Dearest Mary,

I didn't look for any mail today, but this is one time I got surprised. I got two letters and a sports magazine from you and a letter from Russ Harper. Your letters were dated Feb 9 and 12th.

I'm sure glad to hear that Diana is well again. Do you think her tonsils are the trouble? I think she should have them taken out if it is.

I'll bet you are glad the weather is warmer; the snow should be melted off soon if it stays warm.

Thanks for sending the stationary and news clippings. Mrs. Wise sent me Jims and Howard's addresses; she also sent my address to them. I'm going to write to Jim soon, he and I used to fish and hunt a lot together.

I think the plan that Congressman Fulton has would be a good idea too. That would be the best morale builder I could ask for.

I'm glad to hear that Vinnie received my letter; I'll try and write her more often.

I think I will go to the movie tonight; the name of it is Brazil.

I hope the pictures we took are good; I will send them to you soon as we can get them printed. God only knows when that will be!

It's almost time to go to the show so I will stop.

All my love to you, Mary,

Yours forever,

Earl

Buenos.

Dearest Mary,

I didn't look for any mail today, but this is ^{one} time I got surprised. I got ^{two} ~~three~~ letters and a sports magazine from you and a letter from Rose Harper. Your letters were dated Feb 9 and 12th.

I'm sure glad to hear that Diana is well again. Do you think her tonsils are the trouble? I think she should have them taken out if it is.

Well but you are glad the weather is warmer, the snow should be melted off soon if it stays warm.

Thanks for sending the stationery and news clippings. Mrs. Wise sent me Jim and Howard's addresses, she also sent my address to them. I'm going to write to Jim soon. He and I need to feed and hunt a lot together.

I think the plan that Congressman
Kulter has would be a good idea
too. That would be the best morale
builder I could ask for.

I'm glad to hear that Vinnie
received my letter, I'll try and
write her more often.

I think I will go to the movie
tonight, the name of it is
Brozill.

I hope the pictures we took
are good, I will send them to
you soon as we can get them
printed. God only knows when that
will be!

Its almost time to go to the
show so I will stop.

All my love to you, Mary.
Yours forever,
Earl.
