Dearest Mary,

I got two V-mails from you today, also Feb 12 issue of Times. Your letters were dated 15 and 16 Feb.

Diana must have had a good time Valentine's Day. I didn't think that she would remember me giving her that old billfold!

I was just wondering why I hadn't heard from Riley Fisler. He has a pretty good chance of getting back if he is not killed. Hope he gets back OK.

I saw a good stage-show last night - Benny Merroff and company. They had some good dancers and singer; no band or anything.

I love you, Mary.

Yours forever,

Earl
