Dearest Mary,

I got one letter from you today; it had some more stationary and stamps in it. Thanks honey. Your letter was written Feb 3. Lambourn sent me a sports magazine but I had one just like it, so I won't have anything to read for a while.

I'm writing this before supper today, because I'm going to the show tonight. I don't know what's playing but I will tell you in tomorrow's letter.

We had a good dinner today; beef-steak, corn, beans, pudding, and lime-aide.

How does Diana like her new snowsuit?

Looks like Clifford Gooding is trying to stay out of the army, I don't know what other reason for him moving to a farm, do you? It may be more quiet with them gone.

Hope you can take some good pictures not that you have some film.

All my love, Mary

Your husband,

Earl
