Burma

Dearest Mary,

No mail came in today, I should get some tomorrow, it will be the third day. Have you been getting much mail lately?

It has sure been hot today. I went for a swim this afternoon, also washed some of my shorts and socks. I wash them soon as I get them dirty, then I don't have no dirty clothes to worry about.

I just listened to the war news, sounds pretty good. 250 B-29's bombed Tokyo and caused a fire 15 miles square. We can't realize how large a fire that is! Maybe this war won't last as long as some people think - I hope! Do you listen to the news every day?

"Stormy Weather" is the movie tonight, I have seen it four times! It was a pretty good show but not good enough to see it five times.

I wrote to Dad today. He wrote me a nice letter. I don't see how he writes considering his nerves and etc. He sure likes you and Diana, most of his letter was about you.

I will stop for now, honey.

I love you very much, Mary.

Your husband,

Earl

Hope I get some mail tomorrow.
