Dearest Mary,

I didn't get any mail today, not very much came in. I have been getting my share lately, and from the way your letters read you are too. I'm going to write to Dad tomorrow, its been about a week since I wrote him. I sent you the "Roundup" the other day as you should be getting it before long.

I just saw a pretty good movie, "The Princess and the Pirate." Bob Hope played the part of a pirate, & I can't think of the girls name. Have you been to any movies lately?

We had deer steaks for supper tonight. I like it just as well as beef.

I must stop and go to bed, honey.

I love you with all my heart, Mary.

Yours forever,

Earl
