

Bass Lake

April 2, 1944

Darling,

After Lord and I went to camp we found a ride to Bass Lake, with another truck. We never did hear what happened to the truck we come to Fresno with. I got into camp about 9:00 pm and the place was deserted, our truck took some of the boys to a tavern about 5 mi up the Lake, Bergman was with them so I see him until this morning. He has not said a word to me yet so I don't guess he will. I worked on the radio from 12:00 mid-night to 7:00 this morning. I ate breakfast- hot-cakes and eggs, milk - and then went to bed and slept until 11:30. We had steak for dinner and it was good.

It's very warm up hear to day the sun even burns you a little. I sure wish I could be with you to-day but I guess I can't. I'm going to sleep some more as soon as I finish writing this letter. Did you and Pat go to a show?

I will see you next week honey.

I love you very much

Yours forever

Base Lake
April 2, 1944.

Darling,

after food and I went to camp we found a ride to Base Lake, with another truck. We never did hear what happened to the truck we came to know with. I got into camp about 4:00 P.M. and the place was deserted, our truck took some of the boys to a tavern about 5 mi. up the lake, Bergman was with them so I didn't even see him until this morning. He has not said a word to me yet so I don't guess he will.

I worked on the radio from 12:00 midnight to 7:00 this morning. I ate breakfast - hot-cakes and eggs, ~~with~~ milk - and then went to bed and slept until 11:30. We had steak for dinner and it was good.

It's very warm up here today the sun even burns you a little. I was wish I could be with you today but I guess I can't. I'm going to sleep some more as soon as I finish writing this letter. Did you and Pat get to a show?

I will see you next week honey.

I love you very much
Yours forever
