Burma

Mary Darling,

I told you in last night's letter that I didn't get any mail from you - later in the evening someone brought me a letter. It must have been misplaced when we had mail call. The letter was written Dec. 22. I see Jane & John arrived, how long did they stay? Has John finished school yet?

I wrote to Neil and Hutch to-day. I have not heard from any of the boys in the 17th for a long time. Norgrant owes me a letter, I don't know why he don't write.

The cookies Alice sent me are sure good, I ate so many of them today that I didn't have much of an appetite.

I didn't do much today, washed my hair and shaved that's about all.

Saw a show last night, "Bermuda Mystery." I love you, Mary. No mail today.

Yours,

Earl

Mary Darling,

I told you in last night's letter that I didn't get any mail from you - later in the evening someone brought me a letter. It must have been misplaced when we had mail call. The letter was written Dec 22. I see Jane + John arrived, - how long did they stay? Has John finished school yet?

I wrote to Neil and Nutch to-day. I have not heard from any of the boys in the 11th for a long time. Norquist sent me a letter, I don't know why he don't write.

The cookies Alice sent me are nice good, I ate so many of them today that I didn't have much of an appetite.

I didn't do much today, washed my hair and shaved like about all.

Saw a show last night, "Bernie's Mystery." I love you, Mary. Yours,
No mail today. Earl.
