we hate to see him go.

VICTOR WILSON "Vic"

Vic meant business when he played football and always got his man. Houch luck, we're losing you Vic.

KENNETH WILLIAMS "Kenny"

Kenny was one of our reliable subs. He has plenty of fight and determination. Kenny will become a valuable man next year.

MIKE MESALAM "Mike"

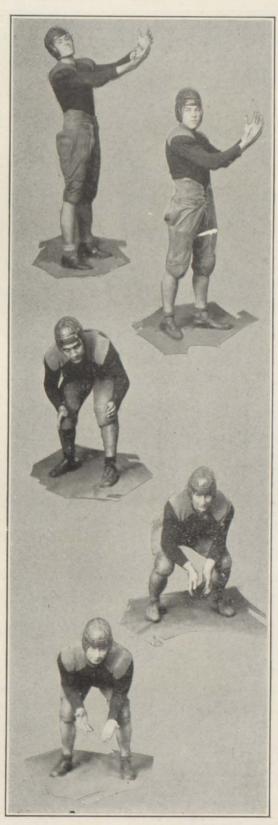

Mike didn't get to play every game but when he did play he sure "went." We will have Mike with us next year. Show your stuff, Mike.

Bill was back this year with more fight than ever and he was a very popular fellow with his teammates. Watch Bill next year!

The Panthers

Elwood enjoyed a fine season in basketball this year. The Panthers were not defeated on their home floor and only lost three games out of twenty. They won fifteen games straight.

The team finished the season strong, avenging the defeat given them earlier in the season by Tipton. The score of this last game was 53 to Tipton's 17. They also defeated their greatest rival, Lapel, by a score of 13 to 10. This victory also evened the score with Lapel who had defeated them earlier in the season.

The Panthers entered the tournament, strong and with high hopes of winning. These hopes carried them through to the finals at the sectional where they were defeated by Anderson 27 to 19.

Glover, Carter and Robertson will be lost by graduation. The remainder of the squad should make one of the best tems we have ever had.

JOSEPH MORRIS "Joe"

Joe played the position at floorguard in the same fast manner that he did last year. When he dribbled down the floor he generally made it good for a basket. Joe has one more year.

ROBERT GLOVER "Bob"

Bob was back at backguard this year. With Bob guarding, the opposing team didn't have a chance. Because of his excellent playing and clean sportsmanship Bob will have has name engraved on the Citizens' Bank Trophy.

WILLIAM BAXTER "Bill"

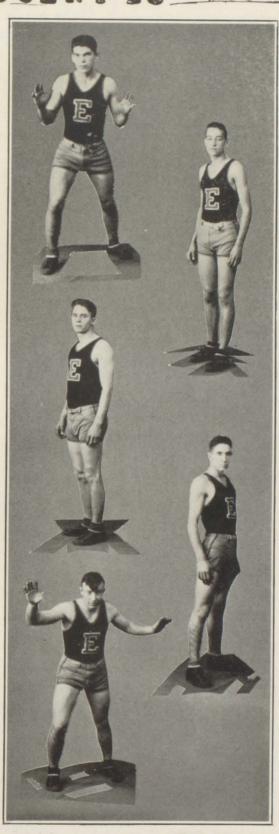

Bill was back stronger than ever this year and showed some mighty fine head-work Bill still has a year to go. Let's go, Bill, and make the best of next year.

ROBERT CARTER "Nick"

Bob was one of our forwards. He played a consistent game all season and always made his share of the points. Bob was a great player and we sure would like to have him next year.

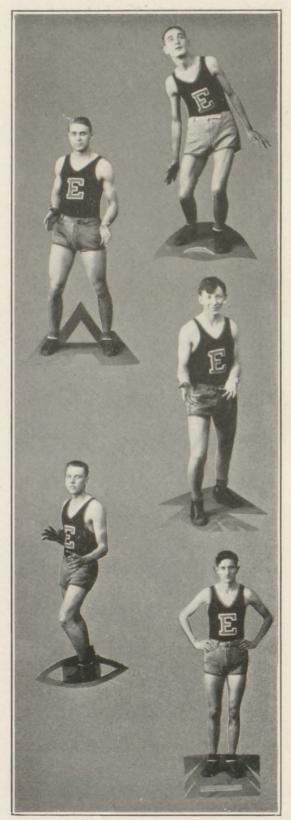

WILLIAM BROGDEN "Bill"

Bill worked his way to the top this year. Although small he had plenty of speed and fight and it made him a valuable man to have on the team. Watch him next year.

Page Ninety-one

Page Ninety-two

ROBERT HUNT "Scrump"

Although Bob was a Freshman his height and ability to play basketball got him a place on the team and next year he will earn himself a regular position. Bob has three more years.

GEORGE WERSHING "Buck"

Buck was one of our dependable substitutes. He didn't get into many frays, but when he did he displayed plenty of fight. Buck has another year.

DILVER DELLINGER "Red"

Anothere promisig candidate for next year's team. Red didn't get to play often but when he did it was too bad for the opponents.

DONALD MILLER "Don"

Don didn't get to display his speed this year but we all know he has lots. Don moved to another city soon after the beginning of second semester.

AUSTIN ROBERTSON "Aut"

Aut was one of our fastest little players. He sure had plenty of fight and displayed it in every fray he entered. We hate to lose you Aut

Class Basket Ball

YEA SENIORS!

This year, for the first time in their entire high school career, the class of '28 won the class tournament. They were favored from the very beginning, having the tallest man that could be found in the student body outside of those students who were taking an active part in interschool contests.

In the opening round of play the Sophomores overwhelmed the Freshmen and the Seniors downed the Juniors in a hard fought game, probably the fastest of the entire play. In the evening the teams took the floor with lots of fight but showed signs of fatigue. From the very beginning the Seniors took the Sophomores and when the smoke had cleared away after a fast and furious battle the Seniors were on the long end of a 24-8 score.

The following men composed the Senior team. (Standing) Snodgrass, Hickner, Hopp, Miller, Windle, Leavitt and Cole. (Seated) Johnson, Waymire, Smith, (Coach) Porter, and Simmons.

Mr. Smith is to be congratulated on his excellent coaching which helped the team win its first championship.

Track

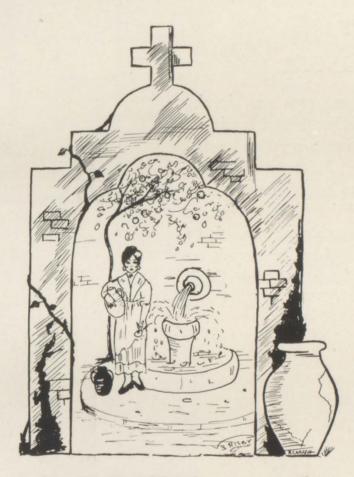

This year interest in track in Elwood High School has risen to unusual heights. Competition for berths on the team was keen. There has been larger crowds in attendance at the meets than ever before. Elwood supports one of the finest quarter mile cinder ovals in the state and should, in the next few years, rise to unthought of positions in the realm of track in the state.

Award System

There has been a new system of awarding honors to students who partake in athletic competition. Formerly there was given a heavy sweater to the student each year. This was deemed unnecessary and this new system was installed two years ago. By playing one year of football, basketball or going to the state meet in a track or field event the student is given a jersey sweater. In the years following a blue star is given for football, rede for basketball and a gold one for track. On each of these sweaters there is a small white shield to accommodate these stars. When a player gets three stars of one color he is entitled to a heavy sweater, but this is not awarded until graduation.

Trophies

Wilfred Sellers and the Citizens Bank have presented two trophies to the school. The Seller's trophy is for football and the Citizens Bank trophy is for basketball. To the player displaying the cleanest sportsmanship, best attitude to his team-mates and of good scholastic standing goes the honor of having his name engraved upon the trophy. The name to be engraved is decided by the players who select the person by vote. It is a very great honor to have your name engraved upon one of the trophies and it instills clean playing in all the players.

(Continued from Page 55)

After entering they had to struggle very hard to pass what was called Preliminary Games. They succeeded, however, and continued on their journey.

One evening they were going along and suddenly came to a bank of a broad river called the River of the Finals.

Some were getting very tired but the captain encouraged them, and they started across the river. The waters were very rough and their boat almost sank. The boat was very small considering the number of people in it, which made another great obstacle. On the opposite side were two landings, one directly across and the other a bit down the stream. They were unable to reach the upper landing. Captain was leading them as they climbed up the bank on the opposite shore. As he climbed up the hill his head struck something hard, and on investigation found it to be a bag in which there were ten hard objects. It was very dark and they could not detect what the objects were.

After climbing the bank on the other side captain saw the light of

Without a word Captain opened the bag, and out rolled nine silver medals and one gold one. The gold one had the letters "Captain" inscribed on it.

That is why the new, stylish, colorful, Sellers kitchen has so quickly become popular. It met a crying need in thousands of homes. It has literally

transfigured countless weary women by bringing sunshine and joy into hours that were often irksome.

Sellers, through the new, colorful, stylish Kitchenaire, offers a very simple way to make any kitchen beautiful.

Square Crooks

This is a hitherto unknown specie of crook, or a travesty on words. It is difficult to understand why dramatists and story writers persist in making crooks appear so engaging, so gallant in their manners, so considerate and generous, such perfectly charming gentlemen!

And yet we are all crooks—in the sense that we are often cheating ourselves! Every man is his own worst enemy. Think for a moment. Frankly, now do you treat anyone else quite as badly as you do yourself?

Just one instance: Do you think enough of yourself to put something aside regularly to take care of yourself in the years ahead—to push on your plans of success and independence? There are enough crooks in the world to cheat you. Don't cheat yourself!
