Reflections

Look back and reflect on the way things used to be,
The songs, the people, the times of yesterday,
All the things that went into our high school life.
These reflections will always linger in our minds,
And somehow we'll never forget.

78 HOMECOMING

S 50's T Y A L E

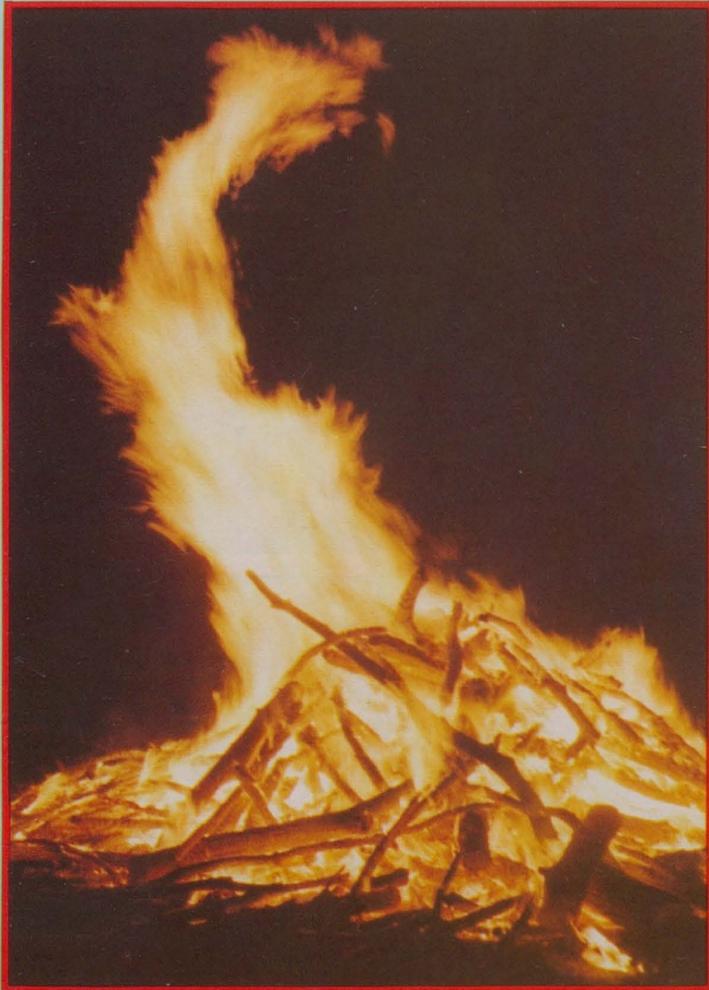

Selection of Miss Tina Rittenhouse as queen was one of the main events of Homecoming festivities. Her court consisted of Tawny Wells, (top left); Debbie Balsler, (middle left); Angie Wills, (bottom left); Leslie Long, (middle bottom); and Ruth Hook, (bottom right).

The Mighty Marching Panther Band (left) steps off to lead the '78 Homecoming Parade.

Coach Demuth (below) feels the power as he prepares to lead our Panthers on to a Victory.

Friday night's bonfire helped set the mood for Saturday's big game. As students chanted yells, they watched a stuffed Scot go up in flames. "Let's get fired up; burn those Scots!"

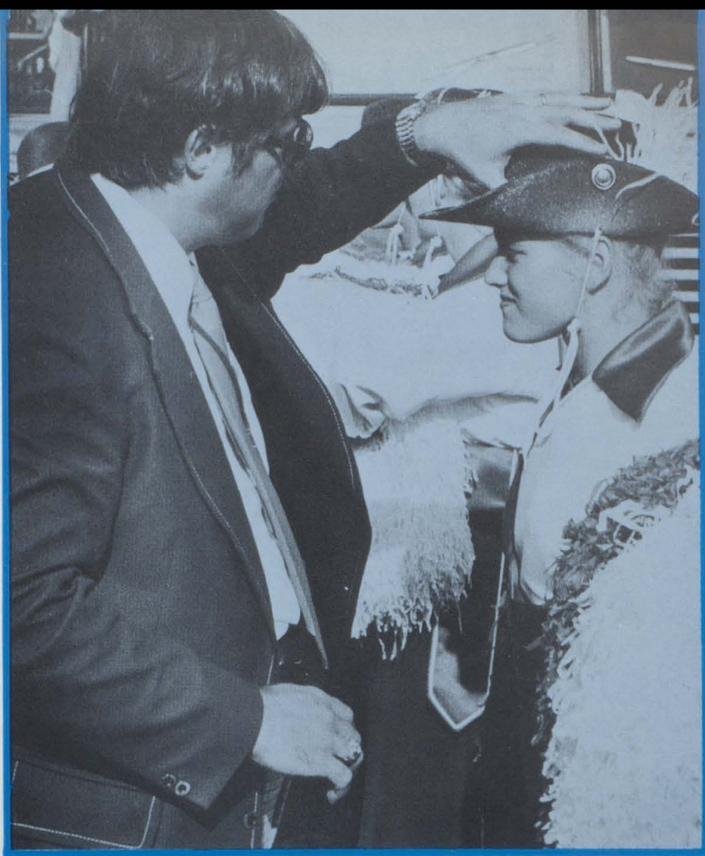

To top off Homecoming what's better than a Panther Victory? Below is one of the many touchdowns that made up the 47-14 score to give our Mighty Panthers a big Homecoming win.

This could be the start

August 23, 1978, the Indiana State Fair Band Day Competition saw Elwood participating for the first time in 10 years. A great deal of hard work and sweat was put into the preparation of the four minute show. The band worked all summer plus one exhausting week spent at band camp at St. Francis College in Ft. Wayne.

There were 34 bands in competition at the 1978 State Fair Band Day. Our band's drive and determination all seemed worth it when they rolled in 18th place, far more than what they expected and a great finish for the first year there!

of something BIG!

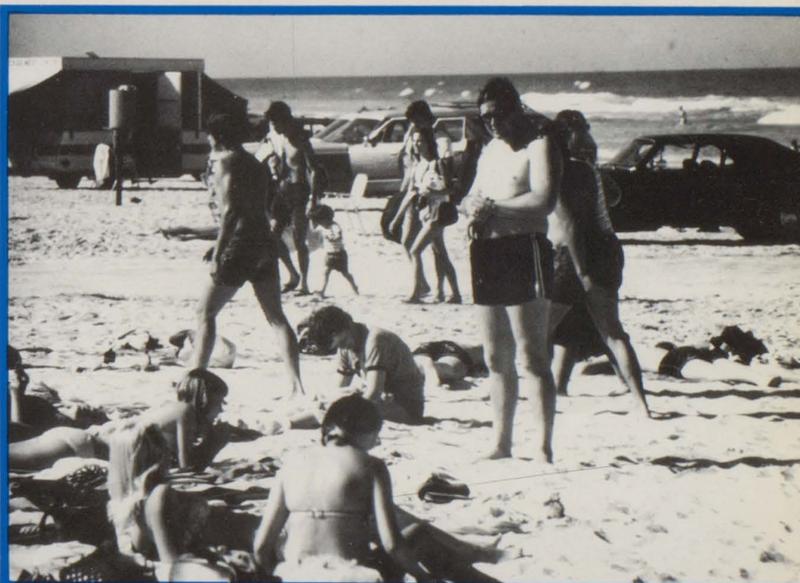

April 1, 1978, the Mighty Marching Panther Band took its place at the head of the most spectacular, fun-filled event ever imaginable, the Electrical Light 50th Anniversary of Mickey Mouse Parade in Disney World. How could anyone with our band ever forget the brilliant lights and the cheering crowd of 50,000 people?

The band spent a day at Disney just having fun — riding Space Mountain, eating, watching shows, taking pictures, buying souvenirs, and playing follow-the-leader down Main St. U.S.A.

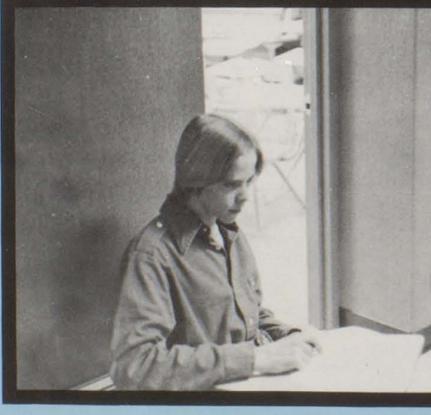

After a long full day the kids were hot and tired, and Mr. Haskett was too. What better way to show their sympathy than to give him a surprise dip in the ice cold pool!!!

The next day the band went back to Disney to give its performance. Mr. Haskett couldn't let April Fool's Day go by without a practical joke. He swiped the pants from everyone's uniform!!

Besides Disney World the band also visited Circus World and Kennedy Space Center. On the way home they stopped at Smyrna Beach, where many of them took a crash course in body surfing from the Great Senor Compton!

all in a daze woik ?i?i?

Heaven To Stairway

Above — Bev Longnecker 1978 Prom Queen. Top Right — Bev and her court, back row Kim Champion, Holly Cotton, Luanne Roe; front row, Tula Pappas.

"Stairway To Heaven" was the theme for the 1978 prom held at the Elks lodge. Stars, angel hair, and colorful paper streamers formed the setting. Candles were lit at all tables for a romantic atmosphere. While some were dancing or listening to the band, others were in line to have their pictures taken. It was a very exciting evening for everyone.

Highlight of the evening was the crowning of the Queen Beverly Longnecker. Many also enjoyed the after prom dance at the Country Club.

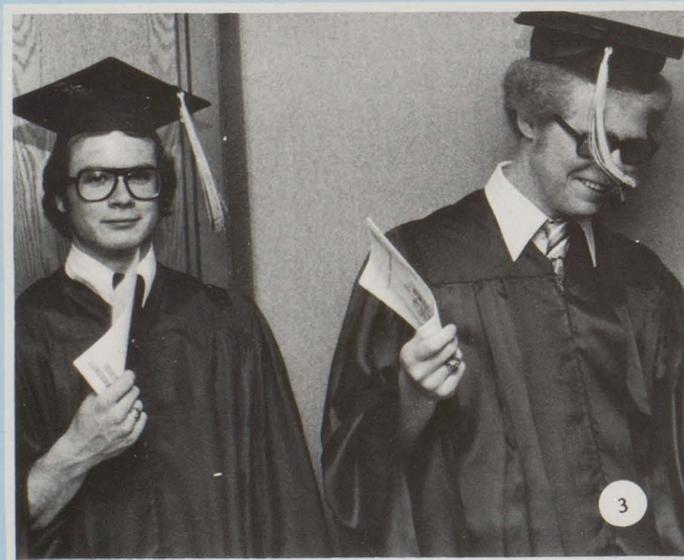

The Junior Class was proud to give favors from St. Clair Glass to all who spent their evening on the Stairway to Heaven.

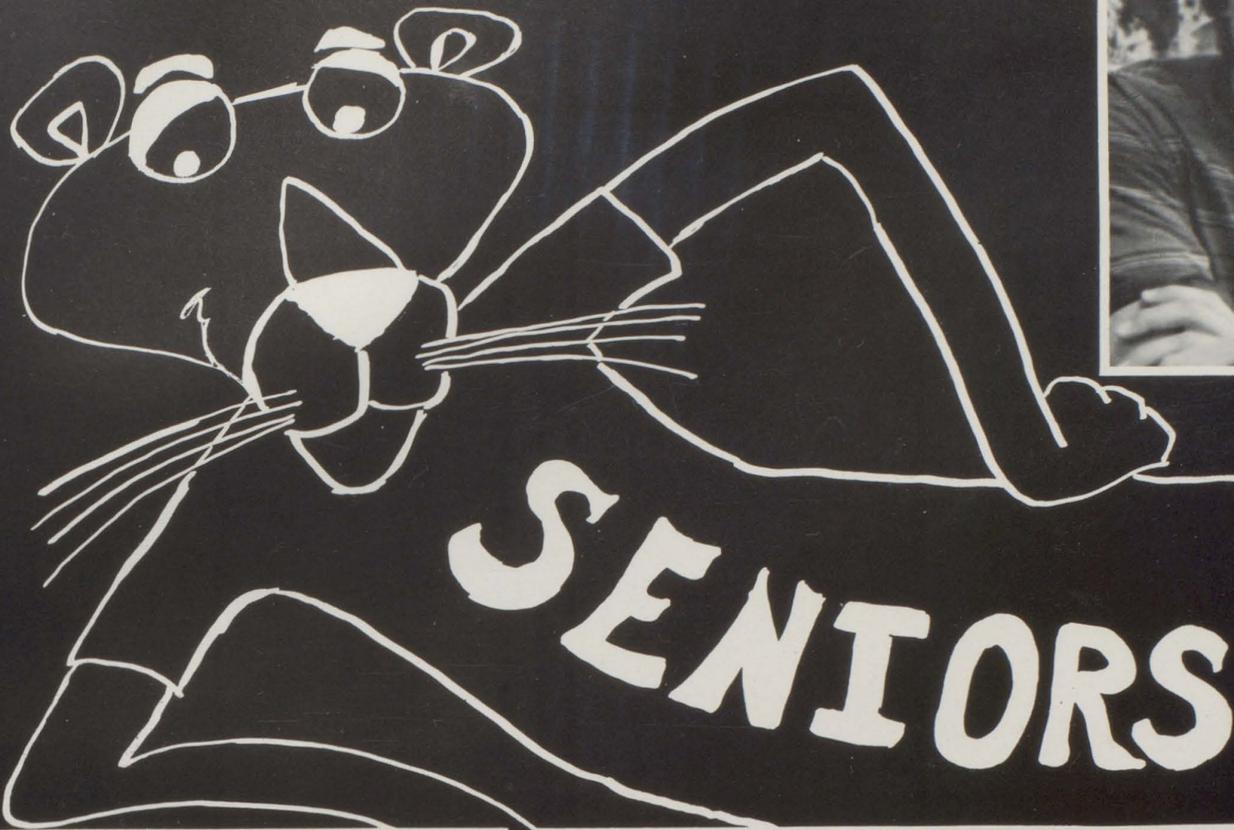

The Way You Go Must Be Your Decision.

For the 224 seniors of '78, May 25 was a triumphant yet sad moment.

Speaker Herb Schwomeyer of Butler University, Principal Blair Sullivan and Class President Skip Florea all gave encouragement and challenges to the graduating class. Now the way they go must be their own decisions.

1. Seniors take the step from students to graduates. 2. Mary Beth Fern shows an emotional reaction after the graduation ceremonies. 3. Jeff Noble and Tim Northcutt get through a nervous time before the ceremonies begin. 4. Graduates take a moment to reflect on the school year.

Trying to write something about the Senior Class seemed almost an impossible task even for us seniors. How do you describe your feelings toward your closest friends, along with the best times of your lives.

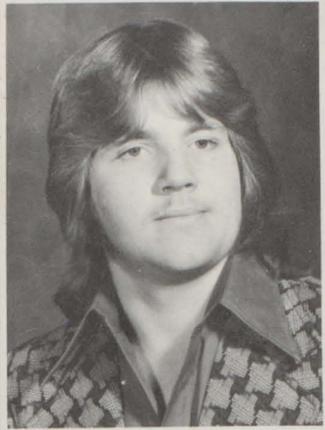

Remember our first float didn't do so well, did it. What can they expect; we were Freshmen. We didn't do too much better the next year. But the practice paid off because for the next two years we were judged first.

Then our junior year we created "Stairway to Heaven", for the prom. The things we did to earn money, sold ourselves as Singing Valentines, sold candy, and sponsored dances.

All in all we had fun and memories that will last a life time, As we come to our final gathering, our graduation — we remember — "It was hard being humble and being a senior."

As spring has bloomed,
 so have we
 As the cycle of life begins again,
 so does ours
 An era is coming to an end,
 another shall soon begin.
 The end of a brief
 but beautiful period of our life
 shall soon be over
 with a new cycle of life to be ours.
 We will shed some tears, here and there
 but we can't help being happy.
 We will leave many friends behind
 some never to be seen again.
 Memories etched in our minds
 will burn forever,
 like the dawn of a new risen sun.
 We will all try to forge ahead.
 Maybe we won't make history
 but at least we will meet destiny
 for we are '79's class
 and we will be forever triumphant.

JUNIORS

This 1979 Junior Class is the biggest ever to come to Elwood Community High School, and they showed it by dominating the spirit stick almost every game.

The juniors had a big job ahead of them with planning the junior-senior

prom and money-raising activities in order to have one of the best proms ever.

Phil Morgan was the president of the class of '80, and vice-president was Rich Florea.

SOPHOMORES

A great group of students! Very smart and really active in school activities! That best describes the sophomores. You know the old saying "Behind every man there's a woman!" Well in the sophomores' case its "Behind every good class there's a leader." The sophomores' president is Keith Morgan, secretary, Judy Kleyla; and treasurer, Lori Kaiser. They kept the rest of the class active. The sophomores have sold candy and washed cars to earn money. But that's not all they've accomplished. They placed third in the float competition at Homecoming. That was a step up from their last year's placing. So as you can see the sophomores did a fine job this year, and the school will be proud to have them as upperclassmen next year.

FRESHMEN

People usually refer to a freshman class as young and inexperienced. This year's freshman class is changing that image. They are a mature group of students who are very busy in school activities. They surprised everyone by winning second place in the float competition and gave the upperclassmen a run for their money in the cheering department.

Being a freshman is really very special. They're new in the school, so they get noticed more. Everything is different to them and that makes it fun. Although everybody makes fun of the freshmen, they really envy them, because they know how special being a greenie is.

Memoirs Of a Career

This year as the school year comes to a close, Mr. W. Blair Sullivan will retire after sixteen years as principal of E.C.H.S.

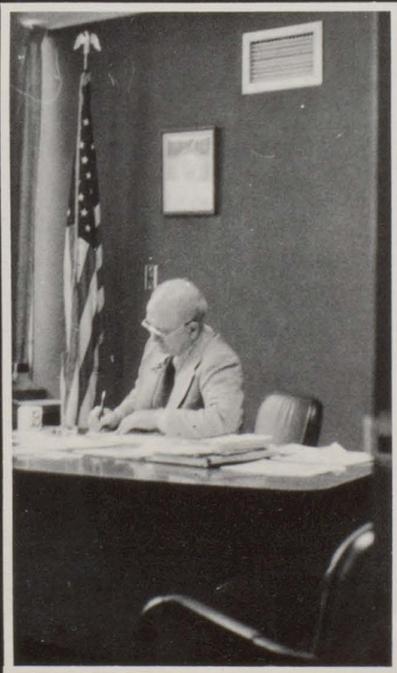

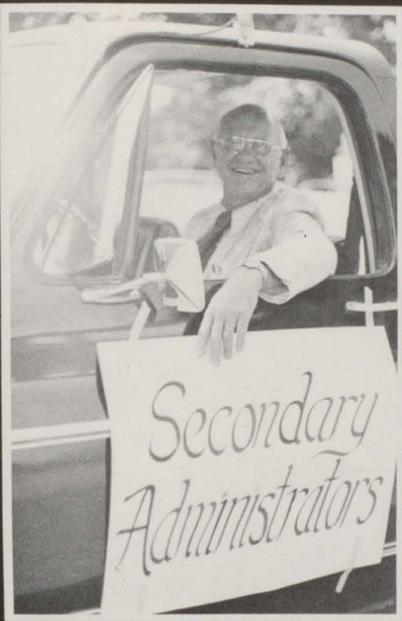

Mr. Sullivan began his career at Elwood in 1949 after graduating from Ball State with a bachelor's and master's degree in the Arts in Education with a major in biology. He also graduated with licenses for guidance and counseling, high school administration, and superintendency.

Mr. Sullivan taught biology at Wendell Willkie High where he also started the guidance and counseling department. While he was doing all this, he was also athletic director.

Later in 1961 he became assistant principal under M.A. Copeland, and in 1963 he was appointed principal at Wendell Willkie High.

Once the new high school was finished in 1973 he became the first principal to speak at graduation in the new high school.

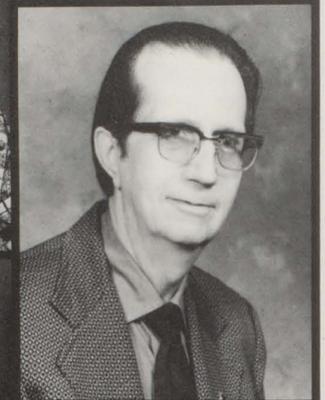

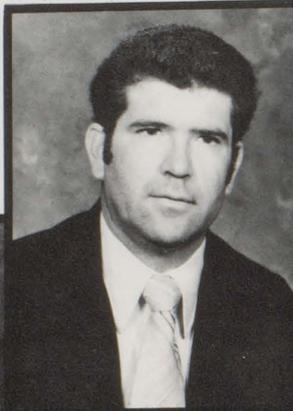

In his thirty year career Mr. Sullivan has had many accomplishments and achievements, spending many long hours helping students, and trying to improve the school itself. We the students of Elwood Community High School commend him and wish him the very best in the future.

"A Year Full of Surprises !!!"

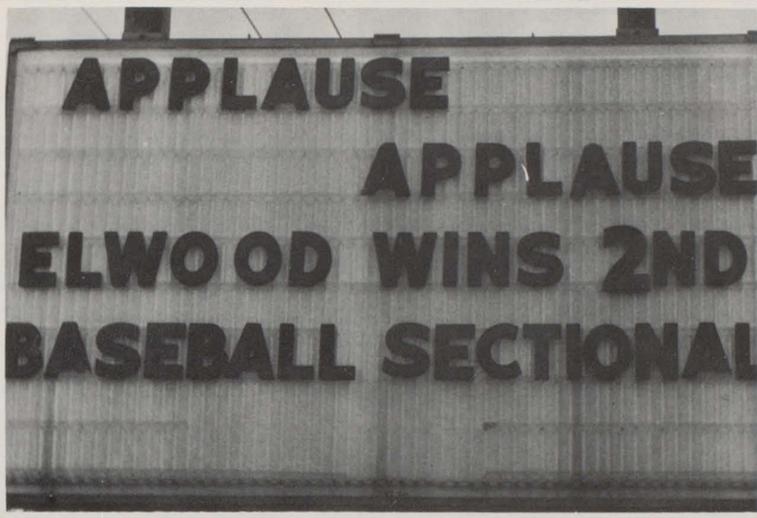

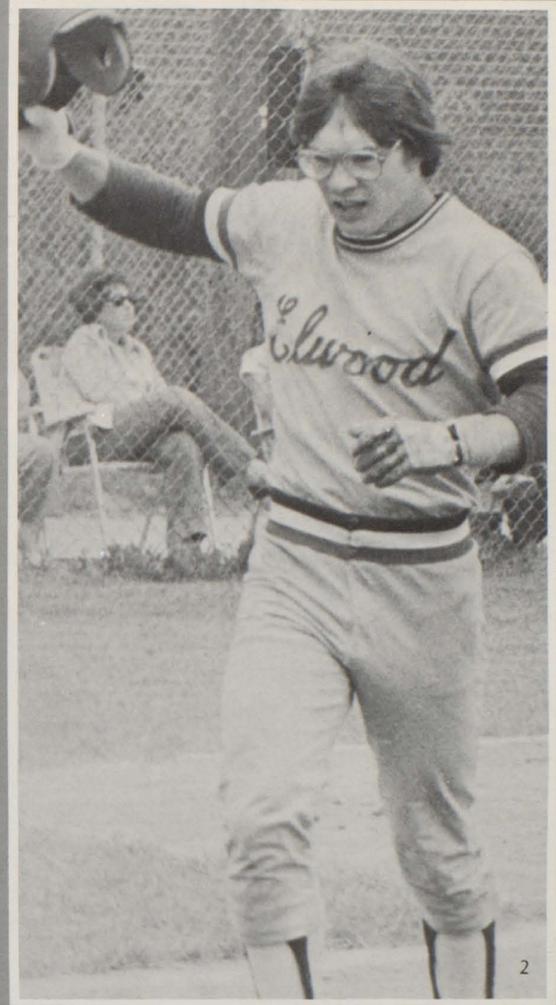

The 1978 baseball season was a year full of surprises. Three freshmen, John Landrum, Jeff Boruff, and Tony Dauenhauer, made the varsity team the first time ever. The team also had more sickness and injuries than ever before. The neatest thing of all was winning the Anderson Sectional for the second straight year! No other Elwood athletic team has ever accomplished this before! The final record was 12-10 including a winning streak of 8 out of 9 games. It was a tremendous thrill for the coaches and the players.

"The Panther Baseball program owes a terrific debt to the outstanding work and dedication of Coach Hoppel. I only hope that the Panthers can continue this amazing road to success without him," stated Assistant Coach Bomholt.

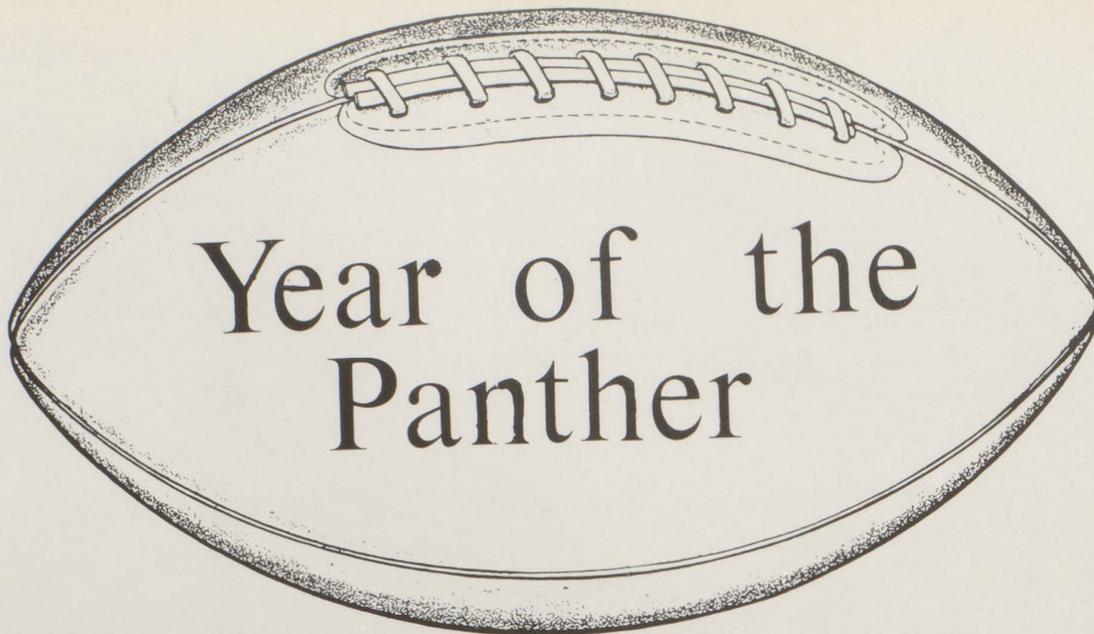

The prospects are there for another outstanding season in 1979.

Bottom row left to right: Ken Hofer, Brian Aldridge, Jim Gregg, Tim Meschke, Mike Phenis, Robin Wright; second row, Tim Rumler, Tony Dauenhauer, Jeff Vest, Mark Copeland, Jeff Hughes, Chris Green; third row, Coach Max Hoppel, Kevin Landrum, Tracy Hughes, Jeff Boruff, Mike Harris, Mike Barnett, and Coach Mike Bomholt.

The mighty Panthers ended a terrific season with another 8-2 record. Scoring records were broken, and Elwood saw one of the finest ball clubs in its history.

1. The team gets fired up before the most exciting game of the season. 2. Jeff Hughes looks for help as he is rushed by two opponents. 3. Tony Ebert carries the ball for some good yardage. 4. Panthers' defensive unit closes in on its opponent. 5. Coach Demuth shows he cares about his team. 6. Spirit was built with some brilliant fireworks at the Peru game. 7. "PANTHER MAGIC" Reaches

Following the lead of the varsity squad, the JV had a fine season with a 6-2 record. Although one game was a forfeit in their favor, this does not mean they were an easy team to beat. Of the two games they lost, it was a total point gain of 5 total for both teams. With this kind of record the fans of the next couple years will have a lot of good games to look forward to. And the "Panther Magic" should be here to stay!!

To the right Ken Hofer awaits an opportunity to get into the action. Below Jeff Cotton intently watches the game.

The varsity team includes top to bottom — Tinette Encinas, Cathy Meschke, Karen Helping, Coach Linda Personette, Lisa Anderson, Tammy Alumbaugh, Beth Giselbach, Sandy Kaiser, Amy Jones, Marion Melvin, Leslie Long.

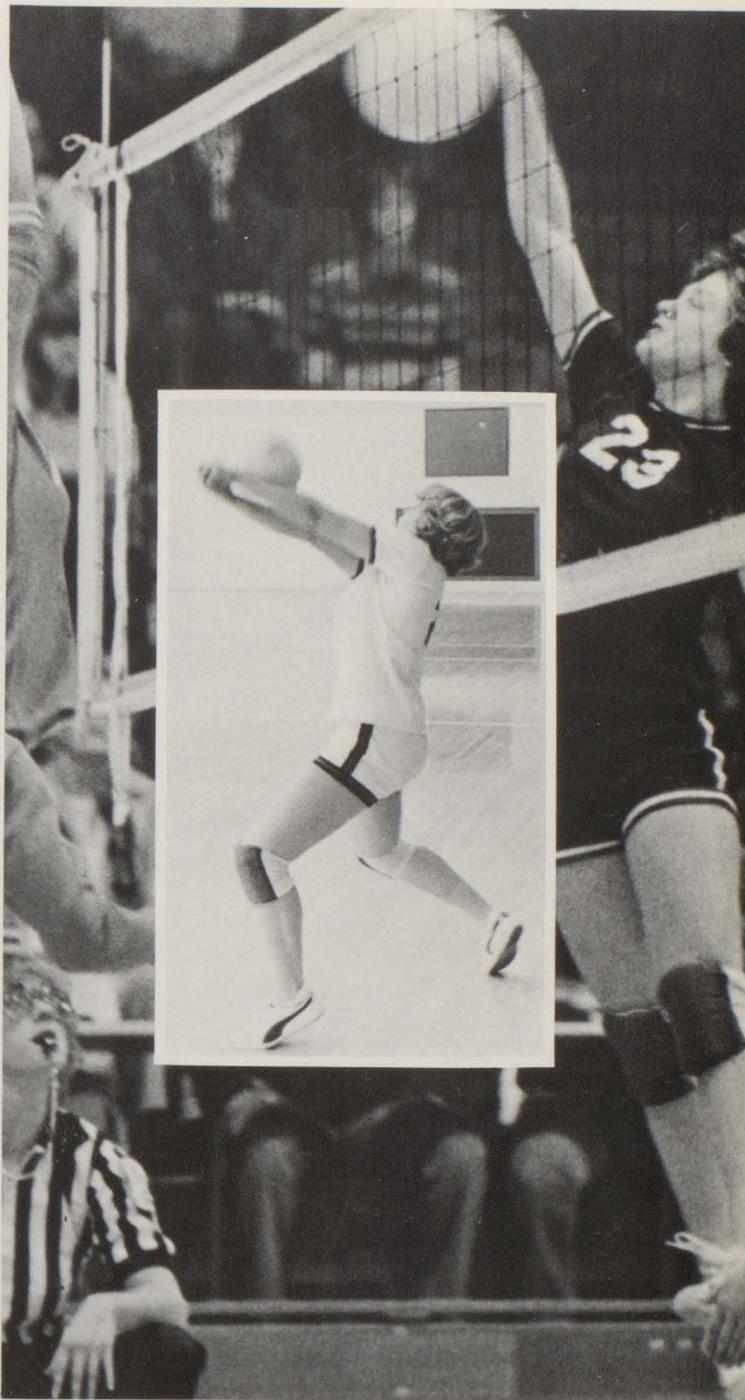

The J.V. team had a good season with 10 wins and 6 losses. Most of their players will return next year.

The varsity volleyball team overall had a good season. Inexperienced in the beginning, they improved as the season went along, achieving a third place in the Invitational Tourney and going on to the semi-finals in the sectional. They had 7 wins and 13 losses. Coach Personette stated that the varsity team was very young and inexperienced, but they are looking ahead to many good seasons.

Coach Phil Huffman, Asst. Coach Brian Elliot.

The Elwood Panthers got off to another slow start against an extremely strong schedule. However, with many hours of hard work and well-organized practice sessions the Panthers showed a great deal of improvement and were a formidable opponent during the last half of the hardwood season. With the exception of three or four games, the remaining contests were close-scoring affairs. Unfortunately, the Panthers' major weakness was the lack of height which caused them to lose most of the "battle of the boards" and made them unable to stop the "inside game" of their tall opponents.

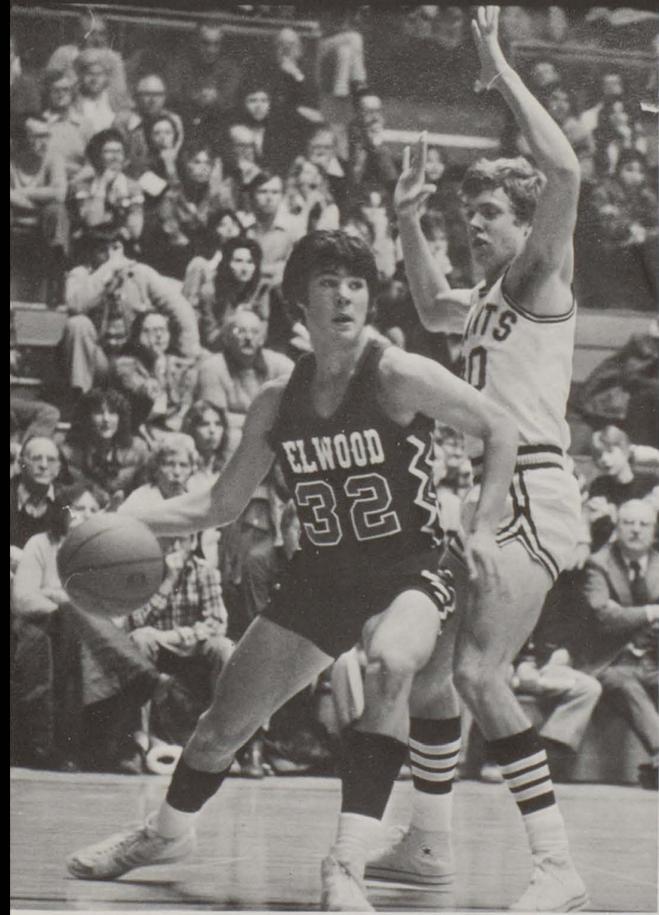

Elwood floored a respectable shooting team as they posted a .466 team field goal shooting average and their .700 free throw percentage was the best in the Marion Sectional. Thus, Coach Junior Mannies off-season basketball program certainly showed definite results in shooting skills.

Elwood's patented full-court zone

press was a decisive weapon in scoring victories over Taylor and Wabash in the latter period of the season. Two seniors, Mike Barnett and Tim Mengelt, led the Panthers' scoring attack with 16.2 and 14.3 points per game average. They also led the squad in assists. Senior center, Bryan Glotzbach, was the squad's top rebounder closely followed by Tim Mengelt and sophomore forward, Jeff Cotton. Senior guard, Tim Meschke, was recognized as being an outstanding defensive man plus leading the fast break whenever the Panthers were able to get a rebound and go.

Juniors John Talley, Tom Cotton, and Rich Florea saw considerable action and played key roles in several contests.

Even though the varsity suffered another losing season, they are to be commended for their dedication, hustle and desire. They certainly will be winners in life's everyday contests.

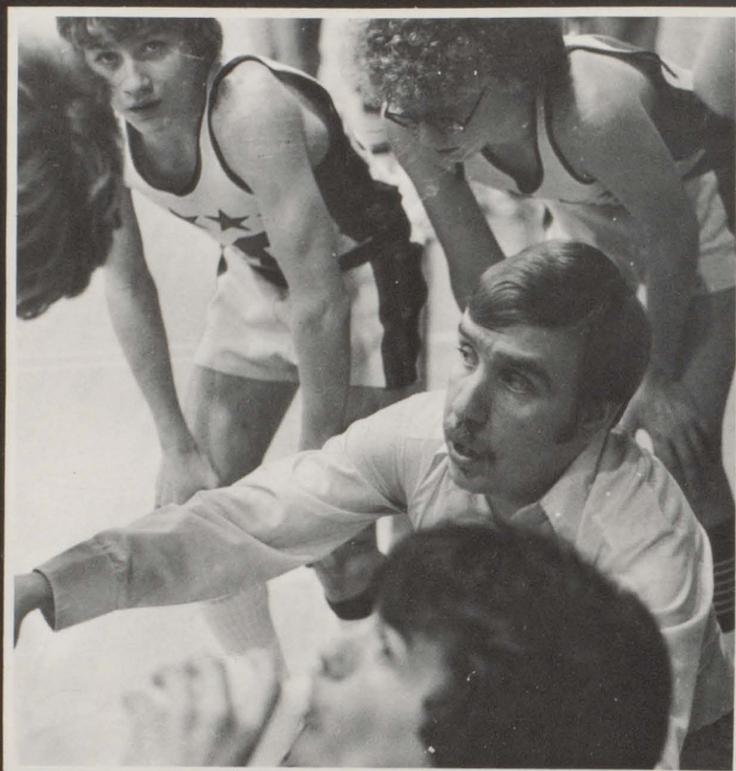

Upper left: As he goes up to bucket two, senior Tim Meschke shows great concentration. Near left: Sophomore Jeff Cotton drives for two to the delight of the crowd. Above: Finding himself in an uneasy situation, senior Tim Mengelt looks desperately for an open man.

Frosh

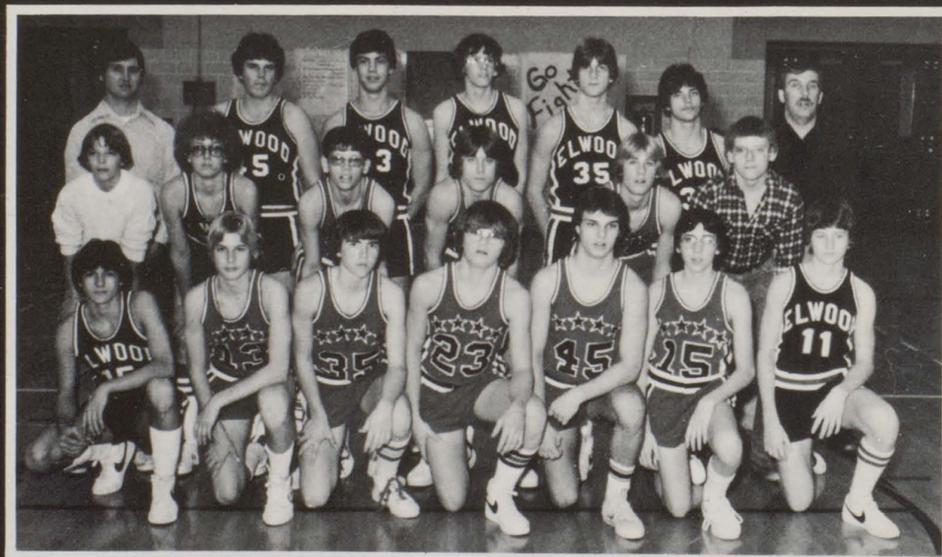

Below: Terry Morris shoots for two. Below right: Coach Bomholt gives the boys a pep talk.

Our fine freshman team finished the season with a 3-10 record. Coach Bomholt saw to it that the boys worked very hard. The top scorers were Terry Morris and Todd Nichols. Top rebounder was Eric Fettig, ball handler and assists was Brad Reynolds and most improved player was Joe Maley.

The Frosh B-team finished the season 4-5. Most valuable all-around player was Barry Moody. Joe West, Chuck Fernung, Donnie Hughes, Bill Cress and Paul Cannon were other valuable members of the team.

Kneeling: Ted Nichols, Chuck Fernung, Shaun Klein, Dean Hoffer, Barry Moody, Seth McCorkle, Brad Reynolds; middle row: Dave Cleaver, Kevin Knotts, Jeff Rominger, Joe West, Tyron Gregg, Craig Bargher, manager. back row: Coach Sawa, Paul Cannon, Eric Fettig, Joe Maley, Terry Morris, Bill Cress, Coach Bomholt.

Our mighty J.V. team finished the season with a 3-16 record. Coach Huffman did a fine job with the boys. The top scorers were Kirk Brenner and Jeff Boruff. Top rebounders were Jeff Boruff and Kirk Brenner. Most improved were Matt Wood and Todd Downham. Most of these boys will make up our varsity team next year.

“Team Effort Is What It Takes”

The girls' track and field team did a super job in the '78 season. They had six wins and three losses, but the most outstanding things were winning the first girls' C.I.C. Track Meet by a large margin and having eight girls out of fifteen place at sectional and go to regional.

Those who participated in the Carmel Regionals were Kim Baker, 80 yd. low hurdles; Candy Dietzer, softball throw; Kim Abplanalp, high jump; Norma Thornberry, long jump; and the 880-yd. relay team of Cheryl McQuitty, Marci McQuitty, Bev Butcher, and Kim Frye.

Coach Yates said the girls really worked well together last year. "It was a real team effort and that is what it takes in order to win," she said.

"Arsenic and Old Lace" took to the spotlight on the ECHS stage as the Thespians performed the popular play. Mortimer Brewster, play critic and nephew to Abby and Martha Brewster, seemed much like your everyday person, that is until he discovered his innocent, charming old aunts had been performing strange charities, killing lonely, elderly men.

Things became more complicated when Mortimer's long lost brother Jonathon shows up with a friend, subject to rigor Mortis. All ends well though Jonathon and his accomplice Dr. Einstein are captured, and Mortimer finds he's not really related to the crazy Brewsters.

One lady member of the audience said about the comedy, "It's the best high school play I've ever seen."

ART

Picasso or Rembrandt? Maybe not, but Elwood High has many artistic students in and out of art classes. These students are always doing something to make the school a little brighter from decorating the windows at Christmas time, to designing their own t-shirts, to painting signs for football, basketball, and other school activities. This year an art club was formed for all students interested in art.

EL CLUB DE ESPAÑOL

Students enjoy a Spanish dinner at the "One Accord."

Ho ho ho! Look who joined the Spanish skating party!

The Spanish Club started the year with a hayride and weiner roast at Mr. Compton's farm.

The group enjoyed Spanish food twice this year by going first to the "One Accord" in Muncie, and then to Indianapolis to the "La Paz".

For Christmas this year the club had a skating party with a special guest, Santa Claus.

The main event for the Spanish Club will be the trip to Spain this summer. The club plans to leave in June.

The group enjoyed dancing and lots of food at their party for Christmas.

In March all good Roman's celebrate Caesar's birthday. The club held a toga party in his honor.

Rome's birthday was April 21, and the club went to Indianapolis for Roman pizza and a movie.

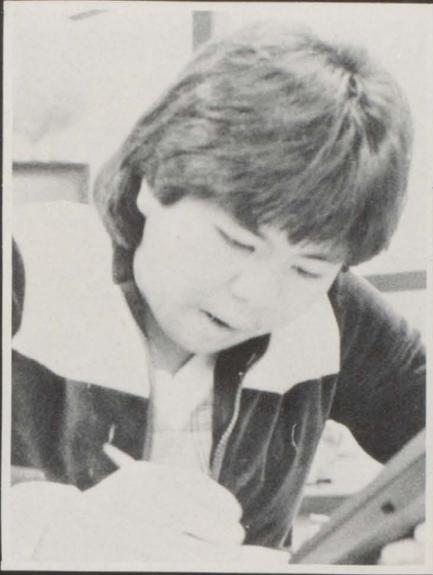

it's a small world

Elwood Community High hosted three foreign exchange students this year. Each of the three students was sponsored by the Youth for Understanding organization and lived with different families here in Elwood.

Tinette Encinas was our bubbly little exchange student from the Phillipines. She lived with the family of Fred Tyner in Elwood. Tinette especially enjoyed sports. She played on both the volleyball and basketball teams. She was always in the crowd at the boys' basketball and football games, cheering the guys on to a victory!

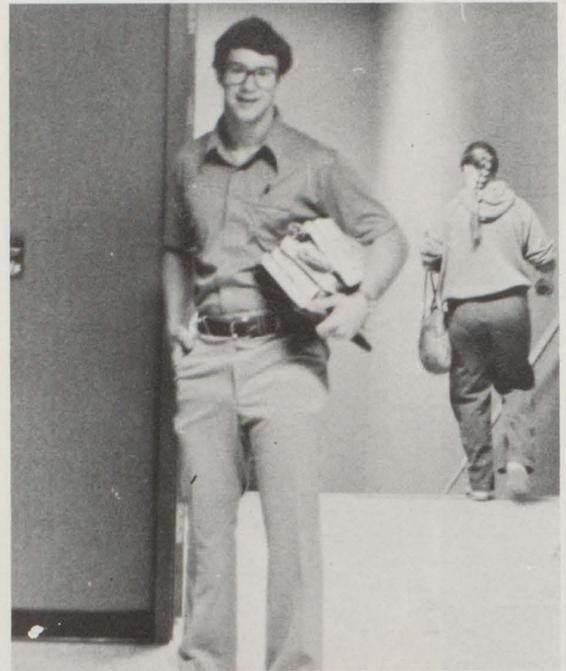

Tony Tontisakis came to us from Athens, Greece. He lived with the Tony Pappas family here in Elwood. Tony already had some knowledge of Elwood High before he came because his brother Chris was an exchange student here last year. Tony had a very tough class schedule here at Elwood as he took calculus, physics, and chemistry all at the same time.

Claudia Jeczawitz was our exchange student from Berlin, West Germany. She lived with the Michael Helping family here in Elwood from Sept. 4 through the end of school. When she came to the U.S., Claudia decided she would like to learn something new, so she took up ceramics and playing piano. With hopes to carry home some "memories" of the U.S., Claudia took several snapshots with a real nifty camera she brought from Germany.

Campus Life

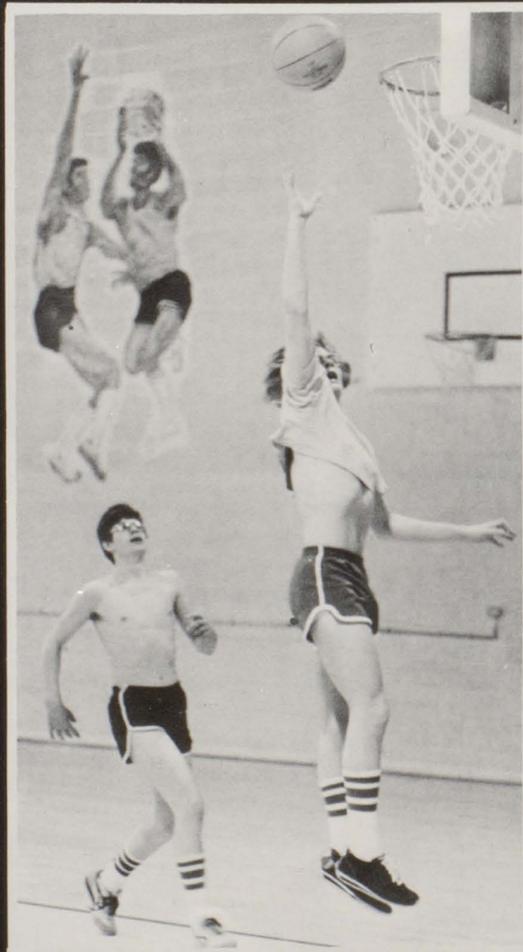

A Burger Bash, Scream in the Dark, Operation Scrooge, ski trip to Timber Ridge, all-night party, basketball tourney, Florida Week, and the year end Mud Bowl are a few of the many events of Campus Life's second year at Elwood High. Weekly meetings are held Monday night at a different student's house. "Besides all the events, important issues of life like dealing with drugs, sex, drinking, peer pressure, and self-image to help students develop into a balanced individual," says Bill Jones, Elwood's Campus Life director.

The Anderson College staff consists of Tim McCarty, Cindy Lappin, Patty Hall, Bob O'Deal, Russ Hollingsworth, and Barb Johnson with some help from Jaleve Jones.

One of the most active clubs in the school, Campus Life has regular skate-a-thons, all-county meetings, giving students a chance to meet kids from all over the county.

This winter students participated in Operation Scrooge, food-a-thon. Besides all these events and activities, in the summer there are weekly meetings plus trips to King's Island and to see the Reds play baseball. In the spring, students went on a one-week trip to see the Florida sights.

Eight members and Mrs. Barr attended the regional leadership conference in Des Moines from November 8-11, Thirty-three students toured Indiana Bell in Indianapolis and the Finance Center at Fort Benjamin Harrison on December 12.

Plans are being made to raise money to attend the state conference at Ball State in March and to have a swim party at Mrs. Barr's in the spring.

Numero Uno is the other J.A. Company in operation in Elwood. This company is making survival kits. These kits are used when stranded without shelter or food and could save a life.

J.A. was formed to teach teenagers how a big corporation is run. The students organize themselves into board of directors, workers and sales people get pay checks, sell stock, and just generally run the whole business. Then at the end of the year the company is dissolved and if there is money to be earned, the stockholders get their due and a report is written up for the members and stockholders. J.A. also has activities like Trade Fair, an Awards Banquet, trips, and helpful workshops for the officers of each company.

The Student Council put on a gong show and a Saturday Night Live show in the spring.

This year's Council earned more money than any recent group and put it to good use on the announcement board.

HONOR SOCIETY

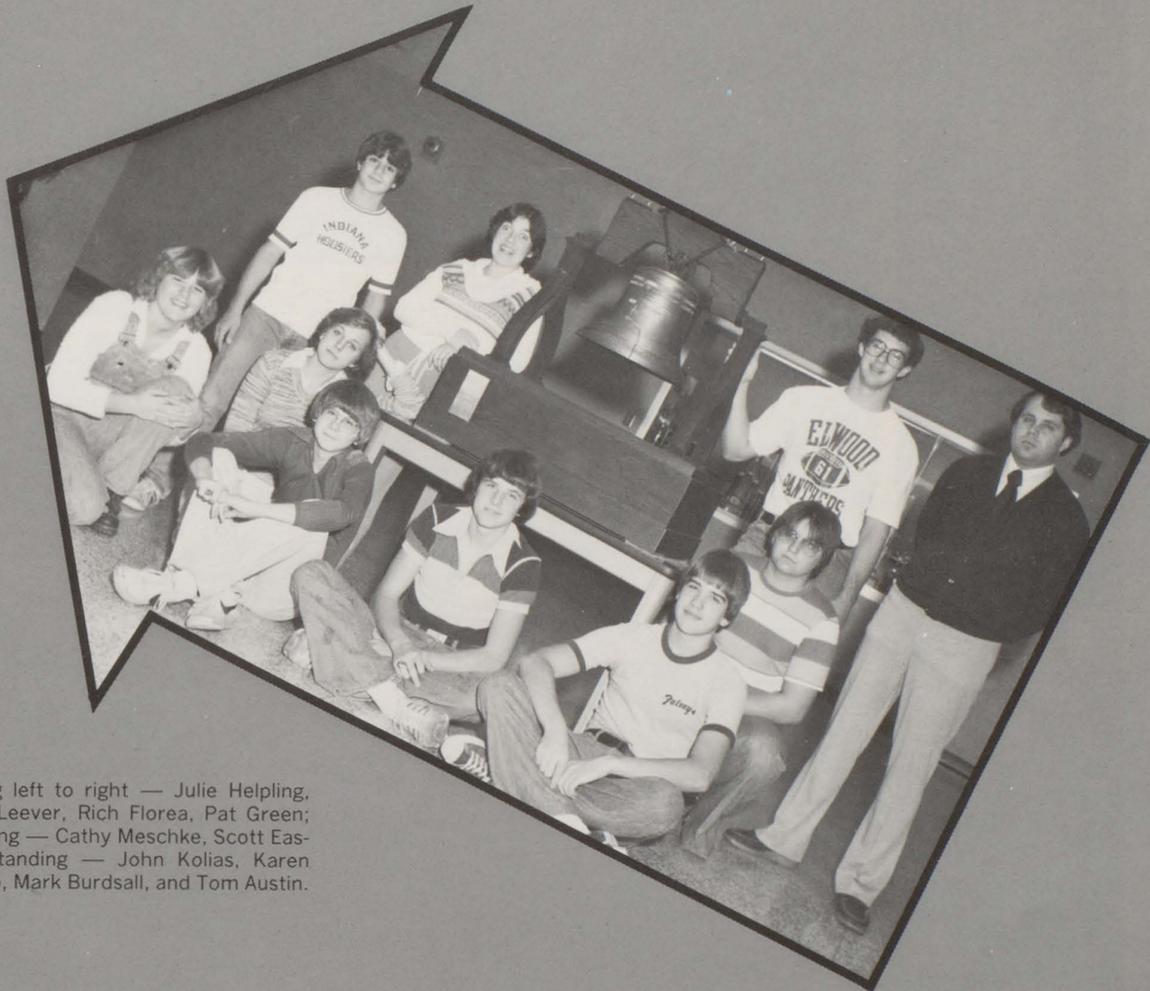

STUDENT CONGRESS

Sitting left to right — Susie Stafford, Terri Parker, Karen Knapp, Allyson McPhearson; standing — Tom Austin, Brett Miller, Mark Burdsall, Ron Arnold, and Jeff Massey.

The Student Congress Club at Elwood Community High School participated in a number of activities during the school year. The students compete in congresses around the central part of Indiana from November to February. This competition involves the debating of legislative bills covering a number of controversial issues. The students must follow a particular structure of parliamentary procedure during the legislative debate. The students who show the most background knowledge on the issue and outstanding debating ability usually win outstanding legislator awards in the competition.

Hi-Y

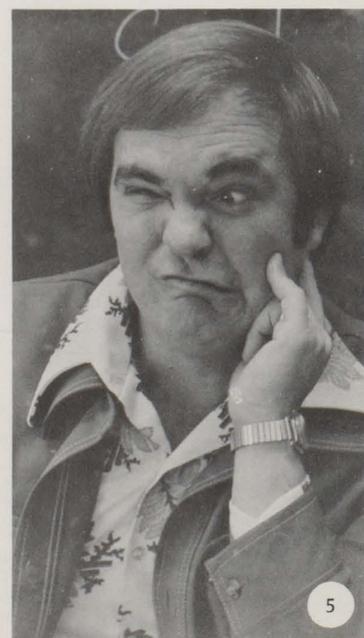

Sitting left to right — Julie Helping, Greg Leever, Rich Florea, Pat Green; kneeling — Cathy Meschke, Scott Easley; standing — John Kolas, Karen Knapp, Mark Burdsall, and Tom Austin.

The Hi-Y Club was created last year to give students the opportunity to learn about the legislative process, while at the same time experiencing some of the Christian principles offered by the local YMCA. Students in this organization participate in a Model Legislature in the spring of the year at Indianapolis. During this legislature, the students write, debate, and pass bills of their creation into law. The legislature is held in the Indiana State Capitol Building. This program usually attracts around 200 interested students from around the state.

WHAT IS

We took a poll of all the classes to ask some questions that we thought would be interesting to the student body.

FRESHMEN:

1. What do you think our country will be like in 20 years?

Jeri McQuitty — I think our country will be a lot different 20 years from now. I think there will be more machines to do things and maybe robots to work for us

Dena Capps — If teenagers have their way, there will be a lot of changes.

Mary Tyner — If there were any major wars over the next 50 years, it would almost destroy the world because of the atom bomb. It isn't likely that the world can go 50 years without a war but if there isn't, then the world would probably be polluted and overpopulated.

If the economy keeps going at its present rate, many people will probably be living in poverty. I guess there will be a cure for cancer or people living in space.

2. If you had an opportunity to have one wish what would it be?

Nick Kiefer — To wipe out all violence in the universe.

Eric Fettig — To date all the cheerleaders in the high school at the same time.

Kevin Bogard — I would like to become real important and bring peace to the world.

3. If dreams were for sale, what would you buy?

Jill Hoose — For just one day, not to have a worry in the world and do just anything that I want to do.

Genie McKinley — I'd wish for a big forest and let wild animals live there where there is no hunting, me living right in the middle.

Andrea Morris — To have the mistakes wiped away and have a clean slate.

SOPHOMORES:

1. What do you think our country will be like 20 years from now?

Susie Stafford — Twenty years from now, the U.S. will probably be mainly computerized. The pace of life will be so fast that no one would care about their fellow countrymen. Their main interest in life would be to get ahead of the other guy in any way possible.

Everyday life will be commercialized and inflation will be high. Twenty years from now there will probably be space stations and people commuting between them.

Peace will probably be found in the nations that have fought for years, but a state of turmoil will exist, mostly in the nations that were at one time allies, because of a great power struggle. Knowledge would be very advanced in many fields, but life would go by so fast that no one would have time to enjoy it.

Allyson McPhearson — I think it will be a lot like it is now. Sure, there will be some new discoveries, but not anything really important. I doubt that there will be any world wars because with all the bombs and firepower everyone has, they could just blow each other up.

2. If you had an opportunity to have one wish what would it be?

Dan Faucett — That all the problems in the world would disappear and we would have no limit to coal and gas and food. That we could have everything we needed.

Sara Carey — I wish that people would realize that everyone has feelings, and everyone is created equal, and no man is better than any other.

3. If dreams were for sale what would you buy?

Steve Whitehead — Fairness, patriotism, no prejudice, no wrong, no grief, a world where everyone is working to better themselves and their country, not destroy somebody else's country or life. If people paid more attention making their own lives better, then they wouldn't have time to start wars and hurt their fellow man.

Karen Helpling — Life to be carefree without any worries ... No hassles.

YOUR OPINION ?

JUNIORS

1. What do you think our country will be like 20 years from now?

Jenni Compton — This country will probably be a little less prejudice in 20 years.

Bill Smith — What country? There will be a nuclear holocaust and we'll do a fantastic imitation of the moon surrounded by Venus atmosphere.

Tony Wideman — I believe things will be straightened out and things will be perfect and easy to live in "Like the sayin is" if there's a way in, then there's a way out." So if there is a way in this mess, then there's got to be a way out!

2. If you had an opportunity to have one wish what would it be?

Greg Arbuckle — Immortality!

Ned Dunnichay — Free charge accounts and to have money.

Kathy Stage — To go back stage and meet Bob Seger at his concert.

3. If dreams were for sale what would you buy?

Wes Bogard — The dreams of my future and what the world holds in store for me and the people I care about. See if the world would ever have total peace with each other.

Stella Fisher — Paradise Island where everything is simple and no strings attached.

SENIORS

1. What do you think our country will be like 20 years from now?

Kathy Bess — I really don't know. I like to live my life from a day to day basis. It is really hard to say what the future will be like because of things changing all the time.

Jonelle Coons — I think it will be wilder than it is now.

Mike Williams — Probably go into a depression.

2. If you had an opportunity to have one wish what would it be?

Angie Wills — To be rich, happy and live forever. I want to give my family everything and never be sad again.

Gwen Pritchard — To live happy and peaceful and for the world to live in peace, each person accepting the other for what they are.

Tom Kelich — For world peace and for people to get along.

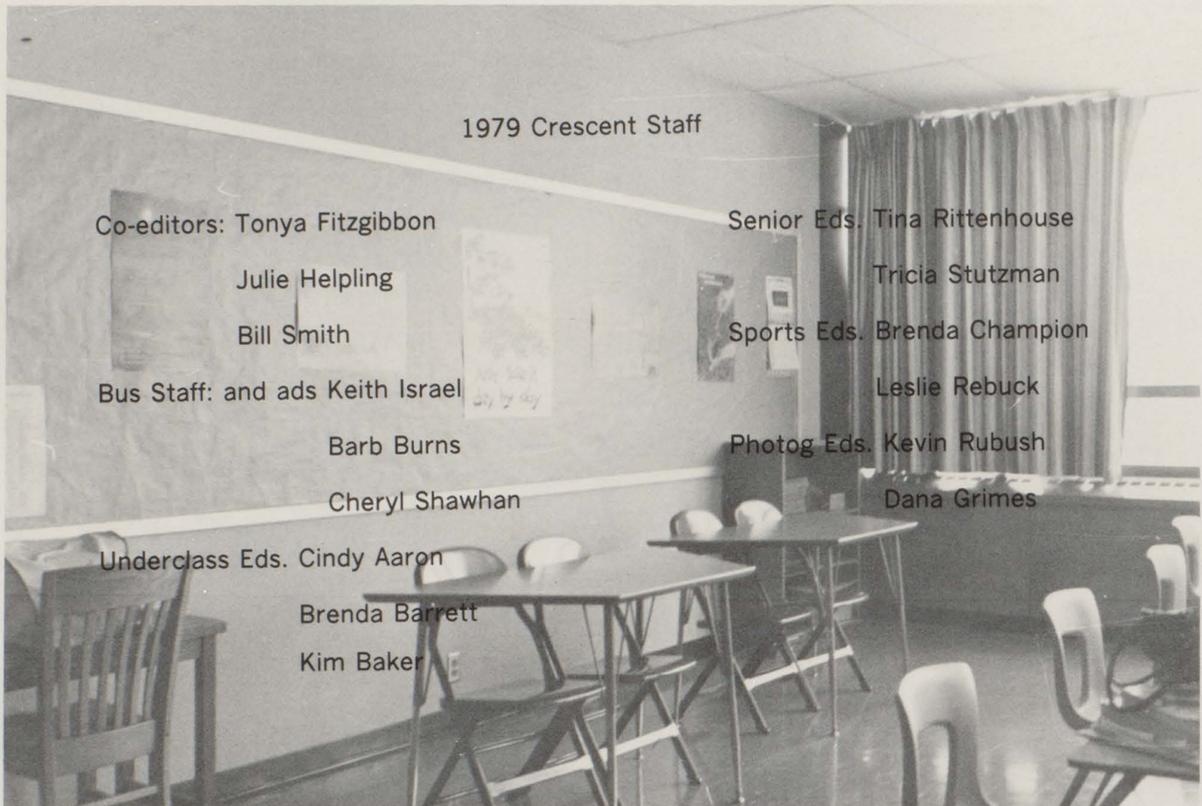

3. If dreams were for sale what would you buy?

Fred McPhearson — I would buy the dream of Eden, the dream that all live in peace and tranquility.

Jim Standridge — A chance to see if there really is a God.

CRESCENT STAFF

We the 1979 Crescent staff started the year with a lot of high hopes and ideas. As the year went on, we found out how much work and time go into making this book each year. We have tried to envision a year in which many of our memories began and have continually grown, fed by each friend and watered with our own tears. Happily we remember these events, sadly we accept their ending. We only hope that each person finds his memories reflected and kept within each page of this year's Crescent.

We would like to thank the following businesses and people for helping us with pictures and other problems through the year. Kim Ash, our yearbook representative, Reid's Studio, Elwood Call-Leader, Jim Cole, Julie Barrett, Science Dept., Mr. Huffman, Joe Humel, Craig Langley, Terry McPhearson, Mrs. Barr, Mrs. Merritt, Mrs. McQuitty, Bob Tippy, and mostly our advisor Mrs. Joanne Sullivan, for steering us through the problems that go with putting a yearbook together.
