Class History

The class of 1957 began its existence with forty-four pupils under the direction of Mrs. Kimmerling. For our second grade teacher, we had Mrs. Hughes. In our third year class we had Mrs. Copeland as our teacher. The fourth year we were under the direction of Mrs. Kimmerling once again. Our fifth and sixth grade teachers for the class of '57 were Miss Howard and Mrs. Wright respectively.

As a class activity in the sixth grade, we had a paper drive to start our financial goal. In the seventh grade we sold pencils as our means of making money. In the eighth grade our project was selling Christmas cards to the public.

Our officers in our Freshman year were president, Bill Friend; vice-president, Ruth Windsor; secretary, Carolyn Wimer; treasurer, Paul Lennon, and the business manager, Roger Dickinson.

Our sponsors for the Freshman year were Miss Dreger and Mr. Hunter.

The Sophomore year found the class of '57 with the same sponsors and the class officers were president, Bill Friend; vice-president, Ruth Windsor; secretary, Kay Kallner; treasurer, Paul Lennon, and the business manager; Roger Dickinson. Our class rings arrived near the Thanksgiving season. We liked them very much. Also, they didn't stay within the class very long, for various reasons.

As Juniors we found that we had a money making responsibility of keeping the pop machines filled for the students at noon and for the public at the basketball games.

We chose turquoise and white for our class sweaters which have seen plenty of wear during our Junior and Senior years.

As our class officers, we elected president, Bill Friend; vice-president, Tom Lee; secretary, Kay Kallner; treasurer, Paul Lennon, and the business manager, Max Zent.

Near the close of the semester we had our Junior Class Play, "It's a Great Life," a three act comedy under the direction of Mr. Nash.

Tuesday, September 4, 1956, brought a happy year to the class of '57. It was the last lap of our four year race. We, being ambitious students, began the year right by selling ice cream the first day of school. Our class officers were president, Roger Dickinson; vice-president, Bill Friend; secretary, Kay Kallner; treasurer, Paul Lennon, and the business manager, Merrill Metcalfe.

Jesse Greene from the L. G. Balfour Company met with us on September 6, to take orders for our name cards and graduation announcements.

On October 1, we started our advertising campaign to finance the "EAGLITE". After one month of hard work, we had finished this part.

Russell Forkner of the Elite Studios asked that our pictures be taken between October 10 and November 11.

The annual Halloween Festival was held October 31, in the gym. Our class was very much in evidence with our cake walk, Musicalities, and the nail driving contest.

We had a fish fry during the fall, and the girl members of our class acted as hostesses at a dinner sponsored by the local civic group.

We voted on the girl member of our class who was to receive the DAR award. The award, which is given by the Daughters of the American Revolution goes to the girl whom the class votes the best citizen for our four years in high school. Many things are considered in this including citizenship, interest in the class and scholastic average. We were happy to learn that Linda Drake received this honor.

Another stage in events was reached on December 21, when the school was dismissed for the Christmas holidays. It was then the Seniors finally began to realize how nearly our high school days were over.

We returned from vacation January 2, 1957, full of Christmas candy and turkey, to find that we were faced with semester exams. However, we all came through with flying colors and were ready to start our last semester in good old F.H.S.

On February 13, we finished the work on the annual and sent the final proofs to the printer. We were very glad to have the job finished and felt as if we had worked hard on it. We received the finished book in April and found that it had sold very well.

April 13, we left on our long-awaited Senior trip to Washington, D. C., New York, West Point and other points of interest. We toured on two Miller Tours buses. We returned tired but happy on April 21.

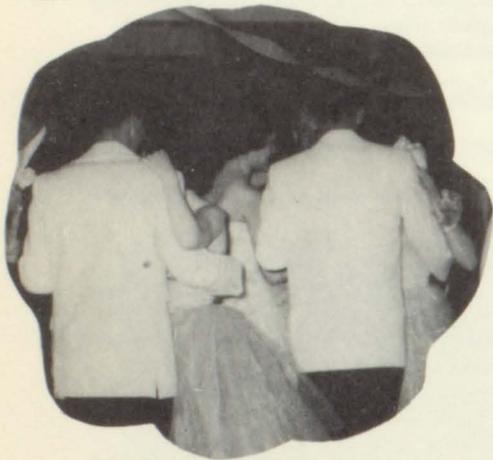

We presented our class play "Hotheaded Herbert," a comedy on April 11 and 12, which proved to be very successful.

Baccalaureate service was held in the gymnasium. Reverend Otto C. Stroup delivered the address. We were then ready for our final week of high school.

Our Commencement services were on the evening of May 23. We received our diplomas and were officially graduated.

Junior Class History

Class of 1958

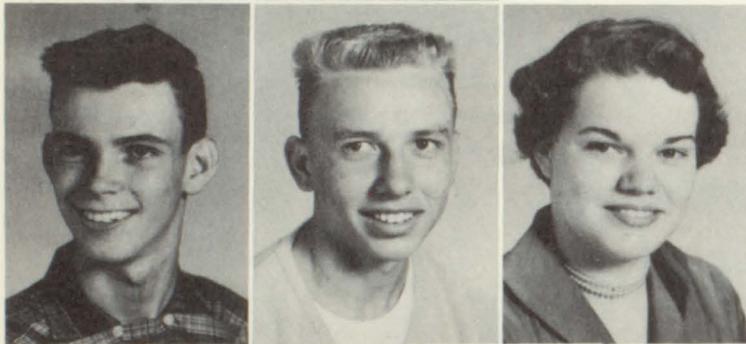

Highlights for the fifty-four Juniors have been numerous this year. The first activity of importance was our class play, "A Date For Danny." Magazine sales offered keen competition and Garland Antrim was top salesman. The day we received our black and white class sweaters was a real thrill.

At the Halloween Festival we sold food and had a style show. Throughout the year we have sold pop. December 4 and April 16 were the dates of our skating parties. We are planning entertainment for the Seniors this spring.

We have been guided through our activities by our able sponsors, Mrs. Inez McCoy and Mr. Sterrett Nash.

Class of 1959

Sophomore Class History

The class of 1959 started this fall with 90 members; 46 girls and 44 boys. The class officers are as follows; President, Joe Mays; Vice President, Jerry Mays; Secretary, Lucy Riley; Treasurer, Judy Hill; and Business Manager, Myron Etchison. The student council representatives consist of Joe Mays, Joyce Curtis, and Max Roach.

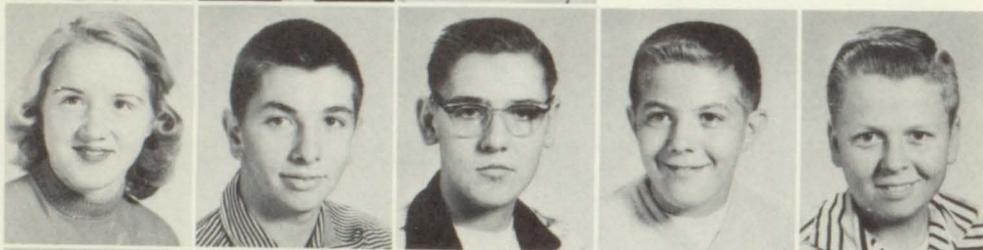

We took our turns at selling candy and looked forward to the day when we received our "class rings". Class parties were held at intervals throughout the school year and our annual skating party was held on May 7.

We are proud that two of our class mates are varsity cheerleaders and 7 boys are on the basketball team.

Our sponsors, Mr. Kenneth Conkling and Miss Marilyn Bowers, have stayed true blue to us through our Jr. High, Freshman, and Sophomore days.

Class of 1960

Freshman Class History

This year we have fifty-five new classmates. Most of them have come from Leach, Linwood, and South Elwood. This new group makes our total fifty-six girls and fifty-five boys.

Last fall we elected our class officers with Donnie Foust as our president; Phil Bouslog as vice-president; Barbara Todd, Secretary; Lorna Sprague, treasurer; and David Taylor as our business manager. Our sponsors, Barbara Foster and Gordon Kerfhoff, have helped us to be very successful in selling popcorn, pretzels, and potato chips and our booster buttons seemed to sell fast. At the Halloween Festival we had the baseball throw. The guests took turns at trying to hit volleyballs painted to look like "Ike" and "Adlai".

We have had two class parties. The first one was held at Bailey's Field in the fall, and our second one was held in the spring. Our class sponsored an all school skating party during the winter.

The girls in home economics made their refreshments for their Christmas Party and all went caroling afterward.

The boys in agriculture took several judging trips to test what they had learned on cattle and grain.

We are all looking forward to next year when we will order our class rings.

Babe Ruth League

The Babe Ruth and Little League are sponsored by the merchants of Frankton. Summer activity is provided these boys in the form of baseball. The town of Frankton and interested citizens have provided a well equipped ball diamond for these leagues. We are proud of these character building organizations.

Elwood, Indiana

A MESSAGE TO YOUNG PEOPLE *and Parents* FROM A GREAT AMERICAN

" . . . today's exciting era of rapid discovery and almost unbelievable technological progress offers young people with inquisitive minds—and a good education—scores of richly rewarding opportunities that were not even dreamt of in my youth.

"One Thomas Edison in a generation is no longer enough to sustain our kind of progress—today we literally *need thousands of well-trained young people* with the kind of vision, imagination and courage that took Edison on his lifelong conquest of the unknown.

"This is why I am constantly urging boys and girls to go on *to as full an education* as possible—not only in science and engineering, but in the arts, the social sciences, the humanities or any other field that fits their talents. . . ."
