Burma

I'm a little late in writing you tonight. Special Service put on a stage show for us tonight, so I thought I would wait until after the show to write to you. The show was pretty good, six G.I.'s dressed up as girls danced and etc; they had a small band that was pretty good, also some singers.

No mail came in today. I should get some tomorrow or the next day. I hope I don't go five days without getting any mail like I did last week. Sometimes mail comes pretty fast and some times it takes several weeks. Do you get mail more than once a week? I usually average two times a week.

You can send me some more writing paper. I have plenty of envelopes. I can't buy any writing paper anywhere, we very seldom get any in our rations either. I like this paper so maybe you can send some more of it. Its much better to carry too.

I wish you wouldn't use V-mails honey, although if you think it best there is nothing I can do. Its OK to be patriotic but please don't use them unless you absolutely have to. I know that you don't like them so I never use them unless I don't have anything else.

There is a movie after the stage show tonight but I'm too sleepy to go, probably wont miss much anyway.

It's 10:00 PM so I must get to bed.

I love you more than ever, Mary

Yours forever,

Earl

Burma.

Dearest Mary,

I'm a little late in writing you tonight. Special Service put on a stage show for us tonight, so I thought I would wait until after the show to write to you. The show was pretty good, six G.I.'s dressed up as girls danced and etc; they had a small band that was pretty good, also some singers.

No mail came in today. I should get some tomorrow or the next day. I hope I don't go five days without getting any mail like I did last week. Sometimes mail comes pretty fast and some times it takes several weeks. Do you get mail more than once a week? I usually average two times a week.

You can send me some more

mailing ^{APR 25} paper. I have plenty of envelopes. I can't buy any writing paper anywhere, we very seldom get any in our nation either. I like this paper so maybe you can send some more of it. It's much better to carry too.

I wish you wouldn't use V-wave stamps, although if you think it best there is nothing I can do. It's OK to be patriotic but please don't use them unless you absolutely have to. I know that you don't like them so I never use them unless I don't have anything else.

There is a movie after the stage show tonight but I'm too sleepy to go, probably won't miss much anyway.

It's 10:00 PM so I must get to bed.

I love you more than ever, Mary.
Yours forever,
Earl.
