Burma

Dearest Mary,

I just finished eating supper - we had Vienna sausage and cheese, green beans, beets, hot chocolate, and pears for dessert. Vienna sausages' are good cooked with cheese, they split them and put the cheese on the inside. We are going to have lunch tonight we have some fresh eggs, spam, and postum. The eggs sure taste good, I hope we can get some more of them soon.

It is raining out now, but it don't look like its going to last very long. How cold is it back home?

I'm listening to some Glen Miller recordings on the radio. I read in the news that they have given-up all hopes of finding him, he has been missing since Dec. I wonder if his band will stay together?

No mail came in today, hope I have better luck tomorrow.

I love you, darling.

Yours forever,

Earl
