Burma

Dearest Mary,

I just came from the movie, it wasn't very good. Jack O' Rie & Donald O'Connor were pretty good but the movie was old. I don't remember the name.

I was going to write your letter before going to the show, but the truck left at 6:30 and I didn't have time.

I have received no mail for four days, I don't know what's holding it up, I hope its not lost. Maybe I will get some tomorrow.

I just smoked one of the cigars I got in my rations, they don't taste very good so I'm going to give them to Lambourn, he likes them and won't smoke anything else.

Its 10:30 so I will stop for tonight. I love you darling and miss you more each day.

Yours forever,

Earl

Dearest Mary,

I just came from the movie, it wasn't very good. Jack O'Ke + Donald O'Connor were pretty good but the music was old. I don't remember the name.

I was going to write your letter before going to the show but, the truck left at 6:30 so I didn't have time.

I have received no mail for four days, I don't know what's holding it up, I hope it's not lost. Maybe I will get some tomorrow.

I just smoked ^{one} of the cigars I got in my ration, they don't taste very good so I'm going to give them to Lamberson, he likes them and won't smoke anything else.

It's 10:30 so I will stop for tonight.

I love you darling and miss you more each day.

Yours forever,
