OVER

JOURNEY

Frankton is a strong and driven school

powered by its many students. Every new school year is just another exciting journey for every student whether it is with friends, classes, after school jobs, or just anything else that consumes our day to day lives. Our journey this year has been one marked by construction, rule changes, renewal of spirit, and hopefully a better understanding of the ones around you.

Sometimes our journey can take us down bumpy paths riddled with those twists and turns that no one wants to come upon. Times like those happen to us all and in our school it seems that no matter what comes across our paths we overcome them and in the end we travel smoothly. And then there are the times when we are led to an amazing part in our life and it just happens to occur during our high school time. Your first kiss, your first car, getting an A on your first paper of the year, all of it takes place in our journey of high school.

This year's journeys took us from our first day to homecoming. From finishing the new gym floor to all of the games that were battled out and played upon them. Most of all though, it took our graduating class of 2006 down the center of the gymnasium floor to finally grab the diploma that they've been working on for the last twelve years. That in itself sent their small class of 90 onto a bigger journey. Some will stay in Frankton and raise a family here, always content with that life. Most will go to college and try so hard to make those passing grades that will get them a great job. Then a small few will set out and really make a name for themselves. This class might have just been from a small town, but they have all the drive that it would ever take to achieve any goal whether it would be small, like finishing a project, to having the world know your name for your achievements.

No matter where life leads you, no matter what you come upon, and no matter who you come across – stay strong. I hope that this part of your journey is one to remember. High school is riddled with stress and drama, but I hope you'll look back and remember it for an irreplaceable learning experience. So for the graduating class, let the real journey begin.

-Amanda Kiphart

AND SO THE GAMES BEGIN...

Homecoming 2005

Homecoming dress-up days are here again!

OUR HOMECOMING

Calling all in need of a prince: High School students hop to the finish line in a game of "Leap Frog."

The wheelbarrow race challenges the students' balance and upper body strength.

Everyone prepares for the Homecoming games in the cafeteria.

As a result of the lack of a Student Council this year, the Homecoming Games were organized by Mrs. Coryell's A.P. English class and carried out by the different class sponsors. Many of the old games remained, while new ones were added such as the 3-Legged Race and "Leap Frog." The games, while simple, still remained an unforgettable day for our students.

WHAT did you think about this year's school spirit?

"This year's school spirit has been great; it helps cheering to an enthusiastic crowd."

- Karissa Salyer

OUR
SCHOOL
SPIRIT

During the 2005-2006 school year, our school spirit eclipsed that of all previous years. A powerful pep talk from Senior Class President, Kily Smith, started the Eagles along the path toward Red and White Eagle Pride. Thanks to parent and student crowds, we improved our school spirit, as well as our attitudes towards extra-curricular activities. These include, not only the Football and Basketball teams, but also functions such as the Show Choir and the Drum Line. Our pride and spirit for our activities rivaled or rose above other schools in our area.

LET'S BE PROUD OF WHAT WE HAVE ACCOMPLISHED,
AND CARRY IT ON FOR YEARS TO COME.

Bottom: Frankton students, parents, and alumni unite at North Central to support the Softball team at the Semi-State Game.

Top Right: Chad Covell sports his school spirit in a retro way. **Bottom Right:** Cheerleaders help the crowd get pumped up at the Pep Rally. **Left:** Aaron Tuttle, Allan Schmelzel, Andrew Swan, Blake Murrell, and Sean Neff show their Eagle Pride with painted chests at the boy's sectional game.

IN MEMORY

IN MEMORY OF THE STUDENTS TAKEN FROM US IN THE SPRING OF 2005, HEALTH CLUB ORGANIZED TWO BLOOD DRIVES DURING THE SCHOOL YEAR TO HELP VICTIMS OF OTHER ACCIDENTS AND TO PROMOTE AWARENESS OF SAFE DRIVING PRACTICES. HIGH SCHOOL STUDENTS DONATED SEVERAL PINTS OF BLOOD IN ALL – ENOUGH TO HELP MANY PATIENTS. IN ADDITION, SHIRTS BEARING PICTURES OF THE THREE WERE SOLD DURING EXTRA CURRICULAR ACTIVITIES.

It's time for a luau!

Friends share a Kodak moment at the Valentine's Day dance.

Clockwise from top: Zackariah Baker sports a Batman screen-tee (for comic book lovers everywhere), Anthony Ricker decided to change things up with wearing a velvet sports coat accompanied with a Hawaiian shirt under, and Amanda Kiphart beautifully shows off the most popular look of wearing a brightly patterned skirt over jeans.

Opposite Page: It's Rachael Kiphart wearing tights under a skirt with a trendy belt and a half-jacket.

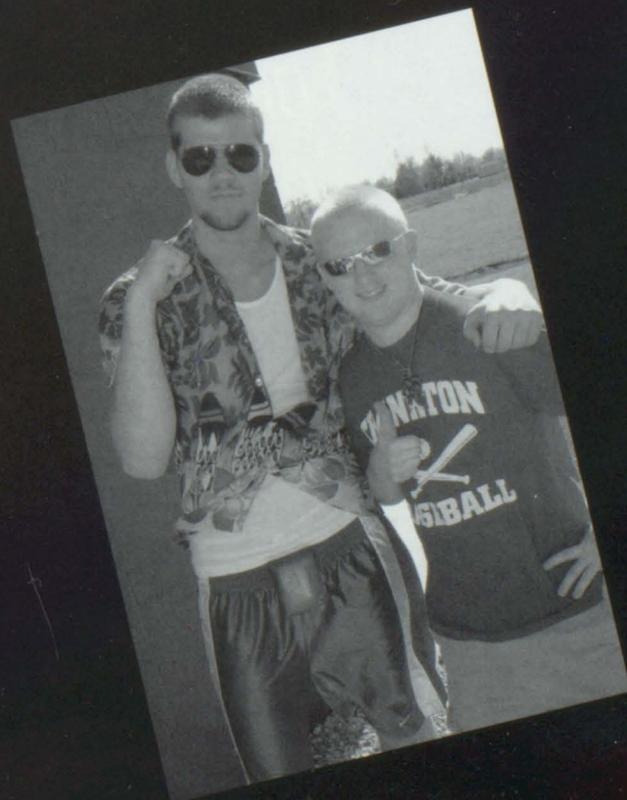

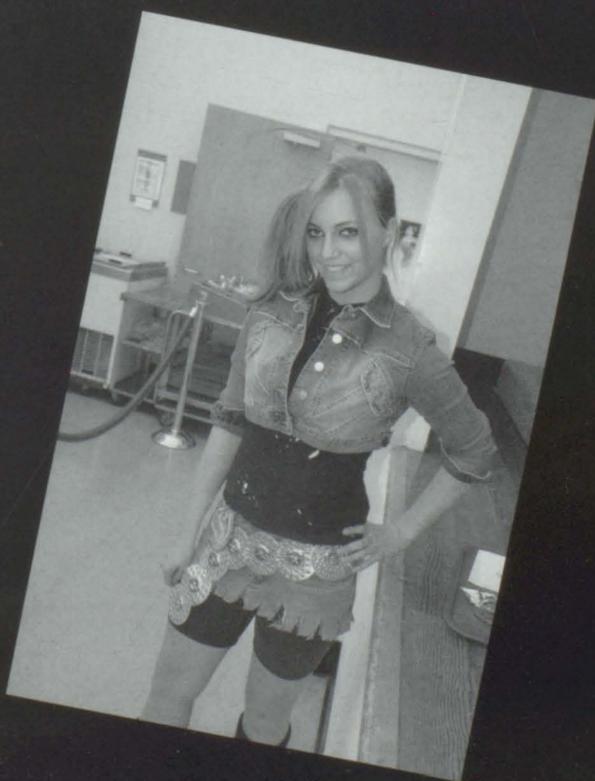

Right: Doug Dellinger and Brittany Lawrence show that: fitted or baggy, t-shirts still are the dominating apparel.

FAD'S AND FASHIONS

Karrisa Slayer, Jennifer Warren, Ashley Teders, and Calee Ecthison all have the same interest of the ever so popular polo-tees.

Everything as we see it changes. The 60's were the ponchos and the go-go boots. The 70's were the bell bottoms and the psychedelic print dresses. The 80's were the cut off sweaters and the fashion mullet. And the 90's made the word "grunge" come into focus. No matter where we go or what we do the styles always seem takes twists and turns for the best, or sometimes worst. We try to keep up with the new trends by staring in the windows of the latest boutiques and contemplating what looks appealing that week. Even though we believe that everything fades out as soon as it comes in, the styles we consider updated are actually just mixed with previous generations of style.

CLASS SONG:

"Tonight Tonight"
by the
Smashing Pumpkins

TIME is never time at all

You can never ever LEAVE without leaving a piece of youth

And our lives are FOREVER changed

We will NEVER be the same...

... We're not the same, we're DIFFERENT tonight

Tonight, so BRIGHT

TONIGHT...

... The INDESCRIBABLE moments of your life tonight

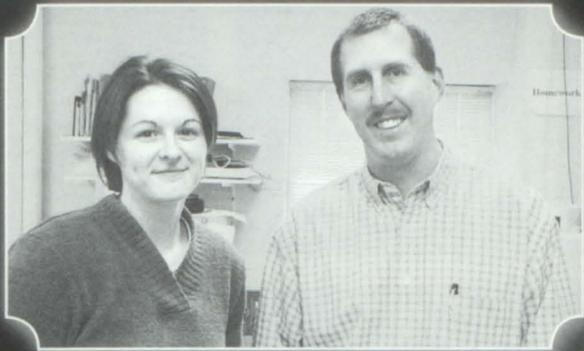

The impossible is POSSIBLE tonight

BELIEVE in me as I believe in you, tonight.

CLASS MOTTO:

We are on our way, recalling every second of everyday, the friends we made, the dreams we had, remembering all parts, some happy, some sad. But things are not over and done, we know the best is still yet to come.

The reason I suggested "Tonight, Tonight" by the Smashing Pumpkins is because I wanted a song that I could look back on fondly. Ten years from now, I want to look back and say, "I remember that song. I used to love it; I still love it." This song has a timeless quality. It's a song that says, "I'm leaving you, but be happy for me. This isn't the end, it's only the beginning." It's a song that is as meaningful as the moments that we've had through the years. Whether we are willing to admit it to ourselves or not, we've had some great times here, and met people that we aren't likely to forget. When I hear this song, I think of all the beautiful moments it represents - that's what I want to associate with graduation.

OUR

ACADEMIC

Mr. Dodridges Math Class.

HIGH SCHOOL MATHEMATICS

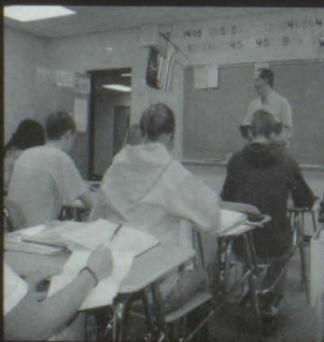

Frankton has a few math teachers, Mr. Thurston, Mr. Bauchert, and Mr. Dodridge. Every day they must concentrate on teaching students the vital math skills that they will need for every day life or post-secondary education.

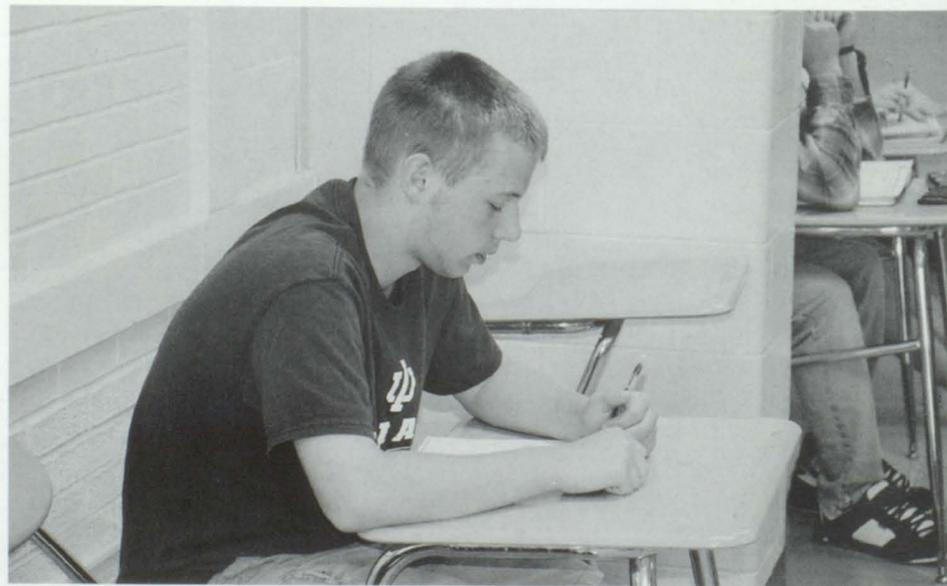

In a darkened room, Mr. Thurston lets his students play a math version of Jeopardy.

Mr. Dodridge talks to his class about certain aspects of math.

Class listens up as Mr. Thurston instructs them in Pre- Calculus.

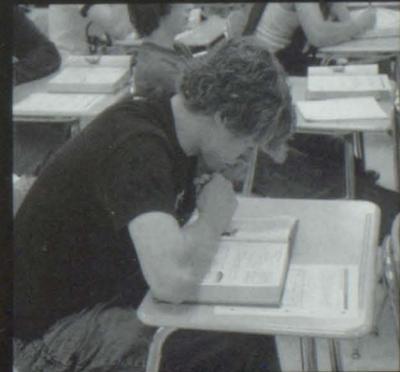

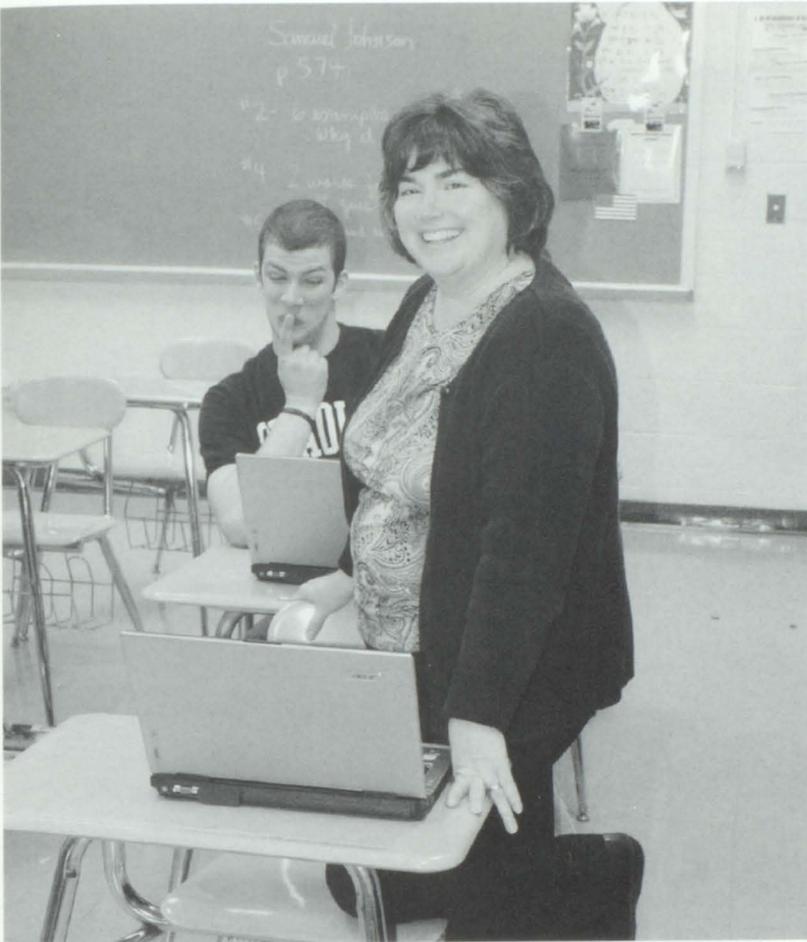

Above: Mr. Dodridge lectures on his latest math lesson.
Below: Tony Ferguson is studies during Mr. Dodridge's math class.

HIGH SCHOOL ENGLISH

English With Coryell

Mrs. Coryell continues her lecture in the presence of Mr. Sipe, the Freshman English teacher.

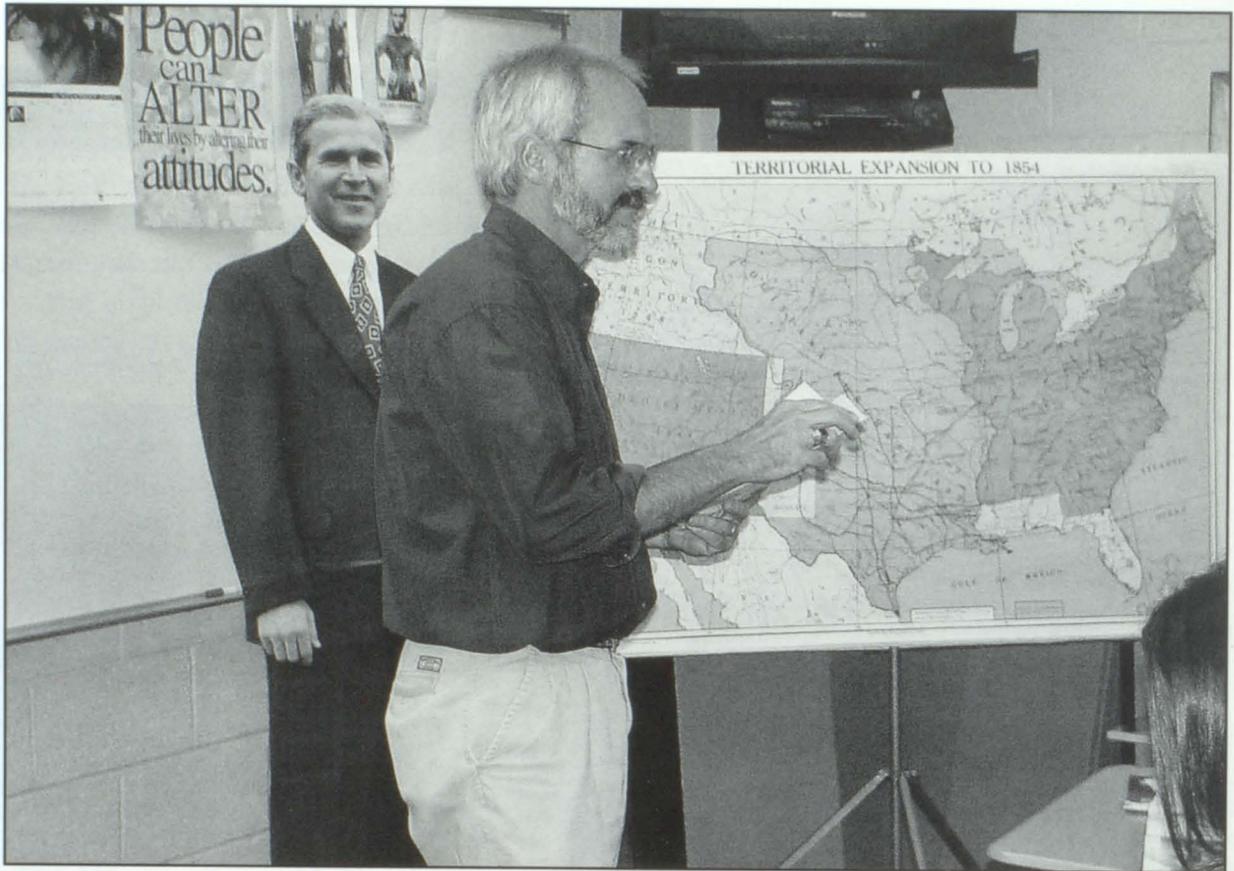

Jake Kitchen works on Mr. McCue's English assignment.

Above: Mrs. Coryell teaches Luke Etchison how to use a search engine.

Below: English students listen intently while Mr. McCue speaks.

SOCIAL STUDIES

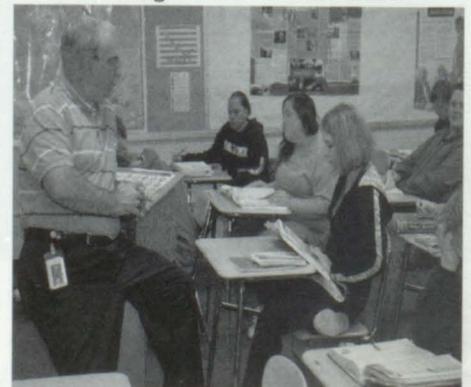

With President George W. Bush peering over his shoulder, Mr. Davix goes over a map of the United States with his U.S. History class before his quiz.

Amanda Thornberry and Randall Graves work together on a Psychology worksheet.

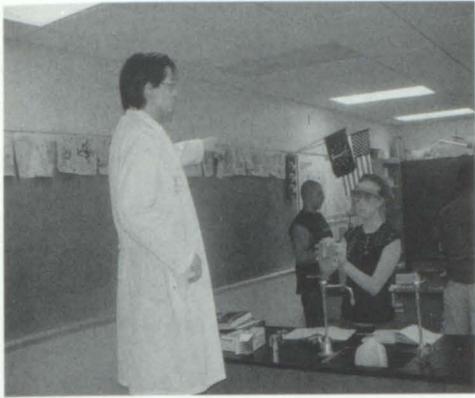

Emily Nabb works quietly while Mr. Davis lectures about History.

Social Studies is fun when you're learning with Mr. LeMaster.

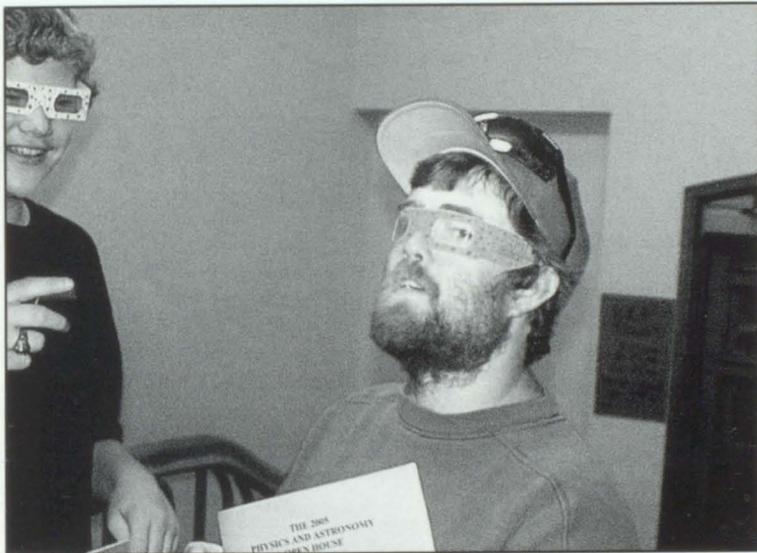

SCIENCE

The lab-coated Ms. Fields demonstrates to her Chemistry class how to finish their work before the bell rings.

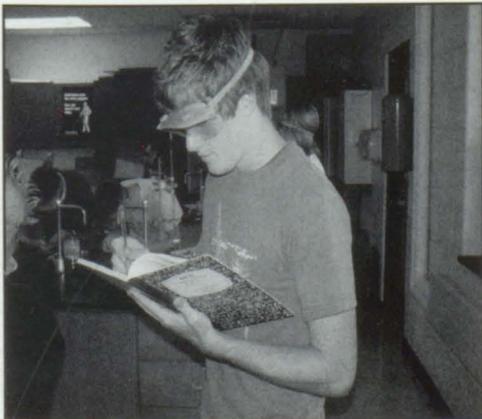

Erin Silvers prepares to do her Chemistry assignment which is now done online.

Mr. Jung shows off his 3-D specks during a Physics field trip.

Brandi Fabriguze intently works on her project for Physics class.

Austin Jenness flips through his Composition notebook writing notes while Ms. Fields explains the procedure.

Mr. Abernathy quiets the class down before he explains the next step of his demonstration.

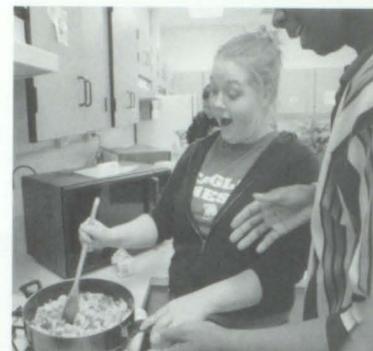

FRENCH AND SPANISH CLASS

Chelsey Parr and Logan Bolt listen to Ms. Thomas.

Ms. Thomas is teaching her Spanish class a new language.

Kily Smith and Walter Stamp stir up some French related food in class.

PHYSICAL EDUCATION...

Keeping Frankton Students Fit and Healthy for a Great Lifestyle...

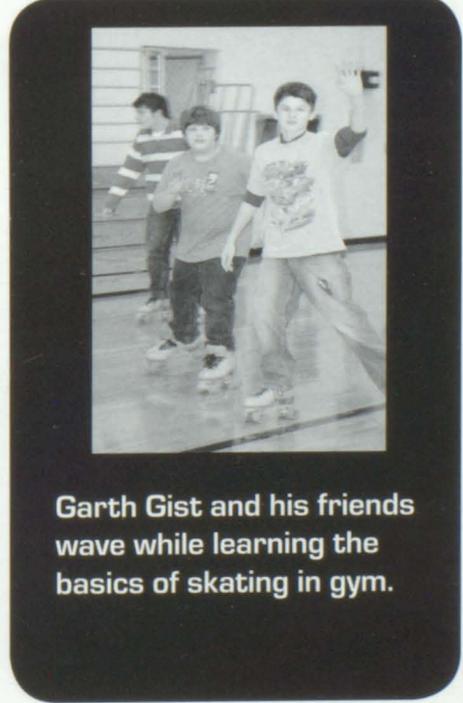

Above: Every year, kids in gym class take the skating experience. Three students enjoy pushing each other around the corners of the gym in a racing game.

Students in gym enjoy a nice game of badminton during the school year.

Above: Brad Stuller and Dustin Grinstead wait on the bench ready for action in Mr. Buck's gym class.

Garth Gist and his friends wave while learning the basics of skating in gym.

CONSTRUCTION

Blake Trinkle, Billy Huntsinger, and Devin Clark survey the landscape before they start to build a shed across the street from the school.

Look who is taller than Mr. Huntsinger? As construction goes on Mr. Huntsinger watches for mistakes and questions.

Mr. Huntsinger's construction class was working on the shed behind the school, near the football field. And after weeks of hard work it was finished.

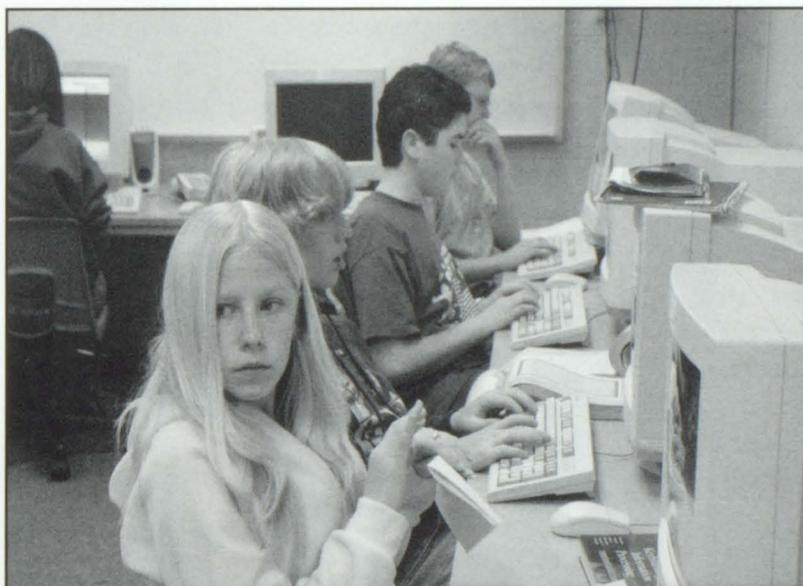

Above: Mr. Huntsinger has Jakob Stage hold the vertical scale, while he demonstrates how to use the transit to build the shed.

Here Mrs. Cook tells the class to watch their own paper while they take their quiz.

COMPUTER APPLICATIONS

Below: Maliena Stamm is trying to keep busy while her fellow classmen are finishing up the usual, daily routine.

Josie Scott listens to Mrs. Cook before she opens her book to read for herself.

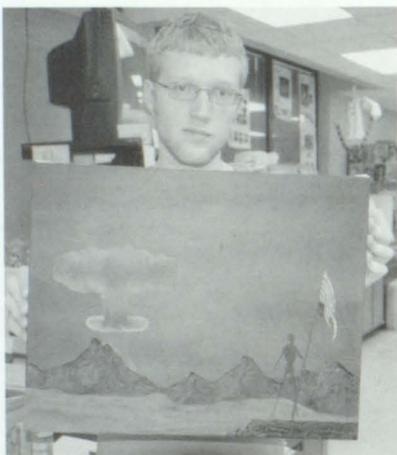

In Mrs. Cook's class you always have to keep busy doing an assignment, quiz, or corrections to pass.

ART

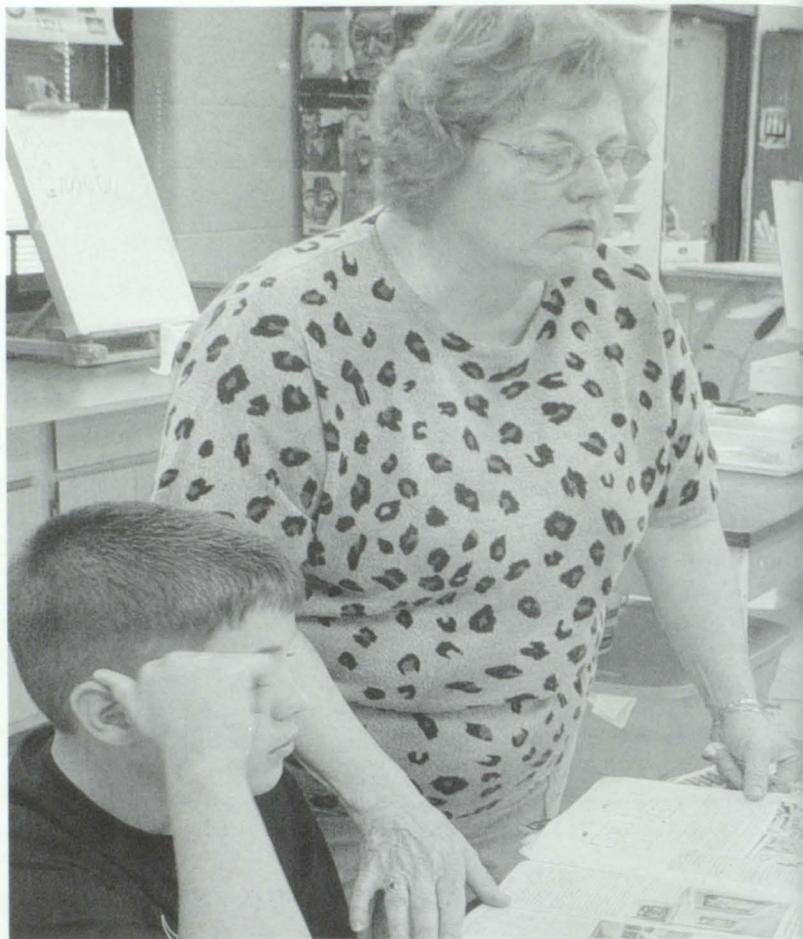

Frankton students learn interesting and creative techniques every year from Mrs. Crosby in all of her classes. This is a very valuable contribution to the FLCS system.

Creativity in Frankton

Denver Hall holds another masterpiece painting that he created in art class.

Mrs. Crosby instructs a student in her art class.

Zack Taylor works on a clay sculpture in art class.

Anthony Ricker shows a display the art class made. Every member of the class got to submit their best work to display in the case.

Future Preparation in

CONSUMER SCIENCE

Students learn how to prepare for the future in Mrs. Pruitt's classes.

On Thanksgiving, Adult Roles Class has a blast while they enjoy a deliciously prepared feast and discuss the many reasons they are thankful.

Brittany Howell and Megan Whited-Maguire show off an empathy belly that they wore in Mrs. Pruitt's Child Development class.

Luke Etchison, Allan Schmelzel, and Victor Foster relax after eating a huge meal that they prepared in class.

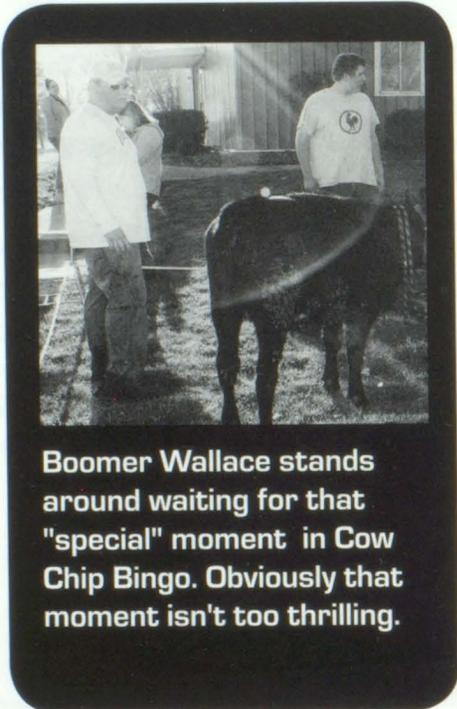

Students were judged on their creatively made ginger bread houses. These houses were on display in Mrs. Pruitt's room.

AGRICULTURE & VOCATIONAL

Right: Kylee Carr artificially inseminates cow and pig parts in Ag.

Boomer Wallace stands around waiting for that "special" moment in Cow Chip Bingo. Obviously that moment isn't too thrilling.

Ag students who participated pose in front of their tractors on "Drive Your Tractor to School" Day.

Above: Randall Graves, Kacey Dawes, and Amanda Thornberry sit in the new gym working on a psychology assignment.

Stephaney Finney, Lindsay Hobbs, and Calee Etchinson work on a project on the gym floor. Relaxation does make you work better.

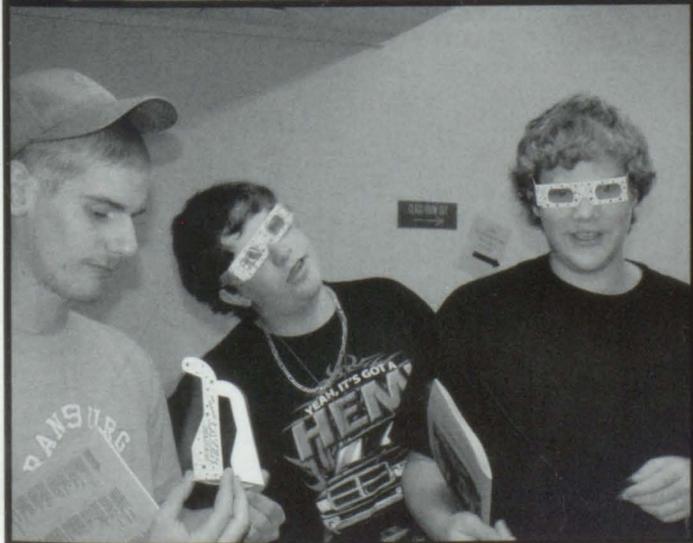

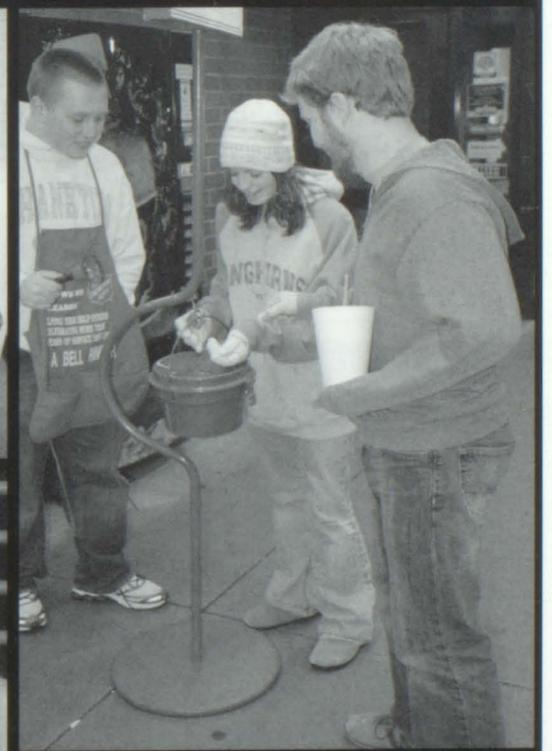

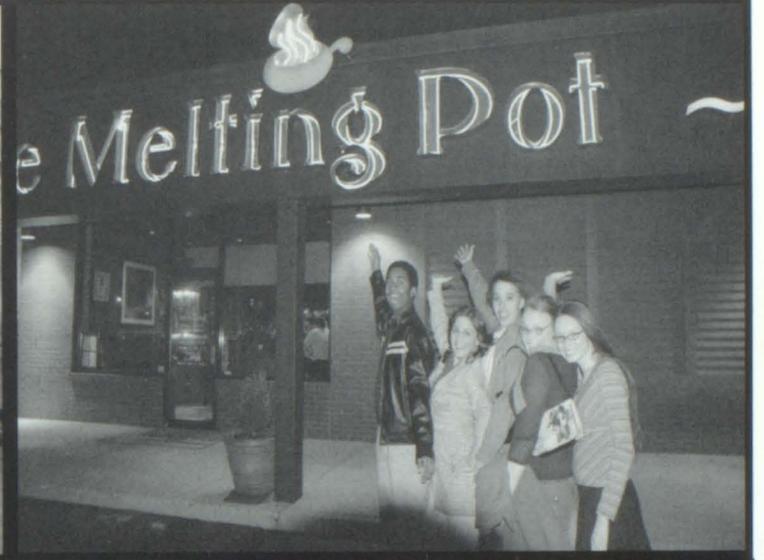

Bridgette Turner works diligently with Zach Wright and Brad Ratliff to take notes and do a table study.

Anthony Ricker and Megan Whited-Maguire work together to accomplish their assignment.

BAND

Jazz Band
 Pep Band
 Marching Band

Band is always an amazing experience for anyone who is in it. Most people in band will ultimately join Jazz Band and Marching Band as well because they love it so much. Jazz Band gave students the chance to see another way to play music with a little more class and flare. Pep Band attended as many home games as they could to raise everyone's spirits. Then over the summer, there is Marching Band. They put together a "Latin Celebration" that pleased several crowds in the state. Those who are in any form of Band know, these are friends to last a lifetime.

Although they didn't compete this year, the Drumline still gave it their all for the music. They started out in the fall learning the basics, then worked their way up to a halftime performance at the infamous basketball game against Lapel. They played two songs titled Bashin' and No Deposit No Return. They also performed at the Spring concert for band and rocked out on the can bots at the Variety Show. With '96 Frankton graduate Scott Epperly leading them, our Drumline had a great season and surprised many people.

The Lady Eagles had a *very* successful season this year. Complete with both CIC and County titles. The coaching staff included Brian and Valerie Williams who have coached the team over the past few years. The only member leaving the team is the captain, senior Bobby Murray. The team worked hard producing high placing in major individual races. Also the Eagles pulled through a third place finish at sectionals in a system with no classes. They ended the season going beyond their goals, with three girls receiving all-county and conference positions. The girls look for the same success next year.
