Burma

Dearest Mary,

I don't have anything to do tonight so I have been reading. I listened to the news this evening, sounded pretty good. I hear broadcasts from the States every day. I like Glenn Millers recordings, and I hear him every Sat.

I still love the cig. Lighter that you bought me while we were in Fresno. I run out of flint today but I borrowed one from Jaffee, his folks sent him some. It works O.K. and I couldn't do without it. If you can find any flints please send me some.

No mail came in today so I'm not the only one that didn't get any. I hope some comes in tomorrow.

How is Diana? I suppose she is having a big time with her Christmas gifts.

Take care of yourself darling.

I love you Mary.

Yours forever,

Earl

Dearest Mary,

I don't have anything to do tonight so I have been reading. I listened to the news this evening, ~~was~~^{was} sounded pretty good. I ^{hear} broadcasts from the States every day. I like Glenn Miller recordings, and I hear him every Sat.

I still have the cig. lighter that you bought me while we were in Texas. I run out of flint today but I borrowed one from Joffe, his folks sent him some. It works O.K. and I couldn't do without it. If you can find any flint please send me some.

No mail came in today so I'm not the only one that didn't get any. I hope some comes in tomorrow.

How is Diana? I suppose she is having a big time with her Christmas gifts.

Take care of yourself darling.

I love you Mary. Yours forever
Earl.
