Dearest Mary,

No mail today, I should get some tomorrow or the next day. I just finished writing a letter to Bob. He has been writing to me quite often lately. I have two more letters to write then I will be caught-up - one to Neel and one to Irsy Engleman. Irsy is a Sgt now. I was sure surprised when I read that. Some people get all the breaks!

I'm going for a swim soon as I finish this letter. The cool water sure feels good.

Thanks for sending me the basketball scores. I see Frankton was defeated in the first game. Do you think Anderson will win the State this year?

The rations this month cost about 20 rupees - a little over \$6.00. I still have six cans of beer left, I think I will drink that tonight after I get off duty. (about 9:00) I tried to get a wristwatch this month but wasn't lucky enough to get one. They get a few every month and they are raffled off.

How does Diana like the table Minnie and Willard gave her? I'm not a very good artist but I will draw some pictures for Diana when I come home.

I love you very much, darling.

Your husband,

Earl
