Mary Dearest,

I didn't get any mail from you to-day. Not much first class mail came in, just a few packages. I was lucky to get one, it was from Bob. He sent me several things, and I can use all of them. I won't name them for you because you probably know what he sent. I don't see how he got all that stuff in so small a box. I needed a new tooth brush and was going to ask you to send me one, Bob sent me one so I won't ask you now. I wrote him a letter today thanking him for the package.

Have you been working at the hardware lately? You haven't mentioned anything about it in your letters, I suppose Ida is working now. I must stop for now honey.

I love you darling.

Your husband,

Earl
